

# The Charismatic Charlie Wade Chapter 1826 – 1830

## Chapter 1826

Hearing the Old Master pitying Changying again, Andrew was a bit dissatisfied and said: “Dad, Changying has been away for so many years, so please stop mentioning this kind of thing. Let’s not talk about it again. Act responsible, so even the entire Eastcliff family is inseparable, and it is not something we can control.”

Changyun also agreed: “Yes, Dad, isn’t this talk not about Zhifei and Zhiyu? Why did you talk about Changying?”

The Old Master sighed and waved his hand: “Don’t say it, don’t say it, let’s get it right! All in all, the Su family’s first step towards Japan is already emptying one foot. The next situation will face them very much. Unfortunately, this is a good opportunity for us to catch up and take advantage of it! What do you think?”

Everyone glanced at each other, and Andrew was also very agreeable and said: “Dad, you are right, I also think this is our great opportunity!”

“Our ocean shipping business started later than the Su family and was at an absolute disadvantage, but if we could take advantage of the failure of the Su family, reach cooperation with the Ito family, and take the Japanese market, it would be tantamount to getting stuck in the Su family. The neck is definitely a powerful blow to the Su family!”

Zhongquan nodded, but he pondered for a moment before he said: “At the moment, we are not suitable for direct competition with the Su family. This matter must be kept low-key and slowly. We must not let the Su family know in advance.”

Cynthia asked in a puzzled way: “Dad, the Su family can go to Japan to destroy people’s families in a high-profile manner. When we go to Japan to talk about cooperation, should we still hide it?”

Zhongquan smiled slightly: “The strength of the Su family is there. We are now talking about cooperation with the Ito family in the future with great fanfare. For the Su family, it just slapped them and made them hard on their faces.”

After speaking, Zhongquan said again: “However, we slapped the Su family. With the style of the Su family, they will inevitably conflict with us, and we will be in trouble.”

Andrew asked hurriedly, “Dad, what do you mean then?”

Zhongquan said very seriously: “If you want to deal with the Su Family, you must dissect your opponent from a deeper level, instead of superficially comparing the two sides’ paper data!”

Andrew quickly stood up, bowed and clasped his fists: “Dad, I am dull, please tell me!”

Zhongquan shook his head slightly, thinking of Changying again in his heart.

He sighed in his heart: “My eldest son, Andrew, is also a brilliant talent, but he is still far from the level of genius, so he can’t do it well. However, Changying was the top genius who never came out of the world. Changying was never ‘percent through a single point’, but rather ‘perceive without a point’ and learned without a teacher! What a pity, what a pity...”

Andrew also saw a trace of disappointment in his father’s eyes, and suddenly his face turned red.

Zhongquan expressed a few words in his heart, and quickly put away his thoughts, and said to everyone: “Although the Su family has many heirs, only Zynn can enter Chengfeng’s eyes. What’s more, Zynn’s sons and daughters are very competitive. The two most outstanding young people of this generation.”

“Especially that Zhiyu, who is deeply loved by Chengfeng and Zynn. The degree of preference for Zhiyu between these two fathers and sons has long surpassed other heirs, even the eldest grandson Zhifei.”

“So, once Chengfeng is dead, the power will definitely fall into the hands of the Zynn family!”

“In the future, among the Zynn family, the one with the greatest say in the future must be Zhiyu!”

Speaking of this, Zhongquan was already glaring, and said forcefully: “Zhiyu is a female stream and will eventually marry as a wife. Once she gets married, it will be the day when the Su family will divide into two. So, Whoever can conquer Zhiyu can conquer half of the Su family’s assets!”

## Chapter 1827

Andrew heard the old man’s words and said awkwardly: “Dad, you say that you wanted to marry the Su family and turn Zhiyu into the Wade family’s daughter-in-law, but there is no suitable person!”

Zhongquan said indifferently, “Didn’t I say it last time? The son of Changying is a good candidate.”

Andrew said: “But Leon also said at the time that the son of Changying is unwilling to come back to recognize the ancestor and return to the clan. Maybe this kid hates us in his heart!”

Zhongquan waved his hand: “Does he hate us? It doesn’t count if you say it, and it doesn’t count if I say it. He has to say it.”

