

# The Charismatic Charlie Wade Chapter 1251 – 1255

## Chapter 1251

At this time, the insults upstairs had escalated.

The middle-aged woman scolded angrily: “Why did I give birth to a money-losing girl like you? I worked so hard to support you to study and go to college. You haven’t made money for your family for two years, so you rushed to give birth to others. My child, I knew you were such an unconscionable thing. When you were born, you should have been thrown away!”

The young woman cried and said, “Mom, I went to college and relied on student loans. I still repay the loan. At that time, you didn’t want me to go to college. You wanted me to marry as soon as I was 18. Said that the earlier a girl marries, the more valuable it is.”

“I tried my best to get admitted to the university. You still didn’t let me go to school. You almost tore up my admission letter and threatened me that if I went to university, you wouldn’t pay me a cent for living expenses. These things Have you forgotten?”

“Now you say you worked so hard to provide me for college. Have you provided me a penny?”

The middle-aged woman scolded angrily: “The Old Lady gave birth to you to be the greatest favor to you. You don’t know how to be grateful, and you’re still clamoring with me here, turning you back!”

The young woman cried and said, “I don’t want to yell at you, I just want to reason with you!”

“The four years I was in college were not easy. All my living expenses had to rely on me to work and make money.”

“But I am a girl who is not in good health and often gets sick. The little money earned by working is not enough.”

“In school, if it weren’t for Carden, who had been helping me take care of myself, I might not have been able to graduate from college at all! I might have starved to death!”

“Carden knew about my family situation at that time, but he never disliked me, so as long as he is willing to marry, I am willing to marry, even if there is no gift of a penny, I am still willing to marry!”

The middle-aged man scolded, “You b@stard, do you think the bride price is for you to decide? Do you think the bride price is for you? The bride price is for your brother to buy a house. Your brother will marry a wife and give birth. My child, this money will depend on the inheritance of our old Jones family! If you don’t have a penny and you just marry like this, wouldn’t you want to drive your mother and me to death?”

The young girl stubbornly said: “No matter what, I will marry Carden today, even if I take a taxi to Aurous Hill to marry him, or even walk to marry him, I will marry!”

There was a crisp sound.

The middle-aged man scolded angrily: “I will kill you, shameless loser! You patted your bu.tt and left, leaving our family of three here. We are just a 30-year old house. Your brother can marry and have children?”

When Claire heard that he had started upstairs, he immediately pulled Charlie and said, “Let’s go over quickly!”

Originally, Claire felt that it was indeed inappropriate for this family of four to argue about themselves as an outsider at home, and now it is somewhat embarrassing to go upstairs.

But when she heard the hands upstairs, she didn’t care about it.

The couple rushed to the 5th floor, and Claire immediately slapped the door of 501.

After a while.

A wicked young man opened the door and looked at Claire and Charlie vigilantly: “Who are you looking for?”

Claire said, “Are you Xiaofeng? I’m Claire, your sister’s high school classmate, do you remember me?”

Upon hearing this, the ailing young man immediately said in surprise: “Oh, it’s Claire! Of course I remember you! Claire, I haven’t seen you in a few years, you are more beautiful than before!”

Charlie saw that this kid saw his wife’s eyes full of scorching heat, and he was a little dissatisfied. He asked Claire, “Wife, who is this little brother?”

Claire introduced: “This is Xiaofeng, the brother of classmate Isabella.”

## Chapter 1252

After speaking, he introduced Xiaofeng: “Xiaofeng, this is my husband Charlie.”

“Husband?” Xiaofeng asked in surprise: “Sister Claire, are you married?”

Claire nodded and smiled: “I have been married for more than three years. Where is your sister? Is she at home?”

At this moment, a girl with red five-fingerprints on her face came over, pretending to smile and said: “You are here so early!”

This girl is also pretty and has a good figure. She can definitely be regarded as the upper-middle class.

It’s just that the girl is wearing a very cheap wedding dress, and it can even be seen that the lace part of the wedding dress is a little off.

