Chapter 3591

David frowned, glanced at Bai Qian who was about to be frozen, then looked at the injured Ji Yun and Huo Feng, gritted his teeth for the last time, grabbed Ji Yun and Huo Feng, and was about to rush out of the five major sects!

Because the five major sects are protected by formations, David can only rush out from the direction of the door!

At this time, David has no time to break the formation!

“Stop them...”

Sect Master Yang gave the order, and many monks from Tianyang Sect surrounded David!

But just as the Tianyang Sect monks were attacking David, rays of light suddenly shrouded down from above their heads, forming a curtain of light, trapping these monks in it!

“Mr. Chen, let’s go quickly...” **MoDTW.I**

It turned out that Sheng Bushi had arrived. He came when he heard the noise and found that it was people from the five major sects who wanted to attack David, so he quickly set up a formation. stop!

It is impossible to stop Sheng Bushi’s formation for a long time, so David must rush out of the five major sects’ bases quickly!

David knew that once he left, no one else would be able to leave the five major sects.

But right now, he has no other option.

“Don’t even think about leaving...”

Just as David was about to rush out of the five major sects, another group of people blocked the way!

It was Sect Leader Yue of Tianyue Sect who stood in front of David with his disciples.

It was obvious that these people were attracted by the hundred-year enshrinement of the Demonic Alliance.

Looking at Tianyue Sect in front of him, David felt helpless in his heart!

With the injured Huofeng and Ji Yun, he could not break through the Tianyue Sect's blockage no matter what.

In his mind, the figure of Mr. Shi kept flashing across his mind!

Because in the secular world, no matter what danger David encountered, Mr. Shi would appear in time in the end!

But now, Mr. Shi may never appear again!

David thought Mr. Shi was dead long ago!

At this time, in a mansion deep in the mountains, Mr. Shi was writing something when suddenlyAs if he had a feeling, he raised his head and looked out the window!

Then Mr. Shi walked to the window and looked at the sky outside, seeming to be thinking about something!

"Mr. Shi, the Demon Sealing Alliance has issued a killing order using thousands of miles of sound transmission. Anyone who can kill David will receive a hundred years of worship from the Demon Sealing Alliance." "

Now there are many sects and aristocratic families ready to take action, and David is also We are trapped in the five major sects of the Southern Territory and our lives are in danger. Do you think we should intervene?"

A graceful girl walked in and asked Mr. Shi!

"What level is he at now?"

Mr. Shi asked!

“I was just promoted to the second level of Tribulation Realm...”

the girl said!

“Second level of Tribulation Realm...” Mr. Shi sighed softly, “Slow, too slow. Although his improvement speed has already far exceeded that of others, it is still too slow.” “Don’t

worry about him, let him experience life and death on his own. , maybe it will be helpful to his cultivation, but we can’t let him go too smoothly. If he can’t even cope with the Demon Sealing Alliance, how can he save the entire dragon clan.” “

Mr. Shi, I’m afraid...”

The girl stopped talking!

“Don’t worry, he won’t die. I’ve seen his fate.”

After Mr. Shi said this, he waved the girl out!

After the girl walked out, Mr. Shi’s eyes flashed with worry!

“David, are our demands on you too high? I know you must be very tired now, but there is no way. Who made you have the purest golden dragon blood flowing in you.” “

This is your mission, and Don’t blame us for being cruel. I also want to help you with some things. I also want you to reach the sky and become an immortal.” “

But I can’t do that because many people are waiting for you. , waiting for you to save, waiting for you to solve the mystery.”

“I don’t know how long I can protect you. I just hope you grow up quickly, grow up quickly...”

Mr. Shi muttered to himself as if he was stupid. It’s been a long time...

Chapter 3592

Five major sects!

David and the others have been surrounded.

Devil Shan Guilao, Luo Shouhai, Bai Qian and Sheng Bushi were also injured one after another!

