Chapter 3566

As David went deeper and deeper, the cold air became more intense, and David had to mobilize the fire element to wrap around his body!

Before reaching the bottom of the pool, David felt that he was about to consume a lot of strength!

“Damn it, how did that boy from the Ye family get into the bottom of the pool?”

David couldn’t help but curse!

You must know that David has the origin of fire and the existence of ultimate fire. It is very difficult to resist this cold air!

And Ye Feng, who couldn’t understand the origin of the fire system, how could he enter the holy pool for such a long time without any problems?

David kept diving, while Ye Liancheng’s face was gloomy and he was very anxious!

He knew that David must be going after his son!

Now Ye Liancheng must not let David disturb his son’s rebirth and bloodline!  
But

Ye Liancheng entered the holy pool, and as he continued to dive, he felt that the cold air was getting stronger and stronger, and his body could no longer bear it!

At this time, Ye Liancheng could only desperately use the spiritual power in his body to protect his whole body and resist the cold breath of the holy pool!

Ye Liancheng is a ninth-level monk in the Tribulation Realm, so he can still bear it!

At this moment, Ye Feng was already floating in the water, with fireworks surrounding his body!

And in Ye Feng's hand, a fiery red bead was also emitting light!

Ye Feng's face was solemn, and he continued to absorb the special aura in the holy pool to reshape his bloodline!

At Ye Feng's feet, there is still a bottomless water area, but Ye Feng is afraid and does not dare to go deeper!

The reason why he was able to sneak here was because of the Fire Spirit Pearl in his hand.

This fire spirit bead was brought by those demon cultivators of the Flame Demon lineage!

Ye Liancheng took the initiative to contact them, and these demon cultivators also wanted to form a cooperative relationship with the Demon Sealing Alliance, so they came all the way with the Fire Spirit Orb!

This is why David wondered why he encountered him in the Southern Territory. A demon cultivator from the flame demon lineage in the far north!

"In a few hours, my bloodline will be reshaped, and then I will no longer have to be locked up in a small dark room."

Ye Feng was ecstatic in his heart!

For so many years, he has been living in darkness!

Fortunately, Ye Liancheng discovered the holy pool and knew the secret of the holy pool, so he secretly killed the original owner of the holy pool and occupied the entire holy pool!

However, the holy pool was protected by a formation, and Ye Liancheng had no way to break the formation, so he contacted several formation masters to open the formation!

It's a pity that the strength of these formation masters was so poor that they failed to succeed for a long time, so Ye Liancheng paid attention to the Sheng family!

The Sheng family has its own reputation in the Tianmo Mountain area, and even in the entire Southern Territory, and Ye Liancheng cannot threaten him directly!

They can only induce the Sheng family to join the Demon Sealing Alliance!

Only then did the two brothers Sheng Tiantai and Sheng Bushi have different political opinions!

Ye Feng doesn't know what his father has done for him. Now he just wants to rebuild his bloodline as soon as possible!

But just when Ye Feng was desperately absorbing the breath of the holy pool, he suddenly heard the sound of waves of water!

Ye Feng looked up and couldn't see anything at all!

But the sound was clearly audible, as if someone was swimming above his head!

"How could someone enter the holy pool? Could it be his father?"

Ye Feng was filled with doubts!

You must know that the special aura in this holy pool is limited. In order to increase the aura in the holy pool, Ye Liancheng poured almost all the resources of the Ye family into the holy pool!

There is no way he would let anyone else enter the holy pool!

Moreover, the cold air in this holy pool is not something that ordinary people can bear. If there is no special protection, the cold will definitely enter the body and cause damage to the meridians!

It is impossible for Ye Liancheng to enter the holy pool casually!

## Chapter 3567

Ye Feng seemed at a loss when listening to the sound of water flow, because he was distracted and forgot to absorb the breath of the holy pool!

Just when Ye Feng was at a loss and hesitant, a figure slowly appeared!

