

## The Ex Husbands Revenge

The Ex Husbands Revenge Chapter 2711-“That’s Mister Grimston and Miss Underwood!” Many people in the crowd recognized them and knew that they were both from powerful families in the western region.

Hence, they all made way for them.

“You two, again! You just won’t give up.” Leon looked up and his expression darkened.

Earlier, Bucky and Aurelia unreasonably fought over the clear jadeite he set his eyes on and Leon already compromised once.

Instead of being content with it, Bucky and Aurelia followed them to the bidding area as well.

Just as Leon was about to purchase the jadeite with 30 million, the two of them intervened and bid against him.

This was out of line and Leon was frustrated, to say the least.

“Enough talking, kid! This green jadeite is quite rare, and I’m interested in it. If you know what’s best for yourself, you’ll give up to save yourself the embarrassment.” Bucky sneered proudly as he stared at Leon in contempt.

He only spent 9 million on the jadeite to undermine Leon and show off in front of Renee.

It would be ideal if Renee was provoked into breaking up with Leon.

Unfortunately, the result was not what he expected. Renee and Leon could not be bothered with him and Renee did not break up with Leon either.

Both Bucky and Aurelia were frustrated.

However, another chance presented itself.

Renee and Leon gave up on the clear jadeite and turned their attention to a green, high-quality jadeite.

This piece was rare and surpassed the earlier clear jadeite in terms of quality, so there was no way that Bucky would let them purchase it.

He and Aurelia joined in the bid immediately and tried to snatch the jadeite from Leon.

“Bucky’s right. Miss Morrison, this green jadeite is of the finest quality and it isn’t something that your boyfriend can afford. Why don’t you two leave before you embarrass yourself?” Aurelia mocked sarcastically.

Like Bucky, she also wanted to take this chance to undermine Renee and Leon.

On top of that, they just challenged Renee and Leon earlier, but the two of them were too thick-skinned and did not leave after that.

This frustrated Aurelia, but the circumstances changed.

There was a crowd in the bidding area, with most of them being powerful and wealthy figures.

If she and Bucky managed to defeat Renee and Leon in front of everyone, they could take the jadeite from Leon and humiliate him and Renee.

They would be so embarrassed that they could not possibly stay any longer.

She was determined to send Renee and Leon running no matter what to vent her frustration for coming second to Renee in every aspect.
