An Understated Dominance by Marina Vittori Chapter 2081

“ah?”

Looking at the unconscious Xu Yang, everyone was confused.

Everyone’s eyes widened, some couldn’t believe it.

No one expected that it would be such a result.

Yayoi Kusama only struck Xu Yang with one sword strike.

This picture is too exaggerated, right?

Didn’t Xu Yang beat Yayoi Kusama before? How come the situation was completely reversed in the blink of an eye?

What’s going on? !

“I...did I read it correctly? A disciple of the Sword Sect...was actually killed by one move?”

“How could this happen? All the disciples of the Sword Sect are elite masters. Why can’t they even block a sword?”

“No...impossible! How can this little devil be so powerful?!”

After a brief silence, the entire scene exploded.

When they first saw Xu Yang confidently asking for the battle, they thought they had a chance to win, so they cheered and cheered.

However, the results were disappointing.

The disciples of the Sword Sect, whom they had high hopes for, were no match for the little devil.

This is so embarrassing!

“How is it possible? Senior Brother Xu was defeated?”

Liu Hongxue was dumbfounded and found it difficult to accept.

With Xu Yang’s talent and strength, he is definitely the best among his peers.

In her opinion, even if Xu Yang couldn’t win a complete victory, he shouldn’t have suffered such a miserable defeat, right?

With just one stab, he was seriously injured and vomited blood.

It is really vulnerable.

“too weak.”

Yayoi Kusama slowly sheathed her sword and said in a disdainful tone: “If you Dragon Kingdom warriors are all at this level, then it is really disappointing. It is really not challenging at all.”

“Did you all hear what my young master said?”

The butler in a suit took over the conversation at the right time and said with a smile: “Although I know that the warriors of your Dragon Kingdom are very weak, I didn’t expect that you are so weak. You can’t even block my young master’s sword. I am embarrassed for you.” .”

As soon as these words came out, there was another burst of abuse and shouting.

All the passionate young people were gearing up, eager to rush forward and beat Kusama and Yayoi severely.

However, despite the scolding and clamoring, there are not many people who really dare to challenge.

They all saw Xu Yang’s strength just now.

As an innate master and a disciple of the Sword Sect with superb swordsmanship, such a figure cannot defeat Yayoi Kusama. If they go up, they will undoubtedly bring humiliation to themselves.

“You still have two chances to challenge, but I don’t know if you Dragon Kingdom warriors still have the courage to step forward?”

The butler in a suit said with a joking smile: “Of course, if you are afraid, you can admit defeat, but from now on, you have to admit that you are the sick man of East Asia!”

“I’m sick of you! Don’t be too arrogant, you little devil. We have many masters from the Dragon Kingdom and many talents. It will be easy to deal with you!”

“This is so crazy! I can’t bear it anymore! Where’s the knife? Where’s my knife?!”

“Why are you talking nonsense to them? Let’s just swarm them and chop them to death!”

Everyone was filled with indignation and cursed angrily.

Some even drew their swords directly, looking like they were going to fight for their lives.

These two little devils were just sitting on their heads and shitting and pissing.

As the saying goes, soldiers can be killed but not humiliated. In the face of the hatred of the country and the family, few people can remain calm.

“Everyone, please be patient!”
