

A Man Like None Other Novel

Chapter 2841

"We can't compare to Mr. Chen in understanding the magic circle..."

the third elder said hastily!

They don't understand the magic circle at all, how can they talk about the aura fluctuations of the magic circle!

David stopped talking, but carefully observed the two-story building. Logically speaking, the princess's mansion is so magnificent that it is impossible not to repair this small building. Besides, Jialing County is not short of money. It doesn't take much spirit coins to rebuild it!

But now the small building is still in its original shape, and the princess is still living here, which shows that this two-story small building definitely has something special about it!

While David was observing carefully, the door opened, and Master Yan came out and said, "The princess invites you in..."

David nodded, and then walked in with Liu Ruyan and the others!

Now several people are looking forward to it, and want to see what kind of person this princess is, whether it is a man or a woman!

But after several people walked in, they found that at the top of the hall, a gauze curtain was hanging down, and behind the gauze curtain was a figure!

That should be the princess, but because there is a gauze curtain blocking it, it is impossible to see whether the princess is a man or a woman or what she looks like!

"Sit down..."

The Princess spoke slowly, it turned out to be a girl's voice, and the voice was as clear as a silver bell, very pleasant to hear!

Seeing that the princess of Jialing County is a girl, the third elder and the others all seemed a little surprised and curious!

But there was no expression on David's face, but he was staring at the figure, frowning slightly!

"You are David, who is the first in the pharmacist competition, who has Shennong Ding and Tianleiguo?"

The princess asked David!

"Not bad!" David nodded!

David knew that he would definitely not be able to hide this little secret from the princess!

"You are quite honest. Now that you have won the first place, what special reward do you want to get?"

asked the Princess!

"I want to know, what reward does the princess want to give?"

David asked back!

Since it was said at the beginning that the pharmacist will have special rewards this time, the princess must have thought about it in advance!

The princess was silent for a while, and then said, "The special reward I prepared for you is this..."

As he spoke, he saw a white light rushing towards David!

David reached out to catch it, and found that it was a broken jade tablet. Holding the jade tablet in his hand, David felt extremely cold all over his body, and had to use his spiritual power to resist the cold!

The cold air emanating from this jade tablet was actually stronger than the cold air emanating from Gao Qijie!

Looking at the jade tablet in front of him, David felt a sense of déjà vu. Suddenly, David's eyes widened, as if he remembered something!

He hurriedly took out the jade token given to him by the crock pot from the storage ring, and then put it together with the jade token given by the Princess!

The two incomplete jade tokens fit together perfectly at this time, this is a jade token at all!

Looking at the jade tablet in his hand, David was shocked in his heart!

He didn't understand who the princess was, that there was a jade card of the ancient body-refining clan, and it was a jade card that opened the treasure of the ancient body-training clan!

"Who are you? Why do you have the jade token of the ancient body training clan?"

David couldn't help asking!

"This is not what you need to know. You just need to know that with this jade tablet, you can find the treasures of the ancient Body Refining Clan and open them." "There are quite a few

treasures inside. I'm looking for this treasure!"

The princess said slowly!

"This is the special reward you said?"

David asked!

"Isn't this reward enough? You have to know that this treasure contains the Ice Soul Pill, which is the inner alchemy of the Ice Soul Monster in an extremely cold place, thousands of meters underground. Do you know the value of this Ice Soul Pill? "

The princess asked David!"

"I don't want to know the value of Ice Soul Pill, and I don't want to find any treasure..."

David shook his head!

Chapter 2842

"You don't want to find treasures? Can you withstand such a big temptation?"

The princess's tone was a bit puzzled!

"Of course I can bear it, because I know that even if I find the treasure and find the Ice Soul Pill, it won't fall into my hands!" "

You will definitely take it away, am I right?"

David narrowed his eyes slightly, and said with a slightly dignified expression!

The princess was obviously taken aback for a moment, and then giggled!

"You are too smart, but I will not snatch your things, I just want to make a deal with you!" "I can

cure the poison on your friend, and what you need to do is to help me find the treasure and get it back." Return to the Bingpo Pill!"

"As for the other things in the treasure, I don't want anything, I can give it to you."

"This deal is not a bad deal for you, right?"

said the Princess!

