

The Charismatic Charlie Wade Chapter 1561 – 1565

Chapter 1561

When he heard that he was going to the conference hall, Yanzheng blushed.

Most of the reporters who are waiting in the conference hall came here early in the morning because they said they were going to meet a board of directors today, and they used the media to release news that their eldest brother was critically ill.

They want to catch a big news about the replacement of the chairman of the Gu Group, so that Yanzheng can also use the current media attention to beat his reputation.

Yanzheng originally wanted them to report on his victory on the board of directors, so that after noon, the media could announce to the public that the chairman of the Gu Group had changed his position and he would become the next chairman.

Unexpectedly, all these things he did would eventually fulfill eldest brother.

He could even think that once the big brother appeared at the press conference with a red face, all the media reporters who thought he was going to die would have to fry them on the spot!

After he announced that he had obtained 51% of the voting rights, the media reporters should be shocked to add nothing to it?

With this thought flying in his mind, he secretly sighed.

Maybe, this is his fate.

Originally, his abilities and wrists were inferior to that of the older brother. He wanted to take advantage of the vacancy, but he didn't expect that there would be a Wade Family

Young Master beside him. What's even more amazing was that brother recovered from the serious illness overnight.

It seems that the only thing that suits him is to follow him as a foil.

In fact, Philip is a smart man.

He considered many things very comprehensively, and he was only shivering from success.

It's a pity that in the end he still encountered Charlie stirring the situation behind his back.

Without Charlie, Philip would strategize again, dragging a dying body, and it would be impossible to fight the union between him and Yangang, and even the safety of his wife and daughter would not be guaranteed in the future.

However, Yanzheng was able to see the situation in time and immediately gave up the original overall plan to stop the loss, and he can also see that this person is at least number one.

Change to the kind of person who can't see the situation clearly and is still stubbornly resisting when he dies, and he will soon be completely cold.

Philip was grateful to Charlie at this time.

The appearance of Charlie not only saved his own life, but also saved his wife and daughter, and his career.

This kindness, in his opinion, is afraid that it will be a life of poverty, and he can't repay it all. He can only do his best for the rest of his life.

So he took Charlie's hand and whispered to him: "Charlie, if you don't want to return to Wade's house in the future, come to the Gu Group. Uncle will arrange for you a position of vice chairman. I only have a daughter. With my daughter, everything in the future will be yours!"

What Philip said was not courtesy, but from the heart.

He felt that his daughter was going to marry Charlie, and Charlie was his son-in-law. If he did not return to Wade's house, Gu's family would belong to him in the future.

Although he is open-minded, he also feels that if his daughter marries Charlie, she should be a good helper. Charlie and his father, Changying, are both his benefactors. As long as Charlie can give his daughter a lifetime of happiness, He is willing to give all his assets as a dowry for his daughter.

Charlie naturally knew what he meant. He really regarded himself as the future son-in-law, even half of his son.

But he couldn't deal with this kind of thing, so he said seriously: "Uncle, I have no plans to return to Eastcliff. You still allow me to consider this matter."

Philip also didn't insist, nodded and said, "In short, you should see your uncle at any time and under any circumstances. My home is your home!"

Charlie nodded solemnly.

.....

Because he wanted to attend the conference, and Charlie didn't want to appear on the scene, he sat in the auditorium of the conference as an ordinary guest in advance under the arrangement of Secretary of Philip.

All the cameras are aimed at the rostrum of the press conference, so he doesn't have to worry about being on TV.

Chapter 1562

When Charlie sat down in the auditorium, the entire conference hall was already overcrowded.

The major media have sent reporters one after another, with long guns and short cannons here, waiting for the Gu Group to release important news.

At this moment, the outside world does not know the news of Philip's recovery.

Everyone thought that Philip was already dying and that he might not be able to join the board of directors today.

However, they expect Philip to appear.

Because, as media people, they like to catch some topics that can arouse attention.

