

# A Man Like None Other

## Novel

### Chapter 2778

When David heard that the three heroes of the strange thieves had found other exits, he immediately felt relieved. Even if the people from the Ning family rushed in, David could still escape!

"I'm picking a sky thunder fruit, so we'll withdraw. The lightning power on the sky thunder tree is too abnormal!"

David planned to withdraw after picking a sky thunder fruit!

After all, his body can no longer withstand the repeated bombardment of the Thunder Tree!

"Mr. Chen, can your body still bear it? Don't be surprised."

Sanjie couldn't help asking when he saw David's dark appearance!

He was afraid that if something happened to David, the three of them would die too!

"Third brother, what are you talking about, Mr. Chen is definitely fine."

Dajie reprimanded Sanjie severely, then looked at David and said, "Mr. Chen, looking at you now, I am afraid that you have reached your limit. Reluctantly!"

"Don't worry, nothing will happen..."

After David finished speaking, he walked towards Tianleiguo again.

Before David could catch the Sky Thunder Fruit, a bolt of lightning struck down from the Sky Thunder Tree!

David gritted his teeth, feeling the pain caused by the force of thunder and lightning, grabbed the Sky Thunder Fruit, and yanked it off.

Rumbling...

Right after Chen Pingtian got the Leiguo, another bolt of lightning hit David!

This time, David's body fell heavily to the ground like a kite with a broken string!

"Mr. Chen..."

Seeing this, the three masters of the strange thief hurried over!

"Get out, hurry up..."

David was very weak, and said to the three heroes of the strange thief!

Seeing this, the three masters of the Phantom Thieves quickly lifted David, and rushed towards another exit!

At this time, everyone outside the cave was still resting, and the Bloodthirsty Thunder Eagle did not launch an attack, so the two sides lived in peace and occupied their territory!

But soon, the Bloodthirsty Thunder Eagle, who was resting on the tree, suddenly opened his eyes wide.

Hurrah...

With a cry, the huge bloodthirsty Thunder Eagle soared into the sky in an instant!

Ning Caichen was taken aback, and quickly set up his moves, ready to parry the bloodthirsty Thunderhawk's attack!

But the bloodthirsty thunder eagle flapped its wings and rushed towards the cave at high speed, without attacking Ning Caichen and the others at all!

Seeing the bloodthirsty Thunderhawk flying into the cave in such a panic, Ning Caichen was a little dazed, not understanding what happened to the bloodthirsty Thunderhawk!

And Shi Tieqiao on the side saw the bloodthirsty Thunder Eagle flying into the cave, and immediately yelled inwardly, "No!"

David was still picking the Sky Thunder Fruit inside, if the bloodthirsty Thunder Eagle flew in, then David would definitely be doomed, and their plan to share the Sky Thunder Fruit equally would be over!

Shi Tieqiao winked, followed the old woman and rushed into the cave!

Seeing that Shi Tieqiao dared to follow the bloodthirsty Leiyin into the cave, Ning Caichen immediately felt that something was wrong, and rushed in with others!

Everyone followed the Bloodthirsty Thunder Eagle and rushed into the Eagle King Cave. Looking at the Thunder Tree in front of them, many monks sighed!

But after the bloodthirsty Thunder Eagle entered the hole, it didn't stay on the Heavenly Thunder Tree, but chased in another direction.

Seeing that the Bloodthirsty Thunder Eagle flew away, everyone was surprised!

I don't understand, what is this bloodthirsty Thunder Eagle doing, why isn't it here guarding the Thunder Tree?

But looking at the psychic fruit on the tree, no one cared about the bloodthirsty thunder eagle, one by one jumped up, wanting to pick that day's thunder fruit!

As for Shi Tieqiao, seeing that David and the three masters of the strange thieves were no longer in the cave, he suddenly felt bad!

When he saw that there were only seven Sky Thunder Fruits left on the tree, Shi Tieqiao couldn't help cursing, "Damn it, I was tricked, this kid picked three Sky Thunder Fruits and escaped..." And

that Ning Caichen looked at the missing Tianlei fruit on the tree, and understood why Shi Tieqiao was outside the cave, and had been delaying for time!

