

The Charismatic Charlie Wade Chapter 1576 – 1580

Chapter 1576

When the Old Master brought Lai Qinghua back from abroad, he arranged for him to live in the Wade family mansion, and he was even more meticulously served on weekdays.

However, after Waderest Mountain was built, Lai Qinghua had to move out of the Wade family and live here.

The Patriarch is too embarrassed to let the old master live in the tomb of Waderest. Even if Waderest Mountain is very well built, there is an area dedicated to office and living for the staff, but the Old Master still feels that Lai Qinghua's cannot condescend to live here.

However, Lai Qinghua insisted on moving over even though he tried to stay.

Because he has been waiting for his chance, waiting for the life gate in his hexagram to open, waiting for Charlie to appear, and give him the Rejuvenation Pill that can extend his life for ten years.

Now, the fruit of staying for four years has arrived, and it is time to go.

Therefore, he said to the person in charge: "Thank you, tell Patriarch that what Lai promised him, and he has done it. Moreover, Lai has been away for too long and is homesick, so he will not say goodbye to him. bye!"

After all, he arched his hands at everyone, and when he looked at Charlie, he paused for a moment, his eyes full of gratitude.

Afterwards, he turned and raised his head and laughed loudly, and exclaimed in a puff of air: "Laugh to the sky and go out, I am a Penghao native!"

After saying this, he stepped out.

Philip couldn't help sighing: "The centenarians still have this kind of courage, it's really extraordinary!"

Charlie smiled on the side, and while the Wade family security personnel were chasing Lai Qinghua away, he said to Philip: "Uncle, let's go back too."

"Okay!" Philip nodded and said: "Go back, come back next time!"

Charlie will continue to play the role of the driver, so he opened the door for Philip, and after Philip in the car, he got into the Rolls-Royce cab again.

Started the car.

As soon as Charlie drove the car out of the parking lot, Philip in the back row asked him, "Charlie, what did the old teacher talk to you just now? I think he seems to respect you very much."

Charlie smiled faintly and said, "The Old Master recognized me and knew that I was the Wade family blood, so he gave me some advice."

Philip asked in surprise: "How can he recognize you?! He knows you?"

Charlie shook his head: "don't know him, but he is a descendant of the Lai family after all. He is still very accomplished in Feng Shui and Xiangshu. Maybe I will come if I get it right."

Philip couldn't help sighing: "No wonder the Wade family refused to let you go up the mountain, but he said that you are not an outsider. That was what he meant!"

After speaking, Philip asked again: "This Feng Shui technique is so magical? Who knows when it will come?"

Charlie smiled and said: “Maybe, although the things of the ancestors are ancient, but I have to admit, they are also very intelligent, and even include great wisdom that we don’t understand. Just like the Mayans, in such an ancient period, they almost created the complete calendar which was calculated right, and it looks incredible to us modern people.”

Philip nodded seriously, then remembered something, and asked Charlie: “Charlie, what are your plans next?”

Charlie said: “Tomorrow, a friend’s grandmother will have her birthday. I will send some gifts. After attending the birthday banquet, I will return to Aurous Hill.”

Philip hurriedly said, “What are you doing in such a hurry? It’s not too late to live for a few more days before leaving!”

Chapter 1577

At Philip’s words, Charlie smiled slightly and said, “Uncle, Aurous Hill still has a lot to do, so I can’t stay back.”

Philip heard this, nodded lightly, and sighed softly: “You will often come to Eastcliff to see your uncle in the future. Lenan and I are looking forward to your return to Eastcliff for development!”

Charlie just responded, and didn’t say more.

Philip also tacitly did not ask this question again. Instead, he asked: “Charlie, you said you are going to attend the birthday banquet of your friend’s grandma tomorrow. Do you have the gift ready?”

Charlie said: “Not yet, I plan to go to the market to have a look later.”

Although Charlie has a rejuvenation pill that is of great significance to the elderly, he and Elsa’s grandma have never even seen each other. Naturally, it was impossible to prepare such an expensive gift for birthday celebration, so he still planned to buy more than 100,000 gift from market. The gifts on the left and right, expressing heart, are almost the same.

