

The Charismatic Charlie Wade Chapter 1541 – 1545

Chapter 1541

Because he didn't dare to delay the board's plan to seize power tomorrow, Yanzheng decided to endure tonight first.

At the same time, he immediately asked the dean of the hospital to promise to pay a lot of money to find some top experts in related fields from the United States, and let them come and try to see if they can be cured by medical means.

If they can, that would be the best. When that happens, they don't need to ask the kid, just kill him!

If they can't...

Then this thing is a bit tricky, in order to keep on surpassing children and grandchildren, maybe they actually kneel down for that kid to beg for mercy!

Thinking of Charlie's extremely arrogant face, Yanzheng felt uncomfortable all over his body.

Yangang on the side asked in a low voice: "Second brother, for tomorrow's board of directors, won't that kid come too?"

"f*ck..." Yanzheng felt a little bit in his heart, and his face immediately changed.

If that guy comes to the board of directors tomorrow, I am afraid it will be uncomfortable! If he helped Philip suppress us, what would he do?

After thinking about it for a long time, he couldn't think of any solution, so he sighed and said: "Now it is meaningless to think about this, and there is no way to think of any way. When the time comes, soldiers will stop them and cover them!"

Philip just remembered something, and whispered: "Second brother, do you remember that the kid in the eldest brother's family mentioned Fredmen from the Future Company Group? That guy came back from abroad some time ago, and he kept looking for opportunities to flatter me and want to engage with us. Click to cooperate, do you want me to ask him over to ask about the situation?"

"Okay!" Yanzheng said hurriedly: "You can call him now and ask him to come to the hospital to see me!"

.....

Since leaving Aurous Hill in a dingy manner, Fredmen spent most of his time seeking medical advice all over the world, hoping to cure himself.

He first went to Japan, and then to the United States. He went around for a long time. He found a lot of doctors and spent a lot of money, but he couldn't solve the problem.

Over time, Fredmen basically gave up in his heart.

Fortunately, he was getting older and had children. After giving up treatment, he simply focused on his career.

Once a person loses lust and distractions and concentrates on his career, his concentration will increase exponentially.

Therefore, Fredmen now only wants to make the Future Company Group bigger and make more money, and then use money and material to fill his body and lust.

However, in Eastcliff, the Willson family can only be regarded as a second-rate family, and the gap with the top family is still very large. Fredmen wanted to hug a thigh, so he hugged it, and finally got a little relationship with Yangang of the Gu family.

But even though he tried desperately to kneel and lick Yangang, Yangang looked down on him somewhat, and didn't even think of accepting him as a dog.

When he was worried about how to conquer Yangang, he suddenly received a call from him.

So he hurriedly connected and said flatly, "Oh, Mr. Gu, why are you free to call me?"

Yangang asked him, "Old Willson, are you in Eastcliff?"

"I'm here!" Fredmen said hurriedly, "I haven't left Eastcliff since I came back from the United States. What is your order, President Gu?"

Yangang said, "I want to ask you about something, but this matter is more important. Can you come to the Gu Group hospital now? Let's talk better in person."

"Yes!" Fredmen said with a smile: "President Gu, wait a while, I'll rush over!"

Chapter 1542

"Well, I'll wait for you here!"

.....

At this moment.

Charlie and Philip's family had dinner, and they were dragged by Philip to drink a lot of liquor before returning to the guest room Lenan arranged for him, taking a bath and lying down to rest.

At this time, Claire called him and asked him: "Husband, how is your progress in Eastcliff?"

Charlie smiled and said, "It's not bad, the overall situation is fairly smooth, and it will be finished in about three days soon."

"That's good." Claire hummed, and said concerned: "You have to take care of yourself when you are outside. After all, you have never traveled far."

Charlie was a little moved in his heart and smiled and said, "My wife, don't worry, I am an adult too, and can take good care of myself. I will rush back when I'm done."

