## Chapter 2586

Dashi Village!

The old village head commanded everyone to endure great grief and bury those villagers who were killed by Wu Feiyu!

At this moment, Yun'er ran out, and frantically began to look for the old woman!

"Old village chief, my grandma, where is my grandma?"

Yuner asked while grabbing the old village chief's arm!

The old village chief bowed his head and said nothing, he didn't know how to tell Yun'er, could he tell her that the grandmother who raised her all her life was a demon cultivator?

Did you tell her that her grandmother was taken away?

Seeing the old village chief bowed his head and said nothing, Yun'er seemed to have guessed something, her body trembling slightly!

"Grandma, where are you, where are you..."

Yuner shouted loudly, but no one responded to her!

Yun'er went home helplessly, she didn't know how she would live without her grandma!

"Brother David, wake up, wake up, my grandma is gone..."

Yun'er cried bitterly on David's body, and now she could only find some comfort on David's body!

But at this moment, David's face was pale, his eyes were closed tightly, and he couldn't hear Yun'er's cry at all!

I don't know how long it took, Yun'er was tired from crying, and fell asleep on David's body!

.....

Five unique views.

Priest Wuji has returned with two disciples.

"Disciple, give me the jade bottle..."

Taoist Wuji said to his disciple!

Soon, the disciple handed the jade bottle containing the old lady to Taoist Priest Wuji.

"You two guard the mountain gate and no one is allowed to enter..."

Daoist Wuji said to the two disciples!

"Yes!" The two disciples nodded!

Then Taoist Wuji took the jade bottle and walked slowly to the back mountain of the Taoist temple. On a stone wall of the back mountain of the Taoist

temple, there was a pattern of the Eight Immortals crossing the sea. The pattern was lifelike, just like a real person!

I saw Taoist Wuji twitching his fingers and chanting words in his mouth. Accompanied by a flash of golden light, Taoist Wuji shouted "Open..." The

stone wall began to move, and a dark hole opened slowly. After entering, the entrance of the cave was slowly closed!

After entering the entrance of the cave, a vague light curtain flickered continuously, and Taoist Wuji passed through the light curtain without hesitation!

After passing through the light curtain, the scene changed instantly, and I saw a lush green scene in front of me, with mountains, lakes, birds and animals!

There are even many villages, large and small, with many people living in them!

Immediately after Daoist Wuji appeared, someone ran over and shouted respectfully, "Prince Wuji..."

Daoist Priest Wuji nodded slightly, and then opened the cork on the jade bottle, followed by a burst of black mist from the jade bottle. After rushing out, the figure of the old woman appeared!

When the old lady saw the Wuji Taoist priest in front of her, her whole face was ashen, and her expression was very nervous!

"If you want to kill it, just kill it. Why did you bring me here?"

The old woman looked around, not knowing where this place was, let alone what this Taoist priest Wuji was going to do to her!

But the old lady knew that as a demon cultivator, if she fell into the hands of other people, she would definitely end badly, and she would treat demon cultivators very cruelly!

There are even deals in the black market where you can buy and sell magic repairs, and you can exchange magic repairs for various resources!

So once Moxiu is exposed and caught, the best way is to commit suicide, and he must not be caught, otherwise life would be worse than death!

"Don't be nervous, I won't kill you!"

Priest Wuji smiled slightly and said, "I put you away just to save you."

"Save me?" The old woman's face was full of doubts!

"Your identity as a demon cultivator is exposed, and you will be caught sooner or later. If I don't take you in, you will be taken away by other people." "I

brought you here to save you. You can take a look here Who are they..."

Taoist Priest Wuji said!

## Chapter 2587

The old lady looked around carefully again, and then at the people around her, her eyes suddenly became shocked!

"This... These people are also demon cultivators, are they all members of my demon clan?"

The old woman was full of surprise, because she found that the people living here were all demon cultivators like her!

"That's right, these people are all demon cultivators, you can live like them here now."

Taoist Priest Wuji smiled slightly.

This time, the old woman was confused, not knowing what was going on.

"This old woman, Daoist Wuji is our savior. Every demon cultivator here is saved by Daoist Wuji." "

This is a secret place in Wujueguan. Daoist Wuji let us live It's here."

"Don't be afraid, Priest Wuji is a good man, he won't hurt us."

At this time, a demon cultivator beside him said to the old lady!

The old woman looked at Daoist Wuji in surprise, and she couldn't be more shocked, because she had heard that Taoist Wuji hated Moxiu to the bone, and hunted Moxiu everywhere, as long as he heard that there was Moxiu, Daoist Wuji would rush !

But he didn't think that Taoist Wuji didn't hate Moxiu, but to save them!

But the old lady didn't know why Taoist Wuji did this, why he wanted to save these demon cultivators!

As if seeing the doubts of the old woman, Daoist Wuji said with a faint smile, "Whether it is human race, demon race or beast race, in fact, people should be equal, but they don't want a war between gods and demons to push the demon race into the abyss and let the demon race be equal." The clan has become a rat crossing the street that everyone shouts and beats!"

"All living beings should live in peace, so why bother to fight and kill? I want to maintain the balance and order of the three clans, but my strength is limited, and this is all I can do." I don't know when, the three clans will be truly peaceful..."

Daoist Wuji's eyes became deep, looking up at the sky, his whole person looked old!