A man and a woman walked out of the room again. The couple looked like they were in their early fifties with a cold expression. Looking at Claire, they asked Isabella, “Who are these two people? They came here for what? What are they doing?”

Isabella said: "Claire is my high school classmate. She has been to our house before, but you two may have forgotten."

Claire said politely: "Hello, aunt and uncle. By the way, I haven't introduced yet. This is my husband Charlie."

Charlie nodded slightly at the family, without speaking.

The middle-aged woman questioned suspiciously: "Isabella, what does it mean for the two of them to come to our house?"

Isabella said, "I ask Claire to drive and take me to Aurous Hill."

"What?!" The middle-aged woman gritted her teeth and cursed: "You loser are really determined to marry that b@stard?!"

Isabella nodded, and said stubbornly: "If I make up my mind, it won't change!"

After finishing speaking, she said to Claire: "Claire, I'm sorry to trouble you, you made a special trip so far."

Claire hurriedly said, "Isabella, what are you doing so politely with me?"

Isabella smiled with satisfaction and said: "Claire, it's not too early, it will take a long time to drive, or let's start now."

"Good." Claire nodded and said, "Then let's go now."

"Wait a minute!"

At this time, the middle-aged man with a fierce face stood in front of Isabella and said coldly: "You are a loser, the more you talk about you, the more capable you are, right?"

"I'm telling you, even if the king of heaven is here today, I can't take you out of this door!"

"Also, I have already greeted your sister-in-law. She has an acquaintance in the obstetrics and gynecology department of the county hospital. She can also work

overtime to help with an operation on weekends. You will honestly follow me to the county hospital to get rid of it, and don't deal with that b@stard Carden from now on!"

"Impossible!" Isabella said categorically: "I cannot kill my child, and no one can stop me from marrying Carden. Unless it is Carden who does not want to marry me, otherwise, even if you want Cut off relations with me, and I want to marry today!"

The middle-aged man immediately picked up a rolling pin that was as thin as his wrist, and pointed it directly at Isabella's face with the tip of the rolling pin, and cursed with his canthus: "If you dare to go out of this door, I will hit your leg. Break it! Even if I break your leg, I can sell you to the disabled in the countryside for 200,000. Saying nothing will make you cheap for that Carden!"

## Chapter 1253

Charlie hadn't spoken all the time, but when he saw Isabella's father, he even picked up the rolling pin and suddenly became angry.

It's nothing more than talking cold words and personality attacks and insults. After all, it was his wife who came to help send off her friend, not to take care of other people's housework, so all he thought was to drive the car and leave quickly to complete the task of sending off the the girl.

However, seeing that the other three people, parents and younger brother, are such as\$holes, he is really intolerable.

So he blocked his wife Claire and Isabella behind him, looked at Isabella's father, and said coldly: "Do you know that all your actions are illegal? You interfere with your children's marriage? Freedom is against morality; personal assault is against the law; the intention to sell daughter is again a criminal act!"

Isabella's father said in a cold expression, "How old are you? What does our family's affairs have to do with you? Before I kick you out, you dare to pretend to be in my house? "

Charlie said with a shame: "Today is forced, I still pretend to be!"

After that, he said to Claire and Isabella: "It's getting late, let's leave now, if anyone dares to stop, I will not forgive him!"

In fact, Isabella is now in a hurry, because if she goes to the hotel prepared by her mother-in-law and misses the auspicious time booked by her mother-in-law, she will definitely be even more dissatisfied with her.

It doesn't matter if her mother-in-law gives her face, the point is, she doesn't want her to put pressure on her fiancé.

In fact, her mother-in-law has always looked down upon her, and she has been desperately preventing her fiancé from marrying her, because their family really feels that the situation in their family is too far from them and is not worthy of their family.

However, the fiancé has been under pressure and repeatedly said that he did not want to marry. This time, the two of them used the method of unmarried first pregnancy in order to get married. Finally, it was considered as a compromise with the in-laws.

