Chapter 3717

“Can you really take me to Guanghai Palace?”

David looked at the goatee with disbelief in his eyes!

“Of course. I have lived here all my life. I am very familiar with the road to Guanghai Palace, and it is absolutely safe.” “I will

tell you the truth, I am familiar with an elder from Guanghai Palace. If you give me more spirit coins, I can take you to the inner gate without any problem.”

Goatee smoothed his beard with his hand and said with confidence!

“Okay, then take me to the inner gate. It’s best to meet the master of Guanghai Palace!”

After saying that, David took out a dozen purple gold spirit coins from the storage ring and threw them to Goatee!

“Purple gold spirit coin?” Goatee

looked at the purple gold spirit coin in his hand and was stunned for a moment!

It took a long time to recover, and the look in David’s eyes instantly became extremely flattering!

He didn’t expect that David turned out to be a rich man who could sell more than a dozen purple gold spirit coins!

“Fellow Taoist, don’t worry. I have stayed here all my life, and I will definitely send you to Guanghai Palace!”

Goatee hurriedly put the purple gold spirit coin into his pocket, and was about to leave with David!

“Shen Jizi, you are cheating here again, how many times have I warned you!”

Just as Shen Jizi was about to leave with David, a scream suddenly sounded!

I saw a female cultivator wearing green clothes and holding a sword coming quickly, glaring at the magical machine!

When Shen Jizi saw the woman, he immediately seemed extremely embarrassed!

“Miss Lan, I’m not lying. Don’t slander me!”

Shenjizi shook his head quickly and said!

“Huh, I’ve been watching you for a long time. You’ve been using our Guanghan Palace to lie to people all day long. Don’t think I don’t know.”

Miss Lan snorted coldly, then looked at David and said, “Fellow Taoist, I This is Guanghan PalaceThe person in charge of the reception desk, my name is Lan Yingying. Did this guy tell you that he can take you to our Guanghan Palace? He can also take you in and let you spend money? “

David nodded, and then looked at the magic machine with a bit of anger in his eyes. It turned out that this guy was a liar!

“Don’t be fooled. If you want to go to our Guanghan Palace, you can only register at the reception desk. Then let us lead it. “

“If you rashly go up the mountain privately, you won’t be able to find the location of our Guanghan Palace at all, and you will be in trouble. The environment here is harsh and there are monsters everywhere. “

” If you really want to go to Guanghan Palace, please queue up and register. “

After Lan Yingying finished speaking, after taking a look at David, she immediately continued, “But with your third-level strength in the Tribulation Realm, I’m afraid you won’t have the chance to go to our Guanghan Palace this time. The strength of the monks we registered this time must be Only those who are at level five or above of the Tribulation Realm are required. “

After all, the Taoist companions the outer sect sisters are looking for this time are going to enter the polar regions together. If the cultivation level is too low, it will just be a waste of time!” “

After listening to Lan Yingying's words, David was really surprised. He didn't expect that Guanghan Palace was really different!

There are also realm requirements for finding a Taoist companion for the outer disciples in his palace!

Where is the meaning of finding a Taoist disciple? The couple is obviously looking for someone to take advantage of, someone who has worked for Guanghan Palace

in vain! David was about to ask Lan Yingying if the master of Guanghan Palace was in the palace. David wanted to set up a relationship to see if he could enter. Guanghan Palace!

But before David could say anything, a commotion broke out in the queue!

"Who are you?" We've been waiting in line for a long time, why did you jump in line?

"What the hell, don't you Guanghan Palace care about it? "

"I've been waiting in line for a long time, no one can jump in line! " "

Someone in the queue shouted dissatisfied!

Lan Yingying frowned and her face turned ugly. It seems that queue jumping often happens here!

Chapter 3718

"Xue'er, what's going on? Why is there someone jumping in line?"

Lan Yingying looked at a female cultivator not far away and asked sharply!

"Sister Lan, this person is related to Elder Mu."

The female cultivator hurriedly came over and said. Lan

Yingying said with a cold face and an unhappy expression, “Didn’t I say that it doesn’t matter what the rules are?”

“Have you forgotten the rules of our Guanghan Palace? “

Sister Lan, I...” The female cultivator lowered her head, looking a little aggrieved!

“Do I also have to follow the rules?”

A male cultivator in white walked towards Lan Yingying with a hint of amusement on his face.

When David saw this male cultivator, he was stunned. Isn’t this the same Mu Kui who was let go by Elder Na Xia?

When did this guy come to Nanjing City?

Could it be that he was also going to Guanghan Palace?

After Lan Yingying saw Mu Kui, she also frowned slightly. “Mr. Mu, now your behavior has caused dissatisfaction to others, and there is nothing we can do...”

Obviously, Lan Yingying’s tone has become much softer, and it seems that She also knows Mukui!

Mu Kui looked at Lan Yingying with a flickering look in his eyes. He raised the corner of his mouth and said, “You mean, you want me to line up?”

“Not bad!” Lan Yingying nodded!

“What if I don’t line up?” Mu Kui seemed to be provoking Lan Yingying!

