

# The Charismatic Charlie Wade Chapter 1426 – 1430

## Chapter 1426

After all, the appearance of Charlie subverted the cognition of the master and apprentice, and brought a heavy blow to their enthusiasm.

However, Yamamoto Kazuki still hopes Nanako can play well.

Even if she couldn't win the championship this time, with her strength, it would be fine to win a runner-up.

However, if she does not perform well, the runner-up may not be able to get it.

Fortunately, he found through the video that Nanako is nothing different from usual.

Nanako herself is not the kind of player who is particularly excited, so she is usually very quiet before the competition and likes to close her eyes and rest like she is now.

Seeing that the time was almost up, Tanaka Hiroichi spoke: "Miss, you will enter the venue in five minutes."

Nanako opened her eyes and nodded gently: "I see."

Koichi Tanaka said again: "Miss, I'm talking on video with Coach Yamamoto. Do you have anything else to ask him?"

With that, he immediately switched the camera and pointed the phone screen at Nanako.

At this time, Nanako saw the weak Yamamoto Kazuki on the hospital bed and said respectfully: "Master how are you feeling now?"

Yamamoto Kazuki laughed at himself: "My biggest problem is that I don't feel it now."

Nanako hurriedly apologized and said, "I'm sorry, Master I didn't mean it."

Yamamoto Kazuki smiled slightly and said, "It's okay, I have already accepted my fate."

As he said, he raised his voice a little bit, and said bluntly: "Nanako! Today's game is very important to you. Whether you can get the silver medal or not depends on whether you can win this game."

"Being a teacher is not a blow to you, but you are probably not Aoxue's opponent, but as long as you agree to this game, the silver medal will already be in your pocket."

The rule of the top four matches is to fight in pairs, the two who win compete for the championship, and the two who lose compete for third place.

In other words, as long as Nanako wins today, she will at least have the silver medal for the runner-up.

When Nanako heard this, she nodded seriously, and said, "Master I know that I am not Aoxue's opponent, but I will definitely work hard to finish every remaining game, and will never bring shame!"

Yamamoto Kazuki said with satisfaction: "Very well, if this game is won, and in the next game you will face Aoxue. At that time, you will not only go all out, but also let Charlie look at you with admiration, and then take advantage of Aoxue's match. If you have a chance, you will ask Charlie to accept you as a disciple!"

Nanako smiled bitterly: "Master Charlie cannot accept me as a disciple."

Yamamoto Kazuki said puzzledly: "In my opinion, a talented apprentice like you will never be refused. Charlie must be the same. Why would he refuse you?"

Nanako shook her head and said, "Just because I am Japanese."

"What?" Yamamoto Kazuki frowned and asked, "Charlie looks down on us?"

Nanako said: “It’s not that he looks down on us, but he said that the Chinese have taught too many Japanese, but the Japanese have been avenging revenge for two or three hundred years, so...”

When Yamamoto Kazuki heard this, he couldn’t help but sighed and said: “Charlie is a master of real high-end martial arts. Before we have seen his strength, we just sit and watch the sky, but after seeing his strength, if we don’t have a chance to practice. His kind of high-end martial arts really feels that he has been practicing in vain for so many years...”

## Chapter 1427

Nanako is also very sorry in her heart.

Knowing that she was sitting in the well and watching the sky, what she wanted most was to jump out of this well, but Charlie didn’t give her this opportunity.

Yamamoto Kazuki saw her look down and hurriedly calmed down: “Nanako, it’s not the time to consider this issue. You will win this game first, and we will discuss the rest!”

Nanako nodded heavily, and immediately said to Yamamoto Kazuki: “Master then I will be on the stage.”

“Go!” Yamamoto Kazuki encouraged: “This game must go all out, whether Charlie is willing to accept you as a disciple. You must let him see your strength, so in this game, you play as beautifully as possible!”

“Beautifully?”

“Yes!” Yamamoto Kazuki said firmly: “Nanako, the last time Aoxue defeated Joanna with a single move, she was very popular on the Internet. I hope you will do your best when you play and give your opponent no chance. Control the enemy with one move!”

Nanako sighed: “Master, Michel is the second seed. We have played against each other before. Although I have beaten her every time, I cannot avoid a fierce battle every time. It is difficult to defeat her with one move... ....”

Yamamoto Kazuki said: "If you can't control the enemy with one move, you have to do your best to defeat her in the first game. You want Charlie to see your strength and let him look at you with admiration!"

"Even if it is impossible for him to accept you as a disciple in his life, you must let him know that your talent is far above Aoxue! Not accepting you as a disciple is his loss, not yours!"

Nanako immediately resolutely said: "Okay Master!"

One minute later.

The four players participating in the semi-finals are already waiting to play in their respective channels.

Aoxue and Nanako coincided with the same mentality: they must do their best to win with one move, let Charlie look at them with admiration!