"Okay." Claire smiled: "By the way, husband, I have to ask you for something."

Charlie asked hurriedly, "Wife, what are you doing so politely with me? Just tell me what's the matter."

Claire said: "That's right. Elsa was chatting with me today. She happened to be back in Eastcliff, and her grandmother has her birthday at noon the day after tomorrow. Can you help me buy some gifts to give to her? Birthday gift?"

Charlie calculated the time, and his business is mainly tomorrow.

In the morning, I have to accompany Philip to the Gu Group to participate in the board of directors, and then go to his parent's grave to pay homage to his parents. However, there is no arrangement for the day after tomorrow. I was thinking about staying the day after tomorrow to see if Gu's affairs can be dusty. Settling, if the dust settles, then I will return to Aurous Hill the day after tomorrow.

Therefore, the day after tomorrow he was not prepared to leave Eastcliff, and it was not a big problem to drop by to attend the birthday banquet of Elsa's grandmother.

However, Charlie felt somewhat uncomfortable.

Elsa came to Eastcliff on the same plane with him. She did not say that she would let him go to her grandma's birthday banquet. Then she chatted with Claire about the incident. He guessed that once she told Claire, Claire would definitely do it. Let him go?

Charlie didn't really feel anything towards Elsa, but Elsa always thought a little bit carefully, which made him feel a little repulsive.

For example, that time she invited Claire to take a hot spring. In fact, the purpose was him, but he used a curve to save the country to find a breakthrough from Claire. This time it was the same, basically a repeat of the old trick.

He doesn't know why this woman is interested in him, so he has to let her give up on herself.

However, even though Charlie had some opinions in his heart, he readily agreed and said, "That's it, I will prepare a gift tomorrow, and I will pass it at noon the day after tomorrow."

"Okay." Claire said, "Thank you, husband, for your hard work on my behalf. When I went to Eastcliff to play during my university, Grandma was very enthusiastic about me. I originally wanted to go to Eastcliff in person. Yes, but I have to take my mother to the hospital for a review tomorrow. If there is nothing wrong with the review, the cast on her leg will be removed, and she has been clamoring to hurry up the missing front teeth, so I am stuck here. I really can't get away for a few days, I can only ask you."

Charlie smiled and said, "Don't worry, wife, I will do it well."

Claire asked: "I'll transfer some money to you, and you can find a suitable gift at a price of around 100,000. As for what you buy, I believe in your vision!"

Charlie smiled and said: "You don't need to transfer money to me, I have money, and the customers here have already settled the bill in advance."

Claire was surprised and said: "So generous!"

Charlie said: "After all, it's a big family!"

Claire said: "Well! In that case, then I won't be polite to you! Thank you husband!"

Chapter 1543

Eastcliff in the night.

Fredmen sat on his Rolls Royce, galloping on the road at night.

He is very trendy at this time.

After all, it was the invitation of Yangang, the third member of the Gu family, who was going to go.

Although Yangang ranks at the bottom of the Gu family and does not have any real power, he is still a direct heir of the Gu family after all. Both the number of assets and the social status is much stronger than Fredmen.

Therefore, Fredmen desperately tried to flatter him, hoping to pass him and catch the Gu family line.

Although he didn't know what Philip had just looking for himself, but he could take the initiative to find himself, which in itself was a big improvement.

Twenty minutes later.

Fredmen rushed to Gu's Hospital, when Yangang's son Weiguang was already waiting at the door.

Seeing Fredmen, he stepped forward and asked, "Is it Uncle Willson?"

Fredmen nodded hurriedly and smiled and asked, "Are you Gu's son?"

"Yes." Weiguang nodded and said, "Uncle Willson follow me in. Both my father and my second uncle are waiting for you."

Fredmen asked in surprise, "Is the second master also there?"

"Yes, they are all waiting for you."

Fredmen became excited when he heard this.

