

A Man Like None Other Novel

Chapter 2739

"Damn, it's so fu**ing unfair..."

General Qi was very dissatisfied in his heart, why would David have so many treasures?

The battle between the two is still going on, but David is panicking in his heart at this time, there is no way out if all this is exhausted!

"It seems that we can only use it..."

David groaned, then retreated back, and directly withdrew from the battle, letting those beasts entangle General Qi!

And David closed his eyes slightly, put away the Dragon Slaying Sword, and slowly raised his palms towards the top of his head!

Everyone looked at David's actions, and they didn't know what David was going to do. He even withdrew from the battle at such a critical moment!

Rumbling...

Suddenly, there was a thunderous sound in the sky, and then a huge palm print slowly appeared above everyone's heads!

In the middle of the palm prints, black clouds were densely covered, and lightning flashed continuously!

The huge palm print is slowly falling, and everyone can feel the terrifying aura in that huge palm print!

“Running Thunder Palm? You...how did you know how to run Thunder Palm?”

General Qi looked up, his eyes filled with fear instantly!

He didn't expect that David would be able to learn such ancient skills as Ben Lei Zhang!

Just when General Qi was distracted, several ferocious beasts swarmed up instantly, surrounding General Qi directly!

Seeing this, David hurriedly controlled the dragon-patterned clock to fly over, and then the huge dragon-patterned clock fell violently, enveloping General Qi and those beasts!

“Buzzing...”

General Qi was trapped inside the Dragon Pattern Clock, he was startled, and kept pounding, causing the Dragon Pattern Clock to make a buzzing sound!

David ignored it, but slapped Long Wenzhong with his palm. In the huge palm print above his head, a bolt of lightning slid down, followed by a thunderclap!

The palm of the hand slapped the dragon pattern clock fiercely, making a deafening sound!

With lightning and thunder, the Benlei Palm landed on the dragon bell, instantly penetrated the dragon bell, and hit General Qi fiercely!

General Qi was trapped by the Dragon Pattern Clock, and there was no way to avoid it no matter how fast he was, coupled with the buzzing sound from the Dragon Pattern Clock, it shook General Qi's internal organs!

General Qi spurted out a mouthful of blood, and finally fell to the ground with eyes full of unwillingness. At this time, General Qi's internal organs had already been shattered!

It's just that the beasts in the dragon pattern clock had already died suddenly, but this is not important to David, when the time comes to subdue the beasts and put them within eight thousand barren feet, it will be fine!

Seeing that there was no movement in the dragon pattern clock, David put away the dragon pattern clock, and saw General Qi's body, his eyes wide open, and he fell to the ground unwillingly!

General Qi died, and everyone in Yudingzong breathed a sigh of relief, even David breathed a sigh of relief.

And Hu Yixiao looked at General Qi's body, he was dumbfounded!

David withdrew the formation, put away all the magical weapons, and looked at Hu Yixiao coldly.

"Hu Yixiao, do you want me to kill you, or do you commit suicide?"

David asked!

Hu Yixiao's face was extremely ugly. After rolling his eyes around, he suddenly turned around and ran away!

It is impossible for him to stand still!

As soon as Hu Yixiao ran away, those beast soldiers also followed Sa Yazhi and ran for their lives!

Seeing this, the third elder wanted to chase after him, but was stopped by David!

After stopping the third elder, David's face turned pale, and he spurted out a mouthful of blood in an instant!

At this moment, David's body fell heavily backwards!

After fighting with General Qi, David used all means to barely kill him, and David himself was almost exhausted, his body was extremely weak!

"Mr. Chen..."

"David..."

The third elder and Liu Ruyan kept shouting, but David closed his eyes tightly and remained motionless!

"Third Elder, go and get all the high-level pills from the Jade Cauldron Sect immediately." "

David was caused by excessive consumption of spiritual energy and weak body, let him recover as soon as possible!"

Liu Ruyan hurriedly ordered to the Third Elder road!

Immediately afterwards, they asked everyone to carry David into Liu Ruyan's boudoir, and Liu Ruyan wanted to take care of David himself!

Chapter 2740

Demon Imperial City!

Huben was released from the water prison!

And Huben held a banquet in his mansion, and invited Yihe Yaohuang and Princess Isa to have dinner together!

"Dad, this tiger was punished by you, why did he still treat us to dinner? Doesn't he hold grudges against you?"

Princess Isa asked puzzled!

"Maybe he himself felt that he did something wrong, and he wants to have a meal, so please apologize!"

Yihe Yaohuang said!

"I always feel that this tiger has changed, and that Li Xing, who didn't even say hello, actually left!"

Princess Yisha frowned slightly!

"Okay, don't be suspicious. That Huben has been with me for many years. I know who he is. This guy is a reckless man. He doesn't have that much thought." "Otherwise, I wouldn't let him be like that.

"It is a very important position to guard the general for many years!"

"Hu Ben just treats you and me to dinner casually, and nothing will happen!"

Yihe Yaohuang said with a smile!

"I hope so, I always feel like this is a grand feast!"

Princess Isa said!

"Hahaha, what kind of Hongmen Banquet, this is in the Demon Imperial City, how could someone dare to harm me!"

The Demon Emperor Yihe laughed loudly.

This is his Demon Imperial City, who can harm him in his territory?

Seeing this, Yisha didn't say anything anymore, maybe she really thought too much, then Huben shouldn't have any evil intentions!

The Demon Emperor Yihe took Yisha to Huben's mansion!

Huben had been waiting at the door for a long time, and when he saw Yihe Yaohuang and Yisha coming, he greeted them with excitement on his face!

"Yaohuang, I'm so happy that you can come. I'm afraid that I've done something wrong and offended the Yaohuang and the princess. Why don't you come to show me your face!" Huben said humbly

!

