Chapter 4066

Huo Dong sneered, and the Divine Fire Seal instantly generated a huge suction force. All the fire around David was instantly absorbed by the Divine Fire Seal!

However, David was not panicked at all, because this Divine Fire Seal would be his sooner or later. Even if it was absorbed by the Divine Fire Seal, David would not suffer any loss!

At the same time that the fire on David disappeared, two more claws attacked. Fortunately, David reacted quickly and cut off the claws with the Dragon Slaying Sword in an instant!

“Hahaha, let me tell you, my technique can wear you out. I want to see how long you can hold on.”

Huo Dong said proudly while holding the Divine Fire Seal!

Seeing this, Huo Yuanting also breathed a sigh of relief. Even if David was not beaten to death, he would be worn out alive!

David looked at Huo Dong’s smug look, smiled coldly and said: “You have such a broken skill, do you really think I can’t do anything? I’m just teasing you for fun.”

“In this black fog, there is a multi-legged monster hidden, and these claws are all attacked by the multi-legged monster.”

“It’s just that the multi-legged monster has merged with the black fog and cannot be seen at all, which means that the black fog is not fog, but part of the multi-legged monster.”

Hearing David say this, Huo Dong frowned slightly, and said in disbelief: “You...how did you know?”

“Why? Was I right?”

Seeing Huo Dong’s expression, David smiled playfully and said: “I guessed, but I didn’t expect you to be fooled...”

Seeing this, Huo Dong said coldly: "David, even if you guessed it, you will never be able to kill the monster, because you can't find it at all."

"Whether you can find it or not is not up to you..."

David smiled slightly, and then a red light flashed on his forehead!

Then a strange eye actually grew rapidly on David's forehead!

"This....."

Seeing David's strange scene, everyone was stunned!

Huo Dong and Huo Yuanting also looked at it in disbelief. They didn't understand why David suddenly grew an eye?

As David's Tianming Eye opened, the whole world turned gray! No matter what it is, it is exposed to the Eye of Heaven and Hell!

This is the trick of the Red Cloud Demon Lord. In a small place like the Heavenly Human Realm, nothing can escape the detection of the Eye of Heaven and Hell!

Under the Eye of Heaven and Hell, the multi-legged monster clearly appeared in front of David!

David held the Dragon Slashing Sword and instantly stabbed at the vital parts of the multi-legged monster!

Just now, David could only passively defend, so he could only cut off the claws of the multi-legged monster, and could not cause any damage to the multi-legged monster at all!

But now it is different. With the blessing of the Eye of Heaven and Hell, David can clearly see the outline of the multi-legged monster.

Puff...

With a sword stabbed out, the Dragon Slashing Sword instantly penetrated the body of the multi-legged monster!

Then the flames on the Dragon Slashing Sword rose and burst into fierce flames!

The multi-legged monster made a ghost cry and was directly engulfed by the flames.

Seeing this, Huo Dong hurriedly used the Divine Fire Seal to absorb the flames, but the multi-legged monster had already disappeared!

The black fog in the sky also disappeared!

Looking at the disappearing black fog, Huo Dong was a little confused!

He didn't understand how many things David, a cultivator of the fourth level of the Crossing Tribulation Realm, could know? He

knew the determination of the Purple Flame Sect!

And the three eyes just now were obviously also a very powerful technique!

And David also possessed six kinds of supreme fire!

Who on earth is this person? Why would a cultivator of the fourth level of the Crossing Tribulation Realm have these things?

Huo Dong was a little autistic after being beaten by David. He used the Divine Fire Seal to perform all the techniques that could only be performed by the Mahayana Realm of the Ghost Face Sect, but he didn't expect that David would easily break it!

Chapter 4067

"Oh my god, what kind of skills did Junior Brother use? How come he suddenly grew an eye?"

"Isn't this the opening of the Heavenly Eye? Could it be that Junior Brother is the Son of Heaven?"

"Opening the Heavenly Eye, it is definitely the opening of the Heavenly Eye. Look at the light emitted by the divine eye, it is full of fairy spirit!"

Seeing David's third eye suddenly appear, many people began to discuss it!

The old sect master was also instantly surprised when he saw David's third eye!

Because the moment David's third eye appeared, he felt a shock in his heart!

Huo Yuanting was shocked, and his relaxed mood was raised again. He looked at Huo Dong very nervously.

"What else do you have, just use it..."

David looked at Huo Dong and said with a slight smile!

Huo Dong's eyes were slightly condensed. Although he held the Divine Fire Seal in his hand, Huo Dong began to feel fear in his heart!

