

A Man Like None Other Novel

Chapter 2640

Boom boom boom...

Deafening explosions sounded continuously on the ring!

Kuang Biao kept waving the Baganhuang ruler in his hand, and the entire arena was shrouded in black mist, and many people could no longer see the scene on the arena!

Only on the high platform on one side of the arena, the Second Elder and the Third Elder could still see David and Kuang Biao fighting.

And David's body was moving through the black mist. He didn't swing the Dragon Slaying Sword once, relying solely on his body skills to avoid Kuang Biao's attack!

In the blink of an eye, Kuang Biao had already attacked hundreds of times, but unfortunately he failed to hit David once!

On the contrary, Kuang Biao was so tired that he was out of breath!

Kuang Biao frowned, he didn't expect David to be so flexible besides his physical strength!

"If you admit defeat now, I can still save your life, just get under my crotch..." "

But when I lose interest in playing and you want to survive, it will be impossible!”

David looked at Kuang Biao, sneered!

“Boy, don’t be crazy...”

Kuang Biao was furious, and the eight thousand barren ruler in his hand attacked David again!

However, Kuang Biao’s attack was easily dodged by David!

“Mr. Chen is really capable, but Kuang Biao can’t even touch Mr. Chen’s clothes...”

Fang Shu said in shock when he saw the scene on the ring!

“Well, it seems that we really underestimated him a little bit.”

The third elder also nodded!

“Hmph, it’s just relying on the flexibility of his body. He said that he can defeat Kuang Biao in ten minutes. If he hides like this, it is impossible to defeat Kuang Biao in an hour, let alone ten minutes.”

“As soon as ten minutes are up, I’ll ask third junior brother to get up and announce the results...”

The second elder snorted coldly!

After hearing what the Second Elder said, Fang Shu and the Third Elder stopped talking, because the Second Elder was right!

David is flexible, but hiding like this is the most unfavorable for David. After all, David boasted that it would take ten minutes to resolve the battle!

If it goes on like this, it will be here in ten minutes!

"It seems that you gave up the chance to survive, so don't blame me for being rude..."

After David finished speaking, he finally stopped dodging, and swung the Dragon Slaying Sword in his hand instantly!

The two people collided and staggered constantly on the ring, and the entire void trembled.

Kuang Biao frowned, and a gemstone on the Eight Thousand Desolate Ruler in his hand instantly lit up, and then a black python rose slowly from the Eight Thousand Desolate Ruler!

The boa constrictor opened its mouth wide, revealing its fangs, and headed towards David!

Seeing this scene, the third elder, Fang Shu and others were all slightly shocked!

After all, Kuang Biao's eight thousand barren rulers can be regarded as magical weapons, and eight extremely vicious monsters are sealed inside the eight emerald gems on it!

When each jewel lights up, a ferocious monster will appear. When eight jewels light up at the same time, no one knows what kind of monster will appear!

Because no one dared to light up eight gems at the same time, when he was in Kuang Biao's mansion, Kuang Biao was enraged by David's behavior of demolishing the house, and eight gems lit up instantly!

Fortunately, the second elder appeared and slapped Kuang Biao to stop this scene. Otherwise, the entire Jade Cauldron Sect's residence would be destroyed if the monster appeared!

“Hahaha, David won’t be able to solve it in ten minutes with just eight thousand barren feet. It’s wishful thinking to defeat Kuang Biao in ten minutes.”

The second elder said with a big laugh.

The three elders and the others became extremely nervous, staring closely at the ring, wanting to see how David would respond!

And when David saw a boa constrictor emerging from the Baganhuangchi, the corner of his mouth couldn’t help but sneered!

Chapter 2641

You must know that he is the true body of the golden dragon, and there is a ray of dragon crystal and fire phoenix in his body!

Like these monsters, David is not afraid at all!

The aura in David’s body exploded instantly, and behind David, a golden dragon slowly circled up!

A dragon’s chant resounded through the heavens and the earth...

The boa constrictor that was attacking towards David was stunned for a moment when it suddenly saw the golden dragon appearing, and then its eyes were full of panic!

Then he turned his head and ran back, and in the blink of an eye, the python disappeared, and the gemstones that were shining on the eight thousand barren feet were also instantly extinguished!

Kuang Biao was dumbfounded, this sudden change made him stunned on the spot!

He didn't understand what was going on at all, and the attacking python ran back directly!

At this time, even the third elders in the stands were amazed!

"A golden dragon appeared behind Mr. Chen. Could it be a real dragon?"

Fang Shu said in shock!

The third elder didn't speak, but looked at David in shock!

"Kuang Biao, what are you doing? It's just a golden dragon that has been transformed, are you scared?"

Seeing that Kuang Biao was frozen on the spot, the second elder shouted anxiously!

You must know the rules of the competition, people outside the ring cannot remind people inside the ring, let alone help!

But the second elder blatantly violated the rules!

Accompanied by the Second Elder's shout, Kuang Biao just woke up from the shock just now, but before he could react, he saw a flash of white light!

Snapped!

Kuang Biao only felt his face was hot, and then half of his face swelled up!

It turned out that just now David slapped Kuang Biao's face severely with the Dragon Slaying Sword in his hand!

If David didn't hit Kuang Biao's cheek with a sword, but sealed his throat with a sword, then the current Kuang Biao's body might have been separated!

