Chapter 3518

“I killed the spiritual beasts?”

The Yin Demon looked at the corpses of the spiritual beasts on the ground, and he himself was confused. “I didn’t kill these spiritual beasts. I have been practicing in the cave and never left. How could I kill these spiritual beasts?”

“And if I kill so many spiritual beasts, won’t it attract the attention of the Spirit Beast Valley? How can I still meditate then?”

David looked at Yin Mo’s look and knew that Yin Mo must be practicing. A ray of breath passed through the magic circle and reached the Spirit Beast Valley!

Because the breath was weak, no one noticed it, but the rhinoceros beasts, who were very sensitive to the breath, were attracted by the breath and came to the Valley of the Dead one after another! Then

the large amount of evil energy in the Valley of the Dead was too much for the spirit beasts to bear, and they died one after another!

“It seems that Senior Yin Mo made an unintentional mistake, but with so many spirit beasts dying in the Spirit Beast Valley, the truth will definitely come to light,”

David said!

“You can’t let people from Spirit Beast Valley come in and disturb my spiritual cultivation. I’m in the stage of rapid recovery and can’t be disturbed.” “

What’s more, if you leave here, there is no place where you can find such a strong Yin evil spirit. It’s so angry!”

The Yin Demon didn’t want to leave here, so he could only ask David to find a way to prevent the people from the Spirit Beast Valley from coming in to investigate!

“I’ll figure it out. I’ll just make an excuse then.”

David said, taking out the clock from his storage ring. “Senior Yin Mo, look at this thing, do you recognize it? Do you know how to use it?” Really?”

The Yin Demon took the clock, took a look at it, and asked with a little surprise in his eyes, “Where did you get this from?”

“I bought it from a middle-aged man.”

David said truthfully!

“This is a time magic weapon, but looking at the current situation, this magic weapon must have been damaged, otherwise it would not have turned into stone.” “

If you want to use this time magic weapon, you need to understand time yourself. It’s all about the origin.”>

Yin Mo explained!

“The origin of time?” David was stunned!

The Yin Demon did not speak, but held the clock in one hand, and suddenly a light flashed in his hand!

Immediately afterwards, the clock also flashed with light. The hands of the clock that had not moved at all suddenly jumped!

In just an instant, the clock turned back to stone again!

But when David’s face was full of shock and he was about to talk to Yin Mo, he found that Yin Mo had arrived in front of the cave entrance halfway up the mountain without knowing it!

At this moment, David’s face was full of disbelief, and he jumped in front of the Yin Demon!

“Senior Yin Mo, you...can you teleport? How come you are here in the blink of an eye?”

David asked in surprise!

“With my current strength, I can teleport like crazy. I just activated this time weapon. In fact, the moment you thought was a moment has already passed a long time.”

The Yin Demon smiled faintly, and then picked up a stone. Throwing it down the mountain, the stone fell vertically at a very fast speed!

But as the clock in Yin Mo’s hand turned, David found that the falling speed of the stone had slowed down, very slowly, like blood falling!

But it only happened for a moment. After the clock in Yin Mo’s hand stopped moving again, the stone hit the ground hard!

“What did you see?” the demon asked!

“It’s slower. It seems that time has slowed down, and the speed of the stone has also slowed down...”

David said in surprise!

“This is the power of the time magic weapon. However, this magic weapon is damaged and it is estimated that it will not be used for long. But after you understand the origin of time and truly practice time magic, these things can be used without the magic weapon.”

” And this magic weapon was used by the old guy Feng Motou before, and I felt his breath as soon as I turned it on.”

Yin Mo followed David and said!

Chapter 3519

“Senior Feng Mo?”

David’s eyes widened and his mouth suddenly opened!

David saw that the middle-aged man was a little weird from the beginning. He was sitting steadily in front of the stall and motionless, which left a deep impression on David!

Could it be that this middle-aged man is the phantom of the wind demon, or is the remnant soul of the wind demon possessing this middle-aged man?

After all, when he escaped from the Demon-Suppressing Tower, the Wind Demon was just a remnant soul. It would be very difficult to rush to the world of heaven and humans to reshape his body!

If you can't reshape your body, you can also choose someone and directly attach the remaining soul to that person!

David felt that this was what the wind demon was about!

"I'm just saying that old man Feng Mo used this thing, but it may not have been given to you by him. Don't think too much about it."

Yin Mo saw David's expression and hurriedly explained!

"I'm not thinking wildly. The remnant soul of Senior Feng Mo has also returned to the world of heaven and humans. I just don't know where it is now and whether it has reshaped its body."

David said!

"Do you think it's so easy to reshape the body? If I hadn't gone directly to the Valley of the Dead, it would have been harder for me to reshape the body than to reach heaven!" "You must know that reshaping the

body and living again is against the law of heaven. Not everyone can reshape it."

Yin Mo said with emotion!

When David heard this, he became even more convinced that the middle-aged man who sold him the clock must be Feng Mo. It must be this guy.

"It seems that the person who sold me the clock must be Senior Feng Mo. I really want to have the opportunity to meet him."

David said with emotion!

"I won't talk to you anymore. I want to recover from my cultivation as soon as possible!"

“Don’t forget to take care of this place for me. No one can disturb you!”

After David’s instructions, the Yin Demon returned to the cave to practice again. Got it!

David jumped down from the mountainside and looked at the dead rhinoceros beasts and the densely packed bones of the undead. David seemed to have thought of a way!

David’s fingertips were seen beating, and a ray of light hit the bones on the ground!

Many bones began to shake and stood up, and then a large number of bones piled up, and it slowly turned into a huge skull!

David glanced at the skull, nodded with satisfaction, and then ran towards the entrance of the Valley of the Dead!