“David, don't be complacent. You pushed me to this point. I will let you know that the real realm gap cannot be overcome.”

“You are only the fourth level of the Tribulation Realm. Even if you know more skills, it is in vain...”

Rumble...

Just after Huo Dong finished speaking, the brilliant flames in the Divine Fire Seal continued to pour into Huo Dong's body!

At the same time, the clear sky suddenly became gloomy, and dark clouds from all directions rushed towards David and the others frantically!

Gusts of wind whistled up, and the sky and the earth instantly became dim!

It was like the end of the world!

“Tribulation cloud? Could it be that this Huo Dong is going to ascend to the Mahayana realm?”

Seeing the sudden surge of black clouds, the old sect master was immediately surprised!

“It seems that this Huo Dong is actually using the Divine Fire Seal to cross the tribulation. Is he crazy? How dare he cross the thunder tribulation during the competition?”

<Elder Yu was also surprised!

After all, it is very dangerous to pass the tribulation during a fight. If the opponent interferes, not only will the tribulation fail, but he may even lose his life!

Zhu Ling and the others were also shocked, so they shouted to David: “Junior brother, hurry up and don't let his thunder tribulation cloud take shape.”

At this time, Huo Dong was the weakest. If David took action to stop Huo Dong from passing the tribulation, he would still have a great chance of success!

But Huo Dong laughed and said, “Don't think about attacking me when I am going through the tribulation. I have expected it. I have been stuck at the peak of the

tribulation realm for a long time, just to use the divine fire seal to help me reach the Mahayana realm.”

“When I really reach the Mahayana realm, you will be nothing but an ant in front of me. The gap in the realm cannot be made up by your few skills.”

“Just wait for death. I will let you know how powerful the Mahayana cultivators are!”

Huo Dong originally didn't want to reach the Mahayana realm when fighting with David, but now there is no way. If he doesn't really become a Mahayana cultivator, he really can't deal with David!

“Have you forgotten that your Elder Tu seems to be a Mahayana cultivator as well, but he was beaten like a grandson by me.”

David smiled faintly!

David didn't seem to be afraid of Huo Dong's promotion to the Mahayana realm, and he didn't mean to stop him!

“Hmph, Elder Tu has already said that you rely on the possession of the devil soul to improve your strength forcibly, but this devil soul possession will backfire, and your body will soon suffer backlash.”

“When I reach the Mahayana realm, I wonder if you still have the devil's soul to help you!”

Huo Dong snorted coldly!

“Okay, then I'll wait for you...”

David watched Huo Dong improve his cultivation calmly!

And he actually lit a cigarette and smoked it hard, looking so enjoyable!

The dark thunderclouds filled the sky, and lightning flashed through the thunderclouds!

Chapter 4068

“David, you have to be careful, this guy is not only crossing the tribulation, he is going to use the tribulation thunder to kill you...”

The old master seemed to see Huo Dong's intention!

"Little Junior Brother, don't be careless, this is not a joke, the thunder tribulation cloud will attack you, you quickly stop Huo Dong."

Zhu Ling also reminded nervously!

"Senior Sister, don't worry, he can attract the tribulation thunder to improve his cultivation, why can't I?"

David smiled faintly!

"Don't be silly, even if you attract the thunder tribulation to improve your cultivation now, you are just promoted from the fourth level of the tribulation realm to the fifth level of the tribulation realm."

"This kind of small realm promotion, whether it can attract thunder tribulation or not, how can the thunder tribulation cloud of your cultivation be better than that of Huo Dong."

"He has been promoted to the Mahayana realm, which is a great realm promotion, and the thunder tribulation cloud must be very powerful."

Zhu Ling said anxiously!

The higher the cultivation level, the more powerful the thunder tribulation will be when the cultivation level is improved. This is common sense that every cultivator knows!

David is only at the fourth level of the Tribulation Realm. How could the thunder tribulation cloud he attracted be better than that of Huo Dong!

What's more, David doesn't look like he is going to cross the tribulation at all. There is no aura of improvement on his body!

"His improvement of a large realm may not be as good as my small realm..."

David smiled faintly!

Seeing that David was still talking and laughing, and didn't look afraid at all, Huo Dong's face became extremely ugly!

"Boy, you will know how powerful the thunder tribulation is in a while. Now you can show off..."

Huo Dong said coldly.

At this time, the thunder tribulation clouds have covered the entire sky. There are formations and light curtains blocking it all around. It is impossible for David to escape!

“I don’t know whether the thunder tribulation is powerful or not, but I know that your thunder tribulation is definitely not powerful. After all, your strength is not that good...”

