Chapter 3851

“Does this mean the inheritance is incomplete?” David asked!

“Of course, if I die, you will get a complete inheritance. Now that I have not died, and you are not a disciple of the Wuji Holy Sect, how can you get a complete inheritance.”

The leader of the Wuji Holy Sect explained!

“Then what’s the use of this Wuji Order? Your Wuji Holy Sect has been wiped out, and you are the only commander left. Where can I go to you to do three things?”

David said speechlessly!

This Wuji Order is of no use at all!

is not as affordable as the fairy spirit liquid!

“Be brave, now that I have recovered, the Wuji Holy Sect will definitely regain its glory. This Wuji Order is what many people want, how dare you say it is useless?”

the leader of the Wuji Holy Sect said angrily.

When David saw this, he quickly apologized, “Sorry, I was superficial...”

David didn’t understand why these people from the fairy world had such explosive tempers.

Lord Huo Lingxing also left after a disagreement!

David was afraid that the leader of the Wuji Holy Sect would also leave in anger, and he would get nothing!

“Senior, since you said that I can do three things with your Wuji Holy Sect, can you do one thing first?”

David asked!

“What to do?” The leader of the Wuji Holy Sect was stunned!

“I am being hunted. You first kill the person who is chasing me, that is, the Demon-Sealing Alliance, and all the people in the Demon-Sealing Alliance.”

“Anyway, this world of heaven and earth belongs to your Wuji Holy Sect . You can be regarded as the master of the world of heaven and humanity, you can do this with a wave of your hand!”

David said to the leader of the Wuji Holy Sect.

David was upset by the Demon-Sealing Alliance. He just had this opportunity to directly destroy the Demon-Sealing Alliance, and he would be clean from now on!

The leader of the Wuji Holy Sect rolled his eyes at David and said as if he was a fool, “Although this world of heaven and humanity is a world created by my Wuji Holy Sect, I cannot interfere in the affairs of the heaven and human world.”

“This is the way of heaven, not The world I created,I can change the world at will, or even make it disappear. “

“It’s okay if it’s a secret realm of space. This is a world, and I can’t disobey heaven. “

Although you are as weak as ants in front of me, I can’t change the fate of you ants.” “

David listened to the words of the leader of the Wuji Holy Sect, but he seemed to understand!

Looking at David’s expression, the leader of the Wuji Holy Sect continued, “The master who controls the universe and the galaxy can make countless worlds collapse with just one sneeze. , let alone this little world of heaven and humanity.

“But he can’t do that. Everything must abide by the reincarnation of heaven and earth. It is precisely because this heaven and human world was opened by our Wuji Holy Sect that we cannot interfere in the affairs of the heaven and human world. ” “

After the leader of the Wuji Holy Sect said that, he suddenly disappeared!

The entire hall was empty, and even the cushions disappeared!

“How can you just leave? I haven’t finished asking yet! “

David was speechless for a while.

“Did your kid get kicked in the head by a donkey?

Only now did Demon Lord Chiyun dare to speak!

“What’s wrong? ” “David didn’t understand why this guy started to curse!

“The leader of the Wuji Holy Sect gave you the Wuji Order and promised to help you with three things, but you actually asked him to destroy that Demon-Sealing Alliance?

“Are you stupid? ” “

This is like a billionaire who promised to do three things for you, but you actually asked him to buy breakfast for you first?”

“You have a brain on your butt? ” “

Demon Lord Chiyun is going to be so angry at David!

“What should we do? I can’t deal with the Demon Sealing Alliance now. “

David said!

“You help me collect all the bones. When I recover my body, I will stomp my feet and help you kill them.

“You are really using an anti-aircraft cannon to kill mosquitoes. What kind of demon-sealing alliance does it need the help of the leader of the Wuji Holy Sect? “

“Where do you want the old face of the leader of the Wuji Holy Sect to go? ” “

Demon Lord Chiyun was speechless for a while!