People from Tianhai Sect, Tianyang Sect, and Tianyue Sect surrounded David and the others, with greed in everyone's eyes!

After all, the hundred-year enshrinement of the Demon-Sealing Alliance is really too tempting!

Hai Dafu, Sect Master Yang, and Sect Master Yue looked at each other and smiled!

Although Sect Leader Luo prevented them from taking action against David, everyone was reluctant to part with the hundred-year tribute from the Demon Alliance!

They all had their own agendas, and now they're together!

In their eyes, David is already a piece of fish on the chopping board, to be slaughtered at will!

"Are you going to commit suicide, or are you going to let us do it ourselves?"
Hai Dafu

looked at David and asked jokingly!

David said nothing, but the cold light in his eyes kept flickering!

At this moment, David, all the original stars in the original space are twinkling!

Since death is inevitable, David plans to give it a try and take away as many as he can!

Seeing that David still wanted to resist, Hai Dafu and others sneered on their faces!

“You are really overestimating your capabilities. Since you don’t commit suicide, don’t blame us for being rude. All of you will die...”

After Hai Dafu finished speaking, the aura from his body came out violently!

Now Devil Mountain Ghost Lao and the others are seriously injured, and only David is left, unable to resist Hai Dafu’s aura!

“Sect Master Hai, have you turned a deaf ear to my words?”

At this moment, there was a sudden cold shout, followed by a huge aura, which directly suppressed Hai Dafu’s raging aura!

I saw Sect Master Luo coming with Sect Master Chen and his people!

Sect Master Luo’s face was very ugly!

Seeing Sect Leader Luo, Hai Dafu’s expression changed slightly!

“Sect Leader Luo, you can’t stop us even if you don’t look down on the hundred years of devotion from the Demon Sealing Alliance, right?”

Hai Dafu looked at Sect Leader Luo and said!

after all Behind Hai Dafu are Sect Master Yue and Sect Master Yang. Among the five major sects, three of them now want to kill David, so Hai Dafu is somewhat confident!

“You can’t do that either. If you want to kill him, you have to kill me first...”

Sect Master Luo said with an angry look!

“Sect Master Luo, what does it have to do with you following this kid? Why do you have to help him?”

Sect Master Yang asked very dissatisfied!

“It doesn’t matter. If he walks out of our five major sects, I won’t care who kills him, but he can’t be killed within our five major sects.” “

I can’t control others, but I can’t let our five major sects kill him.” This kind of thing that harms others and benefits oneself occurs in the sect. Our ancestors

founded the sect in order to support justice, eliminate demons and defend the way.” “

Although the current environment in the world of heaven and man is like this, at least we must be worthy of our ancestors and keep our hearts. The last bit of conscience, right? You can't just kill people for your own benefit.” “

And the Demon Sealing Alliance is not a good thing. What has the Demon Sealing Alliance done over the years? Eliminate dissidents and use the excuse of killing demons. , and continue to grow their own power.”

“Have you forgotten the time when the Demon Sealing Alliance also wanted to annex us?”

Sect Master Luo shouted at the top of his lungs!

However, Hai Dafu and others obviously couldn't listen. After all, the hundred-year offering from the Demon-Sealing Alliance was too tempting!

Sect Master Luo also seemed to see that Hai Dafu and the others would not stop, so he said to David, “Take your friends and go first...”

David glanced at Sect Master Luo, and then led everyone to support each other towards Wu. Go outside the gate!

Seeing this, Hai Dafu and others wanted to stop him, but were forced back by Sect Master Luo. “Don't force me to kill each other. If you want to die, there is no need for the five major sects to exist.”

In the eyes of Hai Dafu and others , They were full of anger, but they never dared to stop him. They were very afraid of Sect Master Luo!

David led Devil Shan Gui Lao and the others out of the five major sects' headquarters!

Then he looked back. In David's eyes, murderous intent was rising. One day, David would come back.

The blood of Ji Yun, Huo Feng and the others cannot be shed in vain...