"How do you know that I will ask you to detoxify my friend?"

David frowned, he had never told anyone about this, only Suo Xingyue and others from Danyang Sect knew about it!

And it was Suo Xingyue who suggested that David ask the princess for help to see if he could detoxify it!

And now the princess knew about it, which made David a little puzzled!

"There is nothing that I don't know about what happened in Jialing County, including the other half of the jade token that Nawa Tank gave you." "

But I won't force you, if you don't agree, you can take the jade token and leave now! "

"But before you leave, I can tell you that no one can cure your friend's poison except me." "

Unless you find the person who poisoned you and get the antidote!”

The princess said in a flat tone!

“Mr. Chen, don’t promise, that treasure is not so easy to find, and the Ice Soul Pill is not so easy to get, it will definitely be dangerous!” “I don’t want you to take risks just to restore me...”

“

Yihe said to David!

Yihe didn’t want to let David take risks for his own sake. If something happened to David, then Yihe would be the sinner of the entire Tianlong Temple!

“You are the princess, why don’t you go find the treasure and get the Ice Soul Pill by yourself?”

“Don’t tell me that with the strength of your Jialing County, you can’t get the Ice Soul Pill.”

Liu Ruyan was very puzzled , why did David have to take risks, so he asked the princess dissatisfied!

“Because she can’t get out of this small two-story building at all, and her current body can only be supported by the spirit cultivation array in this building!” “To be precise, the

person in front of us is not alone at all, but It’s a spirit body!”

“If you leave here, the spirit body will dissipate and disappear completely!” “

And this Bing Po Pill can concentrate energy and form a physical body, so I was asked to get the Bing Po Pill.” “

"Are you guessing right?"

David looked at the princess and asked after finishing speaking!

After David finished speaking, the Princess of Jialing County didn't speak for a long time, obviously David guessed it right!

After a while, the princess said, "You are smarter than I imagined, and as a pharmacist, you also know the art of formation, and you have the fire in your body. I really don't understand, what did you go through?" What?"

When the word Princess Zhihuo came out, David's expression changed instantly!

He is the Flame of the Demon Race, and he has not shown it in front of everyone, but when he was competing with Gao Qijie, David condensed the Flame on the soles of his feet, so that the cold air did not dare to approach him!

But no one found himself using Zhihuo?

David didn't understand, how could the princess even know that she owns the fire?

Seeing that David's complexion was not good, the princess continued, "Don't worry, I won't ask about your origin of the fire, let alone your identity.

"Dan, I'll detoxify your friend, the best of both worlds!"

Chapter 2843

"Okay, I promise you!" David nodded.

"Mr. Chen..." Seeing that David actually agreed, Yihe hurriedly wanted to stop him, but David stretched out his hand to stop him!

"I can go find the treasure and get the Ice Soul Pill, but I can't leave Jialing County now, and the Thunder Eagle King is waiting for me outside!" "As long as I go out, the Thunder Eagle King will kill me

, I can't find the treasure either?"

David said!

"This is easy to handle. Jialing County has more than one exit, so you can leave through another exit!" "

However, after you leave Jialing County, I don't care what happens to you!"

said the Princess!

"Well, I hope you can keep your promise and heal my friend!"

David nodded!

"Let your friend stay here, and when you get back the Ice Capillary, your friend will recover."

The princess asked Yihe to stay in the princess mansion!

David didn't know if the Princess really wanted to detoxify Yihe, or kept Yihe as a hostage. He was afraid that he would not come back after getting the Ice Pill!

David glanced at Yihe, then nodded and said, "Yes!"

Yihe's strength is suppressed now, even if he follows him to find the treasure, he won't be able to do much, and there will be danger!

After coming out of the princess mansion, David's expression has been not very good!

"David, don't put too much pressure on me, no matter what happens, I will be by your side."

Seeing that David was not in a good mood, Liu Ruyan comforted her!

"Hey, my strength is still too low. What I can do now is restricted everywhere. I have to improve my strength as soon as possible!"

David sighed!

If David's strength is strong enough today, how dare the princess negotiate terms with him.

