Chapter 3811

David desperately wanted to escape from the magma envelope, but the magma was like a quagmire. No matter how hard David struggled, he couldn't break free!

David tried to use his fire origin to absorb the surrounding heat waves and flames!

But there is no way to absorb it at all, as if the flame in the magma is not one with my own ultimate fire!

David's indestructible golden body actually began to fall off bit by bit under the heat wave!

David knew that if the immortal golden body fell off, his physical body would not be able to withstand the magma flames!

But just when David was desperate, suddenly there was a cool feeling around him!

I saw the Fire Essence obtained by David flashing red!

The red light of the Supreme Fire Essence flashes, and the heat waves and flames in the magma are quickly absorbed into the Supreme Fire Essence!

This time, David instantly became comfortable!

"Boy, this is a God-given opportunity. If you can refine the fire in the center of the earth, you will have an additional kind of supreme fire, which is much more powerful than your original supreme fire."

Red Lord Yunmo said!

David just wanted to feel comfortable. When Demon Lord Chiyun said this, his eyes suddenly lit up!

Now that there is a supreme fire spirit that absorbs the fire from the center of the earth, David can take the opportunity to refine some of the fire from the center of the earth!

Without this supreme fire essence, with David's current strength, let alone refining, he would have been burned to ashes!

David closed his eyes slightly, feeling the flames all around him!

The fire in the core of the earth is bound and absorbed by the fire essence, so there is no way to cause harm to David!

David began to peel off traces of flames from the fire in the core of the earth absorbed by Zihuo Essence, and slowly absorbed the flames into his body using the power of his own fire source stars!

David didn't dare to be greedy. After all, with his current strength, he didn't even know if he could tame even a trace of the Earth's Fire!

If this cannot be tamed and refined, and the fire from the center of the earth is raging in David's body, it will be in trouble!

David was very careful and slowly refined the fire from the center of the earth!

At this time, Sect Leader Luo had already rushed out of the crack and returned to the ground!

Seeing Sect Master Luo, Sect Master Chen and the disciples of the sect were all very happy!

"Zongzhu Luo, are you okay?"

Zongzhu Chen stepped forward and asked!

"I'm fine, it's just...it's just Daoyou Chen..."

Sect Leader Luo looked at the bottomless crack, his expression became sad!

Seeing Sect Leader Luo's expression, everyone instantly knew what happened!

Everyone was silent!

They knew that if it weren't for David, none of them would have survived!

But now, in order to save Sect Master Luo, David stayed in this big crack forever!

“Our five major sects will always owe you a favor to Fellow Daoist Chen...”

Sect Leader Luo said sadly!

“Sect Master Luo, the matter has come to this, and we have nothing to do.”

“What should we do with the second elder of Gui Sha Sect?”

asked Sect Master Chen!

Now the hunchbacked old man is still in their hands!

Sect Master Luo glared at the hunchbacked old man. If it weren't for the sneak attack by Gui Sha Sect, how could so many disciples of their five major sects have died!

Is it possible that David is trapped in a large crack and his life or death is unknown?

“All the beasts of the Guisha Sect deserve to die...”

“Throw him into the big crack and let him die without a burial place...”

Sect Master Luo said through gritted teeth!

When the hunchbacked old man heard this, he was immediately frightened to pee.

“No, don't kill me. I know I was wrong. I promise that I will never cause trouble to the five major sects again.”

“And as long as you let me go, I can be your spy. As long as the Guisha Sect wants to deal with you, I will inform you in advance.”

The hunchbacked old man desperately begged for mercy!

After finally cultivating to the current state, he doesn't want to die!

Sect Master Luo wouldn't listen to all this. He wanted to direct all his anger at this hunchbacked old man!

But just when he was about to throw the hunchbacked old man into the big crack, the mountain suddenly shook!

Chapter 3812

Then, from the big crack, a ball of flame soared into the sky and shot straight into the sky!

The rolling heat wave made Sect Leader Luo and the others retreat one after another!

The snow on the ground also evaporated in an instant, revealing brown rocks!

Above the flames, a figure sat cross-legged!

As the flames fell, the figure also fell down with it!

“Fellow Daoist Chen...”

Sect Master Chen saw that above the flames, it was David!

On David's palm, a red flame danced, like a dancing little person!

But soon, this red flame disappeared into David's body!

David finally refined the fire in the center of the earth and possessed the second kind of ultimate fire flame!

Even if there is only a small flame in the center of the earth, the heat wave that breaks out sweeps for dozens of miles!

All the snow was evaporated, and the cold air became dry and hot in an instant!

But as the flame entered David's body, the cold air swept across again. The dry air collided with the cold air, and heavy snow fell like goose feathers!

