

Chapter 5343

Ever since he confirmed that the Su family had nothing to do with the death of his parents,

Charlie never thought of taking the life of anyone in the Su family.

Zynn could let him off and make it happen, let alone a mere Zhifei.

And he asked people to protect him in secret, because of the face of Liona and Zhiyu.

The pilgrimage to the Jokhang Temple is not like Kevin riding a bicycle to Aurous Hill.

The latter has a bicycle, and the way is the most economically developed in China.

In this area, as long as you don't blindly pedal your bicycle on the high speed line,

There is basically no danger to your life.

But Zhifei's case is different. All the way westward, the environment is getting worse and worse.

If he is not careful, he would be in danger everywhere.

If he didn't protect him secretly if he died on the way, what could he explain to Liona and Su?

Zhifei also knew that Charlie asked people to protect him,

Not because he was really kind to him, but because of the face of his mother and sister.

But even so, he was still grateful to Charlie for awakening himself from his former dandyism.

Therefore, he said to Charlie very piously: “Mr. Wade, no matter what your purpose is,”

“I still thank you for your kindness in reinventing me!”

Charlie looked at him and said lightly: “It seems that you have also awakened,”

“The prodigal son has turned back, this time, if you don’t want to continue this time, the pilgrimage can be terminated.”

When Charlie said this, Zhifei and Liona were all surprised.

Zhifei thought that there was something wrong with her ears, and never dreamed that Charlie would allow him to stop the pilgrimage.

He has just walked a third of the way, and it was the easiest third.

The remaining two-thirds are the most severe challenges.

As the altitude gets higher and higher, the road ahead will become more and more difficult.

It is no exaggeration to say that if they stop now, at least 80% of the hardships can be avoided.

What Charlie said was not entirely out of his sincerity.

He just wanted to see if Zhifei really changed his past.

If he can really change his past and decide to abandon everything before him,

Then he will definitely choose to continue this pilgrimage.

But if he is still lucky, then he will definitely seize this once-in-a-lifetime opportunity.

The reason why Charlie tested him in this way was to decide whether to allow, Zhifei to return to the decision-making level of the Su family in the future.

Although the current head of the Su family is Zhiyu, it is impossible for Zhiyu to be in charge of the entire Su family alone.

Zhiyu is like the chairperson of a group company with the highest decision-making power and veto power.

She cannot cover all the core things are do it all by herself,

So her subordinates still need a lot of core executive positions to help her run the entire Su family's industry.

In a huge group company, under the chairperson, there are at least several executive directors and an executive president,

And each company entity under the group also needs a set of management teams.

The power in the hands is very large, so there must be a trustworthy person in charge,

So as to avoid management failure to the greatest extent.

But right now, Zhiyu doesn't have many people of her own who she can use.

Her father has been under house arrest by the He family and cannot interfere in the affairs of the Su family.

The old man Chengfeng also went to Madagascar.

Liona also went through the divorce procedures with Zynn. It is also inconvenient to have any relationship with the Su Group.

Therefore, if Zhifei can completely change his past, Charlie still hopes that he can return to the Su family and be used by Zhiyu.

It was because of this idea that Charlie decided to give Zhifei a real test.