The old lady didn't know what to say for a while, she couldn't even say thank you!

"You can live well here, maybe when the three clans are at peace, you will be free."

After finishing speaking, Taoist Wuji turned around and prepared to leave!

"Daoist, I... I still have a granddaughter in Dashi Village, I'm afraid of her..."

The old lady was worried about Yun'er's safety, after all, Wu Feiyu and the others are ruthless!

"I'm in Dashi Village, and I didn't find any other demon cultivators?"

Taoist Wuji looked at the old woman with some doubts!

"No, no, my granddaughter is a human race. I have been hiding in Dashi Village for many years. I adopted this granddaughter since I was a child. I am afraid that people from the Jade Cauldron Sect will..." The old woman didn't say anything after that, because she didn't dare to say it

. She was afraid that what she said would really come true!

Daoist Wuji took a deep look at the old woman, and said slowly, "What does good and evil have to do with ethnic groups? Unfortunately, many people don't understand at all!" "Don't worry, I have warned the people of

Jade Cauldron Sect, They are not allowed to kill innocent people indiscriminately, I believe they dare not disobey."

After the Taoist priest Wuji finished speaking, his figure passed through a light curtain and slowly disappeared!

The old woman stood there blankly, as if in a dream, she was already doomed to die, but she didn't expect this to be the result!

"Grandma, let's go. I'll arrange a place for you."

"The former lover of Taoist Wuji seems to be a demon cultivator, but it's just that humans and demons have different paths. In the end, they were separated and his lover was killed." "The current

Wuji The Taoist priest has been working hard to save our demons, if there are more people like Taoist Wuji, our demons may really be saved."

The man took the old woman and chatted while walking, it seemed that he should be here. It's been a long time, and I know a lot about Taoist Priest Wuji.

## Chapter 2588

Dashi Village!

People who were still immersed in grief suddenly found that the entire Dashi Village was surrounded!

"Old village chief, it's not good, it's not good, Daqing village has brought people to attack our Dashi village..."

Someone shouted in panic, reporting to the old village chief!

Hearing that the people from Daqing Village were coming, the old village head frowned, and said loudly, "Notify everyone, get your weapons, and prepare to defend against the enemy..." Soon

, all the men, women and children in Dashi Village all picked up their guns. arms!

Although the people of Dashi Village did not dare to resist in the slightest when facing a sect like the Jade Cauldron Sect, but facing the same village as Daqing Village, the people of Dashi Village would not sit still!

Even if Daqing Village is indeed stronger than their Dashi Village, the villagers of Dashi Village who have already gathered a lot of anger are ready to fight with the people of Daqing Village!

The old village head climbed up to the tower at the entrance, and saw hundreds of people from Daqing Village, with weapons in their hands, staring at them!

And the leader of these people is Xie Yukun, the village head of Daqing Village. This guy used to be a bandit leader, but now he has become the village head. He wants to use this to clean himself up, but there are no real villagers in Daqing Village. They are all bandits. , Still doing the work of robbing houses!

"Xie Yukun, you suddenly brought so many people to attack our Dashi Village. What do you want to do? Don't think that our Dashi Village is afraid of you. If there is a fight, it will be a disaster!" The old village chief said with a cold face

.

"Old man, don't scare me. I didn't want to scare you too much. I brought people to your Dashi Village today, and I was entrusted by them. If you are obedient, you can still save your life. If you are not obedient, you can only kill them." Your village is gone."

"Don't forget, old man, what I used to do, if I were to slaughter the village, those girls in your village should enjoy it."

Xie Yukun said with a sneer!

When the old village chief heard this, his face flushed with anger, but he knew that Xie Yukun was a brutal guy, and he was originally a bandit, so if he really broke into the village, the girls in the village would all suffer!

"Xie Yukun, you said you were entrusted by someone, who exactly was entrusted by someone? Whatever you want, just ask, as long as I have what Dashi Village has, I can give it to you." The old village chief compromised, and Xie Yukun always

asked He just wanted some resources, so he sent them away. After all, Dashi Village lost so many people just now, and now they are fighting with Daqing Village, and I am afraid that more people will be killed or injured.

What's more, the old village chief was afraid that all the women in the village would be ruined. Death was not terrible. What was terrible was seeing his own women being ruined in front of his eyes, which was worse than death!

"I don't want anything from you when I come today. You just need to hand over a guy named David, and I will take him away immediately."

Xie Yukun said!

"David?" The old village chief was taken aback for a moment, and he understood in an instant that he had already guessed who Xie Yukun was entrusted with.

The old village head looked into the distance, and sure enough, under a tree not far away, he saw Wu Feiyu and Nie Hengzheng looking at them playfully!

The old village head didn't expect that after Taoist Wuji warned the two people, they would think of using people from Daqing Village to deal with him!

"fu\*\* you, we won't hand over Brother David..."

Zhu Zi climbed up the tower and yelled at Xie Yukun angrily!

"Little bastard, you're looking for death..."

Seeing that he was being scolded by a child, Xie Yukun suddenly became furious!

"You fu\*\*ing court death..."

Zhuzi bent his bow and drew an arrow, and shot towards Xie Yukun with a whoosh!

Xie Yukun sideways dodged the arrow, and then said furiously, "Kill me, kill them all, as long as you rush in, all the women will be rewarded to you..."
