Married at First Sight Chapter 1918—“I heard that even his parents don’t know about it.” Hayden said in a low voice, “Older Young Master York must know about it. Kevin respects his brother very much, everything is respected by Zachary, and there is nothing wrong with him. I will tell Zachary, but Zachary’s mouth is very tight. I’m afraid it’s hard to find out. You can ask old Mrs. York or Serenity. She is Zachary’s favorite, Serenity basically knows what Zachary knows.”

Hugh said, “Didn’t Mrs. Zhan and the young mistress go on a trip? I’m afraid it’s hard to find her now.”

After being silent for a while, Hayden said again, “It’s not like you want them to find out in a day. Just keep this matter in mind. Of course, it’s best to find out as soon as possible.”

Hugh: “What if I can’t find out?”

Hayden’s face sank, her eyes also became deep, and she said coldly: “Then we can only be blocked by soldiers, and the water will be flooded.”

No matter what conspiracy Kevin had, one day the fox’s tail would show.

“Brother, why don’t you complain to Older Young Master York and let him take charge of Kevin? I think if Older Young Master York knew that Kevin treated you like this, he would be anxious too. As a big brother, he mustn’t like to see his younger brother pursue a man. If He pursues a man, I think his elder brother will control him and persuade him to like women.”

Hayden was amused by his younger brother’s words, She glared at her younger brother and said: “If he likes men, the sun will rise from the west. I’m going to attend the banquet tonight. You will go with me. Kathryn Farrell will also attend the banquet.”

Hugh immediately begged his sister for mercy, “Brother, just forgive me, I’m really not interested in that Kathryn, that kind of woman who pretends to be a pig and eats a tiger. I can’t beat them, and I am a straight-forward person, and I don’t like playing tricks the most.”

Even if, he would inspire.

When he was supported by his sister, he didn’t want to be a planning man.

Who was willing to be a scheming person when it’s okay?

Hayden: “I have a good impression of Kathryn. She is much better than your beauties.”

“Brother, I’m only your younger brother. Are you willing to let your younger brother be their son-in-law? Are you willing to let a woman control your younger brother to death? What’s the point of having a daughter without my surname Queen?”

Hayden choked. She really appreciated Kathryn; even the people in Jensburg didn’t like her as a true daughter, thinking that she was weak and might not be able to take over the Farrell family.

Could Kathryn succeed in ascending to the position in just a few years

The fake daughter of the Farrell family was carefully cultivated by the head of the Farrell family since she was a child.

Even though she was not the real flesh and blood of the Farrell family, she still lived in the mansion of the Farrell family, calling the head of the Farrell family to be her mother. She was also involved in some business of the Farrell family, and she was more or less powerful.

She had been regarded as a successor for so many years, and she was about to take over, but she was exposed as a fake daughter, and she was willing to watch the real daughter take over.

Once Kathryn took over the position of Patriarch from her own mother, it would definitely be difficult for the fake daughter.

After all, she had no sisterhood with the fake daughter.

The worst thing about the Farrell family was that the owner only recruited her son-in-law.

Their Queen family only had one son, Hugh, and their parents would never agree that the younger brother would be the son-in-law of the Farrell family.

Hayden regretted in her heart. She didn’t know who would catch Kathryn’s eyes and become Kathryn’s husband in the future.