When Philip heard this, he smiled and said: "I have a fan in my house. The fan face is a picture of good fortune and longevity painted by Mr. Qi Baishi. The fan bone is a fine-leaf red sandalwood, coupled with a master-level engraver. You might as well take it to give the other party as a birthday gift."

Charlie said hurriedly: "Uncle, how can this be? How can I take your things to give away, I should buy one myself."

Philip insisted: "What is there to be polite between you and your uncle? A fan is nothing but a fan, which is not worth much. But because the subject is a picture of a happy birthday, it is still very good to use it as a birthday gift for the elderly."

As he said, Philip hurriedly exhorted, "This is the case, don't turn away from your uncle, let alone see outsiders! Otherwise, uncle will be angry."

Seeing his resolute attitude, Charlie nodded and said, "Then thank you Uncle!"

.....

The next morning.

Charlie declined Philip's kindness to send him a car, and walked out of Gu's house alone holding the long gift box he gave.

His wife Claire sent him an address, and that address was Dong's villa.

Dong's villa is not far from Gu's.

A total of more than 20 minutes by car.

In Eastcliff, the Dong family can only be regarded as a second-rate family.

Moreover, in the second-rate, it is still the one at the end of the crane.

In the past few years, the family's career has declined severely. If it hadn't been for Elsa's aunt to marry the Kevin family, the Kevin family had given the Dong family a hand. The Dong family's fear would have fallen to the level of a third-rate family.

But this is Eastcliff after all, even if it is a family at the end of the second-tier, placed in other second-tier cities, it can definitely become the top.

Because of this, although the family has fallen a little, the family's mansion is very luxurious. A grand luxury villa costs at least 300 million.

Charlie's taxi could only stop at the door of the villa area, and the security management was very strict, so he could only call Elsa after getting off the bus at the door and let her come out to pick it up.

When Elsa heard that Charlie was here, she ran out almost happily.

Today's Elsa dressed very beautifully, and because it was her grandmother's birthday, she also deliberately put on some light makeup, which looked very dignified and generous.

Upon seeing Charlie, Elsa said happily: "Charlie, you are here!"

As she said, she ran up and hugged him by the arm, pulling him to walk in, and said with excitement, "Come, I will introduce my parents to you."

Charlie hurriedly pulled out his arm and said awkwardly: "Elsa, we can't do this, it's not appropriate..."

Elsa deliberately curled her lips and said, "What's wrong? It's not good to be close to friends?"

Chapter 1578

Charlie touched his nose: "Um...I am your girlfriend's husband after all!"

Elsa said slightly perfunctorily: "I know, the fake husband, you have been married for four years, and don't know when you can play the game of the house."

Just as she was talking, a limited edition Bentley car drove up to the front and stopped beside them. The rear seat window was lowered. In the car, a middle-aged woman dressed in luxurious clothes looked at Elsa and asked, "Elsa, you Why did you come out?"

When Elsa saw the woman, she hurriedly smiled and said, “Oh, aunt! Where is second uncle?”

The middle-aged woman in the car said: “He is still busy, he will come over before the luncheon birthday banquet.”

Elsa asked again: “What about my brother?”

The middle-aged woman said helplessly: “I didn’t see him last night. I was mad at him. You said that this kid doesn’t have a long memory at all. When his body recovers, he doesn’t come home again. If you look back, you must help!”

Elsa smiled bitterly: “aunt, I don’t dare to talk about my brother’s temper. As soon as I talk to him, he will bark at me...”

The middle-aged woman sighed and said: “This child is becoming more and more disobedient...”

With that, she looked at Charlie next to Elsa and asked with a smile: “Oh, isn’t this young man your boyfriend?”

Elsa glanced at Charlie and smiled shyly: “Not yet.”

“Isn’t it?” The middle-aged woman said the word “not yet” heavily, and said with a smile: “Then when can it change from ‘not yet’ to ‘yes’?”

