-An Understated Dominance by Marina Vittori Chapter 2240

After the shock, Liu Hongxue immediately became energetic.

There are only two women on the Tianjiao list, one is the Holy Maiden of the Witch Gu Sect, Huang Yinyin, and the other is the Dragon Kingdom God of War, Zhao Hongying.

These two people are her idols and the targets she chases after.

Now that she was lucky enough to meet one of them, she was naturally very happy.

If it were a deserted place, she might just run up and strike up a conversation.

It's just that now that everyone is paying attention, as a disciple of the Sword Sect, it is impossible for her to chat with the Holy Girl of the Witch Gu Sect.

Otherwise, it will inevitably cause unnecessary suspicion and cause some trouble to both parties.

"I didn't expect the Saint of Witch Gu Sect to be so young. I thought she was an aunt."  
Xu Yang was quite excited.

The second strongest man on the list of geniuses was basically unattainable to him.

It's a great honor to be able to take a look at it not far away.

"Wait...she seems to be coming towards us."

At this time, Liu Rushuang's eyes narrowed and she quickly noticed something strange.

Huang Yinyin, who was walking by herself, seemed to see something. She suddenly raised her lips, then turned around and walked over.

And the pace is very fast, with a bit of impatience.

"Hey, it's true, why is she here with us?"

Liu Hongxue looked left and right and found that there was no one else around her. Huang Yinyin came straight towards them, obviously heading towards them.

“Are you attracted by my handsome appearance?” Xu Yang adjusted his hair and clothes, looking a little excited.

“Senior brother, come on, even if someone can really attract the Holy Girl of the Witch Gu Cult, it can only be Brother Yan, not you.” Huang Yinyin poured cold water on her.

Xu Yang is a bit handsome, but compared to Yan Buqi, a beauty who kills both men and women, he is still far behind.

“Everyone, be careful! People in the Witch Gu Cult are not good people!”

Liu Rushuang frowned slightly, her hand unconsciously holding the long sword at her waist.

The Saint of the Witch Gu Cult, second on the list of geniuses. These two titles combined put too much pressure on her, and she had to be careful.

Amid everyone’s surprised, confused, and puzzled looks, Huang Yinyin walked quickly, with a bit of excitement and surprise, and then ran into Dustin’s arms.

“Uncle! We meet again!”

Huang Yinyin smiled sweetly, her big eyes narrowed into crescent moons.

At this moment, she changed her cold look before, and became lively, cute, and passionate.

However, such a scene shocked everyone.

“ah?”

Xu Yang was stunned, and the smile on his face completely froze.

Liu Hongxue was also stunned and rubbed her eyes, looking in disbelief.

Liu Rushuang was also stunned. The sword in her hand was half drawn out, but the result was completely beyond her expectation.

As for Yan Buqi, he also looked shocked.

Even though he was very good at predicting things, he never expected that Huang Yinyin, a saint of the Witch Gu Sect, would throw herself into Dustin's arms without any regard for her image and act like a spoiled brat.

Then here comes the problem.

Who is Dustin? How could he be so familiar with the saint of the Witch Gu Sect?
