

The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2806-“Sure!” Candice said and hurried over to the alarm.

Big families like the Dagleshs would often have alarms set up everywhere inside their mansion to protect themselves.

Linder normal circumstances, all the powerful martial artists would be alerted and gathered once the alarm was sounded.

“But,” Jensen hesitated.

Though he trusted Leon and wanted to give him more time to treat Elder Daglesh, Mateo and Candice felt differently.

To stop Leon, Mateo even went as far as to order Candice to sound the alarm, intending to start a fight between Leon and the Dagleshs.

The situation would undoubtedly escalate and he did not know what to do.

Candice hurried to the alarm and was about to press on it when something unexpected happened.

“Stop!” Elder Daglesh roared and opened his eyes abruptly.

Almighty state before finally stopping.

Leon sighed and withdrew his spiritual energy, ceasing the treatment.

“Grandpa, you’re awake! Are you okay?” Jensen and Candice were both overjoyed.

Candice instinctively paused what she was doing when she heard Elder Daglesh’s voice.

“I’m fine,” Elder Daglesh shook his head and stood up.

With an excited look on his face, he seemed like he wanted to say something but did not know where to start.

“Dad, what’s going on? Has your condition worsened?” Spotting the odd look on his face, Mateo’s heart sank.

He just witnessed Elder Daglesh spitting blood under Leon’s treatment. Hence, he assumed that Elder Daglesh’s condition worsened and that he was on the verge of losing control.

Instantly, he was extremely worried and the others felt the same.

They all looked at Elder Daglesh with concern, worried that Mateo was right.

However, what happened next shook them all.

This was so surreal that he was over the moon.

The Ex Husbands Revenge Chapter 2807-Almighty state at the same time? Are we hearing you right?” The others could not believe what they were hearing.

Since Jensen and Candice were too weak, they could not detect anything or the change in Edler Daglesh’s power when Elder Daglesh ascended to the Mateo, on the other hand, sensed the change in Elder Daglesh’s power but was too concerned to think much of it.

Upon hearing what Elder Daglesh said, realization dawned on them.

Under Leon’s treatment, Elder Daglesh was cured and even got past the barrier This was a miracle and they would have never believed it if they did not see it with their own eyes.

“You heard me right!” Elder Daglesh released his energy.

detected Elder Daglesh’s power level.

Naturally, Jensen and Candice felt the same as well.

Since they were both at a lower power level, they could not distinctively detect Elder Daglesh’s power.

However, they could tell that his true energy was far more powerful than before.

On top of that, Mateo confirmed it so all doubts vanished.

State so easily! The odds favor us!” Mateo was overjoyed and burst out laughing in excitement.

Though he did not know how Leon managed this, he knew that only the the Western region if he excluded the Dragon Guards.

State in the western region.

The world of martial artists valued strength above all.

Soon, the Morrisons, the Daglehs, and the Western Boss would all be on an equal level.

This would only benefit the Daglehs so Mateo was thrilled.

Naturally, Jensen and Candice felt the same as well.