So they hope that they can capture the image of Philip's late hero and add some sensational text at that time. This is a proper headline news.

Some people have even thought about the headline of the news.

For example, "The End of an Era", or "The legend is old, can the new chairman of the Gu Group turn the tide".

Now they are only waiting for Philip, who is dyingly ill, to stagger in from the conference hall, even being pushed in a wheelchair.

At this moment, the on-site staff picked up the microphone and said: "Please be quiet, everyone present, our chairman will be here soon!"

As soon as this word came out, everyone turned their attention to the entrance of the venue.

The cameras have already found the angle, and put the entire entrance into the viewfinder frame.

Everyone was waiting for the moment the door opened and Philip showed up.

At this moment, the door was pushed open from the outside in.

The first step forward was Philip's secretary.

The second step forward was Yangang.

The third one is Yanzheng.

The moment they saw Yanzheng, the shutter sound on the scene had begun to intensively shriek.

Because everyone knows that he is the second child of the Gu family, and is also the chairman of the Gu Group, and he is the unyielding successor.

Philip is critically ill. He is the new chairman of a trillion business empire from Gu.

However, no one thought that behind Yanzheng, they did not see Philip's shadow, but saw a middle-aged man who was nearly ten years younger than Yanzheng, with a red face, tall and strong.

The media present could not help but exclaim: "Who is this person? Why haven't I seen him before?"

No wonder they couldn't help Philip all of a sudden.

In recent years, Philip's image in front of the media has grown older.

Moreover, after Philip became seriously ill, some media secretly took pictures of him in overseas hospitals. He was indeed very haggard. At the age of fifty, he seemed to be at least sixty.

Therefore, when they suddenly saw Philip, who looked like 40 years old, no one could adapt to this violent contrast. Moreover, the media reporters were not relatives around him and couldn't recognize him at once. It was normal.

When Philip walked in, some of the media reporters exclaimed: "There he comes! The last one is Philip, Chairman Gu!"

After he exclaimed, someone immediately questioned: "D@mn! Philip was almost dead, wasn't he? The last person looks like he's forty years old. Can he be like this?"

The reporter resolutely said: "Ten years ago, I interviewed Chairman Gu, and he was what he is now! His appearance, demeanor, and posture are all right in memory!"

Chapter 1563

When the reporters heard this, everyone went to seriously look at Philip now.

A closer look reveals that Philip's previous shadow can indeed be seen, and that the five senses and temperament belong to the same person.

So everyone can be sure that this man in his forties is Philip!

Now, the whole scene was in an uproar!

No one can understand why Philip, who said in the headlines this morning that he is critically ill, is so energetic and radiant now!

Therefore, every photojournalist locked his lens firmly on Philip, and the shutter sound made a sound!

At this time, the network media directly broadcast the conference live simultaneously on the Internet through on-site equipment.

When the vast number of netizens saw Philip's red face, the stocks of many listed companies in the Gu Group that had already dropped their limit, immediately loosened!

The so-called limit-limit is a situation in which the stock price drops to 10% and it is not allowed to continue to fall, resulting in a large number of selling orders blocking the lowest price and the stock price unable to rise.

In fact, in this case, if someone eats all the sell orders at the limit price, the stock will automatically open the limit.

The most sensitive in the stock market are brokers and institutions.

When they discovered that Philip turned out to look like a okay person, they immediately realized that the news this morning must be fake news!

Therefore, in this case, they fully believe that the Gu Group's share price will rise immediately.

At this time, if the selling order is eaten up at the limit price, you can buy the bottom at the lowest price.

If the stock can rise against the trend in the future, from the lower limit all the way up to the daily limit, then the institution that buys the bottom will be able to seize the 20% rise in one day!

For example, the stock price was originally 100, but ended up at 90. At this time, 10,000 people put their sell orders at 90. If someone puts these 10,000 people on a 90 stock Buy it all, and the stock price will begin to open the limit.

If you buy the bottom from the price of 90, the stock price rises back to 100, and then continues to rise to the 110 daily limits, it is equivalent to a short period of time, from 90 to 110!

