

The Charismatic Charlie Wade Chapter 1666 – 1670

Chapter 1666

Among them, Ito Yuhiko was the most unacceptable. He angrily protested: “Charlie, you don’t talk about it here! I just signed a contract with Masayoshi, and used 4.5 billion USD in cash to buy 30% of Kobayashi Pharmaceutical’s shares. ! I alone have 30%, so how can you get 90%? Isn’t this a daydream?”

Charlie sneered and asked him: “Mr. Ito, right? I ask you, what position is Masayoshi in this company? What right does he have to sign such an agreement with you?”

Ito Yuhiko said coldly: “He is the acting president of Kobayashi Pharmaceutical! Since he is the acting president, he naturally has the right to sign a financing agreement!”

Charlie said contemptuously: “Should be nonsense here, who did his generation of president seal it? Did he seal it himself? There is something for him? The entire shares of Kobayashi Pharmaceutical are owned by Masao Kobayashi. Masao Kobayashi is dead. Ichiro and Jiro’s father. Jiro’s whereabouts are unknown now, so it’s all Ichiro’s. Why would Masayoshi make a decision for Ichiro and sell you 30% of the shares?”

Takehiko Ito angrily picked up the contract signed just now, and angrily scolded: “You can read it clearly. This contract is clearly written in black and white. I, the Ito family, own 30% of Kobayashi Pharmaceutical! And I have already paid for it!”

“Oh, I’m sorry.” Charlie said blankly: “The person who signed this contract with you is not qualified to sign this contract at all, so this contract is invalid. You move yourself think about it, if I sign an agreement for you and sell you the entire Japanese island, will the entire Japanese island be yours?”

After speaking, Charlie took a copy of the equity transfer from Paul and threw it in front of Ito Yuhiko, saying: “Come, see what is written on this, Ichiro has voluntarily incorporated 90% of the shares into JX Pharmaceutical Company, in black and white!”

“And you have to figure out one thing, Ichiro is the legal heir of Kobayashi Pharmaceutical, so this agreement in my hand is truly and legally valid!”

“As for your share, I’m sorry, but it’s just a pile of waste paper! Even if you ask your lawyers and judges, I believe they will not admit that your pile of waste paper has any practical meaning!”

“You...you are a hooligan!”

Ito Yuhiko also collapsed.

He has been strong for a lifetime, and has never shown weakness in front of the Yamaguchi group, but he did not expect that he would meet a shameless person like Charlie here today!

However, he also knows that his two personal bodyguards are now useless, and he is not Charlie’s opponent at all. He can’t face him head-on, so he can only temporarily avoid his edge, then find a chance to take revenge, and think of other ways to get it. To the shares of Kobayashi Pharmaceutical.

So, he protested indignantly: “Well, since you said Ichiro is the legal heir, then we step back and say, anyway, I have paid 4.5 billion USD. If you say that the contract is invalid, then you Just return the 4.5 billion USD to me immediately!”

Charlie asked in surprise: “Mr. Ito, what did you say? I didn’t hear clearly just now.”

Ito Yuihiko said angrily: “I said you must immediately return to me the 4.5 billion USD in Kobayashi Pharmaceutical’s account!”

“Refund?” Charlie snorted and said contemptuously: “I’m sorry, Mr. Ito, you may not know something about me, I have always had an iron rule when walking around the rivers and lakes. don’t know if you hear me, or heard about it.”

Yuhiko Ito gritted his teeth and asked, “What is the iron rule?!”

Charlie smiled and said: “The iron rule is, never refund!”

Chapter 1667

“Never refund?!”

When Yuhiko Ito heard this, his shiny big back was almost exploded.

He covered his chest and pointed at Charlie and scolded: “You Wade, you keep saying that you have to follow the law, is that how you follow? I reached the account of Kobayashi Pharmaceutical for \$4.5 billion, you either give me shares , If you don’t give me shares, refund me. Do you still want to rely on my money and not give it to me?”

Charlie nodded, and said blankly, “Yes! I just want to rely on your money. When the money goes into my pocket, it’s up to me. If you ask me to take it out and give it back to you, I have to pay. Come out and pay you back? I don’t want face?”

“you.....”

Ito Yuhiko felt a sharp pain in his heart.

He really has never seen such a brazen person in his life.

