

Ex-Wife 1600

Chapter 1600

"Me?" Xavier looked at Leia and snorted. "I'm not that powerful. How can I decide what others do with their body parts? Even if I could, I wouldn't do such a cruel thing." "I'll do it even if you don't," Stefan said coldly from behind Xavier, his gaze steely. "If her eyes are a match, I don't mind being the villain and taking them." He was never an upright man, but at least he wasn't wicked.

However, he was willing to do anything to help Renee regain her eyesight.

"No, Stefan!" Xavier was shocked. Agitated, Xavier said to Stefan, "The whole point of this is to find a willing donor. If Shirley doesn't want to give up her eyes, you can't force her." "Why not?" Stefan's eyes were wild. "I'll give her whatever she wants to make her say yes. If she still refuses... then I'll have to use force." "You're breaking the law! It's illegal to sell organs. Do you have any idea what the consequences would be?" Xavier had always treated Stefan with respect, but right now, he was on the verge of a fight. "Yes, Renee needs the eyes, but Shirley needs them too as a celebrity and best actress! How could you sacrifice another woman's happiness for the sake of your love?" "So, what?" Stefan asked stubbornly. "People are selfish. It's just her bad luck that she bumped into me." "You're

out of your mind! There are other ways..." Xavier was desperate now, and his hands trembled as he grabbed a stack of donor applications. "We've got so many willing applicants, and we can screen them in time. Why do you have to take such extreme measures?" "Yes, I can screen them if we have a lot of time, but now..." Stefan clenched his fists, his eyes bloodshot. "Ren is running out of time. I can't take the risk of waiting any longer!" "Even if you don't want to wait, you can't behave recklessly. I don't want you to do this because I don't want you to lose your mind!" Xavier looked cold and firm.

The atmosphere was tense as the two best friends argued, both refusing to give in.

Seeing that, Leia took a deep breath and said calmly, "I'm going out for a cigarette." Quietly, she left the house.

However, after a while, Leia hadn't returned, and the fighting was getting worse.

"Damn it!"