A large number of institutions are frantically accumulating funds, and the stock price has risen all the way after opening the down limit!

At this time, Philip came to the front of the seat, stood in place and waved to the reporter, then walked up to the stage and sat in the middle of the rostrum.

In front of him, a microphone and his name tag were placed with words: "Chairman, Philip Gu."

After sitting down, Philip smiled into the microphone and said forcefully: "First of all, on behalf of the Gu Group and the Gu Group's board of directors, I would like to thank all friends from the media for participating in this press conference in their busy schedule."

A group of Gu Group shareholders followed him to applaud.

Afterwards, Philip said: "Next, I will give some simple and concise answers to some of the questions that your media friends, stockholders and investors are concerned about."

Everyone didn't expect that Philip would go straight to the topic after making a polite sentence, and they couldn't help but sit up straight, listening with respect.

Philip cleared his throat and said in a loud voice: "The first problem is my personal health. I did have some problems with my body before, but now my body has fully recovered!"

As soon as this was said, everyone on the scene couldn't help but gasp.

Everyone knows that Philip has pancreatic cancer, and it is at terminal stage.

This disease is known as the cancer with the highest mortality rate, and it is impossible to cure it.

Now, Philip said that he has fully recovered, which has completely subverted everyone's understanding of the disease.

Chapter 1564

However, looking after Philip's radiant face does not seem to be terminally ill. Is there really any medical miracle that can't be achieved?

At this moment, Philip continued: "The second question, if you don't believe that my body has fully recovered, then after the press conference, I will go to Fairview for a full-body CT scan, and the result of the scans, I would like to announce it to all media and the general public."

With Philip's words, everyone is not suspicious of his condition.

Because a whole body CT scan can find any kind of tumor, even very early stage carcinoma in situ, it can be found well.

If Philip did not recover, he would definitely not dare to accept such an examination.

Everyone couldn't help but marvel. They didn't expect that even pancreatic cancer, a super terminal illness, could be born with such a miracle, which reminds people of the genius Jobs who died young a few years ago.

It's the same disease, why didn't Jobs have such luck?

If Jobs was still alive, maybe he could bring more innovation and change to mankind.

Then, Philip said: "The third question, I think everyone is very concerned about the arrangement of the chairman of the Gu Group. I now officially announce that between me, and the other two shareholders of the Gu Group, Yanzheng and Yangang, A few minutes ago, a voting rights transfer agreement was signed. Shareholders Yanzheng

and Yangang have permanently transferred all the voting rights corresponding to their personal shares to me!”

When everyone heard this, they were even more stunned!

They had already inquired about the discord between the Gu family brothers from everywhere.

They know that Yanzheng and Yangang have been forming an alliance to deal with their elder brother, and they are also uniting with other shareholders to deal with their elder brother.

Everyone was still waiting to see a big family fight, but they didn’t expect the three brothers to reach such a brotherly agreement.

Yanzheng and Yangang permanently transfer their voting rights to their eldest brother Philip. Doesn’t this mean that they will always obey Philip?

What about the brothers competing?

What about the good legacy war?

The reporters present all felt extremely depressed.

It’s like everyone has bought melon seeds and drinks, sitting in front of the TV and preparing to watch a Gongdou Opera.

As a result, after turning on the TV, they found that all the empresses, concubines, and nobles in the harem were all clustered around the queen. Everyone had one mind with the queen. Everything was seen by the queen, and the whole harem was in harmony.

How can there be any fights?

What’s the life and death?

How can there be any murder?

As the party concerned, it is naturally the most cost-effective solution to make concerted efforts and turn fighting into jade.

But as an audience, this kind of scene is boring to the extreme.

It can even be said to be very disappointing.

Philip glanced over the eyes and expressions of all reporters. He smiled lightly and said into the microphone: "From today onwards, the three Gu family brothers of the Gu family will work together to bring the Gu family into a new glory. As the so-called brothers work together, and their profit cuts gold, we also believe that with our joint efforts, the Gu Group will surely return all stockholders and investors with better performance and higher market value."