“Fellow Daoist Chen, are you...are you okay?”

Sect Leader Luo asked with excitement!

“I’m fine!”

David shook his head!

Seeing that David was fine, Sect Leader Luo finally breathed a sigh of relief!

“Fellow Daoist Chen, you saved me and our five major sects this time. Your kindness will be unforgettable.”

Sect Master Luo was sincerely grateful to David!

“Sect Master Luo is too polite. It’s just a small effort. What’s more, the five major sects are well-known and upright sects. They punish evil and promote good, so they should help.”

David still recognized the character of Sect Leader Luo!

After all, when he knew that the Demon Sealing Alliance was hunting him down with hundreds of years of offerings, Sect Leader Luo didn’t do anything to him because of profit!

“Fellow Daoist Chen, save me. I know I was wrong. I will never dare to do anything to you again.”

The hunchbacked old man followed David and begged for mercy!

He knew that the people from the five major sects must hate him to death. If he really fell into the hands of the five major sects, he would probably be tortured to death!

Now he can only beg David!

“What’s the benefit if I let you go?”

David asked, looking at the hunchbacked old man!

“Yes, there must be. I will truthfully report to the sect master, and I will never take action against you.”

“Actually, we don’t want to be the lackeys of the Demon Sealing Alliance, but if we don’t obey, we will be punished by the Demon Sealing Alliance. If it is destroyed, there is nothing we can do.”

“If you let me go back this time, I will definitely persuade the sect master to find a way to break away from the Demon Sealing Alliance and stop being a dog to the Demon Sealing Alliance.”

The hunchbacked old man was full of desire for survival. David said!

“Okay, I believe you for the time being. You are of the Yin Demon lineage and have done such evil. When the Yin Demon returns to its true form, you will not be able to reap the benefits.”

After David finished speaking, he asked the disciples of the five major sects to release the hunchbacked old man. Got it!

The hunchbacked old man thanked him profusely, turned around and ran away!

Although Sect Master Luo and the people from the five major sects hated the people of Gui Sha Sect deeply, but now that David wanted to release him, they didn’t dare to say anything!

After all, David also captured the person, and it was David who had the final say whether he should be released or not!

“Fellow Daoist Chen, we are going back too. We have suffered such a great disaster this time, and our five major sects have to cultivate for a period of time.”

Sect Master Luo followed David to say goodbye!

“Okay, please be safe on the road. In addition, let Sect Master Chen take the soul-fixing bead and go to the Soul Demon Sect to find Sect Master Jiang. When he sees the soul-fixing bead, he will reshape the body of Sect Master Chen.”

David knew , when Sect Master Jiang saw this soul-fixing bead, he must know that Sect Master Chen recommended it himself!

The Soul Demon Sect is still capable of reshaping the physical body!

After listening to David's words, Sect Master Chen said with gratitude, "Friend Chen, I will never thank you for your kindness. I will remember this kindness. Farewell!"

Sect Master Luo and the others left, while David went to find Binglu and the others. Got it!

Chapter 3813

When David rushed to the place where Binglu and others were originally waiting, he found that there was no one there!

David's brows frowned instantly. He had said that Binglu and others would wait here!

But now there is no one there.

This gave David a bad feeling in his heart!

David worked hard to emit his spiritual consciousness, hoping to find the whereabouts of Binglu and others!

But after searching for dozens of miles, there was still no trace of Binglu and the others!

Just when David didn't know what to do, he suddenly discovered that there were blood stains on the pure white snow!

Following the blood stains, we found the bodies of several saints lying coldly on the ground!

David was shocked and hurried over to check!

It was found that these saints were already dead, and there were still signs of being violated!

The most important thing is that the black tortoise shells on these saints have been broken, indicating that they have encountered masters.

Looking at the disheveled saint, David felt murderous intent filling his heart.

David didn't know who attacked Binglu and others, but he would never let these people go.

Even if I am the King of Heaven, he will not let me go.

David hit the bodies of these saints with a ball of fire, and the bodies began to burn violently.

He couldn't let these saints die in the wilderness, otherwise they would become food for wild beasts.

After disposing of the saint's body, David's figure disappeared instantly.

At this time, in the borderland of chaos hundreds of miles away from David, Binglu and Lan Yingying were walking with difficulty with several saints.

Almost all of these people had injuries on their bodies, their breaths were very weak, and they were obviously unable to hold on.

"Sisters, hold on, even if you enter the land of chaos and are strangled by the turbulence of time and space, you will never fall into the hands of the Mu family."

"These beasts will not even spare the bodies of our dead sisters."