Chapter 3593

“Sect Master Hai, what should we do?”

Sect Leader Yang asked in a low voice!

“What else can we do...”

Hai Dafu glanced at Sect Master Luo not far away with fear, his face full of helplessness!

However, deep in Hai Dafu’s eyes, there is already strong dissatisfaction. At this moment, cracks in the five major sects have appeared!

“Are we just going to watch David leave? This is a hundred years of worship from the Demon Sealing Alliance...”

Sect Master Yang said unwillingly!

“Don’t worry, he can’t run away. Since we can’t do anything, let others do it for us. Then we can share some of the benefits!” ☒

. The jade slip was crushed!

The news that David had just left the five major sects was spread by Hai Dafu!

At this moment, David, who was on the road, didn’t know that his whereabouts had been leaked!

“Mr. Chen, you should leave alone. Don’t worry about us for now. Let’s just walk slowly.”

Devil Mountain Ghost said to David!

They were all injured and moved very slowly. David taking them would definitely affect their speed. If they met someone who had been worshiped by the Greedy Demon Sealing Alliance for hundreds of years, it would be over!

“Yes, Mr. Chen, you’d better leave first and leave us alone...”

Luo Shouhai also said to David!

“Okay, stop talking, I won’t leave you behind.”

“This Tianmo Mountain is sparsely populated, so you won’t encounter other people easily. When we arrive in Fancheng, I will heal your injuries.”

David can’t leave alone!

Just after David led the crowd for a certain distance, suddenly dozens of figures were approaching rapidly from one side of them!

When David and the others saw this, they all became nervous!

“Mr. Chen, you go first, otherwise I will blow myself up and stop these people...”

When Demon Mountain Ghost saw these people coming straight towards them, he knew they were coming with bad intentions!

Now they are all seriously injured, only David himself, how to deal with it?

“Gui Lao, don’t be so pessimistic for now. Maybe these people are not here for me.”

David comforted Demon Mountain Gui Lao!

Although he said this, David was also very nervous inside!

Soon, dozens of figures were already standing in front of David.

Each of these people had gloomy faces, and their bodies were surrounded by black aura!

You can tell at a glance that he is a demon cultivator.

In front of these people, there are two identical people wearing black cloaks. They are obviously twins!

The two of them exuded the aura of the sixth level of the Tribulation Realm!

“Hu Da, Hu Er, what are you doing here? This is the territory that belongs to Tianmo Mountain.”

Luo Shouhai saw the person coming, and then stepped forward and said with a cold face!

“It turns out it’s Master Luo Valley. I’m sorry, I’m sorry. We’re just looking for someone.”

Hu Da stepped forward, raised his hands towards Luo Shouhai and said!

“Who are you looking for?” Luo Shouhai asked!

Hu Da then turned his attention to David and said with a cold smile, “Of course I’m looking for him. The hundred-year enshrinement of the Demon Sealing Alliance is a walking resource library!”

Luo Shouhai frowned and his face became very ugly. , he never thought that these guys were really here for David.

Seeing this, Devil Mountain Ghost Lao hurried forward and said with disdain in his eyes, “Is it just you? You don’t show your own virtue by peeing in the urine. If you don’t want to die, get out of here and don’t make me angry.”

With the reputation of Demon Mountain Ghost Lao in the Tianmo Mountain area, of course he looks down on these guys!

“It turns out that Senior Ghost is here too...”

Hu Da laughed, as if he was not afraid of Old Ghost!

“Since you know me, why don’t you hurry up and get out of here? Do you want me to do something?”

Demon Mountain Ghost Lao suppressed his disturbed breath due to injury and pretended to be calm and said!

“Old Ghost, I see something is wrong with your expression. Are you injured? And it’s not serious, right?”

“Stop holding on, since I dare to come, do you think I will be afraid of you?”

Hu Da said with a joking look on his face. Said!

Chapter 3594

“You...”

