

## Chapter 4660

Charlie smiled and followed Gerard all the way to his office.

Interestingly, along the way, he met at least seven or eight female employees with the same dress and temperament.

Apart from that, there were hardly any male employees on this floor.

So, Charlie asked with great interest: "Mr. Liu, why are there all-female employees here?"

"It's eye-catching!" Gerard said with a smile: "My employees are basically from flight attendants and beautiful Hong Kong girls,"

"And they are all about the same height, all under the age of 28,"

"I pay them double wages, but I don't need them to hold important positions,"

"Just dress up like this every day to say hello to me and serve me well at the same time, that's enough."

After speaking, he was afraid of Charlie's misunderstanding, and quickly explained:

"Mr. Wade, this kind of service as I speak, doesn't mean anything else, it's a simple, normal, and healthy daily service."

Charlie said lightly: "I had little understanding of Mr. Liu's behavior before I came here,"

"So Mr. Liu doesn't have to explain this kind of thing."

Gerard smiled awkwardly, scratched his head, and said, "Oh, for a long time,"

"For the people outside there have been some misunderstandings about me."

"If Mr. Wade hears something outrageous, don't take it seriously."

"Okay." Charlie sat down on the sofa in his office and said casually,

"Mr. Liu, let's talk about business, how do you want to cooperate with ISU Shipping?"

Gerard didn't expect Charlie to go straight to the point so quickly, and hurriedly said:

"That's right, Mr. Wade, there is also a shipping company I have,"

"But the operation is not very good, and a lot of transportation capacity is wasted,"

"So I hope to be able to follow ISU Shipping should cooperate in-depth and take some orders that cannot be digested from ISU Shipping."

Charlie said indifferently: "This kind of cooperation is naturally not a problem,"

"But the key is how much profit you are willing to pay to ISU Shipping?"

Gerard thought about it and said tentatively: "How about 30%? ISU Shipping doesn't have to bear anything,"

"Just give me the waybill that you can't digest, and I will give 30% of the freight to ISU Shipping."

"Thirty percent?" Charlie said with a smile: "If Mr. Liu only has such a little sincerity,"

"Then I guess it's impossible to talk about this matter."

Gerard was stunned, and quickly said: "Oh, Mr. Wade, these are easy to say."

"It really doesn't matter to me how much you split, I just want to make you an offer as a friend,"

"If you don't think it's suitable, it's okay to open five or more!"

Charlie smiled: "Well, I'll give you some time to think about it, after thinking about it, give me a price."

Gerard couldn't figure out Charlie's psychological expectations, so he could only nod and say,

"It's easy to talk, we can discuss this matter in the long run."

Just after finishing speaking, a beautiful woman knocked on the door and came in.

She said respectfully: "Chairman, Mr. Yang is here, and he has brought two very young newcomers."

"He said he wanted to introduce them to you."

"I told him that you were meeting guests, and he asked me to ask if it was inconvenient for you now."

When Gerard heard this, his expression was extremely ugly, and he quickly waved his hand and said,

"No, no, tell him that I have a distinguished guest, it is inconvenient! Let him go!"

After speaking, he deliberately glanced at Charlie and muttered:

"I lost it, this ba5tard surnamed Yang, he always runs to me when he has nothing to do, making it seem like everyone is familiar."

Charlie laughed and said, "Mr. Liu, you are often in the entertainment industry,"

"And your acting skills are still like this. It's really hard to hide."

Gerard could not wait to dig through the cracks in the ground and said bravely:

"No, Mr. Wade, I'm really not familiar with the entertainment industry..."

Charlie waved his hand: "Forget it since it's your good friends,"

"There is no reason to go out, you might as well introduce me to know them."

Gerard looked at Charlie, stunned slightly, and thought to himself:

"I thought this Wade is really a good man with a clean body, I didn't expect that he is also a good man."

"A fellow man full of benevolence, righteousness, and morality,"

"Now that he heard that Tyren brought two young newcomers here, so he moved his mind..."

Thinking of this, he immediately changed his expression with a smile on his face,

Said to the secretary, "Quick, let Mr. Yang come in!"
