## Novel

### Chapter 2836

After some inspections, the elixir refined by David was indeed a top-ranked and almost perfect elixir, and there was nothing wrong with it!

"Young Master Meng, it's a seventh-grade top-grade elixir, there's nothing wrong with it..."

Several people said to Meng He!

Meng He looked at the elixir in front of him, his face flushed. If he admitted it, it would prove that he lost. Not only could he not get the first place, but he would also kneel down to David and give away his spirit cauldron!

"Although this is the seventh-grade top-grade pill, I suspect that it was not refined by David at all. It was you who tampered with it and prepared the pill a long time ago!" "Otherwise, why would

David be so calm at the beginning?" Besides, it's unrealistic to refine his broken alchemy furnace, and it will definitely blow up." "

Everyone, David is just a fifth-rank high-quality pharmacist. It is simply unrealistic for the same pill furnace to refine the seventh-grade top-grade pill in a few minutes." "

This kind of pill furnace can't withstand the power of the seventh-grade top-grade pill, and it will definitely explode , They clearly joined forces to lie to me, I refuse to accept, refuse to accept..."

Meng He began to flash everyone's emotions, trying to use everyone to put pressure on the referees!

"That's right, I'm afraid this pill furnace can't refine a seventh-grade top-grade pill?" "A

seventh-grade top-grade pill can be refined in a few minutes. Seventh-grade high-grade pill, this is impossible!"

"There is no trick in this, is it? Is the pharmacist association in Jialing County also operating secretly now?"

Everyone shouted, because they couldn't believe it. Ping can refine a seventh-grade high-quality elixir in a few minutes!

This time, Suo Xingyue and the others had no choice. The pill was indeed refined by David, but now that no one believed it, what else could they do?

"Meng He, how do you know that my alchemy furnace is junk?"

"What if I am a divine cauldron that is higher than your spirit cauldron?"

Looking at Meng He like that, David couldn't help but sneered!

"Damn, you bastard, you are not even as good as my spirit cauldron, you are still a god, what else can you do besides bragging?" "

If you are a god, I will kowtow to you and call you daddy ..."

Meng He spat hard, he couldn't believe it to death, what kind of magical cauldron is David's black-looking alchemy furnace.

“Forget it, I don’t want to have a son like you!”

David said with a cold smile.

“Little friend, don’t be a fool, let’s shine a light on your treasure...”

At this time, the old man said slowly!

David glanced at the old man, knowing that the old man saw his Shennong cauldron, so he nodded!

David walked up to the Shennong Ding, and then lightly patted the Shennong Ding!

Immediately afterwards, the pitch-black color around Shennong Ding disappeared slowly, turning into a yellow-orange-orange copper color, and inside the Shennong Ding, there was a ray of light, and the three characters Shennong Ding were clearly visible!

This sudden change stunned everyone, even Meng He looked at the Shennong Ding as if he was stupid!

“Shen Nong Ding, this is the ancient Shen Nong Ding, an alchemy artifact...”

After seeing the Shen Nong Ding showing its original appearance, the old man shouted excitedly!

Suo Xingyue and the others were also full of surprise at this moment, their eyes widened, and they were beyond shocked!

Everyone in the audience was stunned, looking at the Shennong Ding in front of them, with excitement in their eyes!

Meng He’s body couldn’t stop trembling slightly!

Shennong cauldron, this is a divine cauldron, compared to my own Lingding cauldron, I don't know how many times superior it is!

He couldn't figure it out, why did David have such a magic weapon as the Shennong Ding?

"Impossible, this is impossible..."

Meng He shook his head crazily, unable to believe what he saw!

## Chapter 2837

"Meng He, the facts are in front of you, you have already lost, what else do you have to say?"

the old man asked Meng He coldly!

"How could this be? How could this be?"

Meng He seemed to be in a daze, spinning around in circles at a loss!

"Now I announce that David will be the number one in the pharmacists competition this time!"

the old man announced loudly!

As soon as the result came out, many people in the audience burst into applause!

"In the future, we will have a late-stage talent in the world of pharmacists..."

"Shen Nong Ding, this is the first time I have seen a Shen Nong Ding.

" I did it personally."

Now everyone began to praise David overwhelmingly, and there was no more ridicule or questioning!

"Meng He, now that the winner has been decided, are you going to fulfill what you promised one by one?"

David said to Meng He!

Meng He looked at David coldly, his eyes were full of dissatisfaction, but he really lost now!

"David, what I said at the time was just a joke, it didn't count at all, and this pharmacist will have a competition, and he didn't say that he can participate in the bet.

