

# The Charismatic Charlie Wade Chapter 2588

## Chapter 2588

Aoxue curled her lips when she was reprimanded, and said angrily, "I know Dad..."

Charlie smiled at this time: "The dog will let the housekeeper take care of him first, and then play with him after eating."

Father Song hurriedly ordered the housekeeper to take the dog out first.

Everyone sat down one by one.

On Charlie's left is Mr. Song, and on his right is Ito Takehiko.

As for Emi Ito and Koichi Tanaka, they were originally beaten to death and did not want to be on the table, but Charlie still kept them.

The relationship between master and servant in Japanese society is very clear. Sometimes the title of a predecessor can kill a person, but here it is relatively less rigid, and Charlie is not the kind of person who cares about these details, so he can tell them to sit together..

Emi Ito and Koichi Tanaka are naturally flattered.

After everyone was seated, Mr. Song asked everyone to pour the wine. This time the wine is still the same Moutai. In the upper class, this is the most popular brand and the only choice for foreign guests and envoys at the state banquet.

Moreover, the Maotai collected by Mr. Song are almost all treasures that the rich can't buy on the market. Just take out a bottle, and it has a history of at least 20 years.

After the servant poured white wine for everyone, Ito Yuihiko couldn't help holding up a glass, sniffed it under his nose, and exclaimed: "It really is China's national wine! The fragrance alone is enough to be intoxicating."

Mr. Song asked curiously: "Oh? Mr. Ito also has research on Chinese liquor?"

Yuhiko Ito nodded and said earnestly: "You said, in Japan, ordinary people love beer and sake. Young people love whiskey and red wine. Some older upper-class members and members of established families My favorite is actually Huaxia's baijiu."

After speaking, he exclaimed: "After all, the cultures in Japan originated from China, and the wine culture is the same."

"Old-fashioned Japanese families require their children to learn Chinese culture from an early age, so we learned from the records in historical books that ancient Chinese said that "the world's fine wine is the only one in the world"."

"A few decades ago, Japanese Prime Minister Kakuei Tanaka visited China, and he also expressed this feeling."

"When we studied Tang poetry and Song Ci, in order to find the uninhibited feeling of ancient Chinese poets, we even went to find a few cups of Chinese white wine. The hearty feeling is really nostalgic..."

Mr. Song nodded and said with a smile, "That's right, take advantage of today's opportunity, you must drink a few more glasses! If you like to drink, when you return to Japan, I will have someone prepare a batch for you to take back!"

Ito Yuihiko said, "Thank you, Mr. Song! If Mr. Song has time, come to Japan for a few days, and I will entertain you all the time!"

Father Song smiled and said, "Okay, I must come over and disturb you if I have a chance!"

After all, he looked at Charlie and said respectfully: "Master Wade, why don't you have an opening remark? Let's toast and meet each other."

Charlie smiled and said, “You are the head of the family. If I were to say the opening remarks, wouldn’t it be overwhelming?”

Mr. Song firmly said, “You are the great benefactor of the Song family. You are here. This is your home court. We are all sitting there thanks to your care and favor. The opening remarks from you are absolutely suitable. That’s it!”

Charlie was silent for a moment, nodded, and said, “Okay!”

After all, he stood up, holding a wine glass, and said seriously: “First of all, welcome Mr. Ito and his family to Aurous Hill. I have no good impressions of most Japanese companies and entrepreneurs, but Mr. Ito still impresses me.”

“So, I also hope that Mr. Ito can cooperate more with the Song family, with the Qin family, and with JX Pharmaceutical in the future!”

“Everyone strives to achieve resource exchange, resource development, and resource symbiosis. Together, we will find more opportunities and incubate more projects.”

### **Chapter 2589**

As soon as Charlie said this, the expressions of Old Song and Qin Gang became a little excited.

They knew that Charlie was actually helping them match up.

The Ito family is now the strongest family in Japan, and its asset scale is also trillions of yuan converted into RMB. The Song family, but just entered the 100 billion club, Qin Gang is now halfway from the threshold of the 100 billion club.

Therefore, if they can cooperate with the Ito family, it is indeed a high climb for both of them. If the Ito family really cooperates with them, it will definitely bring them more growth opportunities!

Naturally, Ito Yuihiko knew Charlie's intentions, so he said almost without hesitation: "Since Mr. Wade has said so, then our Ito family will naturally go all out to cooperate with Ms. Song and Mr. Qin!"

As he said, he looked at Warnia and said seriously: "Miss Song, have you already started cooperating with Nippon Steel? After your new project is completed and put into production, all the real estate development projects of our Ito family will purchase Song's in addition to the products of the joint venture between us, several of our shipyards will transfer all steel orders over!"

When Warnia heard this, she was immediately stunned!

The cooperation between the Song family and Nippon Steel will focus on special steel in the future. Ito Takehiko's words are tantamount to binding a solid high-quality large customer to the steel industry of the Song family.

In the real economy, the most important thing is to find high-quality customers. A foundry company like Foxconn can bind a company like Apple to generate tens of billions of output value in a year. Such customers are the most important resource thing in the real industry.

So, Warnia said with surprise and joy, "Mr. Ito, thank you so much!"

Yuihiko Ito waved his hand and smiled: "You don't have to be so polite. In future cooperation like this, just let Nanako directly connect with you. She will definitely give you as many resources as possible, and we will work together for a win-win situation."

Nanako Ito took the conversation, nodded, and smiled: "Yes, Sister Warnia, we must strengthen cooperation in the future. If your Song Group wants to develop overseas, you are welcome to come to Japan for a visit, and then we can work together!"