After he finished speaking, he joked and talks a little bit: "However, please allow me to say sorry to everyone here. You're disappointed for not letting you see a big family fight!"

As soon as these words came out, the reporters on the scene blushed, but at this moment the share prices of all listed companies under the Gu Group began to soar like a dragon!

Chapter 1565

Almost immediately after Philip's domineering remarks, the stock price, which was steadily rising shortly after opening the limit, suddenly seemed to be sitting on a rocket, and directly rushed to the limit with a sound.

A large number of institutions and a large number of retail investors are watching the press conference. Seeing this, they immediately have full confidence in the Gu Group and are optimistic about it, even far higher than before Philip was sick!

Therefore, everyone started desperately buying all the stocks of Gu's Group-related listed companies that were available on the market, and immediately pulled the price to the daily limit.

In the blink of an eye, the stock price reversed and detonated the entire financial circle.

The reason why everyone is so optimistic about the Gu Group is not only because Philip looks extremely healthy, but also because Philip's voting rights in the Gu Group have reached 51%!

Before that, the three Gu brothers jointly held 51% of the shares and voting rights. Although Philip alone owns half of it, he wants to implement a decision on the board of directors. He must also get votes of the other two brothers, or let others. Some minority shareholders who together exceed the shareholding ratio of Yanzheng and Philip voted in favor.

Now, no more.

He has fully achieved the goal of one person speaking and one person being Master. From now on, his control of the Gu Group will rise to an unprecedented new height.

This has strengthened the confidence of the market and investors in Philip.

If you have confidence in him, you naturally have confidence in the Gu Group.

Once you have confidence in the company, you will have confidence in holding the company's stock.

As a result, the stock price skyrocketed!

Philip did not talk to reporters too much at the scene. After explaining a few questions he wanted to say, he said: "In the future, the Gu Group will redouble its efforts to repay investors and shareholders for the Gu Group. Trust, and please trust us, we will definitely give you a satisfactory answer!"

After that, Philip said again: "Today's press conference ends here, thank you for coming."

A reporter hurriedly stood up and asked loudly, "Chairman Gu, can you accept a simple interview?"

Philip waved his hand: "There is no need for the interview. I just want to say so much. I have said too much, but it will affect everyone's reception of this important information."

After he finished speaking, Charlie, who was under his stand, winked quietly and walked out of the venue.

The reporter also wanted to catch up for an interview, but the security personnel at the scene immediately stopped all the reporters and said politely: "Excuse me, the chairman does not accept additional interviews."

Charlie stood up, Philip's secretary had already arrived, and said respectfully: "Mr. Wade, the chairman said that the media has paid more attention. Let me take you through other exits."

Charlie nodded, followed the secretary for a few steps, and came to Philip's office.

Philip was in red at this time. Seeing Charlie coming in, he immediately stepped forward, patted his arm, and said excitedly: "Charlie, you make me feel a new life!"

Charlie smiled: "Uncle, didn't I give you the medicine yesterday?"

Philip shook his head: "It's not the same. I'm talking about a new life. It's in career. Starting today, the Gu Group can finally save a lot of internal friction and move forward!"

Speaking of this, Philip sighed: "You don't know how it feels if you concentrate on doing things and the person next to you does everything possible to hold you back..."

"It's as if you want to lead everyone forward, and the people around you not only don't follow you, but also pull your sleeves, hug your thighs, and even block you in front and dig holes for you!"

"It's fine now, now I say to run, they must all run, not to run, they must run for me with a whip!"

Charlie nodded and said with a smile: "Then I will congratulate Uncle in advance, and hope you to take the Gu family to the next level!"

Philip looked at Charlie and said seriously: "Charlie, I hope that one day, you will lead the Wade family to the next level with the Gu family. At that time, you will be the most powerful person in the business world!"