Changyun hurriedly asked: “Dad, do you mean to find the son of Changying to come back and recognize the ancestor?”

Zhongquan nodded: “I do have this idea, but I haven’t figured out a useful method yet.”

Andrew felt a tremendous pressure and threat, and hurriedly said, “Dad, the son of Changying has been away from home for many years. He will completely be uncontrollable! Please think twice!”

Zhongquan waved his hand: “You don’t have to persuade me. When I asked Leon to buy the Emgrand Group as a gift to him, I had actually decided that sooner or later I would let him come back to recognize his ancestors. My family’s descendants are not many. It’s totally incomparable with the luxuriant branches of the Su family, and we can’t let such an adult male live out.”

Andrew held his breath in his heart, but still calmly asked, “Dad, what if the son of Changying is not willing to come back?”

Zhongquan said solemnly: “People change. If he doesn’t want to come back today, maybe he will be willing tomorrow. If he still doesn’t want to, one year, two years, three years, or even ten years, I will change my mind and then he gets loose!”

Andrew, Changyun, and the old Changtian who hadn’t spoken all the time scolded his mother in his heart.

The most feared thing about family property is dilution.

Whether it’s ten thousand yuan, one trillion yuan, one person, two people, or three people, the result will be a thousand miles away.

Originally, buying the Emgrand Group for Charlie cost the family 100 billion, and also gave Charlie 10 billion in cash, which made everyone very unhappy.

After all, after the father’s death, when the family property is divided, the 10 billion yuan, on average, to the three sons’ homes, each can get at least 30 billion yuan, and the result is that the 30 billion yuan is in vain.

Therefore, they are also very worried that Charlie will return to the family.

Zhongquan didn’t look at these sons or grandchildren but looked at his daughter, Cynthia.

He sighed, and said, “Cynthia, the New Year is almost coming soon.”

Cynthia hurriedly got up and asked, “Dad, don’t hesitate to tell me if you have any orders, I will definitely go all out.

Zhongquan nodded and said, “Let’s go to Aurous Hill tomorrow. See Charlie, have a good chat with him, and ask him if he wants to come back. If he has this heart, invite him to come back and spend time together with us this year.”

Cynthia hurriedly said, “Okay Dad, I will go to Aurous Hill tomorrow.”

As she said, she remembered something and asked, “Dad, Charlie is already married. If he wants to come back, should he bring his wife to see you?”

Zhongquan waved his hand and said in disgust, “How can a vulgar woman from a third-rate city and a third-rate family be worthy of entering Wade family mansion? See you at a glance and see if there are any opportunities for development.”

“Okay!” Cynthia nodded, and said, “I’ll go and test Charlie’s ideas first. Let me mention these things to him step by step!”

Zhongquan smiled with satisfaction, “I’ll leave this to you!”

## Chapter 1828

Andrew was extremely depressed, but he didn’t dare to object, so he could only pull the topic back, and said, “Dad, didn’t we talk about going to Japan? You just said that you should not have a head-on conflict with the Su family, so what do we do?”

Zhongquan said: “We can’t go with a big fanfare, but I can send someone to meet Ito Yuihiko in private.”

Andrew was a little irritable, thinking about going to Tokyo on his own, and by the way, he should be relieved, so he volunteered: “Dad, or I will fly to Tokyo in the morning, and see Ito Yuhiko.”

Zhongquan nodded and said, “I definitely want to see him, but you can’t go.”

Andrew asked in surprise, “Dad, what do you mean?”

Zhongquan said: “Before the Su family sent the younger generation of juniors, if the Wade family let you go, it would look asymmetrical, as if we are a bit lower than the Su family.”

After that, Zhongquan looked at Andrew’s son and his eldest grandson, and said, “Junior, you are ready to set off before ten o’clock, and go to Tokyo after lunch.”

Grandson hurriedly got up and said respectfully: “Okay grandpa, I will prepare now! But grandpa, I meet Ito Takehiko, how should I talk to him about the project?”