So, he gritted his teeth and scolded: “I still don’t believe it, do you think you can swallow a huge sum of 4.5 billion?”

Charlie nodded and smiled: “Didn’t I already swallow this? And you took the initiative to feed me.”

Ito Yuhiko almost vomited blood.

Charlie said to Issac at this time: “Old man, invite Mr. Ito out.”

Issac nodded, and immediately brought a few of his men to Takehiko Ito’s, and said lightly: “Mr. Ito, you should act yourself, don’t force me to move, otherwise you will lie down for a while. Can’t get up for five months.”

“You...you dare to threaten me?!”

Issac smiled and said, “Hmm okay. I just threatened you. Master has always had a bad temper. If you don’t get out, he might beat you.”

Yuhiko Ito gritted his teeth tightly, his heart was angry, but he didn't dare to resist here, he could only hold back his anger, and said coldly: "Okay! Very good! Charlie, I want to see who has this ability. , Can take my 4.5 billion USD! I will never finish this with you!"

After all, Ito Yuhiko left the meeting room with a black face after holding his hands.

Charlie looked at his back and smiled faintly.

He had heard that Ito Yuhiko has always wanted to invest in Kobayashi Pharmaceutical, so he wanted to marry his daughter Nanako to Jiro.

Thinking of this, Charlie felt a little unhappy in his heart.

Nanako is so beautiful and tender as water, she is definitely a standard Yamato Nadeshiko. Marry her to Jiro? Ito Yuhiko was afraid that he was blind.

In his opinion, Ito Yuhiko and his mother-in-law, Elaine, are not much different. They are people who would rather sacrifice their daughter's happiness and seek benefits for themselves.

Therefore, he naturally didn't have a good impression of Ito Yuhiko. This 4.5 billion USD thing, it is not bad to give him a bitter taste.

Koichi Tanaka came to Charlie at this time and said respectfully: "Mr. Charlie, I'm really sorry about this incident. I didn't expect that you are now a major shareholder of Kobayashi Pharmaceutical. If there is anything improper today, please forgive us."

As a person who has seen Charlie's strength, Tanaka has full awe of Charlie.

Abandoned Yamamoto Kazuki with a palm, and with his hands, Ito Yuhiko's bodyguards lost their combat effectiveness. Such a person was incredibly powerful in Tanaka's eyes.

Therefore, even if it is now in Japan and even if the Ito family has full influence in Japan, Koichi Tanaka still feels that the Ito family had better not provoke Charlie, otherwise, no one knows what will happen to the entire Ito family...

Chapter 1668

Seeing that Tanaka Koichi was quite on the road, Charlie's expression was slightly relieved, and he said: "Tanaka, leave me a contact information, I may have something to find you in the future for."

Koichi Tanaka immediately took out a business card and handed it to Charlie respectfully: "Mr. Charlie, this is the business card. Please accept it."

Charlie nodded, took the business card from him, and put it in his pocket.

Tanaka bowed slightly to Charlie and said, "Mr. Charlie, then I will leave first."

After that, he left the meeting room.

Ito Yuhiko's two personal bodyguards can only flee hurriedly, clutching the broken arm like the broken arm heroes.

There was dead silence in the meeting room.

Everyone looked at Charlie and Ichiro with anxiety, and didn't know what fate was waiting for them next.

Ichiro cleared his throat at this time and said, "I tell you, as the legal heir of Kobayashi Pharmaceutical, I have 100% decision-making power over Kobayashi Pharmaceutical, and the equity transfer agreement I signed also has 100% legal effect. , So now Kobayashi Pharmaceutical is already a subsidiary of JX Pharmaceutical, if you still want to make money here to support your family!"

At this time, some people questioned: "Before the old president gave us 30% of the shares of the family executives, now you give 90% of the shares to others, how to protect our interests?!"

Ichiro said coldly: "In the future, you can get 3% of the income from my 10% shares. I can assure you of this!"

"Thirty percent, becomes three percent?!"

Someone questioned indignantly: "How can we support our family after shrinking so much?!"

“Yes! Isn’t this killing us?!”

“Yes! We will starve to death sooner or later if this continues!”

Ichiro did not expect that after playing Masayoshi, there were so many people against him.