After the host finished his opening remarks, he first announced: "First of all, let's invite our Chinese player, Aoxue!"

Aoxue took a deep breath and stepped out of the passage first.

Subsequently, the host announced: "Next, I will invite Aoxue's opponent this time, the Australian player Victoria!"

As soon as the voice fell, a blonde Australian female player also walked out of the passage.

The Australian player's expression was a bit nervous, and the overall momentum was much weaker than Aoxue. It can be seen that she should have no confidence in today's game.

Then, the host called Nanako's name and her opponent, Michelle from the United States.

Nanako and Michelle are both very calm, and their eyes are full of desire to win this game.

Michelle was originally the second seed in this game, and her strength was not much weaker than Nanako. After watching Aoxue's last game, she also realized that she had no hope of competing for the championship this time, so she and Nanako's strategy is the same, all hope to win this game as much as possible and secure the silver medal for the runner-up.

Even Michelle thought more realistically.

She felt that as long as she wins the game, when she faces Aoxue in the final, she could directly abstain and admit defeat on the spot.

Not only will this not affect her from getting the silver medal, but it will also not bring her any risk of injury.

After all, Aoxue's strength in the last game was too strong, and Michelle was afraid that when she finally meet in the final, she would be injured under her hands.

An athlete has to participate in many games a year, and losing one is actually not a pain, but if you are unable to participate in a year of competition due to injury, it is really not worth the gain.

## **Chapter 1428**

At this time, the four contestants respectively boarded two arenas.

The two arenas are on the left and the other is on the right. Each arena is surrounded by the audience.

Today, there were no empty seats, and the applause, whistles and applause before the game started, it was endless.

Charlie stood under the ring behind Aoxue, which was also the position of the coach in the Sanda competition.

The opponent's coach looked at her nervously at this time, and looked at Aoxue on the ring from time to time. The towel in his hand was always ready. Once his apprentice couldn't support herself on the stage, he would be the fastest to throw the towel in time and admit defeat.

On the ring, Aoxue looked at her opponent Victoria with a grim expression.

Before Charlie didn't help her improve her physique, she was not an opponent of Victoria. After all, this girl was tall, and her physical function was better than Aoxue before.

But now, she has full confidence in defeating Victoria.

She was just thinking about what method she should use to achieve a victory against Victoria.

At the same time, in another ring, Nanako is also considering the same issue.

Her eyes were not on the opponent Michel, but on Charlie by the side of the other ring.

Although Charlie was not watching her at this time, she firmly believed that if she performed well enough, Charlie would definitely see her!

What is good enough?

It seems that she has to defeat Michelle with one move, just like Master Wade said!

At this moment, the referees on both sides of the ring announced the start of the game at the same time!

Here, Aoxue observed at Victoria, ready to find the opponent's flaws.

Victoria was quite jealous of Aoxue, so she would not dare to take the initiative to step forward for a while, she had been doing a defensive posture, watching Aoxue vigilantly.

On the other hand, as soon as the game started, American player Michelle yelled and immediately attacked Nanako!

For Michelle, she had long been eager to defeat Nanako, and she also knew that her strength was too far behind Aoxue, so she concentrated all her energy on Nanako.

The American fighting mentality itself is very fierce, open and close, and attack with all strength as soon as it comes up. Nanako can only retreat quickly and dodge the raindrops of the opponent's offensive.

At this time, Nanako did not dare to fight back, because she has an obsession in her heart, and wants to defeat Michelle by one move for Charlie to see, so she must not blindly shoot, she must find the best time to solve the battle at once. !

Aoxue was already approaching Victoria at this time. While swinging her body to prepare for dodge, she kept shortening the distance with Victoria, and was also looking for the best time.

But Victoria was quite wary of her and kept backing away, hoping to keep a safe distance.

Just when Victoria was forced to the corner of the ring by Aoxue, Aoxue suddenly seized the opportunity and rushed towards Victoria like a rabbit.

Victoria was nervous, with both hands in front of her, ready to resist Aoxue's first offensive in time.

Aoxue strode quickly, and after her left leg stepped out, she suddenly took a step forward for more than half a meter, her body rotated in the air, and her right leg quickly drew towards Victoria!

## **Chapter 1429**

In the air, there was even Aoxue's voice breaking through the sky.

Victoria's face was shocked!

She had watched Aoxue's game against Joanna, and knew that Aoxue was extremely explosive, and with this kick, she was afraid that she would fly directly out of the ring like Joanna.

As a result, she quickly withdrew her right leg one step, the left and right legs were in a triangle shape with the ground to strengthen the stability of her bottom plate, and then

she blocked her arms in front of her, preparing to block Aoxue's blow with a deblocking action.

But she was not Joanna, and she had no idea how strong Aoxue's kick was!

She only felt that her arms were hit by a huge force, and then she heard two crisp cracks, and her two arms were kicked and broken!