Zhongquan waved his hand: “You don’t have to talk about anything related to the project. I will prepare some gifts, and you will take them with your own hands. It is just a little bit of my heart. Besides, I also want to make friends with him. Leave the contact information and you can come back.”

Grandson asked in surprise, “It’s that simple?”

Zhongquan nodded and said, “Yes, it’s that simple!”

After speaking, Zhongquan said again: “Flying two thousand kilometers to discuss cooperation is not sincere; but if it is flying two thousand kilometers to visit a patient, it is very sincere.”

Andrew smiled and said, “Dad, you’re better off! The Su family may have done it this time, our Wade family!”

Zhongquan nodded his head and smiled, and said, “This is called the last thing first!”

.....

noon.

Charlie had lunch with Nanako at the Ito mansion, and the two took the meal prepared for Ito Takehiko to the hospital.

When they first went out, Zynn brought a few of his men to Ito Yuihiko’s ward with a few exquisite gift boxes.

Ito Yuihiko didn’t want to see them at first, but he also knew the truth about not hitting the smiley people with his hand, so Emi invited them in.

As soon as Zynn entered the door, he walked very politely to Ito Yuuhiko’s bed and sighed, “Brother Ito! I have been admiring Brother Ito for a long time. I am honored to see you today!

Seeing Zynn’s harmless face, he felt a little hairy in his heart.

The incident of the Su family's destruction of Matsumoto's family really brought a great psychological shadow to Ito, and it also made him deeply aware that the man in front of him looked gentle and smiled, but in fact, he was a foodie. The devil who does not spit bones.

However, Ito Yuhiko knows very well that for such a smiling tiger, the less he can offend him on the bright side, otherwise he still doesn't know what kind of trouble he will cause in the future.

So, he also said with joy: "Oh, Mr. Su! I didn't expect you to come to see me in person. I am really flattered! Please sit down, please sit down!"

Zynn nodded, sat on the chair by the hospital bed, smiled, and said, "I'm so sorry to meet in this way. I've been busy recently, so I wanted the children to come and visit Mr. Ito first, and then I took time. I came to visit in person again. I didn't expect so many accidents. I would like to ask Mr. Ito to forgive me!"

## Chapter 1829

I have to say that Zynn's acting skills are very good.

If it wasn't for Takehiko who knew what kind of person he was, it would be easy to be deceived by his smiling and friendly appearance.

Although disgusted in his heart, he still braced him and did a good job on the surface, so he smiled and said: "Mr. Su is too polite, you are coming to Japan, I was going to meet at the airport in person, and then arrange the hotel for you. Staying here, I didn't expect to encounter so many things."

Zynn hurriedly said: "Where is it, Mr. Ito doesn't have to be so polite. The friendship between our Su family and the Ito family has a long history. We will definitely continue to strengthen cooperation and deepen our relationship in the future. Why should we be stuck with this little thing?"

Seeing his hypocritical appearance, Ito wanted to vomit the breakfast in his stomach, but he could only nod his head and said in agreement: "Mr. Su is right! You really don't have to be too rigid..."

Zynn nodded in satisfaction, and said seriously: “Mr. Ito, although the things that happened in Tokyo in the past two days are chaotic and even hurt you seriously, I still have to say something about the facts. This series of things After the dust settles, the Ito family is the biggest winner.”

Takehiko knows what Zynn’s words mean. He knows that in addition to explaining the facts, Zynn also wants to mention him. Now his family is fighting between snipes and clams, and the fisherman is profiting, and he is pushing his family to profit from it. , He is Zynn.

In other words, Zynn also reminded him, don’t forget the help that Su family gave to you.

However, Ito doesn’t want to owe such favors casually.

After all, the reason why the Ito family can survive this dispute is not really dependent on Zynn, but Charlie!

Don’t say that he didn’t rely on Zynn. Zynn’s son and daughter can survive, and he must thank Charlie!

If Charlie hadn’t saved Zhifei and Zhiyu, and Zynn guarded the corpses of a pair of children, it might not have been able to find out the real murderer.

Therefore, Takehiko couldn’t help but sighed: “Oh, Mr. Su, it is very dangerous for the Ito family to survive this time!”