The huge skull chased David from behind.

David slashed at the skull with his sword, and fire flew everywhere, but he couldn’t stop the skull at all!

David is getting closer and closer, Huofeng and the others have already seen David’s figure!

Everyone was shocked when they saw the huge skull made of bones behind David!

“What is this?”

the sect elder said in shock!

“Master...”

Huo Feng was about to rush in!

“No one comes in...”

David shouted, stopping Huofeng from rushing in, and then started fighting with the skull in front of Huofeng and the others!

Huofeng could only watch anxiously!

David followed the huge skull and fought for more than ten rounds in a decent manner, and then chopped the skull into pieces with a sword!

David pretended to be panting hard, and then walked out of the Valley of the Dead!

“What’s going on?”

Bai Qian asked David!

“After the erosion of time, some of the white bones in the Valley of the Dead actually developed spiritual consciousness, and then attracted the Rhinoceros Beast to the Valley of the Dead, and used the unique breath of the Spirit Rhinoceros beast to practice.” “

That’s it, I’ve already removed the skull Completely beheaded, I am setting up a magic circle so that the evil spirit in the Valley of the Dead will never reach the Spirit Beast Valley.”

After David finished speaking, he began to nervously set up the magic circle!

He wants to set up a big formation so that no one can enter the Valley of the Dead, otherwise he will be in trouble if he disturbs the Yin Demon’s cultivation!

Seeing that it would take some time for David to set up the formation, the elder Zong said, “Mr. Chen, you guys are busy first. I’m going to take care of the consonant beast. Now there is only this consonant beast and its cub, which must be taken care of!” “

Okay, you go ahead...”

David nodded!

The elder Zong left, and David continued to set up the formation!

Chapter 3520

Entrance to Spirit Beast Valley!

Several monks are slowly walking towards the Spirit Beast Valley!

One man and one woman were at the front of the team!

“Brother, why do you think Elder Fei betrayed him? The master is so worried now. He must catch Elder Fei to report.” “Elder Chu

from the Demon Sealing Alliance has already spoken. If Elder Fei cannot be caught, Let us all die in the Soulless Palace!”

The woman in a black dress asked the man in black next to her!

“How did I know? Now I can only place my hope on the Spirit Beast Valley’s Spirit Rhinoceros. I heard that the Spirit Rhinoceros is very sensitive to aura. I hope we can find Elder Fei, otherwise our Soulless Palace will really suffer.”

Hei The man in clothes sighed and said!

“Stop, who are you?”

Just when these magic cultivators from the Soulless Palace reached the entrance of the valley, they were suddenly stopped by the people from the Spirit Beast Valley!

“You two, we are from the Soulless Palace. We came here specifically to visit and would like to purchase some spirit beasts!”

The man in black stepped forward and said very politely!

The guard looked at it, and then said, “Wait a moment...”

After saying that, the guard went to report it!

Spirit Beast Valley also does business and sells spirit beasts to some demon cultivators or human monks. After all, it is difficult to tame a spirit beast!

So Spirit Beast Valley has started this kind of business, which can earn a lot of resources for Spirit Beast Valley, and as an orc tribe, it will be much easier for them to tame beasts!

At this time, the sect elder was in the cave, looking at the rhinoceros beast, and the guard hurriedly came to report!

“Elder Zong, there are people from the Soulless Palace who are here to buy spirit beasts,”

the guard said!

“From the Soulless Palace?” The elder of the sect frowned slightly. “Is it a demon cultivator? I seem to have never heard of this sect.”

“It’s a demon cultivator, maybe not from our southern region!”

the guard said!

“Go and invite people in, they are guests.”

Elder Zong said!

In this area of Tianmo Mountain, demonic cultivators will not be targeted, so the sect elders have nothing to be wary of against these demonic cultivators!

Soon, several demon cultivators from the Soulless Palace were brought to the sect elders!

The man in black said directly, “We are from the Soulless Palace. We came to your Spirit Beast Valley to buy a spirit beast.”

“Fellow Taoist, what kind of spirit beast do you want to buy? As long as We sell everything we have in Spirit Beast Valley!”

said the elder Zong!

“The rhinoceros beast...”

the man in black said calmly!

“Spirit beast?”

Upon hearing this, the sect elder frowned immediately!

All the rhinoceros beasts are dead, and now only one big one and one small one are left. How can they be sold!

The elders of the sect did not expect that the rhinoceros beast suddenly wanted them all today!

“Fellow Taoist, I’m really sorry, but we can’t sell the spirit beasts in Spirit Beast Valley!”

the sect elder said very apologetically.

The man in black looked slightly cold, “What, are you afraid that we can’t afford the price?” “

That’s not true, it’s just that our consonant beasts have died in large numbers recently, and now there are only one big and one small left, so there is no way to sell them. “

The elder Zong told the truth!

“Aren’t there two left? Why can’t you sell one to us?”

The man in black was very unhappy!

“Although there are two of us, someone has already arrived in advance and needs a rhinoceros beast, so several fellow Taoists can only return without success. I’m really sorry!”

said the elder Zong very politely!

After all, these demon cultivators from the Soulless Palace are not weak, and the sect elders don’t want to think about conflict!

“Why are you like this? We can sell the rhinoceros beast to us for double the price...”

The woman in black also shouted dissatisfied!

“Fellow Taoist, I’m really sorry, we...”

Before the sect elder could finish his words, the man in black said, “Since you don’t want to sell it, we can always take a look at the spiritual beast. We have always heard that this spiritual beast is very powerful to us.” The breath is extremely sensitive, we really want to see it!”

The sect elder didn’t want to agree, but he would definitely not give up if the other party didn’t agree, so he took them to see the spiritual beast!
