

# The Charismatic Charlie Wade Chapter 2532

## Chapter 2532

At this moment, Roger, who stood by his side and dared not speak, couldn't help but get excited.

Charlie smiled and said, "No cure is an impossible cure, but I have to put it first. If you help me do this well, I can help you cure one of the problems with your two sons."

As soon as these words came out, Regnar's expression was a little disappointed, and he thought to himself: "Only one can be cured? Charlie, this guy made it clear that he wants to hang me with the sons!"

However, it is better to cure one than to cure none at all.

He really felt sorry for his little son. If he had a chance to cure his illness, it would really make up for his huge regret.

So he immediately agreed and said: "You can rest assured, Master Wade, I will go all out to complete the task you entrusted to me!"

Charlie smiled slightly, looked at the time, and said, "Okay, you two should go back quickly. Once the Su family finds you, let me know as soon as possible."

Regnar hurriedly said, "OK, Master Wade!"

Charlie looked at Issac and ordered: "Old man, see off the guests."

Issac pointed to the door immediately, made a gesture of please, and smiled: "Mr. Wu, please."

Regnar hurriedly said to Charlie respectfully, “Young Master Wade, then I will go back now!”

After all, he took Roger and carefully exited the room.

Issac sent the father and son to the tarmac on the roof of the building. After the father and son got on the plane, Roger hurriedly said, “Dad! If this matter is over, you must let Charlie heal my leg! “

Regnar said without hesitation: “Except for your leg being a little lame now, there is basically nothing wrong with it, but your brother is still tortured every day, of course, he must be treated first!”

Roger was anxious, and blurted out: “Dad! I am the eldest son of the Wu family! If I am limping on one leg in my life, where should I put the Wu family’s face?”

Regnar sternly said: “Then have you ever thought about your brother? Have you ever thought about how he has been able to survive for so long?”

Roger was also a little anxious and quickly said, “My brother has been used to it for so long. I went to see him in his room yesterday and happened to meet someone serving him to eat. He didn’t show any pain. The whole process was normal. It’s like a chronically ill patient taking medicine.”

As he said, Roger couldn’t help saying: “Moreover, I shouldn’t say something. The shame of my brother has already been completely lost. Even if he is cured, it is impossible to save ourselves from the Wu family’s loss of reputation!”

“After the younger brother is cured, will you let your younger brother come out to take over the family affairs? If that is the case, as soon as he appears in the outside world, outsiders will point him and say that he was eating that thing before and it spread all over the country!”

“In that case, the reputation of our Wu family will be hit twice!”

“But I’m different, Dad!”

“I am the future heir of the Wu family and the future business card of the Wu family!”

“If I appear in front of the public every time, I am a limping man walking, then the Wu family’s face will also be damaged;”

“But if I can recover from the beginning and become a normal person, then I can appear in front of the public with a perfect image that is innocent enough and without any black history!”

“When the time comes, our father and son will work together, and we will surely let the Wu family recreate the scenery before!”