At the bottom of his heart, he could not help but secretly said: “This matter is really tricky. I sacrificed 90% to Charlie. I was forced to use this 90% of the shares in exchange for freedom. Otherwise, don’t know that I will be placed under house arrest in that kennel. When will it happen, but these people will certainly not be willing to sacrifice 90% of their own interests...”

Charlie said in a cold voice at this time: “If you can’t accept Kobayashi’s proposal, then go to the human resources department to go through the resignation procedures immediately.”

“Let us resign?” Someone sneered: “The entire R&D, production, promotion, and sales of Kobayashi Pharmaceuticals are all done by us. If we leave, Kobayashi Pharmaceuticals will immediately be paralyzed! All of the many production bases in the country will all be in chaos, then you will just wait for bankruptcy!”

Charlie smiled and asked him, “This friend, what are you responsible for at Kobayashi Pharmaceutical?”

The man said proudly: “I am in charge of R&D! I am the head of the R&D department! Kobayashi’s Weisan was developed by me and Mr. Jiro! Without me, the entire R&D of Kobayashi Pharmaceutical will be suspended!”

Someone echoed: “Yes! If Makawa Kobayashi leaves Kobayashi Pharmaceutical, then the entire Kobayashi Pharmaceutical will completely lose its ability to innovate!”

Charlie nodded and smiled and said, “Oh, that’s great. I was thinking on the way here. After merging Kobayashi Pharmaceutical, I must make drastic reforms to Kobayashi Pharmaceutical. The first department to be cut down is the R&D department! Because the R&D department of Kobayashi Pharmaceuticals is worthless in my eyes, it is rubbish!”

Makawa Kobayashi angrily shouted: “I am a postdoctoral fellow majoring in biopharmaceuticals at the University of Tokyo and one of the top pharmaceutical experts in Japan. The department I lead is the strongest among Japanese pharmaceutical companies. You dare to say that I am rubbish?!”

Charlie said disdainfully: “As for the Kobayashi Weisan you developed, at least 80% of the prescriptions are stolen from ancient Chinese prescriptions, and the remaining 20% is a little improvement of your own. Obviously, it is plagiarism, and it is said that it is self-developed, and calling you garbage is an insult to the word garbage!”

Chapter 1669

Objectively speaking, as a developed country, Japan has indeed made high achievements and achievements in many fields.

However, in terms of their medicine, in addition to Western medicine, almost all of the remaining line is copied from traditional medicine from elsewhere.

Among them, Kobayashi Pharmaceutical, Ota Pharmaceutical, and Dapeng Pharmaceutical are models. They search for prescriptions from traditional medicine classics.

For example, Dapeng Pharmaceutical once launched a so-called traditional medicine slimming granule, and the name they gave to this granule is actually the ancient Chinese genius doctor, Bianque.

This shows that these pharmaceutical companies have no real accomplishments in Kampo medicines, and they almost rely on plagiarism.

This is also the fundamental reason why Charlie dismissed their R&D department.

He has so many magical prescriptions on the Nine Profound Heavenly Secrets, how can he use the R&D department of Kobayashi Pharmaceutical?

After Makawa was ridiculed by Charlie, his cheeks were hot.

Makawa Kobayashi knew exactly what happened to Kobayashi Pharmaceutical.

Indeed, as Charlie said, all the prescriptions of Kobayashi Pharmaceutical are basically derived from ancient Chinese medical books.

So he felt blushing at this moment, but he didn't know how to refute Charlie's words.

Charlie looked at Makawa, and said coldly: "R&D personnel like you who can only plagiarize are of no value to me, so I announce that from now on, the R&D department of Kobayashi Pharmaceuticals will be dissolved on the spot. Expelled, not leaving one!"

"what?!"

The people at Kobayashi Pharmaceutical were almost speechless in shock.

Is this Charlie not too ruthless?

We must know that there are more than 100 people in the R&D department of Kobayashi Pharmaceutical. Behind these more than 100 people, there are more than 100 families.

Japan's social environment is that only one person in the family goes out to work, and most of the husbands go out to work, and the wife raises the family and the children at home.

This situation has led to extremely high requirements for job stability in the families.

Generally speaking, most Japanese can work for a job for decades until retirement.

So for the Japanese, the most feared thing is unemployment.

Makawa Kobayashi was also shocked.

Although his previous income has not been low, his pressure is not small at all.