In the entire Eastcliff, everyone knows that the Gu family's boss is seriously ill and that time is running out, so everyone knows that the head of the Gu family will definitely become the second master of the Gu family, Yanzheng.

He didn't even dare to dream that he would have a chance to get along with the second master of the Gu family.

But isn't there a ready-made opportunity in front of him today?

He hurriedly followed Weiguang to the intensive care ward. In the ward, he saw Yanzheng and Yangang with strange expressions.

As soon as Yangang saw him come in, he hurriedly drove all the other people out except the second brother, leaving only three of them in the ward.

So Yangang just got into the topic and asked Fredmen: “Old Willson, I ask you one thing, you must answer truthfully.”

Fredmen said without hesitation: “Don’t worry, I must know that everything is endless!”

Yangang endured the shame and embarrassment, and asked, “Old Willson, I ask you, are you infertile now?”

After Fredmen heard this, his whole body was struck by lightning, standing still, dumbfounded, not knowing what to do.

He didn’t even dream of it. As soon as Yangang spoke, he asked such a question that hit the soul directly.

He could not help secretly: “I did lose my fertility, but outsiders don’t know about it! How did Yangang know about it? Should I admit to such a shameful thing? In addition, Yangang called me over to ask me this. What is the problem?”

Seeing that Fredmen looked embarrassed, but didn’t say a word, Yangang was just anxious, and he smacked his lips and said, “Oh, old Willson, what are you doing? Is it such a question, so difficult to answer? Just tell me, is it or not?”

Although Fredmen didn’t know why Yangang asked himself this question, but thinking about his inexhaustible promise to him just now, he still bit the bullet and said: “Mr. Gu, to be honest, I really have no fertility.”

Chapter 1544

Yangang and his brother Yanzheng glanced at each other, and then he hurriedly asked: “Old Willson, tell me, how come you have no fertility? What’s the matter?”

Fredmen said awkwardly: “Mr. Gu...you...you...why are you so concerned about this issue? To be honest, it’s not that I don’t want to tell you, but this, such things are really ashamed to speak out!”

Yanzheng, who hasn’t spoken all the time, said, “Mr. Willson, don’t have any psychological burdens. We are looking for you. To tell the truth, it’s the exchange of information between patients. It’s so easy for everyone to share more clues.”

“what?!”

Fredmen was dumbfounded.

Information exchange between patients?

what does it mean?

Don’t these two brothers have that ability now?

No way? !

These two are the men of the Gu family!

And both of them are younger than himself, how could something go wrong at such a young age?

He couldn’t help asking: “Second Lord, you...what the h*ll is going on?”

Yanzheng waved his hand and said, “Mr. Willson, let me talk about your business first. I hope you can fulfill your promise. To me and the third, I know everything and say nothing. I want to know the whole thing. The cause and effect of the matter.”

Fredmen nodded, then sighed for a long time, and said, “Hey...this matter has to be wound up, that’s a long story.”

Having said that, Fredmen went to Aurous Hill for his father’s last wish, met the Willson family, and encountered Charlie, being punished by Charlie, and he told all to the Gu family brothers.

At first, the Gu family didn't feel anything. When they heard that Charlie made him confused and lost that ability, Yanzheng hurriedly asked: "What is the origin of that kid named Charlie Wade? Could it be? The Wade family?"

Fredmen thought of Charlie and gritted his teeth and said, "That kid named Charlie, he's the son-in-law of the Willson family in Aurous Hill! d*mn, that family is not as small as a hair! Their group was losing money and was in negative equity. I owe tens of millions to the bank. Even so, the surnamed Wade and his father-in-law's family are still despised in this family. They are just rubbish among the rubbish. How could it be from Wade's family? people."

Yanzheng hurriedly asked him: "What does that kid look like?"

Fredmen said: "He is tall, looks a little handsome, speaks a little bit forcedly, and looks awkward."

Yanzheng frowned and said to Yangang, "Maybe it's the kid in the elder brother's house!"