“Then I can’t register you!”

Although Lan Yingying’s tone was calm, she was very firm!

“Won’t you register for me?” Mu Kui snorted coldly. “I want to see if you have that ability.”

“Open your big eyes and see what this is...”

Mu Kui took out a token. Waved it in front of Lan Yingying, this is the token of Guanghai Palace!

Seeing the token, Lan Yingying stopped talking!

“This is the token given to me by Elder Mu of Guanghai Palace. What else do you dare to say?”

“I tell you, if it weren’t for the fact that you are an inner disciple of Guanghai Palace,, I have played with you a long time ago.

“My aunt personally notified me to come here, so that I can go to the extreme to experience it. Otherwise, I would not be willing to come to this ungrateful place. ” “

After Mu Kui finished speaking, he put away the token and walked straight towards the reception room. There was no queue at all!

Mu Kui didn’t notice the existence of David until he left. David changed his appearance and suppressed his aura. If Mu Kui wouldn’t have been able to find out if he hadn’t deliberately probed!

Lan Yingying looked at Mu Kui’s back, her face turned red with anger, but there was nothing she could do!

The female cultivator opened her eyes angrily and said, “Sister Lan, this Mu Kui is going too far. He dares to talk to you like this because of his relationship with Elder Mu. Moreover, this guy has made a fool of several of our outer sect sisters by relying on his status as the young master of the Mu family. “

He also said that the harmony of yin and yang, the dual cultivation of ice and fire, can quickly increase the strength, so that many of our outer sect sisters were deceived by him and competed with him...” “

Xue’er, shut up!” “Lan Yingying didn’t wait for Xue’er to finish speaking, and hurriedly glared at her!

After all, there are David and that magic machine. It’s inconvenient to talk about some scandals in Guanghai Palace!

Lan Yingying took Xue’er and left without looking at David. One glance!

In Lan Yingying's eyes, David is just a little monk at the third level of Tribulation Realm! He

is not even qualified to sign up!

Seeing this, Shen Jizi turned around and was about to leave!

“Fellow Taoist, have you forgotten something? thing? “

David saw that the magic machine was about to leave, so he said!

“What did I forget? “Shenjizi said pretending to be confused!

“You forgot to return the money to me. “

David stretched out his hand toward Shenjizi!

“What money? I didn't take your money, so don't slander me and get out of here right now, otherwise don't blame me for being rude to you! “

How could Shen Jizi take out the money he put in his pocket!

What's more, David is only at the third level of the Tribulation Realm, and he is the fifth level of the Tribulation Realm!

David has no companions, he is the only one. The magic machine is going to steal it!

“Are you planning to steal it openly?”

David smiled coldly!

“Yes, I will rob you, what can you do? I tell you, money is an external possession, be careful not to lose your life because of money!” “

If you lose your life, then...”

Shen Jizi has not said anything yet. After finishing, I found that David was missing!

Then a black shadow flashed in front of him, and Shenjizi felt his breath stagnant, and he was a little out of breath!

I saw that David was already in front of him, holding Shen Jizi's neck with one hand! Shen

Jizi's eyes widened with incredible expression!

After all, he was also a fifth-level monk in the Tribulation Realm. He didn't even have time to react before he was controlled by David, a third-level monk in the Tribulation Realm!

"No one has ever dared to steal my money..."

David's eyes were cold, and his hands were filled with breath!

Shen Jizi's whole body was suppressed by this aura, and he could not move at all. Moreover, he felt that the soul in his body was not peeling off bit by bit!

Shenjizi panicked, knowing that he had met a master.

How could someone who could take out more than a dozen purple gold spirit coins at once be an ordinary monk?

regret!

Shen Jizi regretted it so much that cold sweat kept dripping from his forehead!

"Fellow Taoist, this fellow Taoist is merciful. I didn't lie to you. I really know the way to Guanghan Palace, and it's absolutely safe." "

I can take you to Guanghan Palace and return all your money ." Give it to you."

"I hope fellow Taoist would be kind enough to spare my life. I have parents who are hundreds of years old and children who are dozens of years old. They all rely on me to support them..."

Shen Jizi said. , actually started crying...

David didn't want to kill him, and it wasn't worth it for a dozen purple gold spirit coins!

"Do you really know the way to Guanghan Palace?"

David asked!

Since there is no way to register at the reception desk, David can only go to Guanghan Palace by himself. It would be best if someone leads the way!

"Really, if I tell a lie, the sky will strike me with five thunderbolts. I will be struck to death by thunder and calamity, and I will never be able to be reborn again. "

Shen Jizi hurriedly swore!

When David saw this, he let go of Shen Jizi.

Shen Jizi was breathing heavily, feeling like he was surviving a disaster!

"I'll pay you back the money first, and then take you there..."

With that said, Shenjizi went to pay for it!

"No need, if you take me to Guanghan Palace, the money will be your expense!" "

David waved his hand and said generously!

