Married At First Sight Chapter 3234-Abby said, "If you are not familiar with the place, you don't know where to go."

Serenity said, "Let me be your tour guide and take you around Wiltspoon. There are several scenic spots in the suburbs that you can visit."

Abby said, "Evan doesn't want to talk to me. The most important thing is to go out and have fun. I don't want to put my hot face against his cold *ss and affect my mood. Are you free? You go shopping with me; I want to buy something. Then, go to Wildridge Manor to visit Grandma York tomorrow."

Instead of asking Old Mrs. York why she chose her, she wanted to meet the York family.

Serenity smiled and said, "Okay, but I have to take a lunch break. I'm used to it. If I don't take a lunch break, I'll lose energy in the afternoon. If I don't get a good rest, I'll get headaches and eye pain easily."

Abby said, "We'll go after you get some rest."

Serenity said, "Well, I'll take you to my bookstore after lunch break. Jasmine is there. My best friends are Jasmine and Elisa."

Whenever Serenity adds a sister-in-law and gets along well, she will introduce them to her two good friends.

"Okay." Abby had nowhere to go and nothing to do. She would go wherever Serenity was willing to take her.

Abby: "Are you on your lunch break?"

Serenity: "I'll rest for half an hour. My office is not very big, and there is no lounge. I usually put down the couch and use it as a bed, and then fold it into a sofa during lunch break. It's okay for the two of us to squeeze in."

Abby went to help Serenity spread out the sofa as a bed. "A foldable sofa bed like yours is not bad. You go to sleep. I don't want to go to sleep after drinking that cup of coffee. I don't have to go to work now. I can go to bed early at night. It's okay."

Serenity yawned. "Then I'll take a rest first."

"Okay." Abby still felt embarrassed. She had come to disturb Serenity's peaceful life.

Serenity received the message from Zachary. The couple chatted for a few minutes, and then she lay down on the sofa bed.

Abby was not on guard, and she soon fell asleep.

After Abby finished the cup of coffee she had not drunk just now, she felt very good. She walked gently to the door of the office and saw that in the large office outside, everyone was lying on their desks and resting quietly.

She couldn't go out because she was afraid that her footsteps would disturb them. Then she gently walked back to the chair and sat down. She took out her mobile phone and used the search function to collect news related to the York family.

Although she had people investigate, she still didn't know much about the York family.

Serenity told her so much, which made her want to know more about this big family.

"Dudu——"

She suddenly received a reply message from Evan.

One after another.

Abby whispered to herself, "The sun is almost rising from the west; please reply to my message."

Evan asked her when she would return to Hiribaty?
