Married At First Sight Chapter 3150-“It’s okay. You’ve lost too many times and developed thick skin, so it doesn’t matter anymore.”

Serenity patted Zachary as soon as he finished speaking.

Zachary laughed.

What he said was true.

Titus was very talented, had almost a photographic memory, and had so many powerful masters. Even if his master didn’t care about him, he had so many masters looking after him. Not only was he good at reading and martial arts, he was also good at studying medicine.

The so-called famous teachers became great disciples.

Sonny was also better than Titus, but in terms of learning martial arts, Zachary was not trying to defeat his own nephew. Five Sonny's were not as good as one Titus.

The martial arts school master said the same thing at the beginning, saying that Sonny could be better than ordinary people just because of time. It would not be a problem to deal with one or two gangsters, but it would be impossible to become a master.

However, when they sent Sonny to learn martial arts, they mainly wanted Sonny to strengthen his body and gain some ability to protect himself.

Nobody anticipated that Sonny would become a martial arts master.

“Is there anyone who teaches children like you? Sonny, don’t listen to your uncle’s nonsense. You’re also very powerful. You can’t compare yourself to Titus, but compared to the children in your kindergarten, you are very powerful. We can’t compare more than the others.”

Sonny suddenly regained his confidence and said, "My classmates are not as strong as me, and they can't bully me."

In kindergarten, children occasionally had small conflicts, such as grabbing toys.

No one could take away Sonny's toys.

There was someone who was one year older than Sonny and tried to fight with Sonny when they were trying to grab toys, but they all lost to Sonny.

Zachary: "That's right, Sonny doesn't need to compare with Titus. Geniuses like Titus are rare. If he's not great, Dr. Carden won't fancy him as his successor."

Sonny said, "It's fine if I don't compete with Titus. As long as I don't compete, I won't lose."

Zachary smiled and said, "Yes, yes, we won't compete with Titus. As long as you don't compete, you will never lose."

"Want to eat? Go get it yourself." There are many snacks on the shelf that you and your aunt enjoy eating."

Zachary put Sonny down and asked him to get something to eat from the shelf with snacks.

After putting Sonny away, Zachary asked Serenity softly, "Wife, are you worried? What were you thinking so much about just now? Can you only go home and talk about it? I'm feeling itchy now, and I really want to know what it is."

Serenity whispered into his ear, "My sister may have a love rival."

Zachary was stunned for a moment and asked in the same soft voice, "Sister has a love rival? Who competes with her for Duncan? Duncan and I have been brothers and friends for more than ten years, and I didn't even know he had a girlfriend. His sister is the person he really liked the most.

Duncan wouldn't accept anyone who wanted money.

Because he had lost his appearance, he didn't believe anyone who tried to figure him out.

Many people were scared when they saw the scar on his face.

Unless they spent a long time with Duncan and slowly fell in love with him,.

Serenity: "I don't know if it's true, but a woman's sixth sense tells me that she has thoughts about Brother Duncan."

Zachary: "Which woman?"

Serenity: "I told you that you might not have any impression, Ms. Girard."

Ms. Girard?

Zachary thought about it for a long time, but he really had no memory. He only remembered several of them, including the male Mr. Girard.

He didn't know who the female Ms. Girard was, and he had no impression of her at all.

He never paid attention to young women other than his relatives.