Therefore, it doesn't matter if in-laws embarrass her a little. As long as today, she will be able to be with her fiancé in good faith.

So she seriously said to her parents and brothers: "I know you are very dissatisfied with me, but for the past two decades, I have always obeyed your instructions, obeyed your wishes, and taken into account your feelings. , The only I thing that didn't follow you was to enter the university. Now, it's the second time that I didn't follow you. I hope you can consider it for me. After all, I am also a human being, not the assets and tools of the Jones family. I also pursue happiness. right!"

"You pursue a bullsh\*t!" Isabella's father shouted angrily: "I will never allow you to step out of this door today!"

Charlie said coldly: "You are not qualified to stop this matter today. You dare to stop and try."

Isabella's brother yelled angrily: "*dmn! She won't let me get married, then she won't even want to get married! You outsider get out of the way, be careful that I fcking kill you!*"

Charlie raised his hand and slapped him sharply, slapped him to the ground with a slap, and turned around several times.

When Isabella's father saw that his precious son had been beaten, he gritted his teeth and picked up the rolling pin, and slammed Charlie on the head.

"Our Jones family has a single pass for several generations. If you dare to beat my son, I will kill you!"

Seeing the strength of the opponent's smashing at Charlie, Claire was big enough to smash a person's head into a scoop, and said nervously, "Charlie, be careful!"

Charlie didn't move, just looking at the oncoming rolling pin, the next second, he waved his hand violently, and directly cut off the thick wooden rolling pin with his bare hands!

## **Chapter 1254**

Isabella's father used all his strength and felt that the stick was hitting hard steel. Then, a violent vibration came from the tiger's mouth. He immediately let go of his hand and hugged himself because of the pain. Screamed at his wrist.

Look at the rolling pin, it has been broken in two!

This shocked Isabella's father!

Such a hard rolling pin can also be cut by hand, and the other party seems to have nothing at all. This guy looks like a practitioner!

How can he afford such a character? In case he beats himself into a concussion with a punch, he will find someone to make sense. After all, he is just an old sling with no money and no power. After being beaten, there is no way to find someone to help avenge...

Thinking of this, he couldn't help but become jealous of Charlie.

Seeing that he was afraid to step forward, Charlie said to Claire and Isabella: "Let's go."

Although Isabella's father and younger brother were full of anger, they did not dare to step forward to stop them at this moment.

Isabella's mother sat on the ground and cried and cried, "You have no conscience. I raised a daughter like you and really blinded my son! If you just leave like this, go and marry That Carden, I just jumped directly from our stairs, and let me die!"

"Mom..." Isabella cried and knelt down and begged: "I beg you to let me fulfill my dream this time. Give me two years. I must find a way to make more money for my brother. For the first payment of a house, if you agree, I will do what you say. If you don't agree, then I have nothing to do. No matter how you force me, I must marry Carden for the sake of the child in my stomach today! "

Isabella's mother cried hoarsely: "I don't care, your brother can't wait for two years. You must buy the house within half a year at most. If you agree, give your brother a note, oh no, it's better to give Your brother writes an IOU of 300,000, and the IOU states that it will be repaid within half a year. If you write it, I will let you go. If you don't write it, I will show it to you!"

"Yes!" Isabella's younger brother Xiaofeng also hurriedly said: "Sister, you write me an IOU. I will go back to the blind date. People ask me about the house, so I can use the IOU to talk about things and let the girl relax her heart!"

Isabella collapsed, and blurted out, "Where can I get 300,000 in half a year! Are you trying to force me to death?"

Isabella's mother yelled: "If we don't force you, how can we know how good you are? Anyway, you have to write this 300,000 IOU today, or if you don't write it!"

"Impossible!" Isabella completely gave up, stood up, and said blankly: "I can't live for you for everything. Since you don't agree to my solution, then forget it and I will not support you."

After she finished speaking, she was cruel and said to Claire: "Claire, let's go."

Claire nodded and took her down the stairs. Charlie followed behind, staring at the family of three.

