

A Man Like None Other Novel

Chapter 2715

Li Xing, who originally planned to let Huben kill David, was suddenly disappointed when he saw that Huben had stopped!

“General Huben, as the general guarding the imperial city, you are responsible for the security of the entire imperial city. Do you still have to be restricted in this imperial city?” At this moment,

Li Xing walked out, and he He intends to stimulate Huben a bit, and let Huben attack David!

When Huben saw Li Xing, he didn't like Li Xing at first. After all, Li Xing also competed with him for Princess Isa.

However, Li Xing, as the prince of Mingli King City, took the initiative to call Huben a general, so Huben couldn't be too rude!

“Prince Li...”

Seeing Li Xing, Huben also shouted!

“General Huben, the reason why this guy dares to play with you in the Demon Imperial City is entirely because of Princess Isa. He knows that Princess Isa likes humans, so he, a human, dares to do whatever he wants!” “But

you As the general guarding the imperial city, you can find a reason to drive this guy away, or kill him directly!" "

Just say that his existence threatens the safety of the imperial city, and say that he humiliated your imperial city on the street. People!"

"Isn't that the reason for you to do it?"

Li Xing stood aside, giving advice to Hu Ben!

When Hu Ben heard this, his eyes lit up and he said, "Yeah, why didn't I think of that?"

David looked at Li Xing like that, and knew that Li Xing was deliberately trying to get Hu Ben to deal with him.

"Because you are a bear, so you can't think of such a good idea!"

David was not afraid of tigers, so he taunted him!

David's words made many people laugh out loud!

This time, Huben was completely angered, and he said with a murderous look on his face, "Boy, you are a small human being, but you are doing evil in my demon imperial city. As the general of the imperial city guard, I must bring you to justice!" Fa!"

"Okay, do it if you want to do it, don't give me any hats, come on..." David waved at Huben!

Hu Ben roared angrily, and slapped David with one palm!

David slapped Huben's palm, David smiled coldly, stepped forward and grabbed Huben's arm!

Huben was stunned for a moment, and then shouted, "Let go..."

Huben felt David's hand was like a vice, tightly grasping his wrist, preventing him from moving!

This made Huben's body's aura continue to skyrocket!

Just as Huben struggled to break free, David suddenly let go!

This time, Huben stepped back uncontrollably!

Teng Teng Teng.....

Hu Ben's huge body retreated one after another, and finally sat down on the ground!

This time, everyone around couldn't help laughing!

But Hu Ben's face was flushed with embarrassment, and he glared at David with murderous intent in his eyes!

Seeing this scene, Li Xing couldn't help frowning. He didn't expect that Hu Ben, who was the general of the imperial city, would be so stupid!

Huben got up from the ground, and roared angrily, "Boy, I'm going to tear you apart today..."

As he spoke, Huben suddenly jumped out, and that huge bear paw went directly towards David's neck!

This palm obviously wanted David's life!

Looking at Huben's palm, David frowned slightly, and a cold light flickered in his eyes!

He didn't expect that this tiger was really murderous!

David put away his joking heart, bursts of spiritual power erupted in his body instantly, and a large amount of spiritual power rose from his body!

A spiritual power barrier instantly flashed around David's body!

And Huben's palm hit the spiritual power barrier, and he was instantly sent flying backwards!

Everyone was shocked, they didn't expect David to be so powerful!

Even Li Xing frowned, and looked at David again!

Chapter 2716

"Ah..."

Hu Ben roared furiously, and rushed towards David again!

But David took out the dragon-slaying sword, and a cold light flashed, and the dragon-slaying sword touched Hu Ben's neck in an instant!

The icy chill instantly woke up the furious Huben!

Huben looked at the Dragon Slaying Sword in David's hand, and his expression became a little panicked!

"You...do you want to kill me?"

"I can tell you, I am the general guarding the imperial city. If you kill me, you will never get out of here!"

Huben threatened David!

"If you weren't the guarding general of the Imperial City, you would have already been killed by now, get out of here immediately..."

David said coldly!

Huben looked at David, felt the killing intent on David, finally he could only grit his teeth, turn around and leave!

"You wait for me, I will never let it go..."

After walking for a while, Hu Ben turned his head and roared at David!

David didn't care, but put away the Dragon Slaying Sword, and looked at Li Xing coldly!

It's just that Li Xing didn't speak, but turned and left!

Li Xing did not return to his residence, but went straight to Huben's mansion!

Hu Ben is the general who guards the imperial city, and now he is humiliated by David in public, he must be angry in his heart!

And Li Xing also knows that this tiger has been eyeing Yisha all the time, and likes Yisha!

"Ah... I'm so pissed off, a little human being humiliates me so much!"

"I must kill him, I must kill him..."

Huben returned to the mansion and began to smash things, to vent the anger in my heart!

A few servants stood by, trembling with fright!

At this moment, Li Xing walked in with a smile on his face, seeing that Li Xing came to his mansion, Hu Ben was taken aback!

But at this time, Huben was angry, so he asked Li Xing coldly, "What are you here for ?

“

Whoever snatches Princess Isa is his tiger's enemy!

