

Chapter 4812

However, Elaine felt that these were all verbal promises anyway,

And that she had never received a penny from the woman, so it was impossible for the police to find evidence.

The female police officer glanced at Elaine with a little pity,

And then, together with her colleagues, took her to their police station next to the airport terminal.

Because Elaine was willing to break a rib, she was crying and screaming all the way,

Hoping to get treatment first, but the policewoman said:

“It’s just a broken rib, there is no need to go to the hospital,”

“Our health care doctor will come to you in a while.”

“Do a simple fix and then take some oral anti-inflammatory drugs.”

Elaine cried and said, “You are too lacking in humanitarianism, aren’t you?!”

“I’m going to sue you! Oh no! I’m going to sue you, I’m going to sue you,”

“And until you won’t pay me ten or twenty million dollars. I’m not finished with you!”

Speaking, Elaine remembered one thing and deliberately said loudly:

“A few years ago, a Vietnamese-American was forcibly expelled on your plane,”

“And the Internet said that he finally won 140 million US dollars!”

The policewoman said lightly: “First of all, the incident you mentioned was a dispute between an airline and a passenger,”

“And what you are experiencing now is a criminal case in which the American police arrested a transnational drug dealer.”

“Given that, you were arrested and had the intention to resist,”

“Law enforcement officers have the right to use force to arrest you;”

“Secondly, the whole process of our law enforcement is captured by body cameras.”

“If you have any objection to our law enforcement, you can question your lawyer.”

“I believe your lawyer will give you the answer at that time.”

Seeing that her ribs were broken, Elaine couldn't scare the policewoman,

And realized that this matter must be very serious.

So her tone softened all of a sudden, and she choked and asked,

“Comrade police... I'm really innocent... How can I prove my innocence?”

The other party said indifferently: "If you want to prove your innocence, the only way is to arrest the other party,"

"And the other party must admit that you do not know anything,"

"So as to prove your innocence. Otherwise, there is no way to prove your innocence."

"After all, these contraband items were found in your checked luggage,"

"If you can't prove your ignorance, then you can't clear your suspicions!"

Elaine panicked and quickly said: "I have a chat record with her."

"She has been hanging out with me all the time. The chat record can prove my innocence!"

The policewoman shook her head: "If you can unilaterally prove your innocence based on the chat record,"

"Then it's too simple. In the future, all drug dealers will concoct a chat record,"

"And then swagger over to take the plane. If successful, they will make a lot of money."

"If they fail, they will take out the chat records and say they are innocent,"

"So they don't have to take any risks?"

"Do you think there are so many loopholes in the law for you to drill?"

When Elaine heard this, she immediately said eagerly: "Then why are you still standing here?"

“Take the time to catch that Phaedra!!! She just left the airport and must have not gone too far,”

“And if she runs away for a while. She won’t leave New York!”

“As long as you can catch her and interrogate her strictly, I will be able to prove my innocence!”

The female police officer said coldly: “We don’t need you to direct how the police handle the case.”

“Now we have to make a complete statement for you.”

“If you have a lawyer, we can help you notify the lawyer.”

“If you don’t have one, we will give one to you.”

Elaine blurted out: “I want to call my family, I want to call my daughter and son-in-law!”

Seeing that Elaine wanted to contact her family, the policewoman nodded:

“Okay, you have the right to contact your family and ask your family to arrange a criminal lawyer for you.”
