

# The Charismatic Charlie Wade Chapter 2458

## Chapter 2458

As he said, Zynn said coldly: "Don't worry, if things are really like what you said, it is not just you, I won't let him go. However, even if we father and son want to fight him, we must take a long-term view. And plan to move later! Otherwise, if you are born before you die, how would you avenge your mother and sister?!"

Zhifei was silent for a moment, and then said angrily: "Dad, I know..."

After speaking, he couldn't help choking up, crying and asked, "Dad! When are you coming back?! I now...I really don't know what to do now..."

Zynn sighed and said, "I can't come back now. I take a plane back to Eastcliff from here. It takes more than ten hours. But as long as my front foot leaves here, your grandpa will receive the message immediately on the back foot. When I got off the plane, I will be caught by the family and sent back to Australia, or they will directly arrest me and take me back to the Su family and placed me under house arrest..."

Zhifei asked helplessly, "Dad...then what should I do now...I want to go to Aurous Hill to find mother and Zhiyu...they are currently missing. At least there is still a possibility of survival..."

Zynn thought for a while, and said, "In this way, you don't want to go to the airport, just drive on the highway and drive all the way to Aurous Hill."

With that said, Zynn calculated it again and said, "From Eastcliff to Aurous Hill, if you take the high speed, it will be about 1,000 kilometers. If you drive faster, you may be there in 10 hours.

Zhifei immediately said, "OK dad! I will drive directly to Aurous Hill!"

Zynn hurriedly said again: "When you go to Aurous Hill, you must be low-key, low-key and low-key. Don't try to call any Su family's power, because once they know you are in Aurous Hill, they will definitely catch you."

Zhifei was dumbfounded: "Dad, if I don't call on the power of the Su family, how can I find mother and Zhiyu..."

Zynn said helplessly: "My Son, you can only trust yourself now, and others are unreliable at this moment."

After speaking, he added: "By the way, I heard that Grandpa has sent your second uncle to Aurous Hill. He will definitely go by plane. He will arrive in Aurous Hill two or three hours earlier. After you arrive in Aurous Hill, you must Be careful!"

Zhifei suddenly felt very helpless. He choked and asked, "Dad...Do you think Mom and Zhiyu are still alive..."

Zynn was silent on the other end of the phone for about ten seconds, and then he said, "My Son, as long as the matter has not been concluded, there must be hope."

As he said, he continued, "But you must remember, you must be prepared for the worst outcome!"

Zhifei said solemnly, "Dad, I know!"

.....

Just as Zhifei drove the car to Aurous Hill fast, the crisis public relations of the Su family had already started.

The overwhelming important media figures have brought the rhythm on the Internet. Although each of them has different opinions, the core point they want to express is that the Su family is the victim. Liona and Su Zhiyu are kidnapped. There must be someone else.

More than two hours later, Shoude's private plane landed on the first runway of Aurous Hill International Airport.

Coincidentally, at the same time, a private plane landed on the second runway of Aurous Hill International Airport at almost the same time.

This family's plane came over from New York, USA, flying all the way for more than ten hours.

After the plane landed, under the command of the tower, it parked on the apron dedicated to private jets.

What's interesting is that this plane, the private plane that Shoude was on, parked on two adjacent seats next to each other.

This plane from the United States took the lead in opening the cabin door, and a Jewish man in his fifties stepped out of the cabin.

He stood on the spiral staircase and paused for a moment, looked around, and whispered, "Walter, my son, Dad will find you and take you home!"
