

A Man Like None Other Novel

Chapter 2606

"Huang Yaoshi, how sure are you? Now our ancestor's aura is very weak. If the medicine is more effective, I am afraid that the ancestor will not be able to bear it at all, and he will really die..." Ning Caichen was very nervous

. Yaoshi Huang asked!

After all, the resurrection of the ancestors is related to the future of their Ning family. If the ancestors of the Ning family really come back to life, then the status of their Ning family will definitely undergo earth-shaking changes!

You must know that the ancestors thousands of years ago were very powerful. Maybe they all succeeded in crossing the catastrophe and reached the Mahayana realm.

"Patriarch Ning, don't worry, I'm 90% sure, but Patriarch Ning's aura is so weak, even if he is alive, his strength will have to recover slowly." Huang Yaoshi said confidently

!

"It doesn't matter, as long as the ancestor is alive, I will give him all the resources of the Ning family. I believe that the ancestor will recover soon."

Ning Caichen said happily!

Huang Yaoshi nodded, then walked slowly in front of Ning Family Patriarch, gently opened Ning Family Patriarch's mouth, Huang Yaoshi stuffed a pill into Ning Family Patriarch's mouth!

The medicine king melted in his mouth, and then a soft breath began to wrap the whole body of the ancestor of the Ning family!

Ning Caichen and Ning Can stared nervously at the ancestor's corpse in front of them!

Slowly, that soft breath entered the body of the ancestor of the Dao Ning family little by little. With that soft breath entering the body, the originally withered flesh and blood of the ancestor of the Ning family began to swell a little bit, and his face also began to turn rosy. !

Seeing this scene, Ning Caichen and Ning Can were already excited!

About ten minutes later, the patriarch of the Ning family slowly opened his eyes and sat up suddenly!

Seeing that the ancestor was alive, Ning Caichen and Ning Can quickly fell to their knees!

"Patriarch of the Ning family, Ning Caichen, congratulate the ancestor on his resurrection..."

With Ning Caichen's congratulations, all the descendants of the Ning family outside shouted excitedly!

"Congratulations on the resurrection of the ancestor..."

"Congratulations on the resurrection of the ancestor..."

With bursts of shouts, the entire Ning family was boiling!

Every member of the Ning family had an excited look on their face, even that Huang Yaoshi was full of excitement, bringing the ancestor of the Ning family back to life, so he could brag about himself again!

At this moment, only the patriarch of the Ning family looked blankly at everything in front of him, his eyes full of secrets and puzzlement!

He didn't know where this place was, let alone who the person in front of him was!

Because the so-called resurrection of the ancestor of the Ning family was not a real resurrection but was possessed by a remnant soul of Ning Zhi!

At that time, Ning Zhi was almost completely wiped out by David. Fortunately, the passage of Heaven and Human Realm was opened at that time, and a ray of Ning Zhi's remnant soul escaped into the passage!

But by accident, he possessed the body of the ancestor of the Ning family, but because the ancestor of the Ning family was a mummy that had died for thousands of years, and Ning Zhi was just a wisp of remnant soul at that time, there was no way to directly let the possessed ancestor Corpses come back to life.

Fortunately, Ning Caichen discovered the changes in the ancestor's corpse and asked Huang Yaoshi to refine the elixir. With the help of the elixir, Ning Zhi woke up!

Looking at everything in front of him, Ning Zhi was dumbfounded, with a dazed expression on his face, because he didn't know anything about what happened in front of him!

Seeing his ancestor's appearance, Ning Caichen frowned slightly, and hurriedly looked at Huang Yaoshi. He couldn't revive the ancestor, but he was a fool, right?

Seeing this, Huang Yaoshi hurried forward and explained, "Patriarch Ning, your ancestor has been here for thousands of years, and everything has already changed from person to person, and it is impossible for him to know you. Now that he has just come back to life, he must be This way."

"You need to let your ancestor rest well, and then you take your Ning family tree and explain it to your ancestor, and he will gradually understand."

After listening to Huang Yaoshi's explanation, Ning Caichen suddenly realized, and hurriedly dismissed the crowd. Ning Caichen personally supported the ancestor to rest, and Ning Zhi also went down the donkey and left!

Chapter 2607

In front of a towering mountain.

David looked up at the huge sect in front of him, and couldn't help feeling emotional!

He has always thought that the Jade Cauldron Sect is not a particularly big sect, and the sect's residence is just a normal one!

But I didn't expect the Jade Cauldron Sect's sect residence to be so majestic and majestic!

On the huge archway are written the words Yudingzong, and there are various sculptures placed on both sides of the mountain gate!

And there are dozens of Jade Cauldron Sect disciples guarding both sides of the mountain gate, each of them is solemn and solemn, especially mighty!

"Mr. Chen, this is our Zongmen's residence, isn't it particularly spectacular?"

"Our

Jade Cauldron Zong's residence was not so luxurious and magnificent before. Since my master became the suzerain of the Jade Cauldron Sect, we re-selected the site and rebuilt it." Yes."

When Nie Heng talked about his sect's residence, he was also full of pride!

