### Chapter 4012

The cold eyes and the half-smiley expression made David a little scared!

“You are only a fourth-grade cultivator in the Tribulation Realm, but you actually have a magic weapon like the Devil Whip in your hand. If I am not mistaken, you should be the David who was hunted down by the Demon Sealing League with a hundred years of offerings, right?”

The man said coldly!

David’s expression suddenly changed, and he shook his head and said, “I am your grandfather. Who is David? I don’t know him at all!”

David couldn’t admit it. If he admitted it, there would be a lot of trouble later!

The man’s words made Elder Yu, Zhu Ling, Wei Qing and others who were fighting in the battle stunned!

They had also heard of David’s name, and the Demon Sealing League used a hundred years of offerings to hunt down David. This had long been known to everyone, and the entire Tianren World knew it!

Now David is in front of them, how could they not be surprised!

However, David did not admit it at all, which made them a little undecided!

“Hahaha, whether you are or not, I will take your head to the Demon Sealing League to try.”

After the man finished speaking, he rushed directly towards David!

“Junior brother.....”

Zhu Ling saw this and was concerned about David. She wanted to help David, but she was entangled by the people of the Ghost Face Sect and had no way to get away!

Soon, black mist began to spread around David and wrapped him up! When

the others saw this scene, they were all worried about David!

But now they were all in trouble, and no one could help David!

David was wrapped in the black mist, and he was not panicked at all. He was not afraid of the man in front of him. He was worried about other people now!

If the fight goes on like this, Elder Yu and others will definitely be at a disadvantage, and they may really be wiped out!

This is not what David wants to see!

“Senior brother, sister, I will help you stop these people in a while. You should go to Shenhuoshan Mountain quickly, don’t look back, and don’t care about me.”

“I have a way to escape, they can’t do anything to me...”

David sent a message to Zhu Ling and others, asking them to escape as soon as possible! Following the Ghost Face Sect’s people, there is no benefit for them!

However, Zhu Ling and the others were very curious. They didn’t understand how David, a fourth-grade Crossing Tribulation Realm, could stop dozens of people from the Ghost

Face Sect? You know, Elder Tu of the Ghost Face Sect is a master of the Mahayana Realm!

Just when everyone didn’t know how David helped them stop these people from the Ghost Face Sect, a figure suddenly rushed out of the black fog!

Seeing this, the man from the Ghost Face Sect slapped him with a palm. He thought it was David who rushed out! But

when he slapped the other person, the man from the Ghost Face Sect immediately regretted it!

Because he felt that this palm was as if slapping on a copper wall and iron wall, and the whole person was shocked and his arm was numb!

Upon closer inspection, it was discovered that the figure was actually a puppet!

Just when he was stunned, the puppet punched out!

A huge flaming fist hit the man from the Ghost Face Sect and directly knocked the man out!

David waved his palm, and the black fog dissipated instantly!

Everyone stopped at the same time and looked at David’s puppet in disbelief!

Such an awesome puppet, its strength is simply too strong!

They don't know at all that the driving core of this puppet is the Fire Spirit of the Fire Spirit Star Lord!

This Fire Spirit is probably more awesome than the Fire Seal of the Divine Fire Mountain!

How can the puppet not be awesome if this kind of thing is used on the puppet!

David commanded the puppet to attack Elder Tu, and then he swung the magic whip in his hand vigorously, and flames burned around the magic whip!

“Go...”

David shouted!

Elder Yu and the others were stunned for a moment, and then they immediately jumped up and headed straight for the Divine Fire Mountain!

They also knew that if they were entangled by the Ghost Face Sect, they would not be able to stop Huo Yuanting from getting the Fire Seal!

Chapter 3413

It was a surveillance video. In the video, the caregiver was talking to Lu Xiameng and begging bitterly!

But Lu Xiameng always looked arrogant, and looked at him with pity!

The moment she saw the video, Lu Xiameng panicked. How could there be surveillance? !