Binglu He gritted his teeth and said with grief in his eyes!

"Yes, even if we die, it won't be easy. Killed these Mu family beasts. "

Lan Yingying also nodded and said!

"Okay! "

The remaining saints all nodded in agreement!

You know, as the saints of Guanghan Palace, their chastity is the most important, and their lives are nothing!

But these beasts from the Mu family know that Guanghan What the Palace Saint cares about most is that she doesn't even let go of the corpse!

So even if Binglu and the others die, they will not die in the hands of these Mu family members, with

determined eyes as they walk towards the borderland of chaos. Go!

Not far behind Binglu and the others, Mu Yao and his family were chasing.

Next to Mu Yao was a middle-aged woman

who was Mu Kui's aunt, Mu Naiyi . Miss.

If Mu Yao had only brought the Mu family, Binglu and the others would not have suffered such heavy casualties.

But who knew that this Mu Naiyi was here. As the elder of Guanghan Palace, Binglu and others knew that the Mu family was against Guang. The Han Palace was hostile, but they were unprepared. They

were attacked by Mu Naiyi, and they suffered heavy casualties. They fought to the death and escaped here.

“Miss, these saints of the Guanghan Palace went to the borderland of chaos. Are you going into the land of chaos to seek death? “

Mu Yao looked at the direction in which Binglu and others were escaping and said.

“It's not that they want to enter the land of chaos, it's that we want to drive them in. “

Mu Naiyi said with a cold smile!

Mu Yao was stunned for a moment, his face full of confusion. “Miss, why do you drive them into the land of chaos? “

Mu Naiyi was not saying anything, but pointed to the southwest direction not far away!

Mu Yao looked in the direction of the finger and found that there was a faint circle of light flowing in that direction, and in that light There seemed to be a majestic mountain in the middle of the screen!

This time, Mu Yao was confused, because he had never seen this light screen in the past few days in the polar region, let alone this mountain

! Among them, isn't the mountain that suddenly appears now a mountain within a mountain?

Chapter 3814

“That’s Jishan. The real Jishan mine is on top of Jishan.”

“It’s just that Jishan is blocked by a barrier and can’t be seen at ordinary times. Only when the time and space in the borderland of chaos are distorted, Jishan can It will show up.”

“Only in this way can we have the opportunity to enter the Extreme Mountain to collect the Extreme Stone. This is what I just learned, so I came to the Arctic to look for you.”

Mu Naiyi explained after Mu Yao!

Only then did Mu Yao understand and why Mu Naiyi suddenly came to the Pole!No

wonder they have only found scattered pole stones in the past few days, but not the pole stone mine. It turns out that it was blocked by a barrier!

Moreover, this Jishan Mountain is located in the borderland of chaos. No one dares to get close to it, so no one discovered it!

“Miss, you drove these Saints of Guanghai Palace into the Land of Chaos just to distort the time and space of the Land of Chaos so as to create conditions for entering the Extreme Mountain, right?”

Mu Yao understood instantly!

“Yes, you are very smart!”

Mu Naiyi smiled lightly!

At this time, Binglu and others have reached the edge of the Land of Chaos. If they move forward, they will be sucked into the turbulent currents of the Land of Chaos!

If you do that, you will definitely die, and you won't even be able to keep your corpse!

"Sisters, let's hold hands. Don't be afraid of anyone."

"If you enter the Land of Chaos, you will be strangled by the turbulent currents in an instant. There is no pain."

Binglu held everyone's hands, and then walked towards the Land of Chaos with firm eyes. !

"Don't do anything stupid!"

At this time, David's voice came, and then he saw a figure, approaching like a leap!

"Mr. Chen..."

Binglu was overjoyed. She didn't expect David to find this place!

Now that David is here, they may be saved!

After all, they have all seen David's strength with their own eyes!

But just when they stopped and waited for David, a huge suction force suddenly began to suck Binglu and the others into the chaotic land!

The two saints were sucked up and flew high into the air!

fortunately These people were holding hands, so they didn't get sucked in!

"Hold on..."

Binglu gritted her teeth and held on tightly!

Everyone tried their best, but the huge suction force was still dragging Binglu and the others towards the land of chaos!

Seeing the ice dew, they couldn't hold on anymore!

David's figure appeared instantly, and then a huge aura surged, knocking Binglu and the others away from the huge suction force!

But David himself was instantly sucked in by the suction of the Land of Chaos!

"Mr. Chen..."

All the saints were shocked and could only shout, but no one had the ability to help!

David's body is like a small boat, swaying in the land of chaos!

With his indestructible golden body activated, David resisted the turbulence in the land of chaos!

