An Understated Dominance by Marina Vittori Chapter 2299

Seeing Damien Holmes getting up, the other warriors also stood up and began to express their dissatisfaction.

“Master Houle, there are rules in the world.” Just let us wait. But is it too much to let Senior Holmes sit here for so long?!”

“That’s right! No matter who the person is, it’s not worth it. A group of us have been waiting for a long time.”

“Master Houle! That man is too disrespectful. In my opinion, just kick him out!”

“...”

Everyone was talking and angry.

They had been waiting impatiently for a long time, but because of the gods’ faces, they had not had an attack.

It wasn’t until Damien Holmes opened his mouth to protest that they poured out all their dissatisfaction and anger.

“Master Houle, it’s not that I don’t give you face; it’s that that person is too aggressive!” Damien continued to vent his dissatisfaction: “It’s already past the agreed time. That person never showed up. It’s obvious that he didn’t show up. The temple takes this kind of arrogant person seriously, so don’t let them go!”

“Senior Holmes, all heroes, I mishandled this incident. To express my apology, I have prepared a gift for everyone.”

Tyson Houle said. Knowing that explanations are useless, he could only order his subordinates to present the prepared greeting gifts in advance.

Everyone could see a variety of rare treasures on display.

The dazzling array of treasures caused everyone's eyes to shine, instantly extinguishing most of the anger they had just accumulated.

They all came here to collect money. If they sit there for a long time, they can get a treasure worth thousands of gold, which is not a bad thing.

"The gods are indeed generous, as expected." This treasure is enough for me to spend for three years!"

"Yes, yes. Look at this piece of cockscomb red jadeite." It is really a rare and top-notch product! There's money in the market. You can't even buy it!"

"It's worth it. Today's trip is really worth it."

"..."

Everyone smiled and murmured.

Rumors circulated that the temples possessed wealth comparable to that of any nation. When they saw them today, they were indeed well-deserved.

If they worked for the pantheon of gods in the future, wouldn't they have to make a lot of money?

"Ahem!"

Seeing that everyone was getting carried away, Damien couldn't help but cough a few times as a reminder.

Although the baby was very important, at this time, he must take a stand.

He couldn't even disregard his face for some profit. Just now, he was filled with righteous indignation, but now he is smiling. His face has changed so quickly. Wouldn't it be a joke if word spread?