Devil Mountain Ghost got angry and spat out a mouthful of blood!

Seeing the Demon Mountain Ghost acting like that, Hu Da laughed loudly and said, “We are just here to catch David today. If the others don’t want to die, just get out of here...”

“How dare you...”

Luo Shouhai’s eyes widened in anger!

“Luo Shouhai, stop pretending. You are also seriously injured. I can slap you to death right now...”

Hu Da said with a cold smile!

Luo Shouhai was trembling with anger, but there was nothing he could do!

Obviously, their injuries were passed on to these guys by the five major sects!

“You bastards want to catch me, are you worthy?” Chen

Ping took a step forward, with murderous intent in his eyes!

When he was in the five major sects, David was already very frustrated, and the bloodthirsty energy in his heart kept surging!

Now these guys have jumped out, and they are not even at the sixth level of the Tribulation Realm!

David can just take it out on them!

“Hmph, you, a second-grade monk in the Tribulation Realm, dare to talk so shamelessly?”

Hu Daleng snorted coldly!

“Brother, don’t be careless. You have forgotten what Sect Leader Hai told us. Although this guy is only at the second level of Tribulation Realm, his strength is no less than that of you and me.” “The two of

us should work together to catch him. Stay, and then go find the Demon Sealing Alliance in exchange for a hundred years of worship!”

Hu Er reminded Hu Da!

“Okay, let’s do it together!”

Hu Da nodded, and then clapped his hand!

In an instant, dark clouds covered the sky and the sun, and a burst of black energy burst out from Hu Da’s hand, turning into a black python and heading straight for David!

At the same time, Hu Er also took action, and the black energy on his body flashed with light, turning into thousands of thunder and lightning and heading straight for David!

The two people joined forces to attack David, and they cooperated very well!

When Huofeng and the others saw this, they all sweated for David, but now they allHe was seriously injured and couldn’t help at all. He could only pray for David!

As for Chen Pingping, facing the simultaneous attacks of the two men, there was no trace of panic in his eyes. On the contrary, his murderous intent was getting stronger and stronger!

David holds the dragon-slaying sword, and his indestructible golden body instantly covers his whole body!

Then, with a flash of his body, he dodged Hu Da’s blow, and then with a casual slash of the dragon-slaying sword, Hu Er’s ten thousand rays of brilliance were directly chopped into pieces!

Immediately afterwards, David’s Dragon-Slaying Sword was covered with thunder and lightning. With a deafening sound, David pointed the Dragon-Slaying Sword toward the sky!

Several bolts of thunder and lightning crashed down from under the black clouds that covered the sky, heading straight for Hu Er!

“It’s not polite to come back without reciprocating...”

Since Hu Er attacked him with light and electricity, David also fought back!

“I didn’t expect that you, a second-level monk in the Tribulation Realm, could also understand the origin of thunder and lightning. You really have some talent.”

After Hu Er finished speaking, thunder and lightning suddenly appeared around his body. He directly used thunder and lightning to form a shield, which blocked David’s thunder and lightning attack. blocked!

“You actually realized the origin of thunder and lightning...”

David frowned slightly and said in surprise!

“Hahaha, my original power of thunder and lightning is much stronger than yours, and I can also directly transform into thunder and lightning. You, a mere second-level Tribulation Realm master, want to compete with me. What a wishful thinking!”

Hu Er raised his lips. Then he reached out and grabbed it, and the surrounding thunder and lightning instantly condensed into a spear!

On David’s Dragon Slaying Sword, the power of thunder and lightning continued to bloom, and the power of thunder and lightning was constantly colliding!

Hu Da’s palm moved the black clouds in the sky, and those black clouds turned into giant pythons, roaring continuously!

David looked at the two brothers Hu Da and Hu Er, with no trace of panic in his eyes!

Although Hu Er also understood the origin of thunder and lightning, compared with David, he was simply dwarfed!

David’s origin space is the stars in the universe. A single thunder and lightning origin star is probably larger than Hu Er’s origin space!