As he said, he patted the roots of his thighs and sighed: “Look at my legs, they are completely abolished. If it wasn’t for my loyal servant Tanaka who pushed me to jump off the viaduct, I would have been knifed. Hacked to death.”

In this remark, Takehiko actually explained a point to Zynn first. First of all, if he can survive, it has nothing to do with your Su family.

Immediately afterwards, Takehiko said again: “And my daughter, she also suffered a ninja ambush in Kyoto, and was fortunate to be saved by a master, so she was spared. Otherwise, I would really want a white-haired person to send a black-haired person.”

Speaking of this, Takehiko pretended to be curious and asked: “By the way, Mr. Su, it seems that your children were also saved by the mysterious master in Kyoto?”

Zynn’s expression became a little depressed when he heard this.

What he meant just now was to mention Takehiko. To have the last laugh, and kill Machi Takahashi and Ryoto Matsumoto. More than half of the credit is due to that master’s help.

Unexpectedly, the old fox, Takehiko Ito, came directly to say something like this. The meaning is also very simple: Don’t say I want to thank you, it doesn’t exist. We both have to thank the mysterious master, otherwise my daughter would have finished. Both your son and daughter would have finished.

Although Zynn was depressed, he couldn’t refute Ito’s words.

After all, his son and daughter were indeed saved by that mysterious man.

He also asked his son and daughter specifically, who is that mysterious person? Now that he has such a powerful ability, can he be used by him?

But Zhiyu told him that the mysterious person was very dismissive of the brother and sister.

It was to help Takehiko Ito’s daughter, Nanako, to relieve the troubles, so he chased them all the way.

## **Chapter 1830**

Rescue brother and sister, that was just by the way.

The only clue they know is that he should be Chinese.

But don’t know anything in more detail.

Originally, Zynn wanted Ruoli to leave to check the clues and details of that person.

But now the TMPD, Japan's Ministry of Foreign Affairs, and the Homeland Security Department all want to capture his subordinates.

So he could only give up this idea and let Ruoli return home first, so as not to be caught here.

Once caught by the Japanese government, it will be as serious as the killing of the door, even if she is not sentenced to death, it will be at least life imprisonment, so he won't think about it in this life.

So Zynn could only give up temporarily.

Now he heard Ito mention that person again, so he deliberately asked: "Mr. Ito, that mysterious person is said to protect your daughter, so you should know him?"

Takehiko shook his head and said regretfully: "I really want to know him, but unfortunately, that person is really too mysterious. I asked my daughter, but my daughter didn't know, otherwise, I really want to take him. For my own use! With such a powerful person by your side, you should never have to worry about safety anymore!"

Zynn observed at Takehiko for a moment, feeling that he didn't seem to be lying.

It seems that Takehiko does not know who the mysterious person is.

But why would he save Nanako?

Is it a pure chivalrous man of justice?

However, it seems a bit strange for a Chinese to come to Japan as a hero.

Or, he is an overseas Chinese living in Japan?

Zynn couldn't think of a reason, so he simply left it behind, looked at Takehiko, and said seriously: "Mr. Ito, I'm here this time. In fact, besides visiting you, I also want to talk to you about cooperation. Talk about a general intention."

After speaking, he said: "Ocean shipping is the next very important business of the Su family. Although we pursue a global strategy, we still attach great importance to the

Japanese market in East Asia. Block business and reached a cooperation with the Ito family. don't know what Mr. Ito wants?"

Takehiko Ito nodded and said seriously: "The Ito family has always wanted to reach a cooperation with the Su family on this business. I also talked to your son and daughter two days ago."

When Zynn heard this, his eyebrows showed a bit of joy, and he thought to himself: "It seems that cooperation with the Ito family can be a matter of course."

Zynn was thinking triumphantly, but Takehiko had already planned to use the dragging technique.

Seeing him, he changed the conversation and said apologetically: "But Mr. Su, you can see my current physical condition. The doctor said that I have to stay under observation in the hospital for at least half a month."

"Moreover, even if I leave the hospital, I will have to rest for a few months when I go home. For the time being, I may not have much energy to focus on business operations."

"Therefore, whether or not this cooperation should be carried out or how it should be carried out, it may take a while to give you a clear answer..."