David nodded, "I never expected that the small Jade Cauldron Sect's residence would be so luxurious and spectacular!" After

David finished speaking, he suddenly found that there was a dilapidated building not far from the Jade Cauldron Sect's residence. A house, but there are many people lined up in front of the house, it is obvious that there are people living there!

This had to make David a little curious. You must know that no other people are allowed to live within a hundred miles of a Zongmen's residence, but there are other people living next to the Yudingzong's residence, which is very unreasonable!

"What happened to the house over there?"

David asked curiously!

Nie Heng glanced at it and said, "That house is the former residence of our Jade Cauldron Sect. After we moved here, the other side was abandoned. Only the third uncle and his disciples are still guarding there. "

The third uncle is pedantic and looks down on my master, so he has been living in the original residence and treating the nearby mountain people."

"Look at those mountain people queuing up for medical treatment. I really don't know what third martial uncle thinks. Treating these mountain people can't earn money and resources at all. It's a waste of time." Nie

Heng I really don't understand what his third uncle did, but after David heard about it, he was very interested in Nie Heng's third uncle!

You must know that as a pharmacist, curing diseases and saving lives should be the first priority, but Nie Heng's master used his medical skills to amass a lot of money, showing off his power, how can he be worthy of the name of a pharmacist!

After listening to Nie Heng's words, David turned around and walked towards the old residence of the Jade Cauldron Sect. He was going to meet Nie Heng's third uncle!

"Mr. Chen, what are you going to do?"

Nie Heng chased after him in confusion and asked!

"I'll go and see your Third Martial Uncle first..."

David said!

Seeing this, Nie Heng had no choice but to follow behind David!

When David walked to the dilapidated house, he was immediately stopped by someone!

"Who are you?" A young man in civilian clothes with patches all over his body asked David!

"Junior Brother, this is a guest of the Jade Cauldron Sect, come to see Third Martial Uncle."

Nie Heng hurried forward and said to the young man!

After the young man saw Nie Heng, his face was displeased immediately, and he snorted coldly, "Master is treating people, and I don't have time to see you, so go back..." "I'm not a guest, I'm a patient, I

'm Come here and look for a cure."

David said!

The young man looked at David and said, "My master doesn't treat people like you, leave quickly, or I will be rude."

The young man wanted to drive David away by force!

"You are so brave. You dare to be so presumptuous in front of me. How can I say that I am also the elder brother of Jade Cauldron Sect."

Nie Heng was furious and shouted at the young man!

"Hmph, Nie Heng, it's not easy for you to be a big brother here. None of us recognize you as a big brother. You'd better leave quickly, or I won't be polite to you!" The young man snorted

coldly With one sound, Nie Heng was not taken seriously at all!

Chapter 2608

Nie Heng was ignored, and suddenly he was out of breath, his breath rose up, and he was about to make a move, but was stopped by David!

"As the saying goes, doctors are benevolent to the world. In the eyes of doctors, there are only patients and no other identities. Do you have different identities when you see a doctor and save people? If so, then I don't care about today's disease..." David

intentionally He raised his voice and said loudly!

Just as David finished speaking, he heard a vicissitudes of life voice in the room.

"What a healer who is benevolent to the world, let them come in..."

The vicissitudes of life came, and the young man could only hide aside helplessly!

David followed Nie Heng into the room. As soon as David entered the room, he saw an old man with a stooped figure, wearing a long robe that could no longer be seen in color, with a gray beard, and eyes that were somewhat bleak. The color of fatigue!

When David saw Nie Heng's third uncle, he was a little surprised. It seemed that Nie Heng's third uncle was much older than his master.

"Third Martial Uncle..."

Nie Heng stepped forward to salute!

Nie Heng's third uncle nodded slightly, and then said, "Sit down..."

David and Nie Heng sat on the chairs, while Nie Heng's third uncle looked David up and down and said, "Young man, you say you are here to see a doctor, but I see that your breathing is calm and your complexion is ruddy, you don't look like a sick person!"

David smiled lightly and said, "I came to see a doctor, not for me, but for you..."

David's words stunned Nie Heng and his third uncle!

Uncle Nie Heng frowned and said, "See a doctor for me? What kind of disease are you treating me? Could it be that you are also a pharmacist?" "

Uncle Third, Chen... David is also a pharmacist, and his medical skills are very good... .."

Nie Heng said hastily!

"Oh, then I want to see how powerful it is. You said you can treat me, what kind of disease can you treat me?"

Third Uncle Nie Heng asked David!

"Asparagus is lit in your room, and you can smell it from outside the room." "

And this asparagus is a detoxification for snakes and ants. I see that your eyes are dull and your breathing is calm, but every time you Breathing is accompanied by a slight echo."

"If I'm not wrong, you must be poisoned, and you will die soon, and the poison in you is likely to be snake venom." "A

large area of your body should have begun to fester by now. , Am I right?"

David said with a faint smile!

After hearing David's words, Uncle Nie Heng's expression changed instantly, and his brows also frowned!

"Boy, who the hell are you? You know my details?"