If Hu Er knew that David’s origin space was the stars in the universe, he probably wouldn’t be so arrogant!

Chapter 3595

What's more, David not only has the origin of thunder and lightning, he can completely integrate other origins to make the origin of thunder and lightning more offensive!

As for Hu Da's methods, David was even more disdainful.

With the protection of the indestructible golden body, it would be impossible for Hu Da to hurt David!

It's just that Devil Mountain Ghost Lao and the others don't know the situation and are still worried about David!

David fights against two brothers, Hu Da and Hu Er, alone!

After fighting for more than a dozen moves, they were not at a disadvantage!
At

this moment, Hu Da and Hu Er were a little anxious, and cold sweat broke out on everyone's forehead!

Two monks of the sixth level of the Tribulation Realm can do nothing against a second-level monk of the Tribulation Realm. This is too embarrassing!

The two of them joined forces and still couldn't take down David, which was beyond their expectations!

"I won't play with you anymore..."

David suddenly had a flash of light in his eyes, and then there was a magic whip in his hand!

Then a whip was whipped towards Hu Da.

The demonic whip was still carrying extreme fire, which shocked Hu Da. His body quickly swept back, and the whip passed across Hu Da's chest, and he almost hit it!

Even though he didn't hit the mark, the aura on the magic whip made Hu Da feel dazed for a while!

Just when Hu Da was in a daze, David slashed at Hu Er with his sword!

A whip and a sword, David can actually use them at the same time!

Hu Er snorted coldly when he saw this, and then waved the thunder spear in his hand, instantly bursting out countless thunder!

Immediately afterwards, those thunder bombarded David!

And on top of Hu Er's spear, thunder and lightning were still bombarding!

Every thunder and lightning carries a breathtaking power, and black holes of different sizes are torn apart in the void by these thousands of thunder and lightning!

When David saw this, a ball of thunder and lightning formed directly around his body, and then he rushed towards Hu Er without dodging!

“You still want to compete with me in the power of thunder and lightning, you are just throwing an egg against a stone!”

Seeing David, he also followed with the power of thunder and lightning. Fighting by yourself, Hu Er's eyes are full of disdain!

The origin of thunder and lightning is his special skill. Not everyone can understand this kind of thing!

Thousands of thunder and lightning formed a huge cage in the void, covering David in it, and then continued to squeeze it!

The thunder and lightning cage became smaller and smaller, and finally bound David tightly!

boom!

As the thunder and lightning cage closed, there was a deafening explosion!

A burst of white smoke rose up, and David's figure disappeared in the thunder and lightning!

“Hahaha, with this little ability, I dare to resist.”

“But this physical body has all turned into nothing. I have to explain it to the Demon Sealing Alliance!”

Hu Er thought that David was directly affected by the terrifying power of thunder and lightning. It was all reduced to ashes!

“Hu Er, be careful...”

Just when Hu Er looked proud, Hu suddenly shouted!

Immediately afterwards, Hu Er felt a terrifying aura coming from above his head!

Hu Er quickly looked up and found David, covered in thunder and lightning, looking down at him!

“You actually escaped?”

Hu Er was shocked, and then he pointed the thunder spear in his hand. From the spear, a thunder and lightning force as thick as a bucket hit David directly!

However, David did not dodge, but allowed the power of thunder and lightning to hit him!

The thunder and lightning around David became entangled with Hu Er’s thunder and lightning!

Soon, Hu Er was surprised to find that the source of lightning in his body was being rapidly absorbed!

“Are you actually absorbing my original power?”

Hu Er’s face was full of surprise!

“What? Can’t you suck it?” David asked with cold eyes!

“Do you know that my origin space is a lake, and you still want to absorb my origin power, which directly bursts your body.”

Hu Er didn’t take it seriously. After all, he has a huge origin space, which can store David wanted to absorb a lot of lightning sources, which was simply a daydream!