Along with David's body, he was continuously dragged into the depths of the land of chaos by huge suction!

David's indestructible golden body began to crumble!

All the power in his body was erupted by David, forming layers of shields!

But it was of no use at all. It was instantly defeated by the turbulence of time and space!

Blood stains began to appear from David's seven orifices!

"Are you really going to die here today?"

David gave up resistance and fell into despair!

The dragon crystal on David's chest exploded with light, and a golden dragon circled around David!

But in that chaotic space, even the golden dragon is disappearing quickly!

But at this moment, David discovered that through this chaotic space, he could see patches of snowfields, as well as monster beasts. 1

"This is not the pole, this is... this is the Arctic ice field?"

David I was stunned immediately!

Those snow wolves are the monsters of the Arctic ice field!

David did not expect that after passing through the polar border of the Southern Territory, he would reach the ice fields of the Northern Territory.

Put it this way, the entire world of heaven and humans is a closed loop!

No wonder David found northern monsters like snow wolves in the polar regions!

Chapter 3815

Although he knew that the North Icefield was across the way, David couldn't move at all!

The body seemed to be frozen there!

In the land of chaos, space began to twist, and the turbulence of time and space was like a sharp blade, constantly harvesting David!

David's body is already scarred!

The golden dragon surrounding its body is also slowly disappearing!

And David found that a towering mountain became increasingly clear!

On that high mountain, patches of extremely rocky rocks radiated light!

"The Extreme Stone Mine?"

David did not expect that the Extreme Stone Mine was discovered in the Land of Chaos!

However, the Ji Stone Mine is not in the Land of Chaos, but is closely connected to the Land of Chaos!

"It's over, it's really over this time..."

David sighed!

Now I find that the Jishi Mine is useless!

People are going to die!

At this moment, David even felt the breath of death!

This is the closest he has been to death!

“Death may be a relief.”

“I just can’t bear to leave the women around me…”

David’s thoughts fell into memories!

It’s like showing a movie, starting from when I was in jail and released from prison, bit by bit!

Demon Lord Chiyun was also panicking in David’s sea of consciousness at this moment!

If David died here, he would definitely be done with it!

“Don’t give up, hold on, you can’t die. What will I do if you die?”

Demon Lord Chiyun yelled!

It’s a pity that David can’t seem to hear it at all, and his survival outside the realm is getting lower and lower!

At this time, in a mountain forest mansion!

Mr. Shi suddenly frowned!

“Why did this guy go to the Land of Chaos? He’s really looking for trouble!”

Mr. Shi muttered, and his body disappeared instantly!

Just when David’s life was slowly disappearing and his thoughts began to become confused!

Suddenly a golden light shone on his body, followed by an unprecedented comfortable feeling that spread throughout David’s body!

In front of David, Mr. Shi, dressed in plain clothes, was quietly looking at David!

When David opened his eyes and saw Mr. Shi, he was stunned!

“Mr. Shi, is it really you?”

“Am I dead? Are we in hell or heaven?”

“It must be heaven. Did I see you in heaven?”

“Mr. Shi, are you? Do you know how much I miss you?”

David cried!

In fact, David has always regarded Mr. Shi as his elder!

In the secular world, David received Mr. Shi’s meticulous care!

Without Mr. Shi, David might have been assassinated to death by those from the Martial Arts Alliance in Kyoto!

Listening to David’s words, Mr. Shi was speechless for a while!

“David, don’t forget that you are a monk, a true immortal cultivator.”

“What hell and what heaven, don’t you think it’s ridiculous to say it from your mouth?”

“Only a mortal can say it. These.”

Mr. Shi said calmly!

David fell into a daze after listening to Mr. Shi’s words, but he quickly came to his senses!

“Mr. Shi, I’m not dead, and neither are you?”

“Right, right?”

David hugged Mr. Shi excitedly!

Mr. Shi is not dead, and neither is he!

Because he could clearly feel Mr. Shi's breath at this moment!

Mr. Shi's body exudes golden light, and wherever the light shines, there is peace and tranquility!

The turbulence of time and space can't even get any closer!

"I wanted to leave you alone in the world of gods and humans, but you are seeking death on your own. You even dare to enter this place of chaos."

"I tell you, even though you know that I am still alive, I can't save you anytime and anywhere. , you have to walk the road ahead

by yourself." "You are trying to kill yourself, I won't care about it anymore..."

Mr. Shi finished speaking, and then stared at David!

This glance made Demon Lord Chiyun tremble in David's consciousness!

Immediately after Mr. Shi waved his hand, a golden light flashed, and David instantly appeared outside the chaos and fell into a coma!

And Mr. Shi's figure also disappeared!