When Ye Feng saw David's figure, he was stunned!

He found that he didn't know this person at all, and he didn't seem to be a member of the Ye family!

"Who are you? How did you break into our Ye family's holy pool?"

Ye Feng asked David!

When David saw Ye Feng, he was slightly startled. He thought that this kid had already been at the bottom of the pool, but he didn't expect that he hadn't reached the bottom of the pool yet!

When David was about to speak, his eyes were instantly attracted by the fire spirit bead in Ye Feng's hand. David immediately understood why Ye Feng was able to enter the depths of the holy pool. It turned out that he had a treasure in his hand!

"Mr. Chen, this is the fire spirit bead, the most precious treasure of the Fire Demon. With this fire spirit bead, the original fire in Mr. Chen's body may be improved a lot." "I

really didn't expect it . . . , the fire spirit bead of the Balrog will appear in this guy's hand."

In his mind, Zhe Yan said excitedly to David!

As a demon cultivator of the Flame Demon lineage, Zhe Yan certainly knew the Fire Spirit Pearl.

When David heard that it was the Flame Demon treasure, his eyes lit up. He finally understood why there was a demon cultivator from the Flame Demon lineage in the Ye family. They should have sent the Fire Spirit Bead!

"It seems that this Fire Demon also wants to collude with the Demon Sealing Alliance!"

David said with a cold smile!

“For so many years, the Balrog has been hiding in the Far North. You must know that the cold place is the most difficult for our Balrog lineage to practice.”

“But in order to avoid being hunted and hunted, the Balrog has been hiding in the Far North. So it’s safe and sound.”

“Now it seems that Balrog wants to cooperate with the Demon Sealing Alliance and then leave the Far North.”

Zhe Yan analyzed!

Although Zhe Yan is not very strong, he does know about the affairs of the Balrog lineage. Quite a few!

“You are right. Now the strength of the Demon-Sealing Alliance is spread all over the world of heaven and humans. It is the time when the limelight is unparalleled. It is normal for the Balrog to want to cooperate with the Demon-Sealing Alliance.”

David nodded!

While David was communicating with Zhe Yan, Ye Feng was still looking at David suspiciously!

He didn’t understand how David got here, and David was also surrounded by flames!

“Who are you? Why did you enter the Ye family’s holy pool?”

“Do you also have a fire orb in your hand that can withstand the cold?”

Ye Feng asked David curiously!

This guy had no doubt at all that David was hostile to him!

Still asking questions, I don’t know how to escape!

Hearing Ye Feng’s question, David quickly nodded and said, “I am the great disciple of Yan Mo, and I came to see you when I entered the holy pool.” “The

fire spirit bead in your hand has some flaws, so I am afraid that you will enter with the fire spirit bead.” The bottom of the pool will not be able to withstand the cold air in the holy pool, so I specially brought a new fire spirit bead.”

David opened his hand, and a ball was wrapped in a ball of beating flame!

In fact, this is just a transformation made by David using extreme fire. Where is the fire spirit bead!

Hearing David say that he was the great disciple of Yan Mo, Ye Feng didn't even have the slightest doubt!

After all, he knew that the holy pool was guarded by his father personally, and it was impossible for ordinary people to enter the holy pool!

What's more, not many people knew that the demon cultivators from the Flame Demon lineage had sent the Fire Spirit Pearl!

When David said this, of course Ye Feng would not doubt it!

“No wonder I felt something cold when I got here, so I didn't dare to dive down. It turns out that this Fire Spirit Bead is defective.”

Ye Feng looked at the Fire Spirit Bead in his hand and expressed Very disgusted!

“Mr. Ye, let's exchange the Fire Lingzhu now, so that I can go back to work.”

David slowly approached Ye Feng!

Chapter 3568

Zhe Yan couldn't stop laughing when she heard that David claimed to be the great disciple of Yan Mo!

But David's reaction speed is indeed fast enough!