David sneered Huo Dong.

Huo Dong’s face flushed, and he accelerated the speed of the thunder tribulation!

The old sect master looked at the increasingly dense thunder tribulation cloud, and his brows were tightly twisted together!

Although David acted very relaxed, he knew that the thunder tribulation cloud of the Mahayana realm was not ordinary!

The old sect master had personally experienced the thunder tribulation cloud of the Mahayana realm!

Moreover, in the heavenly world, half of the cultivators will die under the thunder tribulation cloud of the Mahayana realm, and they can’t bear it!

So now many cultivators, when they reach the peak of the cross-tribulation realm, will choose to use various magic weapons and artifacts as an opportunity to break through to the Mahayana realm!

In this way, at least there is something to help block the thunder tribulation. If you directly improve your cultivation and break through to the Mahayana realm, it will be difficult to bear this thunder tribulation!

“Elder Cui, close the formation, let David out, and don’t compete with Huo Dong.”

The old sect master said to Elder Cui with a very ugly face!

The old sect master knew that David could not resist the thunder tribulation of the Mahayana realm anyway, and he would definitely die under this thunder tribulation!

That’s why he asked Elder Cui to close the formation and told David not to compete!

As long as David escapes from the range of the thunder cloud, he will not be attacked by the thunder!

After all, the main target of this thunder is Huo Dong.

However, if someone appears within the range of the thunder cloud, he will also be attacked by the thunder!

Elder Cui nodded and was about to close the formation to let David out!

But seeing this, Huo Yuanting instantly stopped Elder Cui and said indifferently: “No one is allowed to move now. If David escapes, everyone will die.”

“You have to think about it, whether to let David die or everyone will die with him.”

Huo Yuanting’s eyes were full of murderous intent. After all, the strength of the old master’s side is not enough to compete with his side, so he dared to be so presumptuous!

Seeing this, Elder Cui looked at the old master!

Chapter 4069

The old sect master’s eyes narrowed slightly, staring at Huo Yuanting!

“Elder Cui, close the formation and let the little brother out. If you really want to fight, then let’s fight to the death.”

“By then, the Ziyang Sect will be completely destroyed, and no one will want to be the sect master of the Ziyang Sect...”

Zhu Ling only wanted to save David, even if it destroyed the Ziyang Sect, she would not hesitate!

“Yes, even if it destroys the Ziyang Sect, we will not compromise.”

Wei Qing also said loudly!

The disciples on the old sect master’s side all raised their arms and shouted, none of them were afraid of death, and they all followed Huo Yuanting to fight to the death! Even

if they die, they must release David first, at worst, they will fight to the death!

Huo Yuanting didn’t expect that the disciples of the old sect master’s lineage were so stubborn, and he was very angry for a while, but there was nothing he could do!

If it really is a fight to the death, the Purple Flame Sect might disappear in the long river of history!

Elder Cui was also moved, so he wanted to close the formation!

But David said, "If I want to escape, how can this formation stop me? Even if the formation is closed, I will not escape, and it will also affect other brothers."

"Don't worry, a little Huo Dong, if I want him to die, he will definitely not survive. Even if the father and son work together, I don't care."

David stopped Elder Cui from closing the formation!

This formation can't stop David, but without this formation, it would be difficult to block the terrifying aftermath with just the light curtain shield. It would be troublesome if it endangered other disciples of the Purple Flame Sect!

Elder Cui didn't know what to do for a while, so he could only look at the old master!

The old master looked at David and saw that there was indeed no panic in David's eyes, and he was also a little playful. Then he waved his hand and let Elder Cui retreat! He chose to believe David. Perhaps Chen

Ping really had some secrets that they didn't know about!

There are too many surprises for him!

Seeing that David was still showing off, Huo Yuanting showed a hint of disdain at the corner of his mouth!

As long as Huo Dong was promoted to the Mahayana realm, plus the divine fire seal in his hand, no matter how awesome David was, he could not escape the fate of death in the end!

And just as Huo Yuanting was quietly waiting for Huo Dong's thunder tribulation to come, an extremely angry voice came!

"Stinky boy, you dare to play tricks on me and make me look bad. I will make you live a life worse than death..."

Along with the roaring voice, the formations set up around David and Huo Dong suddenly flashed with light!

So people looked in the direction of the voice and found that it was Gu Tianchao!

This guy fell into David's illusion. Seeing his father and his wife cheating on him, he was so angry that he was going crazy!

However, after David and Huo Dong fought, no one paid attention to Gu Tianchao, and Gu Tianchao slowly woke up from the illusion!