## Chapter 2779

"Shi Tieqiao, how dare you collude with other people to lie to me, and sneak into the cave to pick the sky thunder fruit..."

Ning Caichen was furious, and a bloody and powerful aura instantly enveloped Shi Tieqiao and the old woman!

Feeling Ning Caichen's aura, Shi Tieqiao's face turned green with fright. If Ning Caichen had the intention to kill, it might be just a single thought now, and they would die without a place to bury them!

After all, the gap between their realms is too great, and with just a little bit of powerful aura, they can crush Shi Tieqiao into a pulp!

"Patriarch Ning, calm down. I was also deceived by that David. Fortunately, he only picked three sky thunder fruits. There are still many on the tree. Give them all to Patriarch Ning. I will never fight for them!" Shi

Tieqiao Hurry up and apologize to Ning Caichen!

After listening to Shi Tieqiao's words, Ning Caichen stopped breathing!

Fortunately, David didn't pick many of them. If David took all the Tianlei fruits, Ning Caichen would definitely kill Shi Tieqiao!

At this time, several monks had already jumped onto the sky thunder tree, and then reached out to pick the sky thunder fruit!

But just when his hand was about to touch the Sky Thunder Fruit, suddenly several lightning bolts flashed on the Sky Thunder Tree!

Immediately afterwards, those monks were all struck by lightning, and fell from the thunder tree one after another!

The powerful monks were directly bombarded and turned into scum!

And some powerful monks were pierced through their bodies and lost their breath, leaving behind only a whole corpse!

Seeing this scene, all the excited monks were dumbfounded. They looked at the thunder fruit on the thunder tree one by one, and they no longer had the initial impulse!

They also understood why the Bloodthirsty Thunder Eagle didn't stay here anymore. The power of lightning on the Thunder Tree would probably be able to discourage many people!

"Auspicious beast mirror..."

Ning Caichen yelled, and someone from the Ning family immediately handed over the bronze mirror!

Ning Caichen held the bronze mirror and planned to go into battle himself.

He knew that the Bloodthirsty Thunder Eagle must have gone after David who had just picked the Sky Thunder Fruit, so he wanted to take advantage of this gap to quickly pick a few Sky Thunder Fruits!

Ning Caichen jumped up holding the bronze mirror, and then reached out to grab a sky thunder fruit!

Rumbling...

A bolt of lightning strikes down, Ning Caichen hastily took out the bronze mirror to block in front of him, the thunderbolt hit the bronze mirror fiercely, and the power was directly reflected!

Although Ning Caichen was not directly hit by the lightning, the force of the lightning hitting the bronze mirror also made Ning Caichen's body sink, and he couldn't help but fall down!

Everyone saw that Ning Caichen easily picked a Sky Thunder Fruit with the bronze mirror in his hand, and they were all envious, but they didn't dare to snatch it. They can handle it!

After putting away the Sky Thunder Fruit, Ning Caichen took the bronze mirror and soared into the sky again!

This time, Ning Caichen quickly grabbed the Sky Thunder Fruit, and then quickly backed away!

But even so, it was of no use at all. A bolt of lightning struck down on the Tianlei tree in an instant. Ning Caichen repeated his old trick and blocked the lightning attack with a bronze mirror!

But after this blow, another bolt of lightning strikes from the Thunder Tree!

Ning Caichen grabbed the bronze mirror tightly and stood in front of him again!

Rumbling...

After a loud noise, although the power of lightning was reflected, the bronze mirror in Ning Caichen's hand was already shattered!

The huge shock force made Ning Caichen's expression very ugly.

Falling back to the ground, Ning Caichen looked at the shattered bronze mirror, feeling distressed in his heart!

This is the family heirloom of their Ning family, so it was destroyed like this!

Ning Caichen didn't understand, he used a bronze mirror to resist, and managed to pick two Sky Thunder Fruits, but what did David, who escaped, pick three Sky Thunder Fruits?