" send out!

"Are you kidding me?" David narrowed his eyes slightly!

"So what if I trick you? This is Jialing County, do you still dare to do anything to me?" The

reason why Meng He was arrogant was because of the rules of Jialing County that private fights are not allowed!

Seeing Meng He's arrogant look, David clenched his fists tightly together!

"The rules of Jialing County are that private fights are not allowed, but there is an exception in the arena. Now the arena for the alchemy competition is also considered a arena!"

The old man said slowly at this time!

The old man's words couldn't be more obvious, that is to tell David that this place is in the arena, so he doesn't have to worry about the rules of Jialing County!

How could David fail to understand what the old man said!

As soon as the old man's voice fell, David had already punched him out!

"If you dare to play tricks on me, I will make you pay the price..."

David punched Meng He in the abdomen, causing Meng He to lie on the ground!

With Meng He's strength, where is David's opponent!

David beat Meng He like an adult beating a child.

David stepped forward, picked up Meng He's collar, and slapped it out with a few slaps!

That Meng He didn't even have the slightest strength to fight back, and was soon beaten with a bruised nose and a swollen face.

"David, stop it..."

Seeing Meng He being beaten like this, Zhuzhu rushed forward with distress, and then shouted at David!

"Zhuzhu, get back here..."

Seeing that Zhuzhu was still protecting Meng He, Suo Xingyue cursed angrily!

But Zhuzhu didn't listen at all, and still stood in front of Meng He!

Looking at Zhuzhu in front of him, David didn't like her at all. With a wave of his hand, he pushed Zhuzhu aside, and then picked up Meng He and beat her up!

"I was wrong, stop hitting..."

Meng He begged for mercy!

"Kneel down and kowtow..."

David said coldly!

Meng He knelt down with a plop, and kowtowed to David!

"What about your Lingding?" David asked!

"Give it to you, give it to you directly, I don't want it..."

Meng He was frightened by David's beating!

David looked at Meng He's timid look, and waved his hands, "Get out..."

Seeing this, Meng He hurriedly got up and was about to leave, but Zhuzhu grabbed him!

"Brother Meng, didn't you say you would take me with you? Take me with you..."

Zhuzhu knew that even if she stayed, there would be no good fruit to eat, after all, Suo Xingyue had already begun to doubt her!

"Go away, whoever took you with me, I just lied to you, you don't look at yourself like that, I feel disgusted when I see it." Meng He directly

pushed Zhuzhu to the ground, and cursed viciously!

## Chapter 2838

At this time, Meng He put all the blame on Zhuzhu, he thought that Zhuzhu never poisoned David, otherwise David would not have behaved like this today!

Zhuzhu fell to the ground and looked at Meng He in disbelief. She couldn't believe that Meng He was still in love with her yesterday, and kept saying that he loved her!

After Meng He pushed Zhuzhu away, he turned around and left without the slightest nostalgia for Zhuzhu!

Seeing Meng He's unsympathetic look, Zhuzhu burst into tears immediately, and then there was resentment in her eyes!

Standing up suddenly, rushed towards Meng He, and then tightly hugged Meng He's thigh!

"You can't go, tell me clearly, you played with me, are you going to kick me?" "

You gave me poison, let me poison the master, and now you don't want me?" "

If it wasn't for me, Will you win the third match?"

"Why are you so cruel?"

Zhuzhu yelled while hugging Meng He like crazy!

Meng He turned pale with fright and said, "What nonsense are you talking about? When did I poison you? Don't spit blood!"

Meng He was about to slap Zhuzhu's head with his palm. Regardless of the two people's love for fish and water!

You must know that the pharmacists held in Jialing County will use crooked minds to cheat, and that will have serious consequences!

Meng He didn't hesitate to kill Zhuzhu in public, but he couldn't let her speak out!

But just when Meng He was about to kill Zhuzhu, Suo Xingyue made a sudden move and stopped Meng He directly!

“Meng He, you dare to kill in front of so many people, now you tell me clearly, otherwise you don’t want to leave!”

Suo Xingyue looked at Meng He viciously and said!

“What did I say? I didn’t do anything, it’s all because of your disciple’s spitting blood.”

“She seduced me on her own initiative, and I don’t like her. Don’t tell me you Danyangmen are going to marry her by force?”

Meng He is still dead at this moment!

Seeing Meng He like that, Zhuzhu was already heartbroken, and cried bitterly, “Master, I’m sorry, this Meng He handed me a pack of poison, and let me make tea for you to drink!