The two men did not dare to come forward. The woman saw Isabella really gone, so she cried and said: “Things with no conscience, go, and I will jump down here when you go. You wait. Collect the corpse!”

This time, Isabella did not look back, nor did she wipe the tears that kept falling.

After the three of them went downstairs, Xiaofeng said anxiously: “Dad, Mom, she just married like this, what can I do! If I can’t ask a wife, then I will die!”

As soon as Isabella’s mother heard this, she immediately got up from the ground, ignoring the dirt on her a\*\*, gritted her teeth and said: “Come! Even if I have to lay under the wheel today, I will stop her!”

## Chapter 1255

When Charlie and Claire took Isabella all the way out of the community, Isabella was still wiping tears.

Claire was always comforting, but Charlie didn’t come forward wisely.

When they came out of the community, the two people parked two supercars on the side of the road, and the passers-by who had been competing for a photo surrounded them.

Charlie stepped forward to separate the crowd in front of the Aston Martin, and then opened the passenger’s door to let Isabella sit in first.

Looking at the Aston Martin one77 in front of her, Isabella was stunned. She asked in surprise: “Claire, this car...”

Claire smiled and said, “My husband asked his friend to borrow this. Don’t worry, these two supercars will drive you to your in-laws’ house, and they will definitely save you face!”

Isabella said guiltily: “Claire, I meant that your BMW was already very good when I saw it. I didn’t expect you to find a friend to borrow a car for me, and to take favors in front and back. How embarrassed. ....”

Claire said earnestly: "Girl, we have been classmates for many years, and we are still good sisters. I must do my best when you get married for such a big thing. Do you still have to be polite to me for this kind of thing? "

With that, she patted Isabella on the shoulder and smiled: "Okay, don't be so polite. Get in the car quickly, we have to go back, otherwise it will be too late."

Isabella nodded lightly with red eyes, and said seriously: "Claire, thank you!"

Claire gave her a comforting smile, then helped her and sat in this Aston Martin.

At this time, Isabella's family who rushed over suddenly saw them and rushed over.

Seeing that the other party drove two weird-looking cars, Isabella's mother hurriedly said to her husband: "You lie in the front and I lie in the back!"

Isabella's father nodded, and then the couple lay under the wheel one after another.

Isabella's mother sullen her heart and shouted coldly: "If you want to leave today, you will run over the two of us!"

At this moment, Xiaofeng was a little dumbfounded.

His parents don't know super sports cars, but as a young man, he is a stinky silk who dreams of having a lot of money all day long. He is naturally very familiar with sports cars.

So he recognized the origins of these two cars at a glance, and he was astonished as if struck by lightning!

There are tens of millions of luxury cars, and there is no third one in Aurous Hill.

The only two cars are here.

So Xiaofeng was very frightened. He couldn't figure out why Claire and her husband could afford to drive two such expensive top luxury cars?

Could it be that her husband has a big background?

Thinking of this, Xiaofeng couldn't help but trembled.

Can afford to drive such an expensive luxury car, that proves that the other party's worth is more than billions.

If it irritate them, can his family survive?

At this moment, Charlie looked at Xiaofeng and said lightly: "I am not a very good person, and my endurance is not very strong. I will give you 10 seconds to solve this, otherwise you will take the consequences."

Charlie is also very clear that it is impossible for a young man like Xiaofeng not to know Aston Martin and Bugatti Veyron. As long as he can recognize this car, he knows that he is someone he can't afford. In this case, he will definitely take his disgusting parents away.

When Xiaofeng heard Charlie say this, his whole body trembled with fright, and hurriedly reached out to pull his mother, and said anxiously: "Mom, get up quickly, how can you lie here!"

His mother curled her eyebrows and said, "How can I change your house if I don't lie here? Did your brain kick the donkey?"

Xiaofeng almost cried. He lowered his voice and gritted his teeth in his mother's ear and said, "Mom, are you crazy? We can't afford these two people! The two cars alone are worth 100 million!"
