

Married At First Sight

Married At First Sight Chapter 3142-Serenity walked out of the office, holding her bag.

It only took ten minutes to drive from the company to the kindergarten.

Upon her arrival at the kindergarten, she found a variety of luxury cars parked at the entrance.

The kindergarten Sonny attends is the best kindergarten in Wiltspoon. The children who could attend the kindergarten came from wealthy families.

When picking up children every day, the vehicles parked in front of the kindergarten were like a palace of luxury cars.

Serenity got out of the car, walked to the door, handed the pick-up card to a teacher, and then waited for the teacher to bring Sonny out.

While waiting for Sonny to come out, she looked around and didn't see Mrs. Labbe.

This morning, she sent Sonny to kindergarten, but she didn't see Mrs. Labbe.

Mrs. Labbe is no longer visible.

She had been seeing Mrs. Labbe a lot lately, but suddenly she didn't see her today. Serenity couldn't help but wonder: could it be that she and Camryn were overthinking it and that Mrs. Labbe was really Mrs. Labbe, not Carrie?

Mrs. Labbe's voice was very similar to Carrie's. Was it really a coincidence?

Serenity took out her mobile phone, sent a voice message to Camryn, and asked Camryn in a low voice, "Camryn, did your sister come to see you today?"

Camryn: "No, she often doesn't see anyone. When she runs out of money, she will come to my flower shop to make a fuss and want money."

Of course, Camryn would not give it to Carrie.

As long as Carrie came to Spring Blossoms to cause trouble, she would directly order her bodyguards to blast Carrie out.

Carrie was so young and capable. She wanted to spend money and earn it herself. Who would support her for the rest of her life?

If Trenton gives Carrie some wealth, she won't be able to control her temper.

Trenton looked at Camryn and didn't want to give Carrie so much money. He also wanted to use this to force Carrie to grow up and become self-reliant.

However, Carrie still could not understand his painstaking efforts. When they met, she scolded him for helping Camryn.

Trenton felt in his heart that his parents had raised Carrie to death every time he received a reprimand.

"What's wrong?" Camryn was actually not in the flower shop, either.

She left Wiltspoon at noon and headed to the company, where she is now.

Serenity: "It's nothing. I usually send Sonny to kindergarten, and I always meet Mrs. Labbe as if she had deliberately run into me. I didn't see her today."

Camryn immediately understood what serenity meant.

She said, "I'll ask someone to find Carrie."

Serenity: "It's useless for you to find her. There's no way to prove that they are the same person."

After Camryn thought for a while, she said, "I met her last time at the Erickson family's banquet. She seemed to have left her contact information. Miss Erickson should know where Mrs. Labbe lives. I am not in Wiltspoon now. I have rejoined the company. I can't go back in a few days."

If Camryn is in Wiltspoon at the moment and she goes to find Carrie and then asks Rylee to visit Mrs. Labbe, Mrs. Labbe is there but Carrie is not; Carrie is

there but Mrs. Labbe is not; if the timeline is just right, it can be suspected that Mrs. Labbe is Carrie pretending to be.

Mrs. Labbe's voice was the same as Carrie's, and her body shape was also very similar to Carrie's.

Camryn also wanted to prove whether the two were the same person.

If it was the same person, no need to ask; they would know that it was Carrie who found a backer and approached them under a different identity, hoping to take revenge on them.

It was impossible for the sisters to reconcile. Carrie hated her and Serenity.
