

## The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2916-“Don’t console me. As a member of the Thompsons, I can’t stay here while my family is in danger. Please, take me with you or I won’t stop worrying about my parents,” Roanne grabbed Leon’s arm and pleaded.

She knew that Yonas’s death and the Thompsons’ involvement in defeating the Spears caused the Southern Boss to resent the Thompsons.

Now that the Southern Boss was heading to the Thompsons’ mansion to rescue Rodney, he had to be fully prepared and it was unlikely that the Thompsons could win.

If Roanne remained unbothered and stayed in the western region and something bad happened to her family, she would regret this for the rest of her life.

“Well,” Leon was rendered speechless.

He did not want to take Roanne with him, but he could understand how she felt.

When Iris and the others were ever in danger, he would never abandon them even if it meant the death of him.

That was precisely how Roanne felt.

Now that the Thompsons were in danger, it was understandable that Roanne wanted to get involved.

“Leon, I know that I’m weak and may not be of much help. Don’t worry, so long as you take me to the southern region with you, I’ll do as you say. I won’t cause any trouble or be your burden,” Roanne pleaded.

“But, alright, then. I’ll take you to the southern region,” Leon could not turn her down and sighed with resignation before agreeing to her request.

Since his overall strength reached the Semi-Saint State, the Southern Boss, and the Western Boss were no match for him.

Even if he took Roanne with him, she would hardly be a burden as he was more than capable of protecting him.

That was precisely why he agreed to bring her along.

“Leon, we want to go with you as well,” Iris and Cynthia said.

“What? No way!” Leon was taken aback by their request as he did not expect them to ask such a thing.

“Why not? Why can you bring Roanne along but not US?” Iris and Cynthia asked.

“Well,” Iris and Cynthia were both rendered speechless.