Warnia folded her hands together and said gratefully, "Thank you very much! It just so happens that Nanako and you will be staying in Aurous Hill for many days this time. You can also take a look at some of the current industrial plans of our Song family and see if there are any projects worthy of cooperation."

Nanako Ito nodded without hesitation and said, "It's okay. Sister Warnia will work hard to help me introduce the current situation of the Song Group in detail!"

At this time, Ito looked at Qin Gang and said with a smile: "Mr. Qin, I don't know what business does the Qin family do besides medicinal materials business?"

Qin Gang said hurriedly: "In fact, our previous business lines were quite complicated. In addition to medicinal materials, we also did some retail and trade businesses, including antiques, automobiles, and some heavy industrial and mining equipment."

Ito Nodded and smiled: "I don't know much about antiques, but if you do automobile trade and heavy industrial and mining equipment, if you need to import from Japan, you can contact me, Japanese automobile companies, and many well-known heavy industries. The bosses of the companies are very familiar with me. If they don't cooperate, I can help you match up. If you have already cooperated, I can help you get better terms."

When Qin Gang heard this, he immediately said excitedly: "That's really a thank you to Mr. Ito. To be honest, we do still have a few brands that we want to cooperate with. If possible, please help us to connect."

Ito Nodded and said with a smile: "Mr. Qin, don't worry, I still have some face in this regard."

### **Chapter 2590**

After speaking, Ito looked at Charlie and said seriously: "Mr. Wade, the Su family's ocean shipping license was revoked recently. It is definitely a good opportunity to quickly enter this field. I wonder if you are interested?"

Charlie waved his hand and said with a smile: “I don’t know anything about ocean transportation, and I don’t even have a transport ship, so I’m talking about ocean transportation.”

Ito Yuihiko hurriedly said: “Mr. Wade, the ship is actually not a problem. In fact, most ocean shipping companies all over the world rent freighters and oil tankers, just like most airlines are rented. Some companies are good at operations, but not good at heavy asset management and fixed asset planning; while some companies are good at fixed asset investment but not good at operations. This is like many companies that open global chain retail stores, but generally do not choose to buy shops on their own, and those real estate developers who invest in shopping malls often only rent shops to merchants and collect rent themselves.”

“A large part of the world’s ships and airplanes are purchased by leasing companies. They usually place orders with manufacturers early. After the orders are delivered, the ships and airplanes are not enough for themselves, so they just rent them out and start collecting them. Renting makes money.”

“Now a large number of cargo ships of the Su family are idle, and many of them are leased. If they cannot resume normal operations in a short period of time, they are unable to afford so much rent. They are very likely to cancel their leases in batches. At that time, there will be a large number of freighter resources released in the market. You can eat it on a large scale, and then take the opportunity to grab the Su family’s ocean transportation business!”

When Mr. Song on the side heard this, he couldn’t help sighing: “Ocean shipping is indeed a very, very profitable industry. Now the vast majority of international trade logistics rely on shipping, so as long as the countries and countries on the earth are still working normally The ocean shipping industry will continue to grow.”

With that, he looked at Charlie, and said, “Mr. Wade, your JX Pharmaceutical now has the momentum to sell well all over the world. You might as well take this opportunity of a lifetime to start ocean transportation, and in the future, it will be important to the global logistics of JX Pharmaceutical. Transportation also helps a lot.”

Qin Gang couldn’t help but said, “Mr. Song, I have no intention of arguing with you, but Mr. Wade’s JX Pharmaceutical, which produces all medicines, is small in size and light in weight. If it is sold globally in the future, it will be shipped to one country at a time. At

most two or three containers are great, but a freighter often has thousands of containers. The demand and supply are not equal...”

Mr. Song laughed and said, “Of course it is not equal to relying on JX Pharmaceutical, but have you ever thought about it, your import and export trade, your car import business, don’t you have to rely on shipping? And all you do are imported cars. In our domestic market, imported cars are nothing more than so few origins. The most recent is Japan, followed by Germany, France, Italy, and the farthest is the United States. As far as I know, one standard container can hold two cars. Imported luxury cars have a huge demand for ocean transportation!”

Qin Gang slapped his thigh and smiled: “Mr. Song can see thoroughly. I only think about Mr. Wade’s JX Pharmaceutical, but I didn’t even think about including my own business!”

Mr. Song continued: “When our joint venture with Nippon Steel is completed and put into operation, we will have a very high demand for iron ore. Iron ore is generally imported from Brazil or Australia, and a ship is loaded with more than a dozen. Ten thousand or even hundreds of thousands of tons, the demand for ocean shipping is also huge. If Mr. Wade runs ocean shipping, it will actually be good news for everyone!”

Charlie hasn’t spoken, but he couldn’t help but feel a little moved in his heart.

“JX Pharmaceutical will definitely go global in the future, but with only one JX Pharmaceutical, it will be difficult for me to catch up with the top old families like the Wade family and the Su family.”

“At the moment, when the Su family is at its weakest, why don’t I take the opportunity to grab the Su family’s business?”

“In this case, I will not only make my assets stronger but also greatly weaken the Su Family!”

“Moreover, didn’t Grandpa Zhongquan always want me to return to Wade’s house? Since he asks me, then I can ask the family not to directly compete with me in the field of ocean transportation!”

“In this way, even if the Wade family wants to take advantage of the Su family’s share, they have to step aside for me!”

“This is not two birds with one stone, but three birds with one stone!”