"Did Hu Yixiao send you here to trap me on purpose? Let me tell you, no matter whether I am poisoned or not, I will never open the Tibetan Medicine Pavilion." I will tell that Hu Yixiao, let him give up!" "

Unless the Supreme Elder shows up and gives orders in person, otherwise I will not tell that Hu Yixiao even if I bring the method of opening the Tibetan Medicine Pavilion to the grave." "

Now you two Get out of here immediately, don't wait for me to get angry, you won't be able to leave even if you want to."

Nie Heng's third uncle roared angrily!

"Third Uncle, you misunderstood, we actually..."

Nie Heng knew that his Third Uncle had misunderstood, so he hurried to explain!

But his Third Martial Uncle didn't listen at all, he just waved his big hand, and the air in the room suddenly shook, and a vast terrifying aura came towards David and Nie Heng!

This breath was like a stormy sea, enveloping David and Nie Heng in an instant!

Nie Heng turned pale with shock, he didn't expect how his Third Martial Uncle could become so irritable, and would strike at the slightest disagreement!

Facing the aura suppression of the third-grade strength of the Composite Realm, Nie Heng has no room to resist!

Chapter 2609

But David looked relaxed, and the corner of his mouth slightly raised, and then he slapped out a breath, which went straight to Third Uncle Nie Heng!

The aura of David's palm looked so small and weak in front of the vast and terrifying aura of the third uncle Nie Heng!

But when the two auras collided, the vast and terrifying aura was instantly shattered!

Uncle Nie Heng's complexion changed, his pupils shrank suddenly, and his body couldn't help but backed away!

Seeing this scene, Nie Heng was immediately shocked. You must know that his third uncle's strength is at the third rank of the Fusion Realm. Even if David is

very good, he is only a cultivator of the Transformation Realm. How could he let his third uncle suffer so easily? Woolen cloth?

Uncle Nie Heng's face was extremely cold, and the muscles in the corners of his eyes were constantly contracting.

"It's no wonder that Hu Yixiao dared to let you come. There was another master, but at such a young age, he has such strength, and he can indeed occupy a place in the Jade Cauldron Sect." "It's a pity that you followed that Hu Yixiao

. Don't even try to reach the realm of selflessness."

After the third uncle Nie Heng finished speaking, the aura on his body rose again!

David saw that the other party was about to attack, so he said calmly, "If you were not poisoned, maybe I would avoid you three points, but now your whole body is full of poison, and you can't do anything to me." "I said,

I It's just for your treatment, as for the Hu Yixiao you mentioned, I don't know him, and I'm not his disciple, with your Jade Cauldron Sect's medical skills, you're not even worthy of carrying my shoes." David's words made me feel better

. Nie Heng's third uncle was furious. Although he could not understand Hu Yixiao's behavior, he was also a member of the Jade Cauldron Sect. Of course, Nie Heng's third uncle was not happy when someone humiliated the Jade Cauldron Sect!

"Boy, you're too arrogant. Even if I'm poisoned, if I want to kill you, I'll have to raise my hand!"

Third Uncle Nie Heng finished speaking, and a terrifying aura shot up into the sky.

But just when the opponent was about to make a move, David shook his head suddenly!

"You are poisonous, and you dare to activate your spiritual power like this. You are looking for death..."

Just after David finished speaking, Elder Nie Hengsan spat out a mouthful of blood!

Forcibly urging the spiritual power, the third uncle Nie Heng turned pale, and both of them became anxious.

"Third Master Uncle?"

Seeing this, Nie Heng hurried forward to help him!

David also stepped forward to grasp the opponent's pulse, and then took three consecutive shots on the opponent's chest!

Soon, Uncle Nie Heng's complexion slowly recovered, and his breathing began to calm down!

"I have protected your heart veins, which can temporarily save your life. If you want to really survive, you must force out the toxin."

David said!

Third Uncle Nie Heng saw that David actually saved him, and he lost the hostility just now, he just shook his head slightly and said, "It's useless, I can't cure my poison myself, and others can't cure it." Nie

Hengsan Master Uncle is a pharmacist himself, and he is also a senior pharmacist. If he can't get rid of the poison on himself, then others can't do anything!

"Although your poison is difficult to cure, I have a solution. I have already said that your Jade Cauldron Sect's medical skills are like rubbish in front of me."

David said without any concealment!

Although Nie Heng's third uncle was displeased, he didn't say anything else!

"Nie Heng, I'll tell you some herbs, go get them for me right away..."

David said to Nie Heng!

"David, you... don't you want to join me in the sect as a teacher? Didn't the two of us agree..."

Nie Heng followed David's agreement, asked David to donate treasures, and then worshiped Hu Yixiao as his teacher. In order to break into the interior of the Jade Cauldron Sect, enter the medicine pool to improve his strength, and also help Nie Heng seize the position of the suzerain of the Jade Cauldron Sect!

"I asked you to find medicine, why so much nonsense..."

David frowned and said!

Nie Heng trembled all over, he didn't dare to say anything, he could only follow David's instructions to find the medicinal materials!
