An Understated Dominance by Marina Vittori Chapter 2084

Chen Xingwen's appearance quickly made the originally quiet atmosphere lively.

Everyone seemed to be particularly surprised as if they had seen a savior.

In their opinion, if Chen Xingwen, the little spear fairy, takes action, he will definitely be able to defeat Yayoi Kusama easily.

"Okay, okay! With you taking action, I feel relieved now!"

Seeing Chen Xingwen who volunteered, Dong Qianqiu smiled happily.

As the protector of the Tianxiahui, he is naturally very aware of Chen Xingwen's strength.

At only twenty-five years old, he is already halfway to the master level. Looking at the entire Tianxiahui, he is ranked among the top geniuses.

Only a monster like Han Feiyang can keep his head under control.

"The warriors of the Golden Crow Kingdom dare to run wild in Longhu Mountain, acting on emotion and reason, and on public and private matters. We in the world cannot stand by and watch. Although the juniors are not talented, they still want to win glory for the country and eliminate evil for the world." Chen Xingwen said loudly.

"Well said! There are young talents like you in the world, so why worry about the sect not being prosperous?" Dong Qianqiu's face was full of appreciation.

Chen Xingwen's appearance in defeating Yayoi Kusama can greatly increase the reputation of Tianxiahui.

"I didn't expect Chen Xingwen to be here. Now there's something good to watch."

Yan Buqi shook his folding fan gently and smiled.

Although Chen Xingwen is not as good as Han Feiyang, he is still among the best among the young disciples of the Tianxiahui. Such a genius is very suitable for dealing with Yayoi Kusama.

“fine.....”

Liu Rushuang breathed a sigh of relief and gave up the idea of asking for a fight.

Her state is Xiantian Dzogchen, which is still far behind Chen Xingwen, a half-step master.

Against Yayoi Kusama, Chen Xingwen’s chance of winning is much greater than hers.

“Is he Chen Xingwen, the little gun fairy? He’s so handsome!”

Looking at Chen Xingwen, who was tall and handsome in white clothes and silver guns, Liu Hongxue couldn’t help but her eyes lit up and her heart trembled.

Different from Yan Buqi’s beauty, Chen Xingwen is handsome, elegant, and full of heroic spirit, which is exactly what she likes.

And regardless of appearance, temperament, or talent and strength, the other party is the best among people.

Perfectly fitting her dream lover’s fantasy.

“Chen Xingwen is the best in the world, and he’s here to ask for a fight!”

After getting Dong Qianqiu’s approval, Chen Xingwen picked up the silver gun and walked up with his head held high.

His eyes are sharp and his momentum is amazing.

An invisible pressure was released fiercely, hitting Yayoi Kusama and the two of them directly.

Yayoi Kusama narrowed her eyes slightly, raised her hand to stop the suit butler who was about to speak, then stepped forward and stood face to face with Chen Xingwen.

“Yo Xi! Your Dragon Kingdom finally has a decent warrior!”

Yayoi Kusama looked Chen Xingwen up and down and nodded with satisfaction.

The desire to fight gradually ignited in those deep eyes.

“There are thousands of warriors like me in the Dragon Kingdom, and there are countless more powerful ones than me. It’s just a coincidence that I met you first today.”

Chen Xingwen said with an indifferent expression: “If you are wise, you should take the initiative to admit defeat and apologize for your previous behavior. This way you can save your life. Otherwise, once the war breaks out, my gun will not be merciful!”

“There is a saying in your Dragon Kingdom: The winner is the king and the loser is the bandit. If you can defeat me, I will naturally apologize.” Yayoi Kusama said.

“Okay! Since you are stubborn, I will beat you until you are convinced!”

Chen Xingwen stopped talking nonsense, hooked his toes, and the gun barrel bounced up. Then he held the gun with one hand and stabbed Yayoi Kusama fiercely.

“Boom~!”

Just heard a bang.

As the silver spear thrust out, a violent energy suddenly burst out.

In an instant, silver light overflowed and a hurricane roared.

Chen Xingwen, armed with a gun, transformed into a silver dragon and roared towards Yayoi Kusama.

The first move is a killer move!