This Li Xing is no exception...

“General Huben, how can I see your jokes? According to my age, I still call you big brother. As a younger brother, how can I laugh at big brother!” Li Xing

slightly With a smile!

It can be said that Li Xing has lowered his status a lot. One must know that as the prince of Mingli King City, there is no need for him to be so humble!

However, Li Xing did this in order to understand the strength of the Demon Imperial City and better annex the Demon Imperial City!

Hu Ben is the general guarding the imperial city, and the guards of the entire imperial city are assigned by Hu Ben. If he can win Hu Ben to his side, then the matter of annexing the demon imperial city will become much easier!

Huben was still angry at first, but he was a little overwhelmed by Li Xing's big brother!

After all, he is a prince, and he even called him brother and brother, which made Huben a little flattered!

“Prince Li Xing, you are a prince, and although I am a general, I am just a servant, please don't call me that!” Huben said with a change of

attitude!

“Brother Huben, what kind of prince is not a prince? I just admire Brother Huben for being a man. If Brother Huben doesn't dislike him, I am willing to become a sworn brother with Brother Huben!” “In this way, I can justifiably call you Big Brother.

" Already!"

Li Xing said seriously!

Hu Ben's face was full of surprise, he never thought that Li Xinggui would marry him as a prince, this was something he never expected!

But soon, Hu Ben shook his head and said, "Prince Li Xing, absolutely not, after a while, you will be the husband-in-law of our Princess Isa, and the son-in-law of our Demon Imperial City. How can we two become sworn brothers?"

Chapter 2717

When talking about this, Huben's eyes were full of disappointment. After all, he likes Isha, but his status is not as good as Li Xing's, and it is impossible for Yihe Yaohuang to let Isha marry one of his servants!

Seeing Huben's appearance, Li Xing smiled secretly, and then said angrily, "Brother Huben doesn't know something, Yisha and I will never be together, Yisha doesn't like me at all, he was killed by that man named David." Human beings have lost their souls!"

"To be honest, I saw the two of them hugging each other today, very affectionate. Originally, I wanted to kill that kid, but it's a pity that the rules of your Demon Imperial City cannot be in the imperial city. Private fight, that's why I didn't dare to fight!"

"I know Isa doesn't like me, and I won't marry a woman who doesn't like me, but even if Isha doesn't like me, she can't like a human being, right? That kid is mediocre, what's so good

about him?" "I know Big Brother Huben also has thoughts on Isa, logically speaking, Big Brother Huben has dedicated himself to guarding the Demon Imperial City for so many years and paid so much, so Yisha should be Big Brother Huben's talent Yes!"

"Maybe in the eyes of you Yihe Yaohuang, no matter how much you pay, you will always be a servant..." "

Hey..."

Li Xing sighed very kindly, as if he was rooting for Hu Ben Fight against injustice!

After hearing Li Xing's words, Hu Ben was also silent, but he could tell from his facial expression that Li Xing's words had shaken Hu Ben's heart!

Li Xing struck while the iron was hot, and continued, "Brother Huben, just now you followed that David to fight on the street, maybe Princess Isha will reprimand you if she finds out about it!

" I'll help you talk, and maybe I'll punish you!"

Li Xing was talking when he heard a shout from outside!

"Hu Ben, get the fu** out of here..."

Hearing this, Huben frowned, because he recognized that it was Princess Isa's voice!

Huben had no choice but to walk out frowning!

After seeing Huben, Princess Isa scolded her head and face!

"Hu Ben, you are so brave, who told you to do something to David?"

"Don't you know that David is a guest of our Demon Imperial City? And private fighting is not allowed in the imperial city. Blatantly breaking the rules!"

"I tell you, you dare to play David's idea, I can't spare you, I will tell my father and punish you properly!"

After finishing speaking, Princess Isa turned around and left angrily. There was no chance for Huben to speak at all!

Seeing Princess Isa helping David so much, Huben became even angrier and hated David even more!

Huben gritted his teeth and clenched his fists, "David, I will definitely smash your body into pieces!" "

Brother Huben, my guess is right? Now your enemy and mine are that David. Only by letting that David die!" Only when Yisha completely disappears can she change her mind."

"At that time, I will definitely leave the Demon Imperial City, and I will never follow Big Brother Huben to fight for Yisha!"

Li Xing said stimulating Huben!

"Prince Li Xing, I am grateful that you think highly of me, but I can't do the matter of sworn worship. After all, as the general guarding the Demon Imperial City, if I follow Prince Li Xing to make a sworn oath, it will definitely cause dissatisfaction among us Demon Emperor. "

Although Huben was angry, he did not lose his mind!

He likes Yisha, regards David as a rival in love, and wants to kill David, but he never thought of betraying Yihe Demon Emperor!

"Brother Huben, I'm just talking casually. If you don't agree, forget it, but I appreciate brother Huben. If you figure it out, you can find me anytime!" "I will still be in your Demon Imperial City!

" Stay for a while, I won't leave!"

Li Xing finished speaking, and left from Huben's mansion!

Not long after Li Xing left, a guard of the imperial city hurried over!