This proves that David has shown mercy. If Kwong Biao stops and admit defeat at this time, David will not pursue it!

But Kuang Biao was severely slapped by David's sword, his face was swollen, how could he stop and admit defeat!

In front of so many people, my face is completely humiliated!

Even the second elder lost all face, and shouted angrily, "Kuang Biao, what's the matter with you? You're nothing but trash..."

Kuang Biao was scolded by his master and became even angrier. Three emerald green gems flickered on the barren ruler!

Soon, waves of black mist rose, and under the coercion of this black mist, three monsters of different shapes appeared on the ring!

The three monsters roared, each one baring their teeth and claws, full of bloody aura!

It seems that these monsters have been suppressed in Baganhuangchi for a long time, and have not been released for a long time. When the three monsters were released, after seeing David, their eyes emitted a faint green light!

"David, I'm going to tear you to pieces..."

"Kill him to death, kill him to death..."

Kuang Biao gritted his teeth and roared angrily!

Kuang Biao commanded the three monsters and rushed toward David ferociously!

Facing the three ferocious monsters, David raised the corner of his mouth slightly, his whole body exuded a faint golden light, and the aura of dragon and phoenix power spread towards the surroundings in this light!

The entire arena was shrouded in this aura, and the three monster beasts, which were originally extremely ferocious, bared their teeth and claws, after being shrouded in this aura, they stood on the spot instantly, and their eyes were filled with fear!

"Get down..."

David yelled at the three monsters!

When the three monsters heard this, they trembled with fright and immediately lay down on the ground. You must know that David exudes the aura of divine beasts, how can these monsters not be afraid?

Seeing that David could easily command the three monsters, Kuang Biao was dumbfounded again, his mouth opened wide enough to stuff an egg in!

Chapter 2642

And everyone around them also widened their eyes, watching in disbelief!

The monster, which was very fierce just now, has become extremely docile at this moment, obeying Davidyan's orders. This is simply unbelievable!

Even the Second Elder and Third Elder on the high platform were stupefied, not knowing what was going on!

You must know that the monsters imprisoned in Baganhuangchi are all powerful and extremely fierce. Only this kind of monster are eligible to be imprisoned in Baganhuangchi, and the reason why Baganhuangchi can be called The magic weapon is also because of the monsters imprisoned inside!

But now, when facing David, these fierce monsters have all changed, which makes everyone puzzled!

"Go, bite that idiot for me..."

David said to the three monsters all the time!

The three monsters nodded, then turned around, showing fierce expressions again, and rushed toward Kuang Biao!

At this time, Kuang Biao was still standing stupidly, in a state of bewilderment, until the monster came up to him, and the unpleasant smell of blood from the monster's mouth rushed towards his face, and Kuang Biao finally realized it!

"Receive..."

Kuang Biao hurriedly waved the eight thousand barren ruler, and with the flashing of the gemstones, the three monsters were taken back again!

Kuang Biao's forehead was covered with cold sweat at this time, he was almost buried in the mouth of the monster!

But just after wiping off his sweat, a ray of light flashed by!

Snapped!

Kwong Biao's face was once again struck by David's sword. At this time, Kwong Biao's entire face had turned into a pig's head!

"Ah..."

Kuang Biao roared angrily, waving the Baganhuang ruler to attack!

Pa Pa Pa...

But before Kuang Biao could make a move, the long sword in David's hand struck again, directly slapping Kuang Biao's face!

Everyone present was stunned!

Originally thought that this was a no-suspense contest, after all, David was much lower than that Kuang Biao, and Kuang Biao still had eight thousand barren feet in his hand, but no one thought that it would be such a result, David is absolutely crushing on stage!

Soon, Kuang Biao's face was covered with blood and flesh, disfigured!

Seeing this scene, the Second Elder's face turned extremely pale, as if he had eaten shit!

"Master, Mr. Chen really didn't expect to be so powerful. At first, I was worried..."

Seeing David crushing Kuang Biao, Fang Shu said excitedly!

"I didn't expect Mr. Chen to be so powerful..."

The third elder was also very surprised!

Only Nie Heng didn't speak. After all, he fought David and almost didn't get shitted!

"Admit defeat? Kneel down and admit defeat now, and you can still save your life..."

David said to Kuang Biao!

"I will never admit defeat..."

Kwong Biao was completely pissed off by David at this time!

A domineering aura emanated from Kuang Biao's body, and rays of light seemed to fall from the sky and land on Kuang Biao's body!

"I want you to die, I want you to never be human..."

Kuang Biao roared angrily, staring at David with endless killing intent in his eyes!

I saw eight barren rulers in Kuang Biao's hands, and eight emerald green gemstones lit up together under the light!

Everyone was shocked when they saw this scene!

After all, they all know what it means for these eight gems to light up at the same time!

"Kuang Biao, don't mess around, hurry up and put down the barren ruler..."

The second elder panicked when he saw that Kuang Biao was going to summon the ultimate monster!

After all, no one has ever seen this kind of ultimate monster, nor has it experienced its strength. If they get out of control by then, their entire Jade Cauldron Sect may be gone!

But how could Kuang Biao listen at this moment, he was already blinded by anger at this moment, he must kill David!

I saw Kuang Biao's hair constantly waving, and a huge black vortex appeared above the ring!

Countless black mist was swallowed by that vortex!