Tokyo's housing prices are originally the highest in Asia. In the past few years, when Kobayashi Pharmaceuticals was booming, he bought a large apartment in the urban area and repaid bank loans every month, which was more than 200,000.

In addition, he has two sons and a newly born daughter.

Plus his wife, a family of five, all depend on his income alone.

Originally, his income from Kobayashi Pharmaceutical was very high, almost 700,000 a month, so his previous life was very comfortable, his wife and children also lived in the upper-class life, daily consumption is also very luxurious.

However, if he suddenly loses his job now, his family will immediately fall into a huge financial deficit, with a gap of at least RMB 500,000 per month. If they cannot find a job with more than RMB 500,000, the family will soon be overwhelmed.

Chapter 1670

The nervous little Makawa hurriedly cried and pleaded: “Mr. Charlie, I am a high-end talent in the field of biological preparations. If you fire me, it must be a huge loss for you. I beg you, Please keep me here. I will definitely work hard for you!”

Charlie said blankly, “I know you are begging me now? I’m sorry it’s too late. You must go through the resignation procedures within today. Otherwise, the company will directly end the labor relationship with you.”

After that, Charlie looked at Issac: “Kick him out for me.”

Issac nodded, and immediately stepped forward, grabbing Kobayashi Makawa by the collar like a chicken, and dragging him out.

At this moment, the others in the conference room finally realized the urgency of the situation.

Charlie has already obtained the equity transfer of Ichiro, and he is now the new boss of the company, so he holds the power of life and death for everyone present at the scene.

If you anger him, you will really be kicked out of Kobayashi Pharmaceutical!

As a result, everyone immediately stood on the spot like a quail, afraid to move, let alone speak.

Charlie said at this time: “To tell you the truth, I only need to keep the production links for the entire Kobayashi Pharmaceuticals, and all other links such as research and development, promotion, and sales can be eliminated!”

When this was outstanding, everyone was even scared to almost death.

Charlie continued: “The medicinal effect of JX Weisan relies on word-of-mouth communication. The real word-of-mouth medicinal effect is more effective than any kind of advertisement, so there is no need to leave a special promotion department;”

“The same is true for the sales department. JX Weisan is now in short supply, and dealers take the initiative to come to ask for goods, so there is no need for a special sales department to be responsible for sales in various regions.”

“Therefore, Kobayashi Pharmaceutical’s promotion and sales departments are all dissolved on the spot, and all employees and leaders are not left!”

The scene was in an uproar!

There are only a few major departments in total. As a result, all the other departments except the production department have to be killed now. Thousands of people will be unemployed!

Three-quarters of these Kobayashi Pharmaceutical executives at the scene will also lose their jobs!

Moreover, the current global economic situation is not so good. The middle-aged crisis is very serious. There are many middle-aged people across the world who have suffered layoffs and eventually jumped to commit suicide. This shows how stressful middle-aged people are now.

Most of the senior executives of Kobayashi Pharmaceutical at the scene were between 35 and 55 years old. They belonged to a typical middle-aged group and suddenly lost their jobs. To them, it was like the sky had fallen!

The whole scene suddenly cried.

Most Japanese, like Americans, have typical hedonism in their consumption philosophy. They don't like to save money but spend it as soon as they earn it. They are very keen on buying luxury houses, luxury cars, holiday villas and even yachts.

And their wives, not only do not usually make money, but also spend a lot of money, which intensifies the daily expenses of the family.

Studies have shown that Japanese women have a high demand for luxury per capita. For brand-name bags such as Chanel, lv or GUI, 90 Japanese women will have at least one, not to mention other luxuries.

Such a family, of course, is very smart when there is no accident, but once the family's income collapses, it will immediately be on the verge of bankruptcy.

Many wealthy middle class immediately became negative equity holders after the economic crisis. They not only went bankrupt, but even became homeless. The reason is that they spend a lot of money but do not save money at all, resulting in poor risk resistance. .

This is also the case with most of these Kobayashi Pharmaceutical executives.

So Charlie's announcement that they are unemployed is almost equivalent to announcing that their family finances are bankrupt.

Charlie has no sympathy for these wailing middle-aged people. Kobayashi will be his own company in the future and will never raise idle or worthless employees. Therefore, these people must be expelled, and expelled as soon as possible!
