An Understated Dominance by Marina Vittori Chapter 2078

With Hong Juding Pearl and Jade in front of him, who dares to look down on the disciples of the Sword Sect?

Therefore, when they saw Xu Yang volunteering to fight, most people were full of confidence.

“Junior Brother Xu! Listen to my advice, the sword has no eyes, don’t act rashly!” Liu Rushuang’s beautiful eyebrows were lightly furrowed.

She took Xu Yang and Liu Hongxue out this time just to see the world and see what other geniuses had appeared in the Dragon Kingdom in recent years?

As for such a limelight scene, she herself doesn’t like it.

As a disciple of the Sword Sect, you should cultivate your sword and your mind.

If you care too much about those false reputations, you are destined to not get far.

After all, the Sword Sect is highly competitive and does not raise waste.

Once you fail to perform well in the annual assessment, you will be kicked out of the sect directly.

Those who think they can sit back and relax by joining the Sword Sect will eventually become the abandoned sons of the sect.

“Senior sister! Now the arrow is on the bowstring and I have to shoot it. Believe me once, I will never let you down!”

After Xu Yang finished speaking, without waiting for a response, he directly raised his sword and strode forward.

“Xu...”

Liu Rushuang was about to stretch out her hand to stop, but was stopped by Liu Hongxue: "Sister, Senior Brother Xu has superb swordsmanship. As long as he takes it seriously, he should have no problem defeating that Yayoi; besides, with so many people watching, Senior Brother Xu has already spoken out, this If we back down when the time comes, what will outsiders think of our Sword Sect disciples? Just let Senior Brother Xu give it a try?"

"You girl really can't tell the difference. It's precisely because it concerns the reputation of Jian Zong that I don't want Junior Brother Xu to take this risk. Once Junior Brother Xu loses, he won't be able to stay in Jian Zong anymore!" Liu Rushuang frowned.

It would be fine if it was just a small fight, but today's scene is about the dispute between the two countries.

If he loses, the consequences will be serious and Xu Yang cannot afford it.

"Sister, the fight didn't even start. How did you know that Senior Brother Xu would lose? Have some confidence, okay? We Sword Sect disciples are all geniuses who are one in a million!" Liu Hongxue was quite proud.

"You guys...you really don't know the heights of the world." Liu Rushuang sighed, feeling a little helpless.

There is also a big gap between genius and genius.

She prides herself on her talent and is the pride of her family, but compared with someone like Hong Juding, she is far behind.

When things like this happen, she can only pray that Xu Yang can perform exceptionally and win back some face for the Sword Sect.

"Come on Xu Yang! Kill that little devil!"

"Xu Yang! You are the pride of Jianzong and the pride of our Dragon Kingdom. You must win beautifully and let the Golden Crow Kingdom be convinced of its defeat!"

"Don't say anything, just do it!"

“...”

Seeing Xu Yang stepping forward to challenge with his head held high, the onlookers cheered and cheered him on.

At this time, there is no distinction between sects.

Everyone has the same goal, which is to defeat the warriors of the Golden Crow Kingdom.

“Who is coming?”

The suit butler was the first to ask.

“Sword Master Xu Yang is here to teach you how to behave!”

Xu Yang was radiant and full of energy.

When had he been so praised when he first entered the world? I can't help but feel a little wandering in my heart.

“Young Master, the challenger from the Dragon Kingdom is here.”

The butler in a suit turned around and bowed deeply to Yayoi Kusama.

Yayoi Kusama picked up the wine glass and drank it down, then glanced at Xu Yang and said in broken Chinese: “You... are too weak, not worth my action. Find someone more powerful.”

His contemptuous words directly set off a frenzy on the scene.
