

Chapter 5037

When Elaine was in a state of despair, while she was absent-mindedly grabbing breakfast in the restaurant,

The news that the three powerful inmates were about to be released from prison,

Had already spread throughout the Bedford Hills Correctional Institution.

Everyone knew that the reason why Elaine was able to make a kingdom here was mainly,

Because she had three women who were powerful enough to be perverted.

Now, these three women are suddenly going to be released from prison,

This means that Elaine will completely lose her asylum!

As a result, many people who were suppressed, humiliated by Elaine,

And even cleaned up by the three females, began to ignite the flame of revenge in their hearts.

Everyone was looking forward to repairing Elaine after the three people leave,

To see if she was still the so-called Bedford Mountain ghost.

Because of this, throughout breakfast time,

Elaine could always feel the eyes and threats from all directions.

The flustered Elaine, after breakfast, went to the playground to grab a public phone as soon as possible,

Got the phone, and called Charlie immediately.

After receiving Elaine's call, Charlie didn't find it strange at all,

And asked with a smile, "Mom, why did you call me so early?"

"I have already done everything you asked me to do yesterday,"

"And it is expected that the New York police will be there after a week,"

You will regain your freedom. During this time, you can have a good time in there with your new friends,"

"And by the way, you can also accumulate some materials for the book you want to write."

Elaine suppressed the fear in her heart and blurted out:

"Good son-in-law, about that...you better let them release me quickly, I don't want to stay here..."

Charlie pretended to be surprised and asked, "Mom, why did you suddenly think about it again?"

"I just said hello to them, I'm afraid it won't change anymore..."

When Elaine heard this, she was even more frightened,

And even her voice was a little nervous and pleaded:

“Good son-in-law, please help me to find a way to get my mother out as soon as possible,”

“It is best to let your mother get out of here before noon today.”

“I really don’t want to stay here for a minute!”

Charlie asked inexplicably: “Mom, what’s wrong with you?”

“Actually, I think your motivation for writing a book yesterday was really great.”

“When your book is finished and published in China at that time,”

“We will also be able to let people see the unknown side of the United States, and maybe even win an award!”

Elaine saw that Charlie actually believed her nonsense remarks and it made her feel extremely annoyed,

But she didn’t dare to let him know the truth, so she could only bite the bullet and say;

“You also know about Mom’s situation, how can someone like me be able to write books?”

“Ah! If it’s not well written, wouldn’t it make people laugh...”

After speaking, she couldn’t wait to ask: “Good son-in-law,”

“Can you get Mom out today? I can’t stay any longer! Please help Mom!”

Charlie pretended to be surprised and asked,

“Mom, what happened to you? Did you get bullied inside?”

Elaine wanted to follow Charlie’s words, tell him that she was indeed bullied in prison,

She believes this will make Charlie pay attention and get her out quickly.

But after thinking about it, in the future, she still wants to rely on the stalks of the Bedford Mountain Ghost to brag to others.

If she now admits that she was bullied in prison,

How can she tell others vividly about her time in the future?

The legendary experience of the Bradford Hill Correctional Institution?

Thinking of this, she could only quickly explain: “Mom mainly misses you,”

“And I dreamed of Claire last night, so I thought that I would call you when I had a meal early this morning.”

“It’s better to go out early, go out early and see Claire sooner...”