When Shen Jizi heard this, his eyes suddenly lit up, he patted his chest and promised, "Don't worry, fellow Taoist, I will definitely take you to Guanghan Palace, and it will be fast and safe! "

Shen Jizi took David out of Nanju City, and then arrived at the foot of Tianmo Mountain. It was all covered with white snow, and you couldn't see the end!

Shen Jizi didn't take David up the mountain, but continued walking south along the foot of the mountain. !

David was a little surprised. The Guanghan Palace was on the mountain, but the magic machine didn't take him up the mountain! The

magic machine also saw David's doubts, so he explained, "Fellow Taoist, I have my own secret passage that can reach it. Guanghan Palace, but you can only go to the outer gate. If you want to enter the outer gate, you have to find a way yourself. "

I have no business entering the outer gate, let alone meeting the Palace Master of Guanghan Palace. That's all my bragging!" "

Shen Jizi told the truth. He knew how powerful David was, so how dare he hide it from David!

"It doesn't matter, just take me to Guanghan Palace!" "

David said calmly!

As long as he finds Guanghan Palace, finds a way to see the palace owner, and gets the Heavenly Demon Stone, everything will be fine!

David doesn't want to stay in Guanghan Palace for a long time, nor does he want to cause trouble with Mu Kui. , after all, his identity is not suitable for staying in one place for a long time!

If his identity is exposed, it will be very troublesome in the future!

The killing order of the Demon Sealing Alliance will indeed bring a lot of inconvenience to David!

"One day, I will definitely seal the Demon Sealing Alliance." The Demon Alliance was destroyed! "

David thought to himself!

But with his current strength, it is simply impossible to destroy the Demon-Sealing Alliance!

Chapter 3720

Shenjizi nodded, and then continued walking south with David!

After walking a short distance, Shenjizi stopped and observed the surrounding situation. Then he waved his hand and a strong wind swept across, blowing away all the snow on the ground.

After the snow was blown away, a cave was revealed, but the cave was very small and required bending down to enter!

“Going through this cave, you can go directly to the outer hall of Guanghan Palace. It is very hidden, no one knows about it, and it is very safe.” “

I have been making money from this cave during this time...”

God Jizi pointed at the cave and said!

David glanced at the cave, and then sneered, “You rely on this cave to kill people and get goods, right?”

David could clearly feel the waves of anger coming from the cave!

Shenjizi was stunned for a moment, and then quickly explained, “Fellow Taoist, please don’t get me wrong. Although I have killed people in this cave, I never dare to have any evil thoughts towards fellow Taoist.”

“Even if you move, it’s meaningless!”

David smiled lightly and then got into the cave!

Shenjizi was stunned for a moment, and then followed in!

It was very dark in the cave, and David didn’t know how long he had been walking before a light appeared in front of him!

When he emerged from the cave, David saw a mist in front of him. In the mist, there was a palace!

“Ahead is the outer palace of Guanghan Palace. I can only take you here. If you want to enter Guanghan Palace, you need to find a way on your own.”

Shenjizi said cautiously!

“Okay, that’s it. You don’t have to worry about other things!”

David nodded, and then walked towards the outer gate of Guanghan Palace!

David looked from a distance and saw several female nuns guarding the outer palace. These female nuns were all so graceful and graceful that one look at them would make people feel excited!

Outside the outer gate of Guanghai Palace, there were several male cultivators who seemed to be saying something following the female cultivators!

These male cultivators were blocked from entering and could not enter!

Looking at the ragged clothes of these male cultivators, they must have found their own way to Guanghai Palace. It seems that they suffered a lot on the way!

However, such monks who come up to the mountain privately are not allowed to enter Guanghai Palace!

Only those who sign up at the reception desk and are brought in by someone from Guanghai Palace can enter.

Soon, another group of people walked towards the outer gate of Guanghai Palace.

But this time, it was Lan Yingying who led the team, followed by more than a dozen male cultivators!

Mukui is among them!

“Sister Lan, you are here...”

A female cultivator from Guanghai Palace saw Lan Yingying and hurriedly opened the door to welcome her out!

Lan Yingying nodded, then looked at the ragged monks in front of the door, frowned slightly and said, “Why are so many people coming to Guanghai Palace privately today? They are really stubborn!”

After saying that, Lan Yingying let herself All the monks he brought entered the outer palace, and he said to the ragged monks, “It is impossible for you who come to Guanghai Palace privately to enter. Go back...” “

Fellow Taoist , we went through a lot of hardships to find this place. Many people died on the way, so just let us in.”

“Yes, if we go back like this, some of them will definitely die on the way, so just let us in.”

“We are just We just want to find a Taoist companion, and we are willing to contribute to Guanghan Palace!”

Several monks begged Lan Yingying, and some even knelt down!

Lan Yingying looked at these monks, sighed, and then said, “Our Guanghan Palace has the rules of Guanghan Palace. If we let you in, wouldn’t it be bad? Anyone who wants to enter Guanghan Palace can do it.

” If you really want to enter Guanghan Palace, then enter from the side of the main hall, there is an illusion formation there, as long as you can pass through, you can enter Guanghan Palace.”