Yangang blurted out: "It must be him! d*mn, second brother, you forgot, he actively mentioned Mr. Willson's name, he must be the same person as Charlie who abolished Mr. Willson's fertility!"

Fredmen was shocked when he heard this, and blurted out: "What do you mean, is that Charlie b@stard next to the eldest brother Philip?"

"That's right!" Yanzheng gritted his teeth: "Today, my brothers and our sons suffered a lot from his hands. f*ck, this kid is toxic. He said he made us infertile. , We are really gone!"

"Yeah!" Yangang also said angrily: "When this *btch* changed his mouth, just a fcking word, the four of us somehow lost that ability!"

"f*ck..." Fredmen took a breath.

Charlie is too ruthless, right?

Abolish the Gu's second child, third, and their sons directly? !

The Gu family is also the third-ranked super family in Eastcliff anyway. If this kid broke the Gu family's incense, is he not afraid of Gu family's crazy revenge? !

Chapter 1545

Fredmen was surprised and shocked, and couldn't help but sigh: "Speaking of which, Charlie is really f*cking mysterious. He also moved his mouth that day, and then I was confused..."

Having said this, Fredmen couldn't help but think of his tragic experience in Aurous Hill.

First he was beaten by Charlie, and then he was deprived of his ability to be a man. This is not the worst!

The worst thing is that he mistakenly believed in the old thing surnamed Wei, and ate the so-called magic medicine of the Wei family. Not only did he fail to regain his glory, he almost broke his roots.

In the end, it was under Charlie's treatment that he could barely save his roots.

As for Charlie's treatment when he kept his roots, it was another history of blood and tears.

At that time, one liter of urine was matched with one liter of medicine, so that he still has a shadow.

Thinking of this, he couldn't help sighing: "Hey, you two didn't know, I was in Aurous Hill, my old bone, but his mother made this kid miserable!"

Yanzheng gritted his teeth and said: "According to this, this kid is just the live-in son-in-law of the Aurous Hill family, but how can he get on line with my elder brother? This is too strange!"

After Charlie's parents were killed for many years after leaving Eastcliff, Yanzheng had no longer in his mind. The image and memory of Charlie's father. Therefore, he couldn't understand Charlie's identity and could not figure out him. The son-in-law of the city rag comes to the door, why can he mix with his eldest brother, and he was invited to the house by the eldest brother to have dinner with his family of three.

You know, with the background of the eldest brother, even those few well-known Internet entrepreneurs in the country cannot be treated like this.

Fredmen remembered something, and blurted out: "I remember, this Charlie was in Aurous Hill. He was abducted and deceived and scammed many people. Many local figures who have a good reputation should call him Master."

"Master?" Yanzheng frowned and asked him, "What master? Which kind of master?"

Fredmen said: "It seems to be Feng Shui or something. It is said that he has a good sense of Feng Shui. The local rich man asked him to see Feng Shui once and he was rewarded with tens of millions or even hundreds of millions. A big villa worth more than 100 million, don't know how this kid can fool around so much."

Yangang hurriedly said, "Second brother! I understand! The eldest brother must be dying of illness. He really doesn't know what to do, so he can only go to the doctor if he is sick, and believe that the metaphysics of Feng Shui luck has come."

Yanzheng nodded in agreement, and sneered: "I think so! 80% of them are really afraid of death and crazy, so asked a liar to renew his life!"

Yangang sneered: "It's really interesting. Didn't he yell all his life that he is an atheist? He never believed in ghosts or gods. How come he is dying now and believes in Feng Shui luck again?"

"Then who knows to go..." Yanzheng waved his hand and said, "However, this kid is really a bit mysterious. I still don't understand how he made us lose that ability. Could it be that he really has some metaphysical skills?"

Fredmen hurriedly said flatteringly: "Oh, my second master, there are some insights about this matter, but it hasn't been verified. If you don't mind, I can say it and give you reference."

Yanzheng nodded: "You say it!"