Accompanied by strong pain, she could no longer withstand the powerful force, and her whole body was like Joanna in the previous game, and she threw back into the air directly!

A huge exclamation broke out at the scene!

No one thought that Aoxue could be so strong!

And Victoria's coach also looked terrified at this time, he quickly threw the towel into the air, and rushed to Victoria very nervous!

After a while, Victoria was taken away from the scene by the doctor with a painful face, and Aoxue once again won and advanced to the final!

A burst of cheers broke out at the scene, and it was an unprecedented breakthrough for Aoxue to enter the finals of the college Sanda competition.

While celebrating the victory here, Nanako was beaten repeatedly by Michelle from the United States. She didn't make a move, so that she was hit by Michelle several times in the face, and the corners of her mouth and eyes were bruised and bloody with looks very miserable.

While Michelle wondered why Nanako only resisted and didn't fight back, she also seized the opportunity to beat Nanako frantically.

In her opinion, Nanako should be out of state, so she just took this opportunity to defeat her in one fell swoop.

Nanako felt the severe pain coming from the injured part and tried to fight back several times, but she resisted the urge.

She warned herself in her heart: “I can’t act rashly! I want to win with one move! I must win with one move! I must make Charlie look at me with admiration! Michel, you can attack with all your strength! I will not fight back! At least Before I find your fatal flaw, I will never fight back! Because you are not my enemy at all in my eyes, you are just the transcript that I will use to prove myself to Charlie!”

Michelle doesn’t know what Nanako is thinking, she just feels that she has finally found a chance to be a notch above this girl!

She has been defeated by her many times before, and today, she’s going to defeat her in the face of the whole world in a devastating way!

Thinking of this, she immediately punched Nanako one after another, every punch was extremely harsh!

At this time, the referee on the other side of the ring had already announced Aoxue’s victory. Aoxue rushed off the stage excitedly and hugged Charlie, happily with nothing to add.

Charlie patted her on the back and smiled: “Don’t be so happy now. You have a game to play in two days. Go take a shower and change your clothes.”

Aoxue nodded hurriedly, and said with admiration: “Coach Wade, you must wait for me, don’t slip away while I am going to change clothes!”

Charlie nodded: “Okay, I’m waiting for you.”

Aoxue was relieved, and after bowing to the audience, she returned to the backstage rest area.

Charlie only paid attention to the fight in the next ring.

## **Chapter 1430**

Looking from a distance, he was a little surprised. He didn’t expect that Nanako would be hit by the American girl. She seemed very passive and could not fight back.

Moreover, her beautiful face was bruised and bleeding because of repeated hits, especially the corner of her right eye seemed to be a little cracked, which was very disturbing.

Charlie couldn't help but stepped to the edge of the ring and carefully observed Nanako. He found that although Nanako was injured, she was very passive in the situation, but her eyes were constantly watching the opponent's movements.

He couldn't understand, since Nanako had been observing the opponent, why didn't she fight back? What is she waiting for?

At this moment, Nanako also saw Charlie.

She was a little surprised when she saw Charlie surprised.

Because she actually saw a bit of distress in his eyes.

She asked herself from the bottom of her heart, "Is the distress in Charlie's eyes because of me? Is he distressing for me?"

At the next moment, she thought a little bit self-deprecating: "Why would he feel sorry for me? In his eyes, I am just a Japanese girl sitting on a well and watching the sky, and my strength, in his eyes, is almost worthless like an ant. Not to mention, my master has humiliated him. Even if he hasn't offended him, he will certainly hate him."

"So, he can love Michelle across from her, it is absolutely impossible for him to love her..."

"But... but the look in his eyes really hurts me! Could it be that he really loves me?"

"It seems that there is only one way to know if he is feeling sorry for me!"

Thinking of this, Nanako deliberately left a gap for the opponent when resisting the attack.

boom!

Michelle seized the opportunity and hit Nanako's right cheek with a punch, and immediately hit her cheek black and purple, even bleeding!

When Nanako was resisting this punch, her eyes kept looking at Charlie.

She found that at the moment when she was hit by Michelle, the distress on Charlie's face became more obvious!

Although her face was painful, she couldn't help but jump for joy for some reason!

"He really cares about me!"

Thinking of this, the happy little woman smiled.

Charlie was very excited about his disciples' success just now. When he saw this scene, he could not help but frown, and wondered in his heart: "What is going on with this Nanako? If she is not in a good state just now, then why she is being absent? Isn't this a lunacy?"

Just between the sparks and flints, he was wondering, Nanako, who was so happy in her heart, suddenly discovered that Michelle's figure was stuttered!

At this moment, she suddenly realized that the opportunity she had been waiting for has come!

Moreover, Charlie is looking at her here, and he is looking at him with distressed eyes here, she must seize this opportunity to defeat Michelle!

Not only should Charlie be shocked!

Let Charlie applaud for her!