“ I don’t know, I made a wrong judgment because the poison has eroded my consciousness!” “

He promised me that as long as I did this for him, he would take me to stay and fly together...”

Zhuzhu explained the matter. Say it all!

When everyone heard this, they all looked at Meng He with disdain, and all pointed at Meng He!

It’s not terrible that the pharmacist will lose, after all, there are levels of strength, but it would be too shameful to use such despicable means to win the competition!

"Meng He, you dare to use despicable means to cheat at the pharmacist meeting, you deserve to die..."

Hearing this, the old man jumped up and landed in front of Meng He!

Meng He looked at the old man in front of him, then at the angry eyes of Suo Xingyue and the others, cold sweat dripped down his forehead instantly!

"I didn't. She was the one who framed me. I never let her do it. I was wronged."

Meng He shook his head desperately to explain!

"Whether you were wronged or not, you can find out after a search, you must still have that poison on your body!"

David said at this time!

"Yes, search him!"

said the third elder!

Suo Xingyue stepped forward, ready to search Meng He, but Meng He's eyes flashed coldly, and then he swayed a white mist, and the whole person fled to the distance in an instant!

"Hmph, still want to escape?"

The old man let out a cold snort, and with a wave of his sleeves, Meng He, who had fled away, suddenly let out a scream, and then his whole body swelled instantly, turning into a blood mist!

Seeing Meng He's tragic death, everyone fell silent. They knew that in Jialing County, they must abide by the rules of Jialing County. If they dare to violate it, it will be their end!

Seeing Meng He's tragic death, Zhuzhu couldn't see any expression on her face, then she knelt in front of Suo Xingyue and said, "Master, this disciple realizes his mistake, please forgive me..."

## Chapter 2839

Looking at Zhuzhu kneeling on the ground, Suo Xingyue's face was full of anger, and she didn't speak, but looked at the senior brothers around her!

"Junior Brother, the reputation of my Danyang Sect cannot be tarnished." "

That is, we almost became sinners today, and almost made our Danyang Sect fall into a place of eternal doom!" "

Hey, it is shameful for my Danyang Sect to have such a disciple. , Shame..."

After the elders of the Danyang Gate finished speaking, they all turned around and left!

As for how to punish Zhuzhu, they didn't care, it all depended on what Suo Xingyue did!

"Master, I was really wrong, please forgive me again, I was really wrong!"

Zhuzhu kept kowtow to admit her mistake!

Suo Xingyue frowned, she could see that it was difficult for him to do it!

But in the end, Suo Xingyue slapped Zhuzhu with his palm!

This palm slap did not kill Zhuzhu, but directly abolished Zhuzhu's cultivation!

"You and I have been master and apprentice for many years. Now I will take back what I taught you. You can leave here by yourself and go wherever you

like. From now on, I will no longer be your master." Suo Xingyue closed her eyes slightly,

not Dare to see Zhuzhu say!

"Master, Master, I have no cultivation now. If I walk out here, I will die. Where do you want me to go?" "

Please, I am willing to serve Master forever, please don't drive me away!"

Zhuzhu begged!

But Suo Xingyue turned around and stopped looking at Zhuzhu!

"David, please, please help me talk, I know I was wrong, I don't dare to do it again!"

Zhuzhu actually asked David to intercede for her!

But David looked at Zhuzhu who was kneeling and crying bitterly, without the slightest pity on his face!

"It's your own fault, you can't blame others!"

David said indifferently!

Zhuzhu begged for a long time, and seeing that Suo Xingyue had made up her mind, she knew that there was no way she would stay, so she got up slowly, turned around and left slowly!

After walking a few steps, Zhuzhu turned her head and looked at David and Suo Xingyue again, but at this moment, Zhuzhu's eyes were already full of hatred!

It's just that no one will care about her anymore. A person who has lost his cultivation may be eaten by some wild animals when he leaves Jialing County!

"I'm the one who can't teach well, and caused such a big scandal. Mr. Chen is really sorry!"

"I'm sorry first..."

Suo Xingyue's face was ugly, and she was about to leave after she finished speaking!

"Elder Suo, wait a minute..."

David hurriedly called Suo Xingyue to stop!

"Mr. Chen, is there anything else?" Suo Xingyue asked!

"Elder Suo, Meng He's spirit tripod is of no use to me, so give it to Elder Suo, I think it is very important to you!" David waved his hand, and the spirit

tripod came into David's hands!

"This, this.....isn't this appropriate?"

Suo Xingyue said with a face full of shock!

