Chapter 3563

The demonic whip was a direct lash to the demonic cultivator's spiritual consciousness, so the demonic cultivator only felt waves of stinging pain in his brain!

Seeing that the demon cultivator was temporarily shaken by the whip, David took out the Dragon-Slaying Sword!

The dragon-slaying sword is in hand, emitting golden light!

The golden brilliance spread instantly!

David still knew that it would kill him while he was sick!

David doesn't care about fairness and justice when dealing with this kind of demonic cultivator!

Rays of golden sword light immediately headed towards the demon cultivator!

"Boy, do you think you can defeat me with a magic whip?"

The demon cultivator roared angrily, and his whole body burned with flames!  
Soon

, the demon cultivator turned into a ball of fire and came directly towards David's sword radiance!

David frowned slightly. It seemed that with his first-level strength in the Tribulation Realm, even if he had divine weapons in his hands, it would be almost impossible to kill a seventh-level Tribulation Realm monk!

After all, the difference in strength is too huge. These seventh-level monks in the Tribulation Realm don't even take him seriously!

Boom boom boom...

Accompanied by explosions, the sword light swung by David violently collided with the demon cultivator!

The flames around the demonic cultivator were like a shield, blocking all the sword light!

David looked at the demon cultivator, who turned into a ball of flame and started to retreat with the dragon-slaying sword in his hand!

“David...”

Bai Qian was shocked when she saw this, but she was entangled by a demon cultivator and couldn't get away to save David!

Seeing that David was about to be hit hard!

Suddenly there was a scream!

For a moment, David and the demon cultivator were both stunned!

Then the two of them looked over and found that Demon Mountain Ghost Elder had slapped the demon cultivator who was facing him on the head with one palm!

“How is it possible? It's also the seventh level of the Tribulation Realm. How can it have such strength?” The

remaining two demon cultivators were all shocked!

They are all at the seventh level of the Tribulation Realm, and so is the Demon Mountain Ghost Elder!

But this is just nowAs soon as they started fighting, someone on my side was slapped in the head by the Demon Mountain Ghost!

This is too outrageous!

These demon cultivators simply don't know that Demon Mountain Ghost Elder has survived the demonic calamity cloud. Although they are both at the seventh level of the calamity-transcending realm, their real strength is much stronger than them.

“If you dare to be disrespectful to Mr. Chen, I will kill you!”

After killing the demon cultivator, Demon Mountain Ghost Lao went straight to the demon cultivator who was fighting with David!

The demon cultivator was shocked and hurriedly waved out a flame!

The old Demon Mountain Ghost waved his palms, and the flame was directly defeated. The endless strong wind rose up and directly extinguished the flame burning on the demon cultivator!

“Mr. Chen, go and save people, leave this place to me...”

Devil Mountain Ghost said to David!

David nodded, he knew the strength of Demon Mountain Ghost Elder, and these demon cultivators were no match for him at all!

His consciousness dispersed, and David quickly found the place where Sheng Bushi was being held!

Then he quickly headed towards the place where Sheng Bushi was imprisoned!

The remaining two demon cultivators simply couldn't use their hands to stop David!

Soon, David came to a stone house, opened the ban on the stone house, and then released Sheng Bushi and Sheng Jiayue!

“Mr. Chen...”

Seeing David, Sheng Bushi's face was full of excitement!

Fortunately, he understood the look in David's eyes before leaving, and David quickly found the place where he was being held!

“Master Sheng, please go to the front yard to help. The Sheng family has started fighting with the Ye family. You

can go over and have more strength!” “You can retreat while fighting. Don't continue to entangle with the Ye family.”

David said to Sheng Bushi said!

David knew that the Sheng family was much weaker than the Ye family, and if they continued to fight for a long time, they would definitely lose!

When Sheng Bushi heard that the entire Sheng family dared to attack the Ye family in order to save themselves, he was immediately moved!

“Okay, I’ll be there right away.” Sheng Bushi nodded, and then asked David, “Mr. Chen, where are you going?” David

glanced in the direction of the holy pool, and said with a sneer, “I’m going to the Ye family.” Take a look at the holy pool...”

Chapter 3564

“Mr. Chen, Ye Liancheng will definitely be guarding the holy pool. If you go by yourself, I’m afraid...”

Although Sheng Bushi knew that David could leapfrog the fight!

But Ye Liancheng has the strength of the ninth level of the Tribulation Realm, and even if David can fight beyond the level, he cannot be the opponent of the ninth level monk of the Tribulation Realm!

“Don’t worry, I’m measured!”

David said with a faint smile!

Seeing that David was very confident, Sheng Bushi said nothing more!

“Take care, Mr. Chen. Our Sheng family will never forget this kindness!”

Sheng Bushi said with great gratitude!

“Master Sheng, you’re welcome. Don’t forget to leave the Ye family as soon as possible. If the fighting continues for a long time, you may not be able to leave.”

David warned Sheng Bushi again!

Sheng Bushi nodded, and then ran towards the front yard with Sheng Jiayue!

David, without any hesitation, headed towards the Ye family's holy pool!

At this time, Ye Liancheng was at the edge of the holy pool, waiting quietly!

Around the holy pool, a vague transparent light shield kept flashing!

This is also a simple magic circle set up by Ye Liancheng to prevent anyone from entering the holy pool by mistake!

This formation can block out all the breath and sounds outside!

Ye Liancheng did this because he was afraid that someone would disturb his son!

And on the other side of the holy pool, several Ye family members are constantly throwing various rare treasures into the holy pool. Ye Liancheng wants to make the water in the holy pool more full of aura!

