

## Married At First Sight

**Married At First Sight Chapter 3149**-Sonny hugged Zachary's neck and said crisply, "Uncle, I have something very important to tell you."

Zachary snorted and asked, pretending to be curious, "Sonny, do you have anything important to tell your uncle?"

"Uncle, I'm going on winter vacation soon." Sonny said.

It was almost winter vacation. The children were starting to take winter vacation, and the New Year was not far away.

One year went by so fast.

"I want to go play with Titus during the winter vacation; is that okay?" Sonny looked at Zachary expectantly, his big eyes twinkling.

Zachary asked, "Who will take you there?"

Sonny said, "I want my aunt to take me there. My aunt said that she can't make the decision and needs to ask my uncle for permission. Is that okay, Uncle? I miss Titus. Titus said that he would also take winter vacation."

Zachary looked at Serenity.

Serenity smiled. "He asked me as soon as school was over, and I told him to ask you what you meant. I thought that my belly was not big at that time, so it would be okay to go on a long trip with him by plane."

When she actually arrived at FC Manor, she was only four or five months pregnant, which did not prevent her from traveling by plane.

If she were seven or eight months pregnant, she wouldn't dare to travel far away, for fear that her body would be overwhelmed and she would be afraid of an accident.

Zachary said warmly, “As you’re a pregnant woman and having a child, I don’t feel safe if you two go out. I really want to go. When Sonny goes on winter vacation and Titus returns to FC Manor, I’ll send you two there, and then I’ll come back. I’m also very busy at the end of the year.”

After sending his wife and nephew to FC Manor, Zachary could work with peace of mind and work overtime until late at night.

With Jane and Ben here, Zachary felt relieved to send his wife and nephew to FC Manor.

Serenity said, “If you really don’t have time, I’ll call Elisa and Remy together. I’m sure they won’t refuse. I’ll bring two bodyguards with me to ensure that we arrive at FC Manor safely.”

Zachary said, “I am very busy at the end of the year, but I can still squeeze in two days to send you two there.”

Zachary touched his nephew’s head and asked, “Sonny, aren’t you going to Jensburg to accompany your mother during the winter vacation?”

“My mother said she would come back during the New Year, so I didn’t go because it was too cold over there.”

Speaking of the cold weather in Jensburg, Sonny shivered and said, “It’s really cold. I’m going to play with Titus for a while. When my mother comes back for the New Year, my aunt and I will come back.”

Zachary smiled. “Okay, I agreed to your request. When you take winter vacation and confirm that Titus has returned to FC Manor, I will send you and your aunt there to live in FC Manor for a while until your mother comes back. When she returns for the New Year, I’ll go and pick you two up. But when you go out, you must listen to your aunt and don’t be naughty or cause trouble.”

Sonny immediately promised: “Uncle, I will listen to my aunt and won’t cause any trouble.”

Sonny quickly hooked up with Zachary and promised that he would do what Serenity said.

“When you meet Titus, you will definitely compete with each other in boxing and kicking.” You have had to work harder recently. You don’t want to beat Titus, but you have to hold on for at least two minutes.”

When it came to boxing and kicking skills, Sonny’s little face turned red, and he said with embarrassment, “Uncle, I am very serious and work hard to practice martial arts, but when I competed with Titus, I still lost to him easily.”

In less than a minute, Titus would knock him to the ground, not to mention hold on for two minutes.

Titus was the same age as him, but stronger than him.

When the two were competing, Titus grabbed him and threw him over his shoulder. He fell to the ground, unable to rise.

Then, he could only tear open his throat and cry loudly.

How embarrassing!
