

An Understated Dominance

Chapter 2463

Katy, who appeared as the Ancient Sage of Sacred Wyrms Summit, caused quite a stir at the scene.

Everyone, regardless of gender, age, or status, stood up to congratulate him and salute.

Although Sacred Wyrms Summit rarely got involved in the affairs of the martial arts world, it was the leader in the hearts of the people in the martial arts world.

No matter what Katy was like before, as long as he put on the robe representing the identity of the Ancient Sage, he was destined to be extraordinary.

"I am very honored that you can come to Sacred Wyrms Summit as guests. If there is any inadequacy in the hospitality, please forgive me."

Katy faced all directions, smiled, and returned a salute to everyone.

His expression was neither humble nor arrogant, gentle as jade, without the slightest airs.

"No, no, Sacred Wyrms Summit is a blessed place. It is a great honor for us to come here and see it."

"I have heard of Master Foster's name for a long time. Today I see him, and he is indeed worthy of his reputation!"

"This time, Sacred Wyrms Summit is holding a martial arts competition, which gives us a chance to show our skills. Master Foster is truly wise!"

Everyone started to flatter him and were not stingy with their praise.

It was always right to have a good relationship with Sacred Wyrms Summit.

"Thank you for your praise, please sit down."

After the greetings, Katy motioned everyone to sit down, then took Orion and Easton back to the main seat in front of the arena.

When Katy appeared, the bigwigs of various sects also appeared one after another.

"Look! The people from the Sword Union are here!"

As the exclamation sounded, a middle-aged man in white clothes with a fierce momentum walked out with several disciples.

The middle-aged man in white clothes had long flowing hair, a handsome appearance, and cold eyes.

His whole body exuded an icy aura.

Wherever he passed, the crowd dispersed and took the initiative to make way, not daring to approach at all.

The person who came was the second on the Astonishing World List, the leader of the Sword Union, Cyrus Hadley!

At this moment, behind Cyrus Hadley, there were two men and one woman, all young disciples.

The most eye-catching one was a cold young man with five long swords on his back and an extraordinary temperament.

The young man was none other than Glenn Hadley, who was recognized as the world's top genius and ranked first on the Legendary List!

The master and the disciple stood together like a giant sword that could hold up the sky, making people feel cold.

“What a fierce momentum! What a terrifying sword intent! Is this the oppressive feeling of the Sword Union?”

“No! I have to stay away, otherwise I always feel that my life is in danger!”

The appearance of several people from the Sword Union instantly attracted the attention of all the audience.

However, compared to the spring breeze when facing Katy, when people looked at Cyrus Hadley and Glenn Hadley, they were more wary and afraid.

Before they even got close, they had already retreated, as if they had seen an evil star.

The Sword Union's actions were not overbearing, and as long as they were not provoked, they could basically live in peace.

But for some reason, as soon as the Sword Union appeared, it gave people the illusion that it was going to kill everyone, forcing other sects to stay away from it.

“Master Hadley.”

Seeing Cyrus approaching, Katy stood up with a smile and bowed to show respect.