But just when David was approaching Ye Feng and Ye Feng was about to give David the Fire Spirit Pearl in his hand, he suddenly shouted loudly!

“Feng’er, don’t be fooled. This guy is not a great disciple of the Flame Demon. He is lying to you.”

Ye Liancheng’s figure suddenly appeared, heading towards David quickly!

When Ye Feng heard this, he quickly took back his outstretched hand!

David saw that Ye Liancheng was here, so he stepped forward to snatch the Fire Spirit Bead from Ye Feng’s hand!

Without the Fire Spirit Pearl, Ye Feng would definitely be frozen to death by the cold air in the holy pool!

Seeing David coming to snatch it, Ye Feng hurriedly shouted, “Dad, save me, save me quickly...”Ye

Feng grabbed the Fire Spirit Pearl tightly and dived downwards with all his strength!

Ye Liancheng was so angry that he went crazy when he saw his son being chased by David!

He chased David desperately!

“If you dare to touch my son, you are seeking death...”

Ye Liancheng shouted, and his spiritual power surged instantly!

Then he slapped David with a palm!

It’s just that Ye Liancheng used a lot of spiritual power to protect his body from the cold air, and the water in the holy pool blocked it!

So Ye Liancheng’s palm didn’t even exert half of its usual power!

Seeing this, David kicked Ye Feng, causing Ye Feng to dive deep into the depths quickly!

Then David used his backhand to form a shield in front of him!

David didn’t dare to be careless in the slightest about the attack from a ninth-level monk in the Tribulation Realm!

Even if David's physical body is strong, and coupled with the indestructible golden body protection, it is impossible to withstand a blow from a ninth-level monk in the Tribulation Realm!

boom!

Ye Liancheng struck David's shield with a palm!

David's figure shook twice, but he did not retreat quickly!

This made David slightly stunned, but he quickly reacted.!

Ye Liancheng didn't have the protection of Zhihuo, let alone the Fire Spirit Pearl, so he spent most of his spiritual power on protecting himself!

And David has the original ultimate fire in his body, which can resist the cold air, so David is not affected much!

After thinking about this, David suddenly felt confident!

In this holy pool, what can Ye Liancheng do even if he is at the ninth level of the Tribulation Realm?

"Old boy, your strength is nothing more than this, let's see how I deal with you."

David actually took the initiative!

Ye Liancheng gritted his teeth and his face was livid with anger!

A dignified monk of the ninth level of the Tribulation Realm was provoked by a young monk of the first level of the Tribulation Realm. If word of this spread, how could he survive?

David and Ye Liancheng soon got into a melee!

For a while, the two people were fighting inextricably, and Ye Liancheng couldn't do anything with David!

At this time, due to the fight between the two people in the holy pool, the water in the pool was like a stormy sea, and chaotic spiritual power continued to surge!

Ye Feng, holding the Fire Spirit Bead, swam upwards desperately, but was kicked down by David just now!

Ye Feng was a little worried. He was afraid that the Fire Spirit Pearl wouldn't be able to protect him, so he swam upward with all his strength!

But above his head was the area where David and Ye Liancheng were fighting!

Just as Ye Feng swam up a little, he was knocked away by the chaotic aura!

“Feng'er...”

Seeing his son like that, Ye Liancheng was extremely angry!

But the angrier Ye Liancheng becomes, the harder it is to defeat David quickly!

I saw David sacrificing the dragon-slaying sword, and the sword energy stirred up a storm in the holy pool, while Ye Liancheng tried his best to resist!

Ye Liancheng is going to be pissed off now!

The ninth level of the Tribulation Realm can't beat the first level of the Tribulation Realm. Where the hell are you going to argue?

If it weren't for the holy pool that restrained Ye Liancheng, Ye Liancheng would have beaten David to death!

But now, all he could do was stare at David jumping up and down in front of him, and Ye Liancheng still couldn't defeat him!