"Mr. Chen, at your age, it is already very good to have this kind of strength. You are only in the second-rank realm of the Composite Body Realm, and even if you meet a fifth-rank monk in the Composite Body Realm, you will not take it seriously!" "The entire Heaven and Human

Realm There are not many geniuses like you!"

"You raise one realm, which is equivalent to several realms raised by other people, so you will need more resources to practice!" "

Cultivation requires gradual progress. , you must not be too eager for quick success, so as not to go crazy!"

The third elder persuaded David!

He was afraid that David's mind would be messed up, and he was in a hurry to practice evil skills in a hurry for quick success!

"Third Elder, don't worry, I won't rush for quick success!"

David nodded!

After returning to the residence, David planned to find the treasure by himself, but Liu Ruyan was not at ease at all, so he insisted on following!

And the third elder wants to transport the various resources rewarded this time back to the Jade Cauldron Sect!

In addition, the Jade Cauldron School has been managed by Nie Heng for a long time, and I am afraid that Nie Heng will not be able to manage it!

After David and Liu Ruyan separated with the third elder, they went out of the inner city to find the Three Heroes of the Phantom Thieves!

This time looking for the treasure, perhaps the abilities of these three brothers can be brought into play!

After all, these three guys are just doing sneaky business!

When David took Liu Ruyan to find the Three Heroes of the Phantom Thieves, the three were arguing with red faces!

"It's all the big brother's fault. I said stop betting, stop betting, and insist on continuing to gamble. Now it's over, I'm broke!"

Sanjie said complainingly!

"Can you blame me? Don't I also want to get back the money? Mr. Chen gave us so many spirit coins, but we lost them all. How can we explain?"

Dajie is fighting hard!

"Okay, stop arguing, it's really not good, let's do our old job and invest some money to live!"

Erjie said!

"Are you looking for death?"

Dajie and Sanjie glared at the same time. "This is Jialing County. If you dare to steal something, you will die and you won't even find your body.

"Can't you taste delicious food and chat with beautiful women?" "

Then it would be better to die..."

Er Jie looked hopeless!

"Why don't you just lose some money, as for the fuss..."

At this time, David walked over with a smile on his face!

When they saw Chen Pingping, all three heroes of the Phantom Thief were excited!

Chapter 2844

"Mr. Chen, I heard that you won the first place in the competition, right?"

Dajie said happily!

David nodded, "I didn't expect your news to be quite well-informed." "

Mr. Chen, the first place this time must have gotten a lot of resources. I don't know that our three brothers..."

Erjie looked at Chen with a smile. flat!

"Don't worry, just hang out with me and eat nine meals in three days."

David patted Er Jie on the shoulder!

"I just said, Mr. Chen will not ignore us, and we will follow Mr. Chen to the death!"

Sanjie said excitedly!

After all, it's better to hang out with David than to sneak around like them!

"Okay, we are leaving Jialing County, you guys should clean up too!"

David said to the Three Heroes of the Phantom Thieves!

"Mr. Chen, where are we going? Back to the Jade Cauldron?"

"I heard that there is a treasure to be found in the north of Jialing County. Why don't we go find the treasure?"

Dajie said to David!

When David heard it, he was stunned and said, "Treasure? What treasure? How do you know?"

To know about David's search for the treasure, he had never told anyone about it. Only the princess of Jialing County knew about it. I believe the princess would definitely not Disclosed the news!

But now Dajie actually knows about the treasure, but he just doesn't know if the treasure he mentioned is the one that David is looking for!

"Many people know that there is a guy named Watt who said he has a treasure map and is selling it!" "Many

people in this outer city have bought that guy's treasure map, and I heard that The price is not cheap!"

Dajie said!

"Yes, it is very expensive, and this Watt said that he is an ancient body-refining cultivator, and the treasure belongs to their ancient body-refining family, and

it has been many years!" "It's just that the treasure map in his hand is incomplete, and it is not

marked The exact location of the treasure!"

"But even so, many people flocked to buy it, and this guy has already made a lot of money!"

Erjie said enviously!

"Watt, tile vat?" David frowned slightly!

He didn't know what the relationship between the watt and the vat was, why did an ancient body-refining cultivator pop up again!

"Mr. Chen, what are you talking about? This guy's name is Watt, not Watt!"

Dajie said to David!

"Oh, you guys take me to meet this Watt now."

