An Understated Dominance by Marina Vittori Chapter 2249

Chapter 2249

“First, get out by yourself; second, I will throw you out myself. Take your pick.”

Zhang Yiqing stretched out two fingers and said lazily.

“Hmph! Who do you think you are? How dare you point fingers in front of me? Are you tired of living?!” Lu Heng glared and yelled.

“If you don’t get out, then I will have to help you, but by then, you will inevitably break your muscles and bones and lie in bed for a year and a half.” Zhang Yiqing continued to pick his nostrils.

“You dare to threaten me? Do you think I’m intimidated? If you have the guts, just give it a try. I want to see how capable you are!” Lu Heng pointed his sword horizontally, still arrogant.

“The old man said that you should be polite before fighting. I have already said all my good words. If you are so ignorant of courtesy, don’t blame me for being rude.”

Zhang Yiqing simply raised his hand and faced Lu Heng from a distance: “Thunder method.”

Two simple words As soon as the word was spoken, a bolt of blue lightning suddenly erupted from his fingertips, directly hitting Lu Heng who was shouting.

This lightning is so fast that it arrives in the blink of an eye.

Lu Heng was hit in the chest before he could react at all.

“Bang!”

There was an explosion.

The clothes on Lu Heng's upper body exploded directly, and his whole body seemed to be hit by a truck. He was ejected more than ten meters away on the spot, and then fell heavily to the ground.

"Young Villa Master?!"

Seeing this scene, the faces of the people in Blizzard Villa changed greatly and they quickly gathered around.

As for the warriors watching the battle, they were secretly shocked and amazed.

They didn't expect that a little Taoist priest from Longhu Mountain could be so powerful. With his thunder spell, he instantly killed the young owner of Blizzard Villa.

Although Lu Heng was a bit arrogant, he was still a half-step master.

As a result, he was beaten down when he met me, which was really a bit scary.

"Stab, stab..."

Lu Heng lay on the ground, clenching his teeth and rolling his eyes.

At this moment, he was in ragged clothes, his chest was burnt black, his limbs were paralyzed, and he couldn't move at all.

There was a flash of lightning on the surface of its body.

As soon as several disciples from Blizzard Villa touched Lu Heng, they were immediately shocked and shrank back.

"Young Villa Master? Young Villa Master?"

Everyone gathered in a circle and kept shouting, but they did not dare to get too close.

When the current in his body gradually disappeared, Lu Heng finally woke up from his paralysis.

"What's going on?"

Lu Heng shook his head, a little confused.

Everything happened so fast that he didn't even react before he was hit by Zhang Yiqing's thunder method.

Then he briefly lost consciousness and had no memory of what happened.

"Young Master, you have just been struck by lightning."

The old man with the goatee pointed at Lu Heng's chest.

Lu Heng looked down and found that his chest was covered in blood and flesh, and was burnt black. He could still vaguely smell a unique smell of meat.

In an instant, he became furious.

"What the hell!"

Lu Heng slapped the ground suddenly, his whole body jumped up instantly, and he pointed the knife at Zhang Yiqing: "Smelly Taoist priest! I didn't expect you to be so despicable, and you actually carried out a sneak attack when I wasn't paying attention? Could this be your Longhu Mountain? His style?!"

"Sneak attack?"

Hearing this, Zhang Yiqing couldn't help but feel a little funny: "I acted openly and openly, how can I talk about a sneak attack? But I have to say that you are rough-skinned and thick-bodied. Stand up."
