

## Chapter 1011 Another Knock On The Door

---

"Dad! Those people must have come. Although they're arrogant, they came pretty quick."

After a short pause, Zakai burst into laughter.

He was excited that the hired killers had arrived.

Zakai couldn't help but become thrilled at the thought that the people outside could kill Trevor.

He hurried over to open the door.

However, what welcomed him was a familiar face instead of the killers he expected.

"Dragon! What are you doing here?"

"Surprise!" Trevor stood at the door with an expressionless face.

The happy blush on Zakai's face turned deathly pale.

Zakai came to his senses and immediately started to close the door.

However, Trevor was quick and kicked the door.

It flew back with a bang.

The loud bang startled Dooley, who was resting in the room. His eyes widened as he saw Trevor enter the room.

"What are you doing here?" Zakai got up from the floor and shouted, flustered and panicked.

Trevor sneered and said, "I heard someone wouldn't spare me and wanted to kill me."

As soon as Trevor finished speaking, an electric baton slid into view from his sleeve. He pressed a button, and it buzzed with electricity.

"Dragon! Stay away from me!"

Zakai stepped back in a hurry. He was extremely scared.

He staggered back and almost fell again.

Dooley was disappointed to see his son so scared. He pretended to be calm and asked, "Dragon, what are you doing here? What do you want? You've already made me and my company go bankrupt. Isn't that enough? I'm warning you, don't mess with me!"

"Huh?" Trevor raised his eyebrows. "How can you expect me to behave myself when you've hired people to kill me? Dooley, it's not a good time for you to think such things."

The look on Dooley's face changed dramatically.

However, before he could retort, Trevor kicked him in his thigh and zapped him with the electric baton.

"No! Ah..."

Dooley's jaws clamped together, and his body twitched on the bed.

"Please... Don't... Don't come near..." When Dooley saw the faint smile on Trevor's face, he was scared. He thought Trevor wanted to torture him to death.

"The hatred between us is not that deep. I've already gone bankrupt. Could you just leave me in peace? Please, let me go. Anyway, this is all Zakai's fault. Take your revenge on him!"

Without a moment's hesitation, Dooley chose Zakai as a scapegoat.

"Dad!" Zakai screamed, horrified. He couldn't believe his father would betray him.

Trevor sneered and once again zapped Dooley. This time on the neck.

Then he looked at the electric baton and said slowly, "Cut the crap and answer my question. Who did you hire to kill me?"

Because of the electric current, Dooley almost peed himself. He quickly waved his hands and said in a trembling voice, "Hidden Assassins! It's an international killer organization!"

Hidden Assassins?

Trevor secretly breathed a sigh of relief. He didn't expect it to be them.

Fortunately, Dooley didn't find the mysterious men in black. Trevor wasn't sure he would be able to escape them.

Although the killers from the Hidden Assassins were not

weak, Trevor was enough to deal with them with his current strength.

Trevor continued, "From what I hear, something big happened to the Sanderson family. You and some members want to have Trevor Sanderson arrested. What's your purpose?"

Dooley's eyes widened, and he was creeped out. He shouted, "Who the hell are you? How do you know so much about the Sanderson family?"

Trevor zapped Dooley again. Dooley twitched in pain.

"You just need to answer my questions," Trevor said indifferently.

"Okay, please stop... I'll tell you..." Dooley begged for mercy. He couldn't bear another round of the electric baton. "It's Xzavier Sanderson! He told me everything!"

Xzavier?

Trevor's eyes narrowed when he heard the name.

He had a faint impression of Xzavier.

At the Sanderson family gathering, Xzavier, a middle-aged man, talked happily with Ronald.

"Xzavier proposed the idea. He said that as long as Trevor died, we could legally divide the Sanderson family's property!" Dooley said in one breath.

Trevor's fists clenched in anger.

What an ungrateful person Xzavier was!

When Elwood was attacked, instead of finding out the truth, these people schemed against each other to contest for the Sanderson family's property. They even issued a warrant for Trevor's arrest.

Trevor cursed. "Xzavier? Good! I will keep him in mind."

Suddenly, there was another knock at the hotel door, and a man's voice followed.

"Mr. Sanderson? We're here. I hope you have the money ready."

The killers from the Hidden Assassins were here.

Zakai was overjoyed. He shouted in a hurry, "Come! Come in! Dragon is right here. Kill him!"