She looked around at that time, and there was no surveillance. How could it be!

“Come, explain why the caregiver knelt down, why she was begged for mercy, and after kneeling down and begging for mercy, she jumped off the building, and then his child had an extra sum of money in the bank card, and now he has gone abroad.”

Hearing this, the veins on Lu Jianbai's forehead kept jumping. He never thought that he would see these.

He looked at Lu Xiameng, trying to get her to explain what happened!

However, Lu Xiameng shook her head in panic and explained, "It's not what you see at all!"

"At that time, we found out that she was abusing my mother. I felt very uncomfortable when I thought about how my mother had suffered so much injustice, so I found her and said that I would investigate the matter, so she begged for mercy."

"But no matter how she begged, I was unmoved. In my opinion, my mother had suffered so much injustice, how could I compromise?"

"The money was given to settle the previous nursing fees, and she also said that if I didn't agree, she would expose the affairs of our Lu family!"

Hearing this, Lu Jianbai frowned instantly and asked, "What happened in our Lu family?"

"I don't know either."

Lu Xiameng shook her head, her brain turning rapidly: "I don't know what happened to our Lu family at all, but what I know is that if I don't do this, then our Lu family will really be finished!" "That's why I gave her some money and promised to take good care of her child."

After saying that, Lu Xiameng looked at Lu Jianbai with despair in her eyes and choked up, "Brother, if this can be considered wrong, then I am willing to accept the punishment!"

"But I don't regret it. This person hurt my mother. This is the thing I can't tolerate the most. I don't allow anyone to hurt my mother, do you know?!"

Hearing this, Lu Jianbai's expression was a little complicated. He never thought that it would be like this!

"Sorry, I didn't handle it well."

At that time, he was going to hold the caregiver responsible, but then Lu Jianshen's incident happened, so it was delayed. If it had been done earlier, Lu Xiameng would not have suffered such grievances.

Lu Xiameng sniffed and shook her head, "No, I don't blame you, I really don't blame you, I know it's all my fault, I just wanted to explain it at the time, but I was afraid that you and your sister would misunderstand me even more."

Looking at Lu Xiameng's superb performance, the uncle in the hat was amazed, and finally reminded: "Are you sure this is the explanation? If so, then I will start investigating here."

With the evidence, the investigation is very simple, so this is also the last notice to Lu Xiameng!

Lu Xiameng hid behind Lu Jianbai in fear, looking a little scared.

Lu Jianbai frowned and said dissatisfiedly: "What do you mean? Are you threatening my sister? I can complain about you."

"Haha, whatever you want, do you think I don't know about your Lu family's affairs?!"

## Chapter 4014

"Hmph, the Demon Sealing Alliance openly kills us demon cultivators, but they have discussed cooperation many times behind the scenes."

"The Feng family in the Central Region is a vassal family of the Demon Sealing Alliance, and they have long discussed with us about killing you."

"I didn't expect that you hid your identity and hid in the Purple Flame Sect. I met you today. That's the good fortune of our Ghost Face Sect."

Elder Tu snorted coldly, obviously not caring about David's deliberate anger!

David couldn't help but frowned when he heard Elder Tu say this!

He didn't expect that the Demon Sealing Alliance would actually start to negotiate with the demon cultivators in order to kill him!

You know, the previous Demon Sealing Alliance was arrogant and domineering, and the disobedient demon cultivators would be eliminated, forcing the demon cultivators to submit!

And now, they actually started to negotiate with the demon cultivators!

"You can't kill me with your ability..."

David smiled coldly!

“Really?” After Elder Tu finished speaking, the whole person jumped up in an instant, and the world instantly became dark!

Then countless black spiritual chains, burning with flames, rushed towards David!

These spiritual chains, like tentacles, seemed to have life!

In just a moment, they were above David’s head!

The spiritual chains that covered the sky and blocked all of David’s escape routes!