## Chapter 2780

"Dad, what should we do?"

Ning Can looked at the shattered bronze mirror, and also looked at the Tianlei fruit on the Tianlei tree, so she asked!

Ning Caichen also reluctantly forgot to take a look at the Tianlei Fruit, and finally waved his hands and said, "Get out, let's get out of here quickly..."

Ning Caichen knew that without the bronze mirror, they would not be able to pick the Tianlei Fruit!

Now Ning Caichen understood why the Thunder Eagle King dared to leave the Eagle King Cave, and only sent a bloodthirsty Thunder Eagle of the eighth rank of the Composite Realm to guard it!

As for the power of thunder and lightning on the thunder tree, it is difficult for ordinary people to bear it. I am afraid that it will be difficult to go to the tree to pick the fruit before the catastrophe period!

Ning Caichen got two Sky Thunder Fruits, and then hurriedly left Eagle King Cave with the few remaining members of the Ning family!

Shi Tieqiao and the monks stared blankly at the Tianlei Tree, each and every one of them was full of reluctance and greed!

This day Lei Guo is in front of them, but they can't get it, this is the most painful thing!

Finally, two more monks couldn't bear the temptation, burst out with all their breath, and rushed towards Tianleiguo!

But before they touched the Sky Thunder Fruit, they were blown away by the lightning strike!

This time, everyone was honest, and no one dared to try it!

"Let's go..."

Shi Tieqiao sighed, and walked out of the cave with a helpless face!

Seeing this, the other monks had no choice but to walk out. Since they couldn't pick off the Sky Thunder Fruit, they were courting death if they stayed here!

If that Bloodthirsty Thunder Eagle came back, none of them would be able to run away!

At this moment, David was being carried by the three heroes of the strange thief, running forward desperately!

Behind them was the huge bloodthirsty Thunderhawk chasing after them!

The Bloodthirsty Thunder Eagle was very fast, and it was about to catch up to them!

“Damn it, hello everyone, why do you keep chasing us...”

Dajie scolded profusely in sweat!

“It must be because I picked the Sky Thunder Fruit. If we go on like this, no one will survive!”

David said very weakly!

David spent a lot of spiritual power picking these three Sky Thunder Fruits. Now that he is weak, he can't deal with this bloodthirsty Thunder Eagle!

As for the three masters of the strange thief, they are even more incapable of dealing with the bloodthirsty Thunder Eagle of the eighth rank of the fit state!

Just when David and the others were about to be overtaken, several roars suddenly came from the sky!

Several people looked up and found three huge pterosaurs swooping towards them!

One of the pterosaurs waved its wings lightly, and directly flew David and the others to his back!

Immediately afterwards, the three-headed pterosaur flew forward quickly!

The Bloodthirsty Thunder Eagle who was going to catch up was left behind again!

Hurrah...

Looking at Chen Pingren who was rescued by the pterosaur, the Bloodthirsty Thunder Eagle screamed angrily, then turned around and flew back!

Sitting on the back of the pterosaur, David and the three heroes of the phantom thief all heaved a sigh of relief!

If it wasn't for the appearance of these three pterosaurs, they would have been eaten by that bloodthirsty Thunderhawk!

And the bloodthirsty Thunder Eagle who flew back to Yingwang Cave found that the sky thunder fruit was missing, so he flapped his wings angrily and chased out of the cave!

David and the others were rescued by pterosaurs and escaped!

But Shi Tieqiao and the others were not so lucky. Soon Shi Tieqiao and those monks were chased up by the Bloodthirsty Thunder Eagle!

This time, these monks fled in all directions, being hunted down by the Bloodthirsty Thunder Eagle!

Until they escaped from the territory of the bloodthirsty Thunder Eagle, there were not many monks on the stone iron bridge and the airship who survived!

However, Shi Tieqiao and the old woman had a lot of lives. Although they were in a mess, they finally saved their lives!

Shi Tieqiao and the remaining monks could only rely on their legs to walk in the direction of Jialing County. These people were all in a state of distress, like beggars.