Elsa said embarrassedly: “Oh, aunt, you are too gossipy, come in quickly, grandma was talking about you!”

The middle-aged woman smiled and said, “Do you want me to take you two for a while?”

Elsa hurriedly waved her hand: “No need, we just walk in, it’s not far.”

The middle-aged woman nodded: “Okay, I won’t quarrel with you, I will go in first.”

After that, the Bentley car slowly drove into the gate of the villa area.

Charlie was a little helpless at this time, and hurriedly said to Elsa: “You must never introduce me to others like this. What if they misunderstood? What if you know it at first? Then someone asks me Who am I, you say I am your girlfriend’s husband.”

Elsa pouted: “It’s just a joke, why bother to be so serious.”

Charlie said seriously: “This matter must be true. This is a matter of principle.”

Elsa had no choice but to nod her head: “Well, a matter of principle, it won’t work if I don’t say it!”

As she said, she hurriedly changed the subject: “Let’s go in quickly, it’s too early!”

Charlie wanted to give her a gift, and then leave. But when he thought, his wife had confessed that she wanted to give Elsa’s grandma a birthday surprise. At least he had to meet Elsa’s grandma. It would be considered as taking the words on behalf of his wife. mission accomplished.

So, he kept silent and followed Elsa into the villa area.

When walking in from the villa area, a red Ferrari suddenly whizzed past from behind. Elsa saw the car and hurriedly waved and shouted, “Cousin, cousin!”

It’s just that the supercar engine sound was already loud, and the speed was so fast, it passed with a swish, so the driver did not hear her at all.

Charlie asked Elsa: “Your cousin is driving?”

“Yes.” Elsa nodded and said, “My cousin is very strange. He had an operation some time ago. It just happened not long before that, he is awkward again.”

Chapter 1579

Charlie didn’t know who Elsa’s cousin was.

He just thinks that Eastcliff has a lot of rich people, and there are also a lot of rich young masters. There are eight or nine of these young masters. They are all relatively awkward dudes, so it's not surprising.

When he and Elsa came to the door of Dong's villa, there were already all kinds of luxury cars parked here.

Outside the door, two middle-aged people were warmly welcoming guests. Elsa came to the front and hurriedly introduced them: "Dad, uncle, let me introduce to you, this is my friend in Aurous Hill, Charlie Wade."

The two middle-aged men looked up and down Charlie. Among them, Elsa's uncle spoke: "In Aurous Hill heard of a family with the Wade name?"

Elsa hurriedly explained: "Charlie is not a member of the Wade family, he is my university classmate."

Back then, Charlie was arranged by Mr. Willson to go to Aurous Hill University for a year. At that time, he was not only classmates with Claire, but also with Elsa.

At this time, Elsa didn't say that this was Claire's husband. In fact, she wanted to leave a way for herself. In case she and Charlie had a chance to develop, after taking him home, her family would see it was too embarrassing to think that this was Claire's husband.

It was heard that it was Elsa's college classmate. Her uncle looked a little contemptuous and said, "Since he is a college classmate, let him enter and sit down."

Elsa's father whispered at this time: "Elsa, I just heard your cousin say that Young Mr. Gu will also come later, you should take the opportunity to get to know Young Mr. Gu."

Elsa couldn't help but frowned and said, "What do I know well about him? The two dudes of the Gu family don't have a good thing, and their reputation has long been stinky!"

"What do you know?" Elsa's father sternly shouted: "The Gu family is the third-ranked family in Eastcliff. The family strength is very strong, and you should not forget that Gu

family males are not prosperous. There are only two boys in total, so this The gold content is even greater!”

A family with many boys, no matter how strong it is, it will fall apart in the future.

Some families say they have hundreds of billions of funds, but the offspring have too many branches and leaves, and the division of assets is also very serious. It is possible that the entire family cannot find a person with assets of more than 10 billion. Therefore, in such a family, Naturally, the gold content of men can't go up.