Even the ones several miles away were like this!

Because Elder Tu saw that every time David jumped in space, it was only a few miles away, so this time he covered the entire area of several miles, so David couldn’t escape at all!

The speed of the spiritual chains was extremely fast, and it was still covering the sky and blocking the sun, not giving David any time to react!

Seeing David’s inevitable appearance, Elder Tu’s mouth corners rose!

In his opinion, David was doomed to die!

After all, he was also a master of the Mahayana realm, and he couldn’t deal with a little cultivator of the fourth rank of the Tribulation Realm. Wouldn’t that be a joke?

David looked at those spiritual chains, but his expression was not a bit flustered.

## Chapter 4015

Countless spiritual chains, burning with extreme fire, came towards David, but when they were in front of David, David's body trembled slightly!

A visible white light flashed out, and then those spiritual chains suddenly stopped moving, and even the extreme fire on them stopped beating!

It was as if the entire time and space had stopped.

“What? You actually know that time is still, have you comprehended the origin of time?”

Elder Tu was shocked!

David smiled coldly, and his body disappeared in an instant, and then appeared several miles away!

David comprehended the origin of time, but he couldn't make time stop as a whole now!

What he used just now was the extremely cold ice flame!

The spiritual chains and the extreme fire were just frozen, and it looked like time and space had stopped!

In this way, Elder Tu would be suspicious and dare not act rashly!

Being able to make time stop is a means of the immortals, how can they, the cultivators of the heavenly world, use it!

Now David actually used it!

Just when Elder Tu was a little dazed, the man who was fighting with David suddenly shouted: “Elder Tu, this is not time standing still, but the aura chain is frozen.”

This sentence reminded Elder Tu, and sure enough, he felt a strong chill from the aura chain!

“This kid, he still wants to bluff me...”

Elder Tu narrowed his eyes, and murderous intent burst out of his body! Elder

Tu's eyes turned into a dark color, and black flames filled his surroundings. In these black flames, several figures slowly appeared!

“Humph, no matter how fast you are, can you be faster than the demon soul?”

Elder Tu snorted coldly!

You must know that the demon soul will not be restricted by the law, and the speed can be very fast. After all, they do not have a physical body, but a spiritual body! Several demon souls instantly rushed towards David, so fast that they could not be seen clearly!

Whoosh whoosh whoosh!

These demon souls were like arrows, instantly disappearing into the void, and then appearing in the distance!

Elder Tu followed closely behind, following these demon souls!

David frowned, he could feel a sense of danger coming, then the Fire Control Step started, and his body disappeared from the spot again!

But at the moment when David disappeared instantly, those demon souls had already appeared where David had just stood, and several demon souls also disappeared instantly!

David’s face was cold, he did not expect that Elder Tu of the Ghost Face Sect had such a method. At this time, David did not know what it was, but his speed was not inferior to his own!

Just when David took a step forward and his figure appeared again, several demon souls had actually appeared above David’s head!

“Demon soul?”

Seeing the things that followed, David was a little surprised!

He could not imagine that Elder Tu could actually control several demon souls at the same time!

Several demon souls roared, with extremely ferocious expressions!

Although these demon souls look very scary, David does not have the sense of crisis just now!

You know, the only part of the demon soul that can cause harm to him is the sea of consciousness!

The demon soul cannot cause any harm to David’s body, nor can it attack David’s body!

It can only attack David's sea of consciousness, but David's sea of consciousness is not so easy to attack!

In addition to the Red Cloud Demon Lord in the sea of consciousness, there is also a treasure book like the Daluo Golden Classic!

"Senior, can you deal with these demon souls?"

David asked the Red Cloud Demon Lord!

"What are you talking about? Are you slapping me in the face? You actually asked such a question!"

"Don't talk about these demon souls, even if it's the demon soul of the Lihuo Demon Lord in the heaven, I will beat him to shit!"

The Red Cloud Demon Lord said with disdain!