"How could it be, you and I have been master and servant for many years, and I also know your character, but it is easy to rush, and you must consider the consequences when you do things in the future."

Yihe Yaohuang patted Huben on the shoulder and said!

"The Demon Emperor's lesson is correct, I will definitely remember it, hurry up and invite me inside..."

Huben made a gesture of invitation!

The Demon King Yihe and Princess Yisha walked into Huben's mansion, and a table of delicacies had already been served!

Huben warmly entertained him, Yihe Yaohuang ate the meal very happily, and even drank some wine with Huben!

Princess Isa was still on guard at first, but later saw that nothing happened, so she relaxed her vigilance!

After drinking and eating, the Demon King Yihe and Princess Isa left Huben's mansion!

All the way back to the palace, Princess Isa's heart was completely relieved!

"Yisha, I just said that nothing will happen. That tiger is loyal and can't hurt me." "

Go back to sleep, I'm going to rest too!"

Yihe Yaohuang staggered back to the room, Obviously a little drunk!

Seeing this, Princess Isa also returned to her room!

But at this time, in Huben's mansion, Huben looked at the direction of the palace coldly, with a cold light in his eyes!

At this time, a figure slowly appeared and said to the Tiger Gang, "Brother Huben, how are you doing? Did you get it?" "

Brother Li Xing, don't worry, I've already put the medicine in the food for the Demon Emperor and Princess to eat. "

Tomorrow their medicine will take effect!"

Huben said with a cold smile!

"That's good. The people I brought are ready to be in place. Tomorrow, as long as their medicinal properties take effect, I will lead people to attack the Demon Imperial City. At that time, Brother Huben will be the internal response, and the Demon Imperial City will be ours!" Li

Xing Said excitedly!

"Well, tomorrow I will ask my confidants to get ready, as long as anyone who dares to disobey my order will be killed without mercy..."

Hu Ben's eyes flashed with coldness, and the already blackened Huben became extremely cruel to his own people !

Li Xing laughed, and then his figure slowly disappeared into the darkness!

Chapter 2741

Early the next morning.

Yihe was woken up by the noise, and then faced displeasure and said, "Who is making a lot of noise outside, and won't you let me sleep..." "

Demon King, it's not good, it's not good... "

Elder Pei ran into the palace of Yihe Yaohuang anxiously!

You must know that you can't enter here without the summoning of Yihe Yaohuang, but today Elder Pei broke in!

"Elder Pei, what happened?"

Seeing Elder Pei's anxious look, Yaohuang Yihe knew that something must have happened!

"Yaohuang, something is wrong, that Li Xing brought many soldiers from Mingli King City, and started to attack our Yaohuang City..."

Elder Pei said!

"What?"

Yihe Yaohuang immediately sprang up from the bed when he heard it, and then asked, "Is Li Xing the only one leading the army? Has King Li come?" "I didn't

see that, but General Huben is at the city gate Lead people to resist!”

Elder Pei replied!

When Yihe Yaohuang heard this, he breathed a sigh of relief and said, “Our two families haven’t had such a big conflict for many years. What does this Li Xing want to do?” “

If his father doesn’t show up, with his strength, he can still lead people.” Will you take down my Demon Imperial City?”

Yihe Demon Emperor does not believe that with Li Xing’s ability, he can lead people to capture his Demon Imperial City!

If that’s the case, he, the Demon Emperor, doesn’t have to do it anymore!

“Father, what’s the matter...”

Princess Isa also got up at this time, and asked after listening to the noise outside!

“Then Li Xing brought people to attack our Demon Emperor City.”

Yihe Demon Emperor said!

“What? Is he crazy? Is it because I don’t want to marry him that he wants to attack our Demon Imperial City?”

Princess Isa was very surprised, she didn’t expect Li Xing to be so bold!

“Let’s not talk about it, let’s go out and see the situation.”

“If Li Xing is holding a grudge and leads people to attack my Demon Imperial City on the spur of the moment, I will punish him.” “

But if it is planned for a long time, then Li Xing If the king also knows, then this time we will officially declare war with Mingli Wangcheng!”

Yihe Yaohuang led Princess Isa towards the gate of the city!

At this moment, outside the wide city gate, Li Xing led a group of soldiers in black. Sitting next to Li Xing, an elephant with a height of more than ten meters kept roaring!

Huben is leading the guards of the imperial city, and they are all ready to face each other!

Huben saw Yihe Yaohuang coming, and hurriedly said, “Yuhuang, it’s too dangerous here, you’d better go back to the palace!

”

Yihe Yaohuang smiled coldly and said indifferently!

Standing on the city wall, Yihe Yaohuang looked at Li Xing below, and said with a stern face, “Li Xing, since you dare to lead troops to attack my Yaohuang City, is this your father’s intention?” “Of course

, You old bastard, you backtracked and played with my Mingli Wangcheng, how could my father swallow this breath.” Li Xing snorted coldly!

“Li Xing, you are so brave, dare to say such a thing about my father, believe it or not, I will kill you?”

Princess Yisha was furious when she saw that Li Xing called Yihe Yaohuang an old man!

“Hahaha, just because you want to kill me? Can’t you see that my people have surrounded your entire Demon Imperial City?”

Li Xing laughed with pride!

“Li Xing, no matter how many people you bring with you, if I want to kill you, it’s only a matter of breath!” “

I’ll give you a chance now, take people away immediately, if you wait for me to get angry, none of you will be able to leave! “

“It’s wishful thinking to attack my Demon Emperor City with just a person like you!”

Yihe Demon Emperor looked down on Li Xing with disdain. If he wanted to kill Li Xing, he could do it now , even if Li Xing brought so many generals, in the eyes of Yihe Yaohuang, those are all ants!