There are two males in the Gu family, Weiliang and Weiguang. Even if the two of them, each has only about 12.5% of the group's shares, each of them is worth more than 100 billion.

Elsa's father, Hagel, has always wanted Elsa to find a top rich second generation to marry, in order to restore the decline of the Dong family.

Before, he and the father of the Dong family heard that the Wade family bought Emgrand group in Aurous Hill and gave it to a Wade family heir. He thought that which descendant the Wade family sent to Aurous Hill for training, so Hundred years immediately arranged for Elsa to go to work in the Emgrand Group.

However, Elsa had been to Aurous Hill for so long and had not even seen the chairman of the Emgrand Group, so her father gradually lost confidence.

He even thought about not letting his daughter go back to Aurous Hill this time. It took half a year and there was no gain. It's better to come back quickly and find a reliable big family boy in Eastcliff.

It just so happened that my nephew just came in and said happily that he would save his face today, or maybe he finally invited the young master of the Gu family over, so he felt that this was a good opportunity for his daughter.

However, Elsa didn't have any Gu family eldest master in her heart.

Even the mysterious Wade Family Master she doesn't care anymore. As early as after Charlie rescued her, all she thought was Charlie, and no other man could enter her eyes.

Chapter 1580

So, she said coldly: "Dad, I have no interest in Mr. Gu, so don't let me know him!"

After speaking, she looked at Charlie and said, "Charlie, let's go in!"

"You child!" Hagel said angrily: "Why are you so ignorant of good and evil? If you can be with Young Mr. Gu, how can you use Aurous Hill?"

Subconsciously, Elsa glanced at Charlie again, and then stubbornly said to her father: "I just like Aurous Hill! I must look for husband in Aurous Hill!"

Hagel reprimanded: "What are you talking about? How can there be any decent family in Aurous Hill? How can daughter of Hagel marry a man from such a small place!"

Elsa was very disappointed and said, "Dad, why are you so snobbish now?"

"I am snobbish?" Hagel said, "I am not all for your own good?"

On the side, Elsa's uncle spoke: "Leave it, Hagel, there is no rush for this matter. Let Elsa accompany her classmates in first."

When Hagel saw his eldest brother come out, he said to Elsa: "It's all right, let's go in first, and let your mother talk to you!"

Elsa said angrily: "It's useless to talk about it!"

After that, she immediately stepped forward to hold Charlie, and blurted out: "Leave Charlie, let's go in!"

Charlie had no choice but to mix with other people's housework, so he quickly followed into the villa.

Hagel stomped his feet with anger, and the eldest brother beside him said: "Hagel, your vision seems to be getting worse!"

"Huh?" Hagel asked in surprise, "Big brother, what do you mean by this?"

Hagel's eldest brother smiled and said, "Did you not see that Elsa has been staring at the man next to her? Especially when you let her know Mr. Gu, she immediately looked at the man after hearing this. There must be a problem here!"

"What's the problem?" Hagel blurted out: "Big brother, don't you mean to say, Elsa might like that kid, right?"

"I think it's almost the same." Hagel's eldest brother said seriously: "Did you not listen to Elsa? They are college classmates, but they met a long time ago, and this kid is in Aurous Hill again, Elsa has been there for more than half a year. Staying in the city, maybe the two of you will be better when they are in Aurous Hill!"

Hagel's expression changed: "d*mn, Aurous Hill's little wanderers dare to be tempted by my daughter. It's really unreasonable!"

After that, he immediately said: "Brother, you are staring here, I'll ask Elsa what is going on!"

Hagel's eldest brother hurriedly grabbed him: "What are you in a hurry? Now ask Elsa, in case of a quarrel, wouldn't it disturb my mother's birthday party? If you want to say, you'd better bear it and wait. After the birthday banquet, ask Elsa privately what is going on."

Hagel hesitated for a moment, thinking of his mother's birthday banquet and many guests, it is indeed not suitable to question his daughter at this time, so he nodded, and said depressedly: "That kid toad wants to eat swan meat, I will make him look good."
