

Chapter 5148

Leroy said with a firm expression, "I think, these people ignore the tragic experience,"

"And bitter hatred of their ancestors, only care about their own interests,"

"And even go so far as to betray their comrades who fought side by side,"

"Their hearts should be put to death!"

"What is the difference between these people and the traitor Wu Sangui,"

"Who let the Warriors Den into the country and even killed the Southern Ming Emperor Yongli with his own hands?"

Charlie did not expect that when Leroy mentioned traitors, he was thinking of Wu Sangui from hundreds of years ago.

However, he quickly understood the reason for it.

The ancestors of these Cavalry Guards, there should be many of them were Southern Ming people,

Southern Ming was the last dynasty of Han people, for the Han people at that time,

Wu Sangui was the most traitorous traitor in this world.

Not only did he put the Warriors Den into the country for his own glory and wealth,

Taking away the rivers and mountains of the Han people,

But he even acted as a pawn for the Warriors Den,

Committing many unforgivable crimes against his own countrymen and clansmen.

What is even more outrageous is that this man, who was originally a minister of the Ming Dynasty,

Personally captured the last emperor of the Southern Ming Dynasty, Emperor Yongli,

And killed him with his own hands after surrendering to the Warriors Den,

An act of regicide that is not uncommon in the 5,000 years of Chinese history.

Therefore, this person can almost be counted among the Han Chinese's biggest traitors.

However, at this time, Charlie waved his hand to Leroy and said,

“Although I agree with your evaluation of these people,”

“I do not agree with your punishment of these people.”

Leroy asked, “Sir, what do you think is wrong?”

Charlie said lightly: “It is always easy to kill, but most of the time,”

“Killing is a lack of sufficient justice, you are after all only a group,”

“Not a sound society, you want to kill them, firstly, it is impossible to rely on,”

“Secondly, it may not be able to fully convince the public,”

“In case your behavior gives others a ‘those who go against me die! ‘ feeling,”

“Then for the others, what is the difference with being controlled by the Warriors Den?”

Leroy froze and asked him, “Sir, what do you mean then?”

Charlie said indifferently: "Once today's goal is achieved, you are in a practical sense out of the control of the Warriors Den,"

"And I am not your new master, but only reached a fair agreement with you,"

"The content of this agreement is that I provide you with the antidote,"

"You fight against the Warriors Den with me,"

"Once the Warriors Den is eradicated, this agreement will be naturally terminated,"

"Therefore, while your general direction during the survival phase of this agreement,"

"You will have to follow the agreement with me,"

"But within you, you will need to establish a credible internal order,"

"And any internal matters should be able to convince the public when making decisions."

Speaking here, Charlie paused and continued, "Once this credible internal order is established,"

"This set of order is equivalent to your internal basic law,"

“The behavior of all people, are subject to this set of basic law,”

“And you have to ensure the fairness of this set of laws,”

“To ensure that it applies to each and every one of you;”

“As for those who intend to betray the Cavalry Guard,”

“They should be punished with this set of basic laws after it is established,”

“That way they can be convinced in the true sense.”

At this point, Charlie looked at Leroy and said in a serious tone,

“If you really want to kill them, it must be everyone’s intention to kill, not just yours.

Leroy remained silent for a long time, with a grateful face said:

“Sir, your meaning, subordinate understands!”

Charlie hmmm, faintly said: “you go down first to prepare, find you completely trustworthy people,”

“Tell them these situations, let them be prepared, for the people behind,”

“I still have to meet one by one, to see if there are still the same people as that flag carrier,”

“If there is, I will also let them hold a towel in the left hand to facilitate the distinction,”

“Then you will lead people to deal with them!”
