

Arabella 139

Chapter 139

“What are you betting on?”

“I’m betting that your future partner is gonna be an absolute catch! I have no idea what he’ll be like, but I bet he’s gonna be good-looking, loaded, and high-status! He’s gonna be smitten by your beauty, that’s for sure!”

“You got that much free time?” Arabella asked carelessly “Can you handle the work of those five guys for me?”

“Ms. Bennett, I just remembered I have something else to attend to, I’ll be right back,” Dean replied quickly.

As he was about to leave, he heard a male voice.

“Mr. McMillian, these documents need your review”

That was Carl’s voice. He walked into Romeo’s office, hoping Romeo could make decisions on several projects.

Hearing this, Dean stopped, ‘Ms. Bennett, I think I just heard a man’s voice. You hiding a guy in your office or something?’ On the other side, Carl seemed to have heard Dean’s voice and asked confusedly, “Mr. McMillian, who’s talking?”

Then, both Carl and Dean discovered their boss was on a video call.

Their faces were filled with shock.

"Fiancé."

Hearing "fiancé", Dean was even more shocked.

Fiancé!

Romeo was Ms. Bennett's fiancé!

Ms. Bennett was really something. Her fiancé was such a powerful man.

Not only in the company, but she could also have her way in the entire world!

"Thanks for the compliment earlier."

Dean didn't expect that he had inadvertently praised Romeo. Good thing he didn't say anything bad! Otherwise, he might have gotten himself into trouble.

"I really can't think of anyone more suitable for Ms. Bennett than you, you guys are a match made in heaven!"

The men at the company were truly overestimating themselves. Ms. Bennett's fiancé is Romeo, and yet they still had the audacity to consider confessing their feelings to her after work.

"Mr. McMillian, you can rest assured that I will do everything in my power to protect Ms. Bennett's safety at the company and ensure that no other men get close to her. If you have any instructions, feel free to let me know. I am more than willing to serve you," Dean said.

Arabella thought, Who do you work for exactly? Who pays your salary?!