When he knew that he was being played, and so many people were watching, his lungs were about to explode!

Gu Tianchao waved his palms, and the magic array set by Elder Cui began to flash, and then the array patterns on it kept changing! The

exquisite array patterns all turned blood red at this moment, and the red chains locked the array tightly!

This time, no one can escape from this array.

In the void, the red chains continued to rise, covering the large area of thunder clouds!

“Elder Cui, stop him...”

Seeing this, the old sect master shouted loudly!

It was dangerous enough for David to deal with Huo Dong, and now Gu Tianchao came forward. David was definitely not the opponent of the two!

However, Gu Tianchao used the array, and other people knew very little about the art of array, so they could only let Elder Cui stop Gu Tianchao!

When Elder Cui looked at the array performed by Gu Tianchao, his eyes widened and he was stunned on the spot!

Chapter 4070

“Blood Refining Cage...”

Elder Cui was shocked and didn't dare to move. Then he shook his head at the old master and said, “This... I can't stop this formation at all!” The

old master was anxious when he heard it!

Zhu Ling and the others were also very anxious, but it was useless to be anxious. They couldn't help at all!

Soon, David and Huo Dong were both in the cage, and the blood-colored chains directly connected the sky

and the earth! This time, even if David wanted to escape, he couldn't escape at all!

Seeing this, Huo Dong laughed crazily!

“Hahaha, let me see where you can escape to, just wait for my judgment of thunder tribulation!”

Huo Dong looked at David, his eyes full of pride!

David just looked at Gu Tianchao’s formation and said with disdain: “A child’s formation, trying to trap me is simply a joke!”

“If I really want to leave, no one can stop me...”

David finished speaking, and then sat cross-legged, not wanting to escape at all!

Seeing that David actually sat down, everyone was confused!

“What is the little brother doing? Why is he still sitting down?”

Zhu Ling asked puzzledly!

“This is too indifferent, these are two people dealing with him...”

Wei Qing also didn’t know what David was going to do!

The old master frowned slightly and stared at David!

At this time, the thunder cloud between heaven and earth has taken shape, and the thunder may come down at any time!

But David sat cross-legged on the ground, and he didn’t intend to resist the thunder at all!

Huo Dong had already prepared for the arrival of the thunder!

However, around David’s body, a breath was constantly rising!

“Is he going to break through too?”

Seeing David’s rising breath, Elder Yu said!

The old sect leader also thought of what David had just said, and he also wanted to create a thunder tribulation for himself!

But Huo Dong is at the peak of the Crossing Tribulation Realm. This is the Thunder Tribulation of the Mahayana Realm. As long as he survives this Thunder Tribulation, Huo Dong will be promoted to the Mahayana Realm!

And David is only at the fourth level of the Crossing Tribulation Realm. Even if he really attracts the Thunder Tribulation, he is only at the fifth level of the Crossing Tribulation Realm!

The gap between these two Thunder Tribulations is still very obvious. If David wants to rely on a breakthrough to resolve the danger at this time, it is simply too naive!

Huo Dong couldn't help laughing when he saw that David was also going to break through! It was

still very difficult for David to resist his own Thunder Tribulation. If he chose to break through at this time and endure two kinds of Thunder Tribulations, wouldn't he be dead for sure! Is

David going to die with him?

However, the Thunder Tribulation of the fifth level of the Crossing Tribulation Realm seemed to have no harm to Huo Dong at all!

David was doing this at this time, which was simply too crazy. In fact, David could completely escape from the range of the Thunder Tribulation!

Now Huo Dong was going through the Thunder Tribulation, and it was impossible for him to run around and chase!

David had time to escape!

But David didn't escape, and he had to break through at this time!

"Don't you know that the moment of breakthrough is the most vulnerable time?"

"He is going to endure two kinds of thunder tribulation, he is not going to die..."

Zhu Ling was very worried!

"Daughter, don't worry too much. Since David made his own choice, it proves that he knows it in his heart."

"Maybe he still has hidden strength, we haven't seen it yet, don't worry..."

The old master comforted Zhu Ling!

Zhu Ling nodded, now she can only wait!

Gu Tianchao directly sealed David in the big formation, no one can get in, and David can't get out!

Soon, the sky that was originally covered by Huo Dong's thunder tribulation cloud began to shrink slowly at this moment!

Another thunder tribulation cloud has been suspended in the air without knowing when!

Golden lightning flashed in the thunder tribulation cloud!

Although David was only a fourth-grade breakthrough in the tribulation realm, the thunder tribulation cloud he attracted was not weaker than that of Huo Dong!