David said!

David wants to see who this Watt is, how he got the treasure map, and see if this guy is really an ancient body-refining cultivator!

"Mr. Chen, I advise you not to go. This guy is too dark. The treasure map costs 100 million spiritual coins. The entrance fee for queuing in the past alone costs 10 million!

" The treasure map is fake, we don't need to be scammed by him!"

Dajie stopped David from going to Nawat!

"One hundred million spiritual coins, is this guy crazy?"

Liu Ruyan exclaimed after hearing this!

A treasure map that is not known to be true or false, but still incomplete, can be sold for 100 million spirit coins!

And this guy has obviously copied a lot, and can sell to many people at the same time!

From this point of view, this guy really made a lot of money!

“The more this is the case, the more we have to take a look. To be able to sell such a high price, this treasure map should have a certain degree of authenticity!”

David said!

“David, but we don’t have a billion spirit coins now? Those resources were taken away by the third elder!”

Liu Ruyan said!

David smiled lightly, “Don’t worry, we have whatever money we want, as long as I talk to the people in Jialing County, I believe they will give it to me.”

David wanted some ice pills for the princess of Jialing County. It’s just money, David believes that the princess of Jialing County will definitely give it to her!

And 100 million spiritual coins, to Jialing County, is a small amount of money!

Chapter 2845

The Three Phantom Thieves took David and Liu Ruyan to find Nawat.

Soon a few people arrived at a rather secret small courtyard, the small courtyard was not particularly big, but there were two people standing guard at the door!

Seeing David and the others approaching, he stopped him and asked, "What are you doing?"

"Brother, we are here to buy a treasure map..."

Dajie stepped forward and said!

"Come to buy pictures?" The guard looked at David and the others, and then said, "Do you know the rules for the entry fee of 10 million spirit coins?" "Yes, yes..."

Dajie

nodded repeatedly, and then looked at David!

David didn't have any spirit coins, so he could only look at Liu Ruyan, the spirit coins that David won in the ring were all given to Wagang!

Liu Ruyan took out 10 million spirit coins and handed them over to him, and the other party let him go, "Go in..."

Since David walked in!

After entering the yard, and walking a few more steps, we came to the living room!

When David and the others walked into the living room, they found that there were already people in the living room.

I saw two men and a woman walking in the living room, and the three of them didn't seem to know each other!

Seeing David and the others come in, all three of them sized up David and the others!

David and the others are not in a high level of strength, so after looking around, no one cares!

And David also looked at the three people in front of him, all of them were fifth-grade monks in the Body Fit Realm. With this kind of strength, they could be regarded as the mainstay in ordinary sects!

However, David did not feel the breath of ancient body training from the three people, which proved that these three people were not Watt, and they should also come to buy the treasure map!

David and the others found a place and quietly waited for Nahuat to appear!

After waiting for a while, I saw two more people walking in. The two looked arrogant, with big knives on their waists, and their clothes were exactly the same, they should be brothers from the same sect.

The cultivation bases of these two people are both at the sixth rank of the Composite Body Realm, which is considered the highest state in this room!

When seeing these two people, the two men and one woman who were sitting in the living room just now became a little nervous!

After all, they are all here to buy the treasure map. When the time comes to find the treasure, there will definitely be conflicts. When the time comes, people with high levels of strength will definitely stand at the end!

The two came in, and after casually looking at the people in the living room, they also found a place to sit down!

Another few minutes passed, and Watt still didn't show up, but at this moment, three more people came in!

There were also two men and one woman, but when these three people walked in, David was stunned for an instant!

Because among the two men and one woman, David knew two, namely Shi Tieqiao and the old woman from the Feitian Sect!

Among them is a young man in white, but it seems that his status is higher than that of the elder Shi Tieqiao!

Shi Tieqiao and the old woman were behind the young man, like followers!

This young man is Ji Yun, the eldest son of the Feitian Sect, and he can be considered a very talented person.

David took a look at Ji Yun and felt a little surprised. This Ji Yun is not very old, but he has already reached the seventh rank of the Composite Body Boundary!

At this age, reaching the seventh rank of the Compatible Body Realm is considered a rare existence!

"David, you're here?"

Shi Tieqiao frowned when he saw David and the others!