With the throwing in of various rare treasures and various immortal herbs, the water in the holy pool became clearer and clearer, and the entire water surface was like a mirror!

"Feng'er, my father has placed all his hopes on you, you can't let me down!"

Ye Liancheng stared at the holy pool.

Boom...

suddenly, there was an explosion, and the shields around the holy pool disappeared in an instant!

"Who?"

Ye Liancheng frowned. Wrinkled, his face became extremely ugly!

Ye Liancheng didn't know David, but he was very angry when he saw David destroying the shield!

And there is still a bit of doubt. After all, this is deep in the Ye family's backyard. How did David, a stranger, break in?

Just when Ye Liancheng was confused, the sound of fighting in the front yard also came over!

Just blocked by the shield, Ye Liancheng had no idea what was happening!

But now that the shield was gone, the sound of fighting kept coming, which made Ye Liancheng freeze up and look in the direction of the sound in disbelief!

David took advantage of Ye Liancheng's confusion and smacked his palm suddenly!

The sky and the earth dimmed instantly, and thunder and lightning flashed across the clouds!

"Thunder Palm..."

David faced Ye Liancheng with a unique move!

David, who has understood the origin of thunder and lightning, with this palm strike, the entire holy pool area is covered by the Thunder Palm!

Countless bolts of lightning crashed down from mid-air!

Ye Liancheng's eyes narrowed, and an aura suddenly burst out from his whole body, and then this aura directly covered the entire holy pool!

Ye Feng is in a critical moment now, he can't let anyone disturb him!

What if something unexpected happens when these lightning strikes the holy pool?

Ye Liancheng's first thought was to protect the holy pool!

On the other side of the holy pool, those members of the Ye family who had thrown various rare treasures into the holy pool were all struck by lightning, and each one screamed and fell towards the holy pool!

When Ye Liancheng saw this, his palms shook slightly, and the aura covering the holy pool flashed with light!

The bodies of the Ye family members who fell towards the holy pool were directly shaken into streaks of blood mist, and then were blown away by a gust of wind!

Not a drop of blood was left in the holy pool!

After David fired the Thunder Palm, he plunged into the holy pool without hesitation!

“Boy, you are looking for death...”

Ye Liancheng panicked when he saw that David was about to jump into the holy pool!

Chapter 3565

I saw Ye Liancheng shooting out thousands of rays of light with one palm, covering the sky and the sun!

As expected of a ninth-level monk in the Tribulation Realm, the power unleashed by this casual palm was simply not something David could compete with!

Moreover, there is still aura covering the holy pool. David is afraid that he will not be able to jump into the holy pool and become a blood mist like those of the Ye family!

For the sake of his son, Ye Liancheng would not let go of the Ye family!  
Golden

light erupted from David's body, and his indestructible golden body covered his whole body!

Then David took out the clock!

One after another spiritual power is continuously input into the clock!

“Start quickly, start quickly...”

David knew that if he wanted to get through Ye Liancheng's aura, he had to use the clock's time spell!

Seeing that David was about to hit Ye Liancheng's aura, the clock showed no reaction!

This made David anxious!

Above David's head, thousands of rays of light shot out!

Roar...

Just when David was extremely anxious, there was a sudden roar of a monster!

The clock in David's hand flashed, and the hands actually moved!

David was surprised to find that the flow around him suddenly became very slow!

The light that was originally as fast as lightning is now like fireworks, falling bit by bit!

The aura covered by the holy pool also turned into ripples in David's eyes, flowing slowly!

David looked around. Everything seemed to be still, and the flow of time almost stopped!

David smiled, knowing that he had succeeded!

At this moment, Ye Liancheng's eyes were wide open, as if he had seen a ghost!

In Ye Liancheng's eyes, a strange space suddenly appeared around David's body, and his thousands of rays of light became extremely slow as they entered this strange space, as if they had stopped!

Ye Liancheng didn't even know that David was using a time weapon!

Because the time magic weapon shadowThe area of the sound was not large, only a few meters away from David's body, and the flow of time was affected!

David's body was slowly falling, and he easily passed through Ye Liancheng's aura covering the holy pool!

The whole person fell into the holy pool!

After David entered the holy pool, the flow of time returned to normal instantly!

David felt the strange aura in the holy pool and raised the corners of his mouth!

"Little Sky-Swallowing Beast, thank you so much..."

David knew that if it weren't for the Sky-Swallowing Beast, he might not be able to open the clock!

After David entered the holy pool, he quickly swam down!

When Ye Liancheng saw David jumping into the holy pool, he immediately roared angrily!

"Damn it, I will cut you into pieces..."

Ye Liancheng cursed and looked at the holy pool. After hesitating for a moment, he jumped in too!

Ye Liancheng knew that the more people entered this holy pool, the less helpful it would be to everyone!

But now he has no choice but to catch up with David!

If his son is disturbed and his bloodline is not reshaped, then the Ye family will have no heirs!

At this time, David swam desperately downstream, hoping to find out his spiritual consciousness, but found that the spiritual consciousness could not be emitted here at all!

Moreover, the water in this pool was so cold that David felt as if he had fallen into an ice cave!

The body seemed to be frozen.

David was very puzzled. There was such a cold atmosphere in the pool, so why didn't the pool freeze?

David ignited a ball of fire in his Dantian!

This made me feel a lot more comfortable. Although I no longer felt the biting cold, the clear water could not be seen very far, as if the water always had a misty appearance!

Although you can't see it, the sound can travel far here!

David heard a popping sound, it must be Ye Liancheng jumping in!

David hurriedly stopped himself from making any sound, and then headed towards the bottom of the pool!