Because of his disciple, David almost lost the game, but he didn't want David to give him the spirit tripod!

"If there's anything inappropriate, take it!"

David said with a faint smile!

Suo Xingyue put away the spirit tripod, looked at David with feeling on his face, and said, "Mr. Chen, if your Jade Cauldron Sect is useful in the future to obtain our Danyang Gate, we are absolutely obliged!" Suo Xingyue took the spirit tripod and

left , and the reason why David didn't leave the spirit cauldron to Liu Ruyan or the third elder was because David was still in the Jade Cauldron Sect for the time being. If he needed alchemy, he had his Shennong cauldron there!

Another point is that David knows that he cannot stay in Jade Cauldron Sect forever, so he can form a friendship with Danyang Sect through Lingding. In the future, even if David is no longer in Jade Cauldron Sect, Danyang Sect will help each other with Jade Cauldron Sect , can also make Liu Ruyan feel more relaxed!

What's more, with the strength of the Jade Cauldron Sect, it may not be able to defend the Lingding Cauldron, and this Lingding Cauldron will bring disaster to the Jade Cauldron Sect!

## Chapter 2840

After Suo Xingyue left, the old man handed David a bamboo token and said, "This time you won the first place. Later, people from Jialing County will send various rewards to your place of residence. In addition, tomorrow you can With this bamboo order, I went to meet the princess at the princess' mansion!"

"Thank you senior, I wonder if senior can tell me what special reward the princess is talking about?"

David was very curious about this special reward!

"I'm sorry, I don't know either. You need to meet the princess to find out!"

The old man smiled, and then jumped away!

Seeing this, David could only follow Liu Ruyan and the others back!

In the evening, people from Jialing County sent all kinds of resources. Looking at the piles of resources, everyone laughed!

The third elder and Liu Ruyan used these resources to start cultivating!

David originally planned to practice, but seeing Yihe sitting in the yard lost in thought, David went out anyway!

Yihe's strength is suppressed now, so there is no way to practice at all!

And looking at Yihe's appearance, he should be worried about Yisha and his Demon Imperial City!

"Don't worry, I'll see the princess tomorrow, he should have a way to detoxify you."

David stepped forward, patted Yihe on the shoulder and said!

"En!" Yihe nodded!

.....

The next day.

David brought Liu Ruyan and the others to the princess mansion early on!

The princess mansion is in the middle of Jialing County, surrounded by many soldiers guarding it, and David also found that there are several formations around it!

"Is the princess so afraid of death? How well protected?"

David looked at the protective measures like the iron wall of the princess mansion, and couldn't help laughing!

After David showed the bamboo order given by the old man yesterday, the guards let him go!

But after entering, David met Master Yan!

Master Yan seemed to know that David and the others were coming back, so he waited specially for them!

After seeing David and the others, Master Yan said, "Come with me..."

Afterwards, David followed Master Yan through one door after another, and finally stopped in front of a very simple two-story building!

One must know that the entire princess mansion has been renovated magnificently, but this simple two-story building in front of him looks out of place!

David was a little puzzled, could it be that the princess is in this simple two-story building?

"You guys wait here for a while, I'll let you know..."

After speaking, Master Yan pushed the door and walked in, and then closed the door!

"The princess of Jialing County doesn't live here, does she? It's too broken?"

Liu Ruyan looked at the two-story building in front of her, very puzzled!

"I don't know who this princess is, whether it's a man or a woman..."

the third elder asked curiously!

"This princess is so mysterious, and he still lives in this kind of place, so he doesn't have any eccentricities?" "

If he wants to have bad intentions for us, it will be difficult for the few of us to escape from here."

Yihe was a little worried road!

“Probably not? I’ve never heard of anyone being killed in Jialing County. Jialing County is considered a pure land in this area. As long as you enter Jialing County, no one will be in danger!” said the third elder

!

While the third elder and the others were talking, David remained silent, looking up at the dilapidated two-story building in front of him, and frowning slightly from time to time!

“David, what’s wrong?”

Liu Ruyan looked at David like that, so she asked!

“Do you think the small building in front of you is weird?”

David asked!

“No? There’s nothing strange about it, except that it’s broken!”

Liu Ruyan shook her head!

The third elder and Yihe also looked carefully, but they didn’t see anything strange!

“I don’t think this two-story building is like a building, but more like a container.” “

And there must be a magic circle in this small building. The moment the door was just opened, I even felt a wave of spiritual energy!” “

This This kind of fluctuation seems to emanate from the spirit cultivation array.”

David said with a slight frown!