"Elder Shi, do you know this person?"

Ji Yun asked Shi Tieqiao!

"Master Ji, this guy is the one who secretly released our three-headed pterosaur, and..."

Shi Tieqiao whispered a few words in Ji Yun's ear!

David knew without thinking, what Shi Tieqiao and Ji Yun were talking about!

"Oh, how can you still have this kind of ability?"

Ji Yun looked at David in disbelief. He couldn't believe that David, who was at the second level of the Body Builder, could get the Sky Thunder Fruit !

"Mr. Ji, this kid can leapfrog the ranks and fight, so don't take it lightly!"

Shi Tieqiao said!

Chapter 2846

"Hmph, fight by leapfrogging? I'm really not afraid of leapfrogging."

Ji Yun snorted coldly, then swept his eyes over Liu Ruyan's body, "Little girl, look at your face, where is it? Don't play with brother?"

"Rogue, shameless..."

Liu Ruyan said with a blank look at Ji Yun!

"Hahaha, the chick is quite hot, but I like it like this." "

Brother, I am the eldest son of the Feitian sect. If you follow me, I will guarantee you a good food and drink, which is better than following a second-rank guy in the fitness state." Strong?"

Ji Yun looked at Liu Ruyan with a smirk and said!

"Bah..."

Liu Ruyan spat hard!

"Are you looking for death?"

David looked at Ji Yun coldly and asked!

Ji Yun was taken aback for a moment, and then laughed loudly, "Boy, what are you talking about? That I'm looking for death?" "

Hahaha, are you kidding me? You, a second-grade Compatible Body, dare to talk to me like that?"

"Do you believe that I crushed you to death with one hand?"

"No!" David shook his head!

"Don't believe me? If you don't believe me, I'll let you see if I can take care of you with one hand!"

Ji Yun said, and he was about to attack David!

But Shi Tieqiao at the back hurriedly stopped Ji Yun and said, "Young Master Ji, you have to calm down. This is in Jialing County, you can't fight privately. This guy is deliberately trying to provoke you and ask you to do something to him." "We can't be fooled

, If Jialing County finds out about the private fight, at least they will be driven away, at worst they will be punished."

Hearing this, Ji Yun withdrew his hand that was about to be waved, and then looked at David coldly and said, "Boy, you are just rampant in Jialing County. If you leave Jialing County, see if I don't kill you." If you dare to let go of the three-headed pterosaur of our Flying Heaven Sect, you are looking for death!"

"What? You dare not do it?"

David said with a look of disdain!

"Don't you dare to do it? If you dare, then hit me, come on, come on..."

Ji Yun moved his face directly and let David hit him!

Ji Yun predicted that David would not dare to violate the rules of Jialing County!

But he never thought that the current David is not afraid of the rules of Jialing County at all, after all, the princess of Jialing County is begging him for something!

Even if he breaks the rules of Jialing County, he won't be punished in any way!

Just when Ji Yun moved his face closer, David slapped him suddenly!

Snapped!

With a crisp sound, it slapped Ji Yun's face fiercely!

Immediately afterwards, David kicked Ji Yun in the chest!

Ji Yun was kicked solidly, without the slightest precaution, he was kicked out in an instant, and his body fell into the yard!

Everyone present was taken aback, looking at David in disbelief!

They didn't expect that David would dare to do something in Jialing County!

"My lord, my lord..." Shi Tieqiao and the old woman hurried out to help Ji Yun up!

David got up and walked out!

The other people in the living room also went out, wanting to see the joke!

"Ah, you bastard, you dare to do something, I'm going to kill you, I'm going to kill you..."

Ji Yun roared angrily. In front of so many people, he was a dignified seventh-grade monk of the Composite Body Realm, but he was slapped by David, a second-rank Composite Body Realm monk, and brought it up!

"My lord, you must calm down, don't do anything, don't do anything, the people from Jialing County will definitely be here soon!"

Shi Tieqiao said while pulling Ji Yun firmly!

At this moment, several Jialing County guards in armor rushed in with weapons!

"Who is so bold to fight privately in Jialing County?"

one of the guards asked angrily!

"It was him, it was he who beat our son..."

Shi Tieqiao pointed at David and said!
